two individuals specified below to purchase the number of shares opposite their respective names below at a purchase price of \$3.58 per share during the period from October 1, 2005 through and including October 31, 2009. The purchase price of the Warrants set forth in the table below which amounts shall be applied against and in reduction of the Exercise Price per share at the time of first exercise of part or all of each Warrant. Each Warrant was issued to the individuals specified below in part for their assistance in finding, analyzing and ultimately causing the consummation of a specified transaction, including assistance in the conduct of due diligence on the transaction. The transaction in question was the acquisition by GBR on October 12, 2004 of shares of stock of two domestic U.S. corporations which indirectly own approximately 74.4% of CabelTEL AD. Each Warrant contains a special provision which renders it null and void if presentation of a transaction to GBR's stockholders, together with a mandatory exchange of a series of preferred stock for common stock (the "Transaction") is not approved prior to October 1, 2005, and a rescission contingency occurs. The Warrants were issued without registration under the Securities Act of 1933 to the individuals set forth below covering the number of shares set forth below at a purchase price for the Warrant as set forth below:
