Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Long-Term Incentive Plan (the "LTI")

On September 22, 2010, the Compensation Committee (the "Committee") of the Board of Directors (the "Board") of Cracker Barrel Old Country Store, Inc. (the "Company") established the LTI for 2011 (the "2011 LTI") and each named executive officer's "LTI Percentage," which was unchanged from the 2010 Long-Term Incentive Plan. In this regard, reference is made to Item 5.02 of the Current Report on Form 8-K of the Company filed with the Commission on September 16, 2009, which is incorporated herein by this reference. The LTI Percentage represents the target opportunity, expressed as a percentage of that executive's base salary, that is available under the 2011 LTI.

The 2011 LTI consists of two components of substantially equal value: the FY11 Long-Term Performance Plan (the "FY11 LTTP"), which provides for awards of Performance Shares (as that term is defined in the Company's 2002 Omnibus Incentive Compensation Plan (the "2002 Plan")), and (ii) the Annual Stock Incentive Grant (the "FY11 LTI Incentive Grant"). Historically, the Company annual stock incentive has consisted of stock options; however the Company intends to transition to grants of stock units for the annual award if the Company's shareholders approve at this year's annual meeting of the Company's shareholders a new omnibus incentive compensation plan (the "2010 Plan"), which will add shares to the number that currently may be granted to employees of the Company and replace all existing equity incentive plans of the Company.

FY11 LTTP participants receive awards that consist of performance shares ("LTTP Awards"). The payment of an LTTP Award is dependent upon the Company's achieving a minimum level of operating income from continuing operations during 2011 and 2012 (the "LTTP Performance Goal"). The Company intends for payments under the FY11 LTTP to qualify as "performance based" compensation under Section 162(m) to the maximum amount allowed under the Omnibus Plan. Accordingly, if the LTTP Performance Goal is not met, no LTTP Award will be paid to any "Covered Employee," which means an officer to whom Section 162(m) applies. If the LTTP Performance Goal is met, each officer then would be eligible for an LTTP Award based upon 150% of his or her LTI Percentage. The Committee could decrease but could not increase the LTTP Award paid to any "Covered Employee," based upon such factors as the Committee, in its discretion, deems appropriate.

The remainder of 2011 LTI consists of the FY11 LTI Incentive Grant. The type of award ultimately received by the participants will depend on whether the 2010 Plan is approved by the Company's shareholders. Participants will receive (i) a grant of options (an "FY11 LTI Option") in the event that the 2010 Plan is not approved by the Company's shareholders; or (ii) a grant of stock units (an "FY11 LTI Unit Award") in the event that the 2010 Plan is approved by the Company's shareholders.

Accordingly, on September 22, 2010, the Committee made FY11 LTI Option awards to the named executive officers pursuant to the 2002 Plan, each with an exercise price of \$50.02, the closing market price of the Company's stock on the date of the grant. The FY11 LTI Options will vest ratably over a three year period. The FY11 LTI Options are subject to defeasance in the event the 2010 Plan is approved by the Company's shareholders at the 2010 annual meeting.

On September 22, 2010, the Committee also made FY11 LTI Unit Awards to the named executive officers. Each FY11 LTI Unit Award has a target number of shares to be received in the event there is no change in total return to the Company's shareholders during the performance period (fiscal years 2011, 2012 and 2013) with a value based upon $\frac{1}{2}$ of each participant's LTI Percentage. Total shareholder return, for purposes of each FY11 LTI Unit Award means increases in share price plus dividends paid. The maximum number of shares that may be awarded would be 150% of the target number of shares in the event that total return to the Company's shareholders increases by 150% or more during the performance period.

The payment of a FY11 LTI Unit Awards is further dependent upon the Company achieving a minimum level of operating income from continuing operations during 2011, 2012 and 2013 (the "LTI Unit Performance Goal"). The Company intends for payments under the FY11 LTI Unit Awards to qualify as "performance based" compensation under Section 162(m) to the maximum amount allowed by law and the 2010 Plan. Accordingly, if the LTI Unit Performance Goal is not met, no FY11 LTI Unit Awards will be paid to any "Covered Employee." If the LTI Unit Performance Goal is met, each officer then would be eligible to receive his or her FY11 LTI Unit Award. The Committee could decrease but could not increase any FY11 LTI Unit Award paid to any "Covered Employee," based upon such factors as the Committee, in its discretion, deems appropriate.
