## INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Why am I receiving these materials?

The Company has delivered printed versions of these materials to you by mail, in connection with the Company's solicitation of proxies for use at the Annual Meeting. These materials describe the proposals on which the Company would like you to vote and also give you information on these proposals so that you can make an informed decision.

What is included in these materials?

These materials include:

- this Proxy Statement for the Annual Meeting;
- the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2011; and
- the proxy card or vote instruction form for the Annual Meeting.

What is the proxy card?

The proxy card enables you to appoint Paul Campbell, our Chief Financial Officer, and Susan Taylor, our Senior Vice President, General Counsel and Corporate Secretary, as your representatives at the Annual Meeting. By completing and returning a proxy card, you are authorizing these individuals to vote your shares at the Annual Meeting in accordance with your instructions on the proxy card. This way, your shares will be voted whether or not you attend the Annual Meeting.

What is the purpose of the Annual Meeting?

At our Annual Meeting, stockholders will act upon the matters outlined in the Notice of Annual Meeting on the cover page of this Proxy Statement, including (i) the election of eight persons named herein as nominees for directors of the Company, to hold office subject to the provisions of the bylaws of the Company, until the next annual meeting of stockholders and until their successors are duly elected and qualified, (ii) to approve the eMagin Corporation Amended and Restated 2011 Incentive Stock Plan, (iii) ratification of the appointment of McGladrey & Pullen, LLP as the Company's independent auditors for the fiscal year ending December 31, 2012, (iv) to conduct an advisory vote on executive compensation, and (v) to conduct an advisory vote on the frequency of future advisory votes on executive compensation. In addition, management will report on the performance of the Company during fiscal year 2011 and respond to questions from stockholders.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the number of shares of common stock and Series B Convertible Preferred Stock (on an as-converted basis with the common stock) issued and outstanding on the record date will constitute a quorum permitting the meeting to conduct its business. As of the record date, there are 23,537,978 shares of eMagin common stock and 5,659 shares of Series B Convertible Preferred Stock, convertible into 7,545,333 shares of common stock, issued and outstanding. Each share of Series B Convertible Preferred Stock is entitled to voting rights equal to the number of shares of common stock issuable upon conversion of the Series B Convertible Preferred Stock. Thus, the presence of the holders of common stock and Series B Convertible Preferred Stock (on an as-converted basis with the common stock) representing at least 15,541,656 votes will be

required to establish a quorum.

What is the difference between a stockholder of record and a beneficial owner of shares held in street name?

Most of our stockholders hold their shares in an account at a brokerage firm, bank or other nominee holder, rather than holding share certificates in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially in street name.

### Stockholder of Record

If on April 13, 2012, your shares were registered directly in your name with our transfer agent, Continental Stock Transfer & Trust Company, you are considered a stockholder of record with respect to those shares, and the Notice of Annual Meeting and Proxy Statement was sent directly to you by the Company. As the stockholder of record, you have the right to direct the voting of your shares by returning the proxy card to us. Whether or not you plan to attend the Annual Meeting, if you do not vote over the Internet, please complete, date, sign and return a proxy card to ensure that your vote is counted.

### Beneficial Owner of Shares Held in Street Name

If on April 13, 2012, your shares were held in an account at a brokerage firm, bank, broker-dealer, or other nominee holder, then you are considered the beneficial owner of shares held in "street name," and the Notice of Annual Meeting and Proxy Statement was forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As the beneficial owner, you have the right to direct that organization on how to vote the shares held in your account. However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you receive a valid proxy from the organization.

### How do I vote?

**Stockholders of Record.** If you are a stockholder of record, you may vote by any of the following methods:

- Via the Internet. You may vote by proxy via the Internet by following the instructions provided on the enclosed Proxy Card.
- By Telephone. You may vote by calling the toll free number found on the Proxy Card.
- By Mail. You may vote by completing, signing, dating and returning your proxy card in the pre-addressed, postage-paid envelope provided.
- In Person. You may attend and vote at the Annual Meeting. The Company will give you a ballot when you arrive.

**Beneficial Owners of Shares Held in Street Name.** If you are a beneficial owner of shares held in street name, you may vote by any of the following methods:

- Via the Internet. You may vote by proxy via the Internet by following the instructions provided on the enclosed Proxy Card.
- By Telephone. You may vote by proxy by calling the toll free number found on the vote instruction form.
- By Mail. You may vote by proxy by filling out the vote instruction form and returning it in the pre-addressed, postage-paid envelope provided.
- In Person. If you are a beneficial owner of shares held in street name and you wish to vote in person at the Annual Meeting, you must obtain a legal proxy from the organization that holds your shares.

#### Abstentions and broker non-votes

While the inspectors of election will treat shares represented by Proxies that reflect abstentions or include "broker non-votes" as shares that are present and entitled to vote for purposes of determining the presence of a quorum, abstentions or "broker non-votes" do not constitute a vote "for" or "against" any matter and thus will be disregarded in any calculation of "votes cast." However, abstentions and "broker non-votes" will have the effect of a negative vote if an item requires the approval of a majority of a quorum or of a specified proportion of all issued and outstanding shares.

Brokers holding shares of record for customers generally are not entitled to vote on "non-routine" matters, unless they receive voting instructions from their customers. As used herein, "uninstructed shares" means shares held by a broker who has not received voting instructions from its customers on a proposal. A "broker non-vote" occurs when a nominee holding uninstructed shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that non-routine matter. In connection with the treatment of abstentions and broker non-votes, the proposed ratification of McGladrey & Pullen, LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2012 is considered a "routine" matter. Accordingly, brokers are entitled to vote uninstructed shares with respect to this proposal.

What happens if I do not give specific voting instructions?

Shareholders of Record. If you are a stockholder of record and you:

- indicate when voting on the Internet or by telephone that you wish to vote as recommended by the Board of Directors, or
- sign and return a proxy card without giving specific voting instructions,

then the proxy holders will vote your shares in the manner recommended by the Board of Directors on all matters presented in this proxy statement and as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote at the Annual Meeting.

Beneficial Owners of Shares Held in Street Name. If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, under the rules of various national and regional securities exchanges, the organization that holds your shares may generally vote on routine matters, such as the ratification of McGladrey & Pullen, LLP as the Company's independent registered public accounting firm for the year ending December 31, 2012, but cannot vote on non-routine matters, such as the election of directors.

What are the Board's recommendations?

The Board's recommendation is set forth together with the description of each item in this Proxy Statement. In summary, the Board recommends a vote:

- for election of the eight (8) directors nominated by the Company to hold office subject to the provisions of the Bylaws of the Company, until the next annual meeting of stockholders and until their successors are duly elected and qualified;
- for approval of the eMagin Corporation Amended and Restated 2011 Incentive Stock Plan;
- for ratification of the appointment of McGladrey & Pullen, LLP as the Company's independent auditors for fiscal year 2012;
- for approval of executive compensation disclosed in this Proxy Statement of the Company's executive officers who are named in this Proxy Statement's Summary Compensation Table; and
- for approval to conduct an advisory stockholder vote every year on compensation of the Company's executive officers named in the Proxy Statement's Summary Compensation Table for that year.

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

#### Dissenters' Right of Appraisal

Holders of shares of our Common Stock or Series B Convertible Preferred Stock do not have appraisal rights under Delaware law or under the governing documents of the Company in connection with this solicitation.

How are Proxy materials delivered to households?

Only one copy of the Company's 10-K for the fiscal year ending December 31, 2011 and this Proxy Statement will be delivered to an address where two or more stockholders reside with the same last name or who otherwise reasonably appear to be members of the same family based on the stockholders' prior express or implied consent.

We will deliver promptly upon written or oral request a separate copy of the Company's 10-K for the fiscal year ending December 31, 2011 and this Proxy Statement upon such request. If you share an address with at least one other stockholder, currently receive one copy of our Annual Report and Proxy Statement at your residence, and would like to receive a separate copy of our Annual Report and Proxy Statement for future stockholder meetings of the Company, please specify such request in writing and send such written request to eMagin Corporation, 3006 Northup Way, Suite 103, Bellevue, WA 98004; Attention: Corporate Secretary.

# Interest of Officers and Directors in Matters to Be Acted Upon

Except for the election to our Board of the eight nominees set forth herein, none of our officers or directors has any interest in any of the matters to be acted upon at the Annual Meeting.

How much stock is owned by 5% stockholders, directors, and executive officers?

The following table sets forth the number of shares known to be beneficially owned by all persons who own at least 5% of eMagin's outstanding common stock, the Company's directors, the executive officers, and the directors and executive officers as a group as of April 13, 2012, unless otherwise noted. Unless otherwise indicated, the stockholders listed in the table have sole voting and investment power with respect to the shares indicated.

\*Less than 1% of the outstanding common stock

\*\* Beneficial Ownership is determined in accordance with the rules of the SEC and generally includes voting or investment power with respect to securities. Shares of common stock subject to options, warrants, or preferred shares exercisable or convertible within 60 days of April 13, 2012 are deemed outstanding for computing the percentage of the person holding such option or warrant. Percentages are based on a total of 35,401,630 shares: 23,537,978 shares of common stock outstanding on April 13, 2012 and 11,863,652 shares issuable upon the exercise of options, warrants exercisable and preferred shares convertible on or within 60 days of April 13, 2012, as described below.

(1) This figure represents: (i) 5,316,826 shares of common stock owned by Stillwater Holdings LLC (f/k/a Stillwater LLC), which includes 783,325 shares of common stock owned by Rainbow Gate Corporation, in which the sole member of Stillwater Holdings LLC is the investment manager of Rainbow Gate Corporation; (ii) warrants held by Stillwater Holdings LLC to purchase 1,000,000 shares of common stock and (iii) 6,314,666 shares of common stock underlying convertible preferred shares which includes 937,333 shares of common stock underlying convertible

preferred shares held by Rainbow Gate Corporation, in which the sole member of Stillwater Holdings LLC is the investment manager of Rainbow Gate Corporation. Mortimer D. A. Sackler exercises the sole voting power with respect to the shares held in the name of Stillwater Holdings LLC as sole member, and Mortimer D. A. Sackler exercises the sole voting power with respect to the shares held in the name of Rainbow Gate Corporation as investment manager; therefore Stillwater Holdings LLC is deemed to beneficially own the shares held by Rainbow Gate as “beneficially owned”.

(2) This figure represents: (i) 2,532,694 shares of common stock owned by Ginola Limited, which include: 783,325 shares of common stock held indirectly by Rainbow Gate Corporation; 78,478 shares of common stock owned by Mount Union Corp.; 57,372 shares of common stock owned by Chelsea Trust Company Limited, as trustee (Ginola Limited disclaims beneficial ownership of the shares owned by Rainbow Gate Corporation, Mount Union Corp. and Chelsea Trust Company Limited, as trustee); and 372,972 shares of common stock owned by Crestflower Corporation, in which the sole shareholder of Crestflower Corporation is Ginola Limited (Ginola Limited disclaims beneficial ownership of the shares owned by Crestflower Corporation except to the extent of its pecuniary interest therein); and (ii) 2,008,000 shares of common stock underlying convertible preferred shares, which includes 937,333 shares of common stock underlying convertible preferred shares held by Rainbow Gate Corporation (Ginola Limited disclaims beneficial ownership of the shares owned by Rainbow Gate Corporation). Stillwater Holdings LLC (f/k/a Stillwater LLC) and Ginola Limited are beneficially owned by separate individuals and therefore do not exert voting control over one another. However, Stillwater LLC does include the shares held by Rainbow Gate as “beneficially owned” since the sole member of Stillwater Holdings LLC is investment manager and sole director of Rainbow Gate Corporation and exerts voting control over such shares. Jonathan White, Steven Meiklejohn, and Joerg Fischer exercise the shared voting power with respect to the shares held in the name of Mount Union Corp. Stuart Baker, Joerg Fischer, Charles Lubar, Christopher Mitchell, Leslie Schreyer and Jonathan White exercise the shared voting power with respect to the shares held in the name of Chelsea Trust Company Limited. Jonathan White, Joerg Fischer and Steven Meiklejohn exercise the shared voting power with respect to the shares held in the name of Crestflower Corporation. Jonathan White, Joerg Fischer, John Crellin and Steven Meiklejohn are the directors of Ginola Limited and exercise the shared voting power with respect to the shares held in the name of Ginola Limited.

(3) This figure represents (1) 783,325 shares of common stock owned by Rainbow Gate Corporation; and (ii) 937,333 shares of common stock underlying convertible preferred shares. Mortimer D. A. How often did the Board meet during fiscal 2011?

During 2011, the Board of Directors held 10 meetings. Each director attended no fewer than 95% of the aggregate of the total number of meetings of the Board and the total number of meetings held by all committees on which such director served. The Board also approved certain actions by unanimous written consent.

What committees has the Board established?

The Board of Directors has standing Audit, Compensation, Strategy and Governance and Nominating Committees. Information concerning the function of each Board committee follows.

#### Audit Committee

The Audit Committee is responsible for overseeing management's implementation of effective internal accounting and financial controls, supervising matters relating to audit functions, reviewing and setting internal policies and procedures regarding audits, accounting and other financial controls, reviewing the results of our audit performed by the independent public accountants, and evaluating and selecting the independent public accountants. The Audit Committee has adopted an Audit Committee Charter, which is posted on our Corporate Governance landing page, under the tab labeled "Investors" on our website at <http://www.emagin.com>. The current members of the Audit Committee are Irwin Engelman (Chairman), Claude Charles and Stephen Seay. The Board has determined that Mr. Engelman is an "audit committee financial expert" as defined by the SEC. During 2011, the Audit Committee held 9 meetings in person or through conference calls.

#### Compensation Committee

The Compensation Committee determines matters pertaining to the compensation of our executive officers and outside directors, and administers our stock option and incentive compensation plans. The Compensation Committee has adopted a Charter, which is posted on our Corporate Governance landing page, under the tab labeled "Investors" on our website at <http://www.emagin.com>. The current members of the Compensation Committee are Stephen Seay (Chairman), Claude Charles, and Leslie Polgar. During 2011, the Compensation Committee held 7 meetings in person or through conference calls.

#### Governance and Nominating Committee

The Governance and Nominating Committee is responsible for considering potential Board members, nominating Directors for election to the Board, implementing the Company's corporate governance policies, and for all other purposes outlined in the Governance and Nominating Committee Charter, which is posted on our Corporate Governance landing page, under the tab labeled "Investors" on our website at <http://www.emagin.com>. The current members of the Governance and Nominating Committee are Claude Charles (Chairman), Paul Cronson and Stephen Seay. During 2011, the Governance and Nominating Committee held 5 meetings in person or through conference calls.

#### Strategy Committee

The primary purpose of the Strategy Committee is to be responsible to the Board of Directors for the oversight of the Company's Strategic Plan. The Strategy Committee will maintain an on-going, cooperative, interactive strategic planning process with the Company's executive management, including the identification, setting and maintenance of strategic goals and expectations as well as the review of potential acquisitions, joint ventures, and strategic alliances. The Strategy Committee was formed on November 14, 2011, pursuant to a Charter adopted by the Board (posted on our Corporate Governance landing page under the tab labeled "Investors" on our website at <http://www.emagin.com>) and met twice in 2011. Its current members are Leslie Polgar (Chairman), Jill Wittels and Stephen Seay.

#### Nomination of Directors

As provided in its charter, the Governance and Nominating Committee is responsible for identifying individuals qualified to become directors. The Governance and Nominating Committee seeks to identify director candidates based on input provided by a number of sources, including (1) the Governance and Nominating Committee members, (2) our other directors, (3) our stockholders, (4) our Chief Executive Officer or Chair of the Board, and (5) third parties such as service providers. In evaluating potential candidates for director, the Governance and Nominating Committee

considers the entirety of each candidate's credentials.

Qualifications for consideration as a director nominee may vary according to the particular areas of expertise being sought as a complement to the existing composition of the Board of Directors. However, at a minimum, candidates for director must possess:

- high personal and professional ethics and integrity;
- the ability to exercise sound judgment;
- the ability to make independent analytical inquiries;
- a willingness and ability to devote adequate time and resources to diligently perform Board and committee duties; and
- the appropriate and relevant business experience and acumen.

The Governance and Nominating Committee will consider nominees recommended by shareholders if such recommendations are made in writing to the committee. The Governance and Nominating Committee does not plan to change the manner in which the committee evaluates nominees for election as a director based on whether the nominee has been recommended by a stockholder or otherwise.

The Governance and Nominating Committee does not have a formal policy relating to diversity among directors. In considering new nominees and whether to re-nominate existing members of the Board, the committee seeks to achieve a Board with strengths in its collective knowledge and a broad diversity of perspectives, skills and business and professional experience. Among other items, the committee looks for a range of experience in strategic planning, sales, finance, executive leadership, industry and similar attributes.

At least a majority of the directors on the Board must be independent directors as defined in the rules of the NYSE Amex.

#### Board Leadership Structure and Role in Risk Oversight

The Company has separated the positions of Chair of the Board of Directors and Chief Executive Officer. Given the demanding nature of these positions, the Board believes it is appropriate to separate the positions of Chair and Chief Executive Officer. Our Chair presides over all meetings of the Board of Directors, including executive sessions of the independent directors, which are held at each Board meeting. She briefs the Chief Executive Officer on issues arising in executive sessions and communicates frequently with him on matters of importance. She has responsibility for shaping the Board's agendas and consults with all directors to ensure that the board agendas and board materials provide the Board with the information needed to fulfill its responsibilities. From time to time she may also represent the Company in interactions with external stakeholders, at the discretion of the Board.

The Board of Directors has determined that each of our current directors, except for Mr. Sculley, is an "independent director" as that term is defined in the listing standards of the NYSE Amex. The Board of Directors has also determined that each member of the Audit Committee, Compensation Committee and Governance and Nominating Committee meets the independence standards applicable to those committees prescribed by the NYSE Amex and the SEC. In making this decision, the Board considered all relationships between the Company and the directors, including Dr. Wittels' role as (and compensation related to) a consultant to the Company from April through July of 2011. The Board determined each such relationship, and the aggregate of such relationships, to be immaterial to the applicable director's ability to exercise independent judgment.

Our Board has overall responsibility for risk oversight. The oversight is conducted primarily through committees of the Board of Directors, as disclosed in each of the descriptions of each of the committees above and in the charters of each of the committees, but the full Board of Directors has retained responsibility for general oversight of risks.

#### Stockholder Communications

Shareholders requesting communication with directors can do so by writing to eMagin Corporation, c/o Corporate Secretary, 3006 Northup Way, Suite 103, Bellevue, WA 98004, or emailing to [staylor@emagin.com](mailto:staylor@emagin.com). At this time we do not screen communications received and would forward any requests directly to the named director. If no director was named in a general inquiry, the Secretary would contact either the Chair of the Board of Directors or the chairman of a particular committee, as appropriate. We do not provide the physical address, email address, or phone numbers of directors to outside parties without a Director's permission.

#### Code of Ethics and Business Conduct

We have adopted a Code of Ethics and Business Conduct that applies to all of our directors, officers and employees, including our Chief Executive Officer, Chief Financial Officer and principal accounting officer. The Code of Ethics and Business Conduct is posted on our website at <http://www.emagin.com>.

## EXECUTIVE COMPENSATION

### Compensation Discussion and Analysis

In 2011, we achieved a number of milestones while navigating through a challenging environment and increased competition. Our 2011 results were mixed. We opened additional avenues of growth by securing new contracts and developing key new technologies. We also installed new machinery that should significantly increase capacity. At the same time, our revenues and operating income for 2011 declined from 2010. As a result of not achieving all of our goals, the size of the bonus pool decreased and our named executive officers received smaller incentive payments in 2011 than in 2010. The exercise price of stock option awards granted in 2011 was generally below the market price of our common stock by the end of 2011 and the value of executive stock holdings decreased overall. Toward the end of 2011, the Compensation Committee engaged a compensation consultant and is now in the process of reviewing the compensation programs for the executive officers and the directors, as well as certain company-wide programs. We have already made some changes to our compensation policies, including changes to director compensation, adoption of a clawback policy and the decision to contribute to the Company's 401(k) plan, and other changes are under consideration. The Compensation Committee is reviewing the Company's incentive plans and employment arrangements to ensure that pay is aligned with performance, and is reaching out to our largest shareholders for input on compensation philosophy.

### Executive Compensation Objectives

The objectives of our compensation program are as follows:

- Attract, hire and retain well-qualified executives.
- Reward performance that drives substantial increases in shareholder value, as evidenced through both future operating profits and increased market price of our common shares.

### Compensation Setting Process

**Role of Compensation Committee.** The role of the Compensation Committee is to oversee the Company's executive compensation strategy, oversee the administration of its executive compensation and its equity based compensation plans, review and approve the compensation of the Company's CEO, and oversee the Company's compensation plan for the Board of Directors. The Compensation Committee is comprised exclusively of independent outside directors and includes members with executive level experience in other companies who bring a perspective of reasonableness to compensation matters with our Company. In addition, the Compensation Committee compares executive compensation practices of similar companies at similar stages of development.

**Role of Compensation Consultant.** The Compensation Committee has the authority to engage its own advisors to assist in carrying out its responsibilities. In October 2011, the Compensation Committee engaged Towers Watson, a global professional services company with strong compensation and awards expertise, to provide a share usage analysis, in part so that the Compensation Committee had information to better understand issues raised by shareholders voicing concerns on the proposed 2011 Incentive Stock Plan. Then, in December of 2011, the Compensation Committee again engaged Towers Watson to assist in the identification and selection of peer companies for purposes of comparing compensation practices, to provide guidance regarding the amount and types of compensation that we provide to our executives and board of directors, and other compensation-related matters. Towers Watson reports directly to the Compensation Committee and provides no services to management, although Towers Watson meets with members of management for the purpose of gathering information. Towers Watson provided its analysis of board and executive compensation to the Compensation Committee in March 2012. The Compensation Committee anticipates working with Towers Watson to continue to improve our

compensation program. Implementation of agreed upon policies will be made during 2012 and disclosed in our proxy statement for 2013.

Role of Management. In setting compensation for 2011, our CEO worked closely with the Compensation Committee and attended its meetings of the Compensation Committee. Our CEO made recommendations to the Compensation Committee regarding compensation of our executive officers other than him. No executive officer participated directly in the final deliberations regarding his or her own compensation package.

Use of Comparative Market Data. The Compensation Committee approved a benchmark peer group of companies based on the analysis and advice of Towers Watson in January of 2012. The companies were selected as peers based on their being in a similar industry, primarily manufacturers of electronic components or electronic equipment and instruments, and of a generally similar size, based mainly on revenue. Our peer group consists of the following 17 companies:

Advanced Photonix Inc.	Microvision Inc.
Clearfield, Inc.	NVE Corporation
Digital Ally Inc.	Photonic Products Group Inc.
Intricon Corp.	RF Monolithics Inc.
Kopin Corp.	Solar Power, Inc.
LightPath Technologies Inc.	Supertex Inc.
LRAD Corporation	The LGL Group, Inc.
Micronetics Inc.	Universal Display Corp.
Micropac Industries Inc.	

The peer group was established after Mr. Sculley's new employment contract was entered into in June of 2011, but the Compensation Committee compared the total direct compensation of the Company's executive officers with the total direct compensation paid to the top executive officers at the companies in the peer group, as well as to compensation levels revealed in survey data provided by Towers Watson, for purposes of establishing 2012 salaries for executives other than Mr. Sculley.

The Compensation Committee set Mr. Sculley's base salary under his new employment contract at \$384,000, which represents a 20% increase over the salary of \$320,000 that he had been earning since mid-2009. The Compensation Committee evaluated Mr. Sculley's performance prior to the Company entering into the new employment contract and recognized his achievements since joining the Company as CEO in 2008 and the progress made. During his three year tenure from June, 2008 to June, 2011 the Company's stock price had increased from \$0.88 to \$6.33, the Company's debt had been paid off and the Company's manufacturing process had been stabilized. The peer group listed above had not been determined prior to reviewing Mr. Sculley's contract. The Compensation Committee reviewed CEO salaries of companies that they identified as comparable, based on their being competitive firms or in similar industries and of generally the same size, measured both in revenue and market capitalization as of early 2011. In setting Mr. Sculley's compensation the Committee considered compensation levels for CEOs of the following companies: QuikLogic Corporation, RAE Systems, Lime Energy, Co., Microvision, RadiSys Corporation, Spectrum Control, Herley Industries, Kopin Corporation and Planar Systems, Inc. Additional information on Mr. Sculley's employment agreement is described below in the "Employment Agreements" section.

#### Elements of Executive Compensation

The compensation level of our executives generally reflects their level of experience and is designed to provide an incentive to positively affect our future operating performance and shareholder value.

**Salary.** Base salary is the primary fixed element in the Company's compensation program and is intended to provide an element of certainty and security to the Company's executive officers on an ongoing basis. Most of the executive officers have three-year employment agreements with the Company and their initial salaries are set by contract. Messrs. Prache and Ghosh, the two executive officers who have been employed the longest, do not have contracts. The Compensation Committee is currently assessing the desirability of continuing to enter into employment contracts with executives. Salaries are based on the executive's level of experience, specialty and responsibility. Executive salaries are reviewed on an annual basis by the Compensation Committee. Any increases in

salary are based on an evaluation of the individual's performance, level of responsibility and, when such information is available, the level of pay compared to the salaries paid to persons in similar positions in the Company's peer group or as shown in survey data.

In 2011, the base salaries of our executive officers were moderately increased over the prior year. The increases were primarily merit based and intended to reward our executive officers for their overall performance on behalf of the Company in 2010.

Equity. Part of the compensation paid to our executives is in the form of equity, which to date has been exclusively through stock option grants. The stock option exercise price is generally the fair market value of the stock on the date of grant. Therefore, a gain is only recognized if the value of the stock increases, which promotes a long term alignment between the interests of the Company's executives and its shareholders. The Compensation Committee is currently considering whether to start granting restricted stock as another form of equity compensation and is assessing the economic and practical implications to both the Company and its employees, including executives.

The Compensation Committee approves all option grants, generally in connection with the annual performance assessment that occurs during the first quarter of the year with input and recommendations from the Chief Executive Officer, with the exception that the Chief Executive Officer and Chief Financial Officer have been delegated authority to approve initial grants made to newly hired employees. New executives typically receive a substantial option grant when hired in order to immediately align their interests with the new company and then are eligible for an option grant on the same basis as all other employees going forward.

In 2011, significant option grants were made to Ms. Taylor in connection with her joining the Company and to Messrs. Prache and Ghosh, in recognition of their becoming executive officers of the Company. Mr. Sculley also received a substantial grant of options in connection with his new employment agreement, as discussed below. Mr. Campbell's grant of options, as well as separate smaller grants made to the other named executive officers except for Ms. Taylor, reflected the grant of options made to all employees of the Company, which in 2011 the Compensation Committee set at 9% of salary based on Company performance in 2010.

**Bonus.** The executive officers' cash incentive awards are tied to achieving performance metrics established by the Compensation Committee at the beginning of each year, with input from the Chief Executive Officer, which are not re-set during the year, regardless of Company performance or economic conditions. The program creates incentive for the executive officers to direct their efforts toward achieving specified company goals. To measure our 2011 performance, the Compensation Committee established goals related to the Company's financial performance and attainment of strategic milestones. In 2011, we fell short of reaching the Company's financial performance goals. Other strategic milestones related to the development of certain technologies and attaining certain production milestones were achieved. The program was funded by establishing a pool based on a percentage of annual EBITDA, which was then adjusted by an overall company performance modifier based on goal achievement to reach the final bonus pool. The end result in 2011 was a bonus pool of \$369,000, of which \$179,000 was shared among the named executive officers proportionately based on certain percentage of salary thresholds that had been established. The remainder of the pool was shared among other employees.

#### Anti-Hedging Policy

Our insider trading policy prohibits directors and employees from engaging in short-term or speculative transactions such as trading in eMagin stock on a short-term basis, purchasing eMagin stock on the margin or engaging in short sales.

#### Clawback Policy

Our Clawback Policy provides that the Company will seek to recover, under the direction of the Compensation Committee, any compensation paid to an executive officer of the Company which is subject to recovery under any law, government regulation or stock exchange listing requirement, through such deductions or clawback as may be required to be made pursuant to such law, government regulation or stock exchange listing requirement.

#### Compensation Committee Interlocks and Insider Participation

None of the members of our Compensation Committee has been an officer or employee of eMagin during the years ending December 31, 2009, 2010 and 2011. In addition, during the most recent fiscal year, no eMagin executive officer served on the Compensation Committee (or equivalent), or the Board, of another entity whose executive officer(s) served on our Compensation Committee or Board.

#### Compensation Committee Report of Executive Compensation

The Committee has reviewed the Compensation Discussion and Analysis and discussed that analysis with management. Based on its review and discussions with management, the Committee recommended to the Board that the Compensation Discussion and Analysis be included in eMagin's 10-K for the fiscal year ending December 31, 2011. This report is provided by the following independent directors, who comprise the Committee:

Pursuant to the Sculley Employment Agreement, the Company agreed to use reasonable efforts to submit a proposal to its shareholders at its next annual meeting relating to the approval of a new incentive stock plan ("Plan") and to grant Mr. Sculley stock options (the "Options") and/or restricted shares of the Company's Common Stock, valued at \$400,000 (based on a Black Scholes valuation method for the Options and the market price on the day of the grant for the restricted stock), within ten days of the annual meeting, provided the Plan was approved. On November 3, 2011, Mr. Sculley was granted 188,333 options at \$4.03 per share, of which (i) 1/3 shall vest on the 1st annual anniversary of the Employment Agreement, (ii) 1/3 shall vest on the 2nd annual anniversary of the Employment Agreement and (iii) 1/3 shall vest on December 31, 2013.

If Mr. Sculley's employment agreement is terminated without cause or if he terminates it for Good Reason, then Mr. Sculley, at the Company's sole discretion, shall be entitled to the lesser of (i) the total amount of his base salary that remains unpaid under the Employment Agreement, which shall be paid monthly or (ii) monthly salary payments for twelve (12) months, based on his monthly rate of base salary at the date of such termination, provided, however in lieu of the aforementioned monthly payments, the Company may in its sole discretion pay such payments in a lump-sum. termination. Ms. Taylor shall also be entitled to receive (i) payment for accrued and unpaid vacation pay and (ii) all bonuses that have accrued during the term of the Taylor Employment Agreement, but have not been paid. All non-vested options shall vest immediately.

#### RECOMMENDATION OF THE BOARD FOR PROPOSAL NO. 1:

THE BOARD RECOMMENDS A VOTE FOR THE ELECTION OF ALL THE NOMINEES DESCRIBED ABOVE.

ACTIONS TO BE TAKEN AT THE MEETING (Continued)

PROPOSAL NO. 2:

APPROVAL OF THE COMPANY'S AMENDED AND RESTATED 2011 INCENTIVE STOCK PLAN

At the Annual Meeting, the Company's stockholders are being asked to approve the eMagin Corporation Amended and Restated 2011 Incentive Stock Plan (the "Plan").

At the Company's 2011 Annual Meeting of Stockholders held on November 3, 2011, the Company's shareholders approved the Company's 2011 Incentive Stock Plan (the "Original 2011 Plan"). Prior to the 2011 Annual Meeting, in response to shareholder feedback, the Board committed to recommend amendments to the Original 2011 Plan to (1) eliminate the evergreen provision in the Original 2011 Plan and (2) expressly prohibit the re-pricing or exchange of stock options without stockholder approval. Both of those changes, and no others, are carried out in the Plan being submitted for your approval.

In November of 2011, the Board also resolved that with respect to awards granted over the next fiscal year, starting in 2012, the Company will maintain an average run rate over that period that does not exceed 4.5% of the Company's fully diluted shares outstanding. Run rate is defined as the sum of the number of stock options granted during the year, divided by the Company's fully diluted shares outstanding. Fully diluted shares outstanding is defined as the sum of all outstanding common shares, outstanding preferred share common equivalents, outstanding warrants and outstanding options. The Company is on track to keep that commitment.

The following is a summary of principal features of the Plan. The summary, however, does not purport to be a complete description of all the provisions of the Plan. A copy of the Plan is attached hereto as Appendix A.

General

The Board of Directors has reserved 1.4 million shares of the issued and outstanding shares of Common Stock for issuance under the Plan together with all of the Company's other previously established stock option plans or grants.

As used below, "Options" shall mean either an Incentive Stock Option, in accordance with Section 422 of the Internal Revenue Code of 1986 (the "Code"), as amended, or an option designated as a "nonstatutory option".

Administration

The Plan, when approved, will be administered by the Company's Board of Directors, provided however the Board may delegate such administration to the Compensation Committee or such other committee of the Board as the Board shall designate to administer the Plan, as the Board of Directors may be composed from time to time. All questions of interpretation of the Plan are determined by the Board, and its decisions are final and binding upon all participants. Any determination by a majority of the members of the Board of Directors at any meeting, or by written consent in lieu of a meeting, shall be deemed to have been made by the whole Board of Directors.

Eligibility

Under the Plan, Options and stock awards may be granted to employees, officers, directors or consultants of the Company or any of its subsidiaries.

#### Terms of Options

The term of each Option granted under the Plan shall be contained in a stock option agreement between the Optionee and the Company and such terms shall be determined by the Board of Directors consistent with the provisions of the Plan, including the following:

- (a) **PURCHASE PRICE.** The purchase price of the Common Shares subject to each Option shall not be less than the fair market value (as set forth in the Plan).
- (b) **VESTING.** The dates on which each Option (or portion thereof) shall be exercisable and the conditions precedent to such exercise, if any, shall be fixed by the Board of Directors or the Compensation Committee, in its discretion, at the time such Option is granted.

- (c) **EXPIRATION.** Unless the Board or the committee administering the Plan shall determine otherwise, any Option granted to an employee of the company shall become exercisable over a period of no longer than seven years and no less than twenty percent of the shares covered thereby shall become exercisable annually. In no event shall any Option be exercisable after the expiration of ten years from the date it is granted and no Incentive Stock Option granted to a Ten Percent Holder shall, by its terms, be exercisable after the expiration of five (5) years from the date of the Option.
- (d) **TRANSFERABILITY.** No Option shall be transferable, except by will or the laws of descent and distribution.
- (e) **OPTION ADJUSTMENTS.** Subject to any required action of shareholders, the number of shares of stock covered by each outstanding Option, and the exercise price per share thereof set forth in each such Option, shall be proportionately adjusted for any increase or decrease in the number of issued shares of Stock of the Company resulting from a stock split, stock dividend, combination, subdivision or reclassification of shares, or the payment of a stock dividend, or any other increase or decrease in the number of such shares affected without receipt of consideration by the Company; provided, however, the conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration" by the Company.

#### Terms of Stock Grants

All or part of any stock award under the Plan may be subject to conditions established by the Board or the committee administering the plan, and set forth in a stock award agreement, which may include, but are not limited to, continuous service with the Company, achievement of specific business objectives, increases in specified indices, attaining growth rates and other comparable measurements of Company performance, in which case it may be referred to as "restricted stock". Such awards may be based on fair market value or other specified valuation. All stock awards will be made pursuant to the execution of a stock award agreement in such form and substance as the Board or committee administering the plan shall from time to time approve.

#### Federal Income Tax Consequences of Issuance and Exercise of Options

The following is a summary of the principal U.S. federal income tax consequences generally applicable to option awards under the Plan. This summary does not purport to consider all of the possible U.S. federal tax consequences of the awards and is not intended to reflect the particular tax position of any award recipient. This summary is based upon the U.S. federal tax laws and regulations now in effect and as currently interpreted and does not take into account possible changes in such tax laws or such interpretations, any of which may be applied retroactively. Award recipients are strongly advised to consult their own tax advisors for additional information.

**Grant of an Option.** The grant of an option is not expected to result in any taxable income for the recipient as of the date of the grant, except that in the event non-statutory options are granted with an exercise price lower than the then-current fair market value of the Common Stock, the difference between the exercise price and the then-current fair market value may be treated as deferred compensation income recognized as of the date the non-statutory options are granted.

**Exercise of Incentive Stock Option.** The holder of an incentive stock option generally will have no taxable income upon exercising the option (except that a tax liability may arise pursuant to the alternative minimum tax), and the Company will not be entitled to a tax deduction.

**Exercise of Nonqualified Stock Option.** Generally, subject to Code Section 409A, upon exercising a nonqualified stock option, the award recipient must recognize ordinary income equal to the excess of the fair market value of the shares of Common Stock acquired on the date of exercise over the exercise price. The income will be treated as compensation income subject to payroll and withholding tax obligations. The Company would be entitled to a compensation deduction in the amount of income recognized by the award recipient.

**Disposition of Shares Acquired Through an Option.** The tax consequence to a holder of an option upon a disposition of shares acquired through the exercise of an option will depend on how long the shares have been held and upon whether such shares were acquired by exercising an incentive stock option or by exercising a nonqualified stock option.

Generally, the disposition of shares which were acquired by exercise of an incentive stock option will be taxable as long-term capital gain or loss if the award recipient disposes of the shares more than two years after the option was granted and at least one year after exercising the option. If the award recipient fails to satisfy the holding period requirements for treatment as an incentive stock option, a disposition will result in any gain being treated as compensation income subject to ordinary tax rates. If the award recipient is still an employee of the Company at the time of the disposition, the amount of gain treated as compensation will also be subject to payroll and withholding taxes.

If an award recipient disposes of shares acquired through the exercise of a nonqualified option, any gain or loss will be treated as a capital gain or loss. To the extent such shares have been held for at least one year after exercise of the nonqualified option, the gain or loss will be treated as long-term capital gain or loss.

Generally, there will be no tax consequence to the Company in connection with the disposition of shares acquired under an option, except that the Company may be entitled to a tax deduction in the case of the disposition of shares acquired under an incentive stock option before the applicable incentive stock option holding periods set forth in the Code have been satisfied.

The grant by the Board of other stock-based awards may have varying tax consequences to award recipients. Grants made pursuant to the Plan may be subject to Code Section 409A and plan administration may have to conform to Code Section 409A. Failure to comply with Code Section 409A, if applicable, will result in acceleration of income and imposition of penalties and interest to award recipients.

Application of Section 16 of the Securities Exchange Act of 1934. Special rules may apply in the case of individuals subject to Section 16 of the Securities Exchange Act of 1934, as amended. In particular, unless a special election is made pursuant to the Code, shares received pursuant to the exercise of a stock option may be treated as restricted as to transferability and subject to a substantial risk of forfeiture for a period of up to six months after the date of exercise. Accordingly, the amount of any ordinary income recognized, and the amount of the Company's tax deduction, are determined as of the end of such period.

**Delivery of Shares to Satisfy Tax Obligation.** Under the Plan, participants may deliver shares of Common Stock (either shares received upon the receipt or exercise of the award or shares previously owned by the holder of the option) to the Company to satisfy federal and state tax obligations unless the Board provides to the contrary in the award agreement.

#### Restrictions on Resale

Certain officers and directors of the Company may be deemed to be "affiliates" of the Company as that term is defined under the Securities Act. The Common Stock acquired under the Plan by an affiliate may be reoffered or resold in the United States only pursuant to an effective registration statement or pursuant to Rule 144 under the Securities Act or another exemption from the registration requirements of the Securities Act.

PROPOSAL NO. 3

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

McGladrey & Pullen, LLP (“McGladrey”), our independent auditors, audited our financial statements for the 2011 fiscal year. The Audit Committee selected McGladrey as the independent auditors of the Company for the fiscal year ending December 31, 2012. Representatives of McGladrey are not expected to attend the 2012 Annual Meeting of stockholders. McGladrey were engaged by us on June 15, 2011.

On June 13, 2011, eMagin Corporation dismissed EisnerAmper LLP (“EisnerAmper”) as its independent registered public accounting firm. The decision to dismiss EisnerAmper was approved by the Audit Committee of the Company’s Board of Directors. The decision was based on a desire to significantly reduce the Company’s audit fees and to retain a firm with an office located in the same region of the country as the Company’s executive offices. Representatives of EisnerAmper are not expected to attend the 2012 Annual Meeting of stockholders.

EisnerAmper’s audit reports on the Company’s financial statements for the fiscal years ended December 31, 2010 and 2009 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the Company’s two most recent fiscal years and in the subsequent interim period from January 1, 2011 through June 13, 2011, there were (i) no disagreements between the Company and EisnerAmper on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of EisnerAmper, would have caused EisnerAmper to make reference to the subject matter of the disagreements in their reports on the financial statements for such years, and (ii) no reportable events (as that term is defined in Item 304(a)(1)(v) of Regulation S-K.) The Company provided EisnerAmper with a copy of this disclosure and requested that EisnerAmper furnish it with a letter addressed to the SEC stating whether or not EisnerAmper agrees with the above statements. That letter is attached as exhibit 16.1 to our current report on Form 8-K filed on June 15, 2011.

During the years ended December 31, 2010 and 2009 and in the subsequent interim period from January 1, 2011 through June 15, 2011, neither the Company nor anyone acting on its behalf consulted with McGladrey regarding any of the matters or events set forth in Item 304(a)(2) of Regulation S-K. Nor did McGladrey receive any fees for any services during that time period.

Audit Fees

EisnerAmper served as eMagin’s independent auditors for the year ended December 31, 2010, and McGladrey served as eMagin’s independent auditors for the year ended December 31, 2011. For the year ended December 31, 2011, the fees for audit services associated with the annual audit and review of the Company’s quarterly reports on Form 10-Q totaled approximately \$289,000, of which \$123,000 was billed by EisnerAmper and \$166,000 was billed by McGladrey. For the year ended December 31, 2010, the fees for audit services associated with the annual audit and review of the Company’s quarterly reports on Form 10-Q totaled approximately \$255,000, which was billed by EisnerAmper.

Tax Fees

No fees were billed for the years ended December 31, 2011 and 2010 for professional services rendered by McGladrey or EisnerAmper for tax compliance, tax advice, and tax planning.

#### All Other Fees

For the years ended December 31, 2011 and 2010, fees related to the transition of audit firms in 2011 and for audit services related to the Company's statutory and regulatory filings totaled approximately \$92,000 for 2011, of which \$28,000 was billed by EisnerAmper and \$64,000 was billed by McGladrey, and \$50,000 for 2010 which was billed by EisnerAmper.

#### Pre-Approval Policies and Procedures

The Audit Committee pre-approves all audit and non-audit services performed by the Company's auditor and the fees to be paid in connection with such services in order to assure that the provision of such services does not impair the auditor's independence.

#### Required Vote

The ratification of the appointment of the Company's independent auditors requires the receipt of the affirmative vote of a majority of the shares of the Company's common stock and Series B Preferred Stock (on an as converted basis with the Common stock) present in person or by proxy and voting at the Annual Meeting.

#### RECOMMENDATION OF THE BOARD FOR PROPOSAL NO. 3:

THE BOARD RECOMMENDS A VOTE FOR RATIFICATION OF APPOINTMENT OF MCGLADREY &  
PULLEN, LLP AS OUR INDEPENDENT AUDITORS  
FOR THE YEAR ENDED DECEMBER 31, 2012.

PROPOSAL NO. 4

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The recently enacted Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”) requires the Company’s stockholders to have the opportunity to cast a non-binding advisory vote regarding the approval of the compensation disclosed in this Proxy Statement of the Company’s executive officers who are named above in the Summary Compensation Table (the “named executive officers”). The Company has disclosed the compensation of the named executive officers pursuant to rules adopted by the SEC.

Please read the “Compensation Discussion and Analysis” beginning on page 13 for additional details about our executive compensation program, including information about the fiscal year 2011 compensation of our named executive officers. We believe that our compensation policies for the named executive officers are designed to attract, motivate and retain talented executive officers and are aligned with the long-term interests of the Company’s stockholders. This advisory stockholder vote, commonly referred to as a “say-on-pay vote,” gives you as a stockholder the opportunity to approve or not approve the compensation of the named executive officers that is disclosed in this Proxy Statement by voting for or against the following resolution (or by abstaining with respect to the resolution):

“RESOLVED, that that the compensation paid to the Company’s named executive officers, as disclosed in the Company’s 2012 Proxy Statement pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED.”

Because your vote is advisory, it will not be binding on either the Board of Directors or the Company. However, the Company’s Compensation Committee will take into account the outcome of the stockholder vote on this proposal at the Annual Meeting when considering future executive compensation arrangements. In addition, your non-binding advisory votes described in this Proposal 4 and below in Proposal 5 will not be construed: (1) as overruling any decision by the Board of Directors, any Board committee or the Company relating to the compensation of the named executive officers, or (2) as creating or changing any fiduciary duties or other duties on the part of the Board of Directors, any Board committee or the Company.

Required Vote

Adoption of the resolution requires the receipt of the affirmative vote of a majority of the shares of the Company’s common stock and Series B Preferred Stock (on an as converted basis with the common stock) present in person or by proxy and voting at the Annual Meeting.

RECOMMENDATION OF THE BOARD FOR PROPOSAL NO. 4:

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE TO APPROVE THE COMPENSATION DISCLOSED IN THIS PROXY STATEMENT OF THE COMPANY’S EXECUTIVE OFFICERS WHO ARE NAMED IN THIS PROXY STATEMENT’S SUMMARY COMPENSATION TABLE.

ACTIONS TO BE TAKEN AT THE MEETING (Continued)

PROPOSAL NO. 5

ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES ON EXECUTIVE  
COMPENSATION

The Dodd-Frank Act requires the Company's stockholders to have the opportunity to cast a non-binding advisory vote regarding how frequently the Company should seek from its stockholders a non-binding advisory vote (similar to Proposal 4 above) on the compensation disclosed in the Company's proxy statement of its executive officers who are named in the proxy statement's summary compensation table for the year in question (the "named executive officers"). By voting on this frequency proposal, stockholders may indicate whether they would prefer that the advisory vote on the compensation of the Company's named executive officers occur every one, two or three years. Stockholders may also abstain from voting on the proposal. Accordingly, the following resolution is submitted for an advisory stockholder vote at the Annual Meeting:

RESOLVED, that the highest number of votes cast by the holders of common stock and Series B Preferred Stock (on an as-converted basis with the common stock) of eMagin Corporation for the option set forth below shall be the preferred frequency of the Company's stockholders for holding an advisory vote on the compensation of the Company's executive officers who are named in the Summary Compensation Table of the Company's Proxy Statement:

- every year;
- every two years; or
- every three years.

The Board of Directors has determined that an advisory vote by the Company's stockholders on executive compensation that occurs every year is the most appropriate alternative for the Company. While the Company's executive compensation programs are designed to promote a long-term connection between pay and performance, the board of directors recognizes that executive compensation disclosures are made annually. Given that the "say-on-pay" advisory vote provisions are new, holding an annual advisory vote on executive compensation provides the Company with more direct and immediate feedback on our compensation disclosures. However, shareholders should note that because the advisory vote on executive compensation occurs well after the beginning of the compensation year, and because the different elements of our executive compensation programs are designed to operate in an integrated manner and to complement one another, in many cases it may not be appropriate or feasible to change our executive compensation programs in consideration of any one year's advisory vote on executive compensation by the time of the following year's annual meeting of shareholders.

You may cast your vote on your preferred voting frequency by choosing the option of one year, two years or three years when you vote in response to this proposal, and you may also abstain from voting on the proposal. Your vote on this proposal is not a vote to approve or disapprove of the Board's recommendation but rather is a vote to select one of the options described in the preceding sentence. The option of one year, two years or three years that receives the highest number of votes cast by stockholders will be the frequency of the advisory vote on executive compensation that has been recommended by the stockholders. However, because this vote is advisory and not binding on either the Board of Directors or the Company, the Board of Directors may subsequently decide that it is in the best interests of the Company and its stockholders to hold an advisory vote on executive compensation that differs in frequency from the option that received the highest number of votes from the Company's stockholders at the Annual Meeting.

RECOMMENDATION OF THE BOARD FOR PROPOSAL NO. 5:

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE TO CONDUCT AN ADVISORY STOCKHOLDER VOTE EVERY YEAR ON THE COMPENSATION OF THE COMPANY'S EXECUTIVE OFFICERS NAMED IN THE PROXY STATEMENT'S SUMMARY COMPENSATION TABLE FOR THAT YEAR.

## OTHER MATTERS

The Board of Directors knows of no other business which will be presented at the Annual Meeting. If any other matters properly come before the meeting, the persons named in the enclosed Proxy, or their substitutes, will vote the shares represented thereby in accordance with their judgment on such matters.

Subject to the provisions of the Plan, the Board and/or the Committee shall have authority to (a) grant, in its discretion, Incentive Stock Options in accordance with Section 422 of the Code, or Nonstatutory Options or Stock Awards; (b) determine in good faith the fair market value of the Stock covered by any Grant; (c) determine which eligible persons shall receive Grants and the number of shares, restrictions, terms and conditions to be included in such Grants; (d) construe and interpret the Plan; (e) promulgate, amend and rescind rules and regulations relating to its administration, and correct defects, omissions and inconsistencies in the Plan or any Grant; (f) consistent with the Plan and with the consent of the Participant, as appropriate, amend any outstanding Grant or amend the exercise date or dates thereof; (g) determine the duration and purpose of leaves of absence which may be granted to Participants without constituting termination of their employment for the purpose of the Plan or any Grant; and (h) make all other determinations necessary or advisable for the Plan's administration. No member of the Board or the Committee shall be liable for any action or determination made in good faith with respect to the Plan or any Grant made thereunder. As permitted by applicable law, rules and regulations, the Board and/or the Committee may delegate to one or more executive officers the authority to grant Stock Awards or Options, and/or administer the Plan or any aspect of it provided, however, that only the Board or Committee may grant Options or Stock Awards to officers or directors that are exempt from Section 16(b) of the Exchange Act.

3. Eligibility.

- (a) General: The persons who shall be eligible to receive Grants shall be directors, officers, employees or consultants to the Company. The term consultant shall mean any person, other than an employee, who is engaged by the Company to render services and is compensated for such services. An Optionee may hold more than one Option. Any issuance of a Grant to an officer or director of the Company subsequent to the first registration of any of the securities of the Company under the Exchange Act shall comply with the requirements of Rule 16b-3.
- (b) Incentive Stock Options: Incentive Stock Options may only be issued to employees of the Company. Incentive Stock Options may be granted to officers or directors, provided they are also employees of the Company. Payment of a director's fee shall not be sufficient to constitute employment by the Company.

The Company shall not grant an Incentive Stock Option under the Plan to any employee if such Grant would result in such employee holding the right to exercise for the first time in any one calendar year, under all Incentive Stock Options granted under the Plan or any other plan maintained by the Company, with respect to shares of Stock having an aggregate fair market value, determined as of the date of the Option is granted, in excess of \$100,000. Should it be determined that an Incentive Stock Option granted under the Plan exceeds such maximum for any reason other than a failure in good faith to value the Stock subject to such option, the excess portion of such option shall be considered a Nonstatutory Option. To the extent the employee holds two (2) or more such Options which become exercisable for the first time in the same calendar year, the foregoing limitation on the exercisability of such Option as Incentive Stock Options under the Federal tax laws shall be applied on the basis of the order in which such Options are granted. If, for any reason, an entire Option does not qualify as an Incentive Stock Option by reason of exceeding such maximum, such Option shall be considered a Nonstatutory Option.

- (c) Nonstatutory Option: The provisions of the foregoing Section 3(b) shall not apply to any Option designated as a "Nonstatutory Option" or which sets forth the intention of the parties that the Option be a Nonstatutory Option.

4. Stock.

- (a) Authorized Stock: Stock subject to Grants may be either unissued or reacquired Stock.
  - (b) Number of Shares: Subject to this Section and to adjustment as provided in Section 5(i) of the Plan, the total number of shares of Stock which may be purchased or granted directly by Options, Stock Awards or purchased indirectly through exercise of Options granted under the Plan shall not exceed One Million Four Hundred Thousand Shares (1,400,000) shares. If any Grant shall for any reason terminate or expire, any shares allocated thereto but remaining unpurchased upon such expiration or termination shall again be available for Grants with respect thereto under the Plan as though no Grant had previously occurred with respect to such shares. Any shares of Stock issued pursuant to a Grant and repurchased pursuant to the terms thereof shall be available for future Grants as though not previously covered by a Grant.
  - (c) Reservation of Shares: The Company shall reserve and keep available at all times during the term of the Plan such number of shares as shall be sufficient to satisfy the requirements of the Plan. If, after reasonable efforts, which efforts shall not include the registration of the Plan or Grants under the Securities Act, the Company is unable to obtain authority from any applicable regulatory body, which authorization is deemed necessary by legal counsel for the Company for the lawful issuance of shares hereunder, the Company shall be relieved of any liability with respect to its failure to issue and sell the shares for which such requisite authority was so deemed necessary unless and until such authority is obtained.
  - (d) Application of Funds: The proceeds received by the Company from the sale of Stock pursuant to the exercise of Options or rights under Stock Purchase Agreements will be used for general corporate purposes.
  - (e) No Obligation to Exercise: The issuance of a Grant shall impose no obligation upon the Participant to exercise any rights under such Grant.
5. Terms and Conditions of Options. Options granted hereunder shall be evidenced by agreements between the Company and the respective Optionees, in such form and substance as the Board or Committee shall from time to time approve. Option agreements need not be identical, and in each case may include such provisions as the Board or Committee may determine, but all such agreements shall be subject to and limited by the following terms and conditions:
- (a) Number of Shares: Each Option shall state the number of shares to which it pertains.
  - (b) Exercise Price: Each Option shall state the exercise price, which shall be determined as follows:

- (i) Any Incentive Stock Option granted to a person who at the time the Option is granted owns (or is deemed to own pursuant to Section 424(d) of the Code) stock possessing more than ten percent (10%) of the total combined voting power or value of all classes of stock of the Company ("Ten Percent Holder") shall have an exercise price of no less than 110% of the Fair Market Value of the Stock as of the date of grant; and
- (ii) Incentive Stock Options granted to a person who at the time the Option is granted is not a Ten Percent Holder shall have an exercise price of no less than 100% of the Fair Market Value of the Stock as of the date of grant.

For the purposes of this Section 5(b), the Fair Market Value shall be as determined by the Board or the Committee in good faith, which determination shall be conclusive and binding; provided however, that if there is a public market for such Stock, the Fair Market Value per share shall be the average of the bid and asked prices (or the closing price if such stock is listed on the or the OTC Bulletin Board) on the date of grant of the Option, or if listed on a stock exchange, the closing price on such exchange on such date of grant.

- (c) Medium and Time of Payment: The exercise price shall become immediately due upon exercise of the Option and shall be paid in cash or check made payable to the Company. Should the Company's outstanding Stock be registered under Section 12(g) of the Exchange Act at the time the Option is exercised, then the exercise price may also be paid as follows:
  - (i) in shares of Stock held by the Optionee for the requisite period necessary to avoid a charge to the Company's earnings for financial reporting purposes and valued at Fair Market Value on the exercise date, or
  - (ii) through a special sale and remittance procedure pursuant to which the Optionee shall concurrently provide irrevocable written instructions (a) to a brokerage firm to effect the immediate sale of the purchased shares and remit to the Company, out of the sale proceeds available on the settlement date, sufficient funds to cover the aggregate exercise price payable for the purchased shares plus all applicable Federal, state and local income and employment taxes required to be withheld by the Company by reason of such purchase and (b) to the Company to deliver the certificates for the purchased shares directly to such brokerage firm in order to complete the sale transaction.
- (d) Term and Exercise of Options: Unless the Board or the Committee shall determine otherwise, any Option granted to an employee of the Company shall become exercisable over a period of no longer than seven (7) years, and no less than twenty percent (20%) of the shares covered thereby shall become exercisable annually. In no event shall any Option be exercisable after the expiration of ten (10) years from the date it is granted, and no Incentive Stock Option granted to a Ten Percent Holder shall, by its terms, be exercisable after the expiration of five (5) years from the date of the Option. Unless otherwise specified by the Board or the Committee in the resolution authorizing such Option, the date of grant of an Option shall be deemed to be the date upon which the Board or the Committee authorizes the granting of such Option.

Each Option shall be exercisable to the nearest whole share, in installments or otherwise, as the respective Option agreements may provide. During the lifetime of an Optionee, the Option shall be exercisable only by the Optionee and shall not be assignable or transferable by the Optionee, and no other person shall acquire any rights therein. To the extent not exercised, installments (if more than one) shall accumulate, but shall be exercisable, in whole or in part, only during the period for exercise as stated in the Option agreement, whether or not other installments are then exercisable.

- (e) Termination of Status as Employee, Consultant or Director: If Optionee's status as an employee shall terminate for any reason other than Optionee's disability or death, then Optionee (or if the Optionee shall die after such

termination, but prior to exercise, Optionee's personal representative or the person entitled to succeed to the Option) shall have the right to exercise the portions of any of Optionee's Incentive Stock Options which were exercisable as of the date of such termination, in whole or in part, not less than 30 days nor more than three (3) months after such termination (or, in the event of "Termination for Cause" the Option shall automatically terminate as of the termination of employment as to all shares covered by the Option).

With respect to Nonstatutory Options granted to employees, directors or consultants, the Board or the Committee may specify such period for exercise, not less than 30 days (except that in the case of "Termination for Cause" or removal of a director, the Option shall automatically terminate as of the termination of employment or services as to shares covered by the Option), following termination of employment or services as the Board or the Committee deems reasonable and appropriate. The Option may be exercised only with respect to installments that the Optionee could have exercised at the date of termination of employment or services. Nothing contained herein or in any Option granted pursuant hereto shall be construed to affect or restrict in any way the right of the Company to terminate the employment or services of an Optionee with or without cause.

- (f) Disability of Optionee: If an Optionee is disabled (within the meaning of Section 22(e)(3) of the Code) at the time of termination, the three (3) month period set forth in Section 5(e) shall be a period, as determined by the Board or the Committee and set forth in the Option, of not less than six months nor more than one year after such termination.
- (g) Death of Optionee: If an Optionee dies while employed by, engaged as a consultant to, or serving as a Director of the Company, the portion of such Optionee's Option which was exercisable at the date of death may be exercised, in whole or in part, by the estate of the decedent or by a person succeeding to the right to exercise such Option at any time within (i) a period, as determined by the Board or the Committee and set forth in the Option, of not less than six (6) months nor more than one (1) year after Optionee's death, which period shall not be more, in the case of a Nonstatutory Option, than the period for exercise following termination of employment or services, or (ii) during the remaining term of the Option, whichever is the lesser. The Option may be so exercised only with respect to installments exercisable at the time of Optionee's death and not previously exercised by the Optionee.
- (h) Nontransferability of Option: No Option shall be transferable by the Optionee, except by will or by the laws of descent and distribution.
- (i) Recapitalization: Subject to any required action of shareholders, the number of shares of Stock covered by each outstanding Option, and the exercise price per share thereof set forth in each such Option, shall be proportionately adjusted for any increase or decrease in the number of issued shares of Stock of the Company resulting from a stock split, stock dividend, combination, subdivision or reclassification of shares, or the payment of a stock dividend, or any other increase or decrease in the number of such shares affected without receipt of consideration by the Company; provided, however, the conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration" by the Company.

In the event of a proposed dissolution or liquidation of the Company, a merger or consolidation in which the Company is not the surviving entity, or a sale of all or substantially all of the assets or capital stock of the Company (collectively, a "Reorganization"), unless otherwise provided by the Board or the Committee, the Option shall terminate immediately prior to such date as is determined by the Board or the Committee, which date shall be no later than the consummation of such Reorganization. In such event, if the entity which shall be the surviving entity does not tender to Optionee an offer, for which it has no obligation to do so, to substitute for any unexercised Option a stock option or capital stock of such surviving entity, as applicable, which on an equitable basis shall provide the Optionee with substantially the same economic benefit as such unexercised Option, then the Board or the Committee may grant to such Optionee, in its sole and absolute discretion and without obligation, the right for a period commencing thirty (30) days prior to and ending immediately prior to the date determined by the Board or the Committee pursuant hereto for termination of the Option or during the remaining term of the Option, whichever is the lesser, to exercise any unexpired Option or Options without regard to the installment provisions of Paragraph 5(d) of the Plan; provided, that any such right granted shall be granted to all Optionees not receiving an offer to receive substitute options on a consistent basis, and provided further, that any such exercise shall be subject to the consummation of such Reorganization.

Subject to any required action of shareholders, if the Company shall be the surviving entity in any merger or consolidation, each outstanding Option thereafter shall pertain to and apply to the securities to which a holder of shares of Stock equal to the shares subject to the Option would have been entitled by reason of such merger or consolidation.

In the event of a change in the Stock of the Company as presently constituted, which is limited to a change of all of its authorized shares without par value into the same number of shares with a par value, the shares resulting from any such change shall be deemed to be the Stock within the meaning of the Plan.

To the extent that the foregoing adjustments relate to stock or securities of the Company, such adjustments shall be made by the Board or the Committee, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided in this Section 5(i), the Optionee shall have no rights by reason of any subdivision or consolidation of shares of stock of any class or the payment of any stock dividend or any other increase or decrease in the number of shares of stock of any class, and the number or price of shares of Stock subject to any Option shall not be affected by, and no adjustment shall be made by reason of, any dissolution, liquidation, merger, consolidation or sale of assets or capital stock, or any issue by the Company of shares of stock of any class or securities convertible into shares of stock of any class.

The Grant of an Option pursuant to the Plan shall not affect in any way the right or power of the Company to make any adjustments, reclassifications, reorganizations or changes in its capital or business structure or to merge, consolidate, dissolve, or liquidate or to sell or transfer all or any part of its business or assets.

- (j) **Rights as a Shareholder:** An Optionee shall have no rights as a shareholder with respect to any shares covered by an Option until the effective date of the issuance of the shares following exercise of such Option by Optionee. No adjustment shall be made for dividends (ordinary or extraordinary, whether in cash, securities or other property) or distributions or other rights for which the record date is prior to the date such stock certificate is issued, except as expressly provided in Section 5(i) hereof.
- (k) **Modification, Acceleration, Extension, and Renewal of Options:** Subject to the terms and conditions and within the limitations of the Plan, the Board or the Committee may modify an Option, or, once an Option is exercisable, accelerate the rate at which it may be exercised, and may extend or renew outstanding Options granted under the Plan or accept the surrender of outstanding Options (to the extent not theretofore exercised) and authorize the

granting of new Options in substitution for such Options, provided, however, (i) such action is permissible under Section 422 of the Code and applicable state securities rules and (ii) in no event may any Option be amended, other than pursuant to Section 5(i), to decrease the exercise price thereof, to be cancelled in conjunction with the grant of any new Option with a lower exercise price, or otherwise be subject to an action that would be treated, for accounting purposes or under the rule of the applicable exchange, as a “repricing” of such Option, unless such amendment, cancellation or action is approved by the Company’s stockholders. Notwithstanding the provisions of this Section 5(k), however, no modification of an Option shall, without the consent of the Optionee, alter to the Optionee's detriment or impair any rights or obligations under any Option theretofore granted under the Plan.

- (l) Other Provisions: The Option agreements authorized under the Plan shall contain such other provisions, including, without limitation, restrictions upon the exercise of the Options, as the Board or the Committee shall deem advisable. Shares shall not be issued pursuant to the exercise of an Option, if the exercise of such Option or the issuance of shares thereunder would violate, in the opinion of legal counsel for the Company, the provisions of any applicable law or the rules or regulations of any applicable governmental or administrative agency or body, such as the Code, the Securities Act, the Exchange Act, applicable state securities rules, Delaware General Corporation Law, and the rules promulgated under the foregoing or the rules and regulations of any exchange upon which the shares of the Company are listed. Without limiting the generality of the foregoing, the exercise of each Option shall be subject to the condition that if at any time the Company shall determine that (i) the satisfaction of withholding tax or other similar liabilities, or (ii) the listing, registration or qualification of any shares covered by such exercise upon any securities exchange or under any state or federal law, or (iii) the consent or approval of any regulatory body, or (iv) the perfection of any exemption from any such withholding, listing, registration, qualification, consent or approval is necessary or desirable in connection with such exercise or the issuance of shares thereunder, then in any such event, such exercise shall not be effective unless such withholding, listing registration, qualification, consent, approval or exemption shall have been effected, obtained or perfected free of any conditions not acceptable to the Company.

6. Stock Awards.

(a) Types of Grants.

- (i) **Stock Award.** All or part of any Stock Award under the Plan may be subject to conditions established by the Board or the Committee, and set forth in the Stock Award Agreement, which may include, but are not limited to, continuous service with the Company, achievement of specific business objectives, increases in specified indices, attaining growth rates and other comparable measurements of Company performance. Such Awards may be based on Fair Market Value or other specified valuation. All Stock Awards will be made pursuant to the execution of a Stock Award Agreement in such form and substance as the Board or Committee shall from time to time approve.
- (b) **Conditions and Restrictions.** Shares of Stock which Participants may receive as a Stock Award under a Stock Award Agreement may include such restrictions as the Board or Committee, as applicable, shall determine, including restrictions on transfer, repurchase rights, right of first refusal, and forfeiture provisions. When transfer of Stock is so restricted or subject to forfeiture provisions it is referred to as "Restricted Stock". Further, with Board or Committee approval, Stock Awards may be deferred, either in the form of installments or a future lump sum distribution. The Board or Committee may permit selected Participants to elect to defer distributions of Stock Awards in accordance with procedures established by the Board or Committee to assure that such deferrals comply with applicable requirements of the Code including, at the choice of Participants, the capability to make further deferrals for distribution after retirement. Any deferred distribution, whether elected by the Participant or specified by the Stock Award Agreement or by the Board or Committee, may require the payment be forfeited in accordance with the provisions of Section 6(c). Dividends or dividend equivalent rights may be extended to and made part of any Stock Award denominated in Stock or units of Stock, subject to such terms, conditions and restrictions as the Board or Committee may establish.
- (c) **Cancellation and Rescission of Grants.** Unless the Stock Award Agreement specifies otherwise, the Board or Committee, as applicable, may cancel any unexpired, unpaid, or deferred Grants at any time if the Participant is not in compliance with all other applicable provisions of the Stock Award Agreement, the Plan and with the following conditions:
  - (i) A Participant shall not render services for any organization or engage directly or indirectly in any business which, in the judgment of the chief executive officer of the Company or other senior officer designated by the Board or Committee, is or becomes competitive with the Company, or which organization or business, or the rendering of services to such organization or business, is or becomes otherwise prejudicial to or in conflict with the interests of the Company. For Participants whose employment has terminated, the judgment of the chief executive officer shall be based on the Participant's position and responsibilities while employed by the Company, the Participant's post-employment responsibilities and position with the other organization or business, the extent of past, current and potential competition or conflict between the Company and the other organization or business, the effect on the Company's customers, suppliers and competitors and such other considerations as are deemed relevant given the applicable facts and circumstances. A Participant who has retired shall be free, however, to purchase as an investment or otherwise, stock or other securities of such organization or business so long as they are listed upon a recognized securities exchange or traded over-the-counter, and such investment does not represent a substantial investment to the Participant or a greater than ten percent (10%) equity interest in the organization or business.
  - (ii) A Participant shall not, without prior written authorization from the Company, disclose to anyone outside the Company, or use in other than the Company's business, any confidential information or material, as defined in the Company's Employee Innovation and Proprietary Information Agreement or similar agreement regarding confidential information and intellectual property, relating to the business of the Company ("Employee Innovation

and Proprietary Information Agreement”), acquired by the Participant either during or after employment with the Company.

- (iii) A Participant, pursuant to the Company's Proprietary Information and Invention Agreement, shall disclose promptly and assign to the Company all right, title and interest in any invention or idea, patentable or not, made or conceived by the Participant during employment by the Company, relating in any manner to the actual or anticipated business, research or development work of the Company and shall do anything reasonably necessary to enable the Company to secure a patent where appropriate in the United States and in foreign countries.
- (iv) Upon exercise, payment or delivery pursuant to a Grant, the Participant shall certify on a form acceptable to the Committee that he or she is in compliance with the terms and conditions of the Plan. Failure to comply with all of the provisions of this Section 6(c) prior to, or during the six months after, any exercise, payment or delivery pursuant to a Grant shall cause such exercise, payment or delivery to be rescinded. The Company shall notify the Participant in writing of any such rescission within two years after such exercise, payment or delivery. Within ten days after receiving such a notice from the Company, the Participant shall pay to the Company the amount of any gain realized or payment received as a result of the rescinded exercise, payment or delivery pursuant to a Grant. Such payment shall be made either in cash or by returning to the Company the number of shares of Stock that the Participant received in connection with the rescinded exercise, payment or delivery.

(d) Nonassignability.

- (i) Except pursuant to Section 6(e)(iii) and except as set forth in Section 6(d)(ii), no Grant or any other benefit under the Plan shall be assignable or transferable, or payable to or exercisable by, anyone other than the Participant to whom it was granted.
  - (ii) Where a Participant terminates employment and retains a Grant pursuant to Section 6(e)(ii) in order to assume a position with a governmental, charitable or educational institution, the Board or Committee, in its discretion and to the extent permitted by law, may authorize a third party (including but not limited to the trustee of a "blind" trust), acceptable to the applicable governmental or institutional authorities, the Participant and the Board or Committee, to act on behalf of the Participant with regard to such Awards.
- (e) Termination of Employment. If the employment or service to the Company of a Participant terminates, other than pursuant to any of the following provisions under this Section 6(e), all unexercised, deferred and unpaid Stock Awards shall be cancelled immediately, unless the Stock Award Agreement provides otherwise:
- (i) Retirement. When a Participant's employment terminates as a result of retirement, the Board or Committee may permit Stock Awards or Restricted Stock Purchase Offers to continue in effect beyond the date of retirement in accordance with the applicable Grant Agreement and the exercisability and vesting of any such Grants may be accelerated.

- (ii) Rights in the Best Interests of the Company. When a Participant resigns from the Company and, in the judgment of the Board or Committee, the acceleration and/or continuation of outstanding Stock Awards would be in the best interests of the Company, the Board or Committee may (i) authorize, where appropriate, the acceleration and/or continuation of all or any part of Grants issued prior to such termination and (ii) permit the exercise, vesting and payment of such Grants for such period as may be set forth in the applicable Grant Agreement, subject to earlier cancellation pursuant to Section 6 or at such time as the Board or Committee shall deem the continuation of all or any part of the Participant's Grants are not in the Company's best interest.

(iii) Death or Disability of a Participant.

- (1) In the event of a Participant's death, the Participant's estate or beneficiaries shall have a period up to the expiration date specified in the Grant Agreement within which to receive or exercise any outstanding Grant held by the Participant under such terms as may be specified in the applicable Grant Agreement. Rights to any such outstanding Grants shall pass by will or the laws of descent and distribution in the following order: (a) to beneficiaries so designated by the Participant; if none, then (b) to a legal representative of the Participant; if none, then (c) to the persons entitled thereto as determined by a court of competent jurisdiction. Grants so passing shall be made at such times and in such manner as if the Participant were living.
  - (2) In the event a Participant is deemed by the Board or Committee to be unable to perform his or her usual duties by reason of mental disorder or medical condition which does not result from facts which would be grounds for termination for cause, Grants and rights to any such Grants may be paid to or exercised by the Participant, if legally competent, or a committee or other legally designated guardian or representative if the Participant is legally incompetent by virtue of such disability.
  - (3) After the death or disability of a Participant, the Board or Committee may in its sole discretion at any time (1) terminate restrictions in Grant Agreements; (2) accelerate any or all installments and rights; and (3) instruct the Company to pay the total of any accelerated payments in a lump sum to the Participant, the Participant's estate, beneficiaries or representative; notwithstanding that, in the absence of such termination of restrictions or acceleration of payments, any or all of the payments due under the Grant might ultimately have become payable to other beneficiaries.
  - (4) In the event of uncertainty as to interpretation of or controversies concerning this Section 6, the determinations of the Board or Committee, as applicable, shall be binding and conclusive.
7. Investment Intent. All Grants under the Plan are intended to be exempt from registration under the Securities Act provided by Section 4(2) thereunder. Unless and until the granting of Options or sale and issuance of Stock subject to the Plan are registered under the Securities Act or shall be exempt pursuant to the rules promulgated thereunder, each Grant under the Plan shall provide that the purchases or other acquisitions of Stock thereunder shall be for investment purposes and not with a view to, or for resale in connection with, any distribution thereof. Further, unless the issuance and sale of the Stock have been registered under the Securities Act, each Grant shall provide that no shares shall be purchased upon the exercise of the rights under such Grant unless and until (i) all then applicable requirements of state and federal laws and regulatory agencies shall have been fully complied with to the satisfaction of the Company and its counsel, and (ii) if requested to do so by the Company, the person exercising the rights under the Grant shall (i) give written assurances as to knowledge and experience of such person (or a representative employed by such person) in financial and business matters and the ability of such person (or representative) to evaluate the merits and risks of exercising the Option, and (ii) execute and deliver to the Company a letter of investment intent and/or such other form related to applicable exemptions from registration, all in such form and substance as the Company may require. If shares are issued upon exercise of any rights under a Grant without registration under the Securities Act, subsequent registration of such shares shall

relieve the purchaser thereof of any investment restrictions or representations made upon the exercise of such rights.

8. Amendment, Modification, Suspension or Discontinuance of the Plan. The Board the Committee may, insofar as permitted by law, from time to time, with respect to any shares at the time not subject to outstanding Grants, suspend or terminate the Plan or revise or amend it in any respect whatsoever, except that without the approval of the shareholders of the Company, no such revision or amendment shall (i) increase the number of shares subject to the Plan, (ii) decrease the price at which Grants may be granted, (iii) materially increase the benefits to Participants, or (iv) change the class of persons eligible to receive Grants under the Plan; provided, however, no such action shall alter or impair the rights and obligations under any Option, or Stock Award outstanding as of the date thereof without the written consent of the Participant thereunder. No Grant may be issued while the Plan is suspended or after it is terminated, but the rights and obligations under any Grant issued while the Plan is in effect shall not be impaired by suspension or termination of the Plan.

In the event of any change in the outstanding Stock by reason of a stock split, stock dividend, combination or reclassification of shares, recapitalization, merger, or similar event, the Board or the Committee may adjust proportionally (a) the number of shares of Stock (i) reserved under the Plan, (ii) available for Incentive Stock Options and Nonstatutory Options and (iii) covered by outstanding Stock; (b) the Stock prices related to outstanding Grants; and (c) the appropriate Fair Market Value and other price determinations for such Grants. In the event of any other change affecting the Stock or any distribution (other than normal cash dividends) to holders of Stock, such adjustments as may be deemed equitable by the Board or the Committee, including adjustments to avoid fractional shares, shall be made to give proper effect to such event. In the event of a corporate merger, consolidation, acquisition of property or stock, separation, reorganization or liquidation, the Board or the Committee shall be authorized to issue or assume stock options, whether or not in a transaction to which Section 424(a) of the Code applies, and other Grants by means of substitution of new Grant Agreements for previously issued Grants or an assumption of previously issued Grants.

9. Tax Withholding. The Company shall have the right to deduct applicable taxes from any Grant payment and withhold, at the time of delivery or exercise of Options, Stock Awards or vesting of shares under such Grants, an appropriate number of shares for payment of taxes required by law or to take such other action as may be necessary in the opinion of the Company to satisfy all obligations for withholding of such taxes. If Stock is used to satisfy tax withholding, such stock shall be valued based on the Fair Market Value when the tax withholding is required to be made.
10. Availability of Information. During the term of the Plan and any additional period during which a Grant granted pursuant to the Plan shall be exercisable, the Company shall make available, not later than one hundred and twenty (120) days following the close of each of its fiscal years, such financial and other information regarding the Company as is required by the bylaws of the Company and applicable law to be furnished in an annual report to the shareholders of the Company.
11. Notice. Any written notice to the Company required by any of the provisions of the Plan shall be addressed to the chief personnel officer or to the chief executive officer of the Company, and shall become effective when it is received by the office of the chief personnel officer or the chief executive officer.

12. Indemnification. In addition to such other rights or indemnifications as they may have as directors or executive officers or otherwise, and to the extent allowed by applicable law, the members of the Board, the Committee and the Company's executive officers may be indemnified by the Company against the reasonable expenses, including attorneys' fees, actually and necessarily incurred in connection with the defense of any claim, action, suit or proceeding, or in connection with any appeal thereof, to which they or any of them may be a party by reason of any action taken, or failure to act, under or in connection with the Plan or any Grant granted thereunder, and against all amounts paid by them in settlement thereof (provided such settlement is approved by independent legal counsel selected by the Company) or paid by them in satisfaction of a judgment in any such claim, action, suit or proceeding, except in any case in relation to matters as to which it shall be adjudged in such claim, action, suit or proceeding that such Board, Committee member or executive officer is liable for negligence or misconduct in the performance of his or her duties; provided that within sixty (60) days after institution of any such action, suit or proceeding the Board member or executive officer involved shall offer the Company, in writing, the opportunity, at its own expense, to handle and defend the same.
13. Governing Law. The Plan and all determinations made and actions taken pursuant hereto, to the extent not otherwise governed by the Code or the securities laws of the United States, shall be governed by the law of the State of Delaware and construed accordingly.
14. Effective and Termination Dates. The Plan shall become effective on the date it is approved shareholders holding the requisite number of the Company's voting securities required to approve this Plan under applicable NYSE AMEX rules and regulations. If the Plan is not approved by the holders of a majority of the shares of Stock within one (1) year from the date it is adopted and approved by the Board of Directors of the Company, all stock options granted hereunder shall be deemed non-statutory options. The Plan shall terminate ten years later, subject to earlier termination by the Board pursuant to Section 8.

The foregoing Amended and Restated 2011 Incentive Stock Plan was duly adopted and became effective on \_\_\_\_ \_\_, 2012
