EXPLANATORY NOTE

This Registration Statement as originally filed related to the offering of 8,500,000 shares of Sprint Common Stock ("Sprint Common Stock") issuable under the 1990 Stock Option Plan, which was adopted as a subsidiary plan under and pursuant to the Long-Term Stock Incentive Program and, when the Long-Term Stock Incentive Program was replaced by the 1997 Long-Term Stock Incentive Program (the "1997 Program"), as a subsidiary plan under and pursuant to the 1997 Program, both of which had been approved by Sprint's shareholders. In connection with the spin-off of Sprint's cellular division in March 1996, the number of

shares of Sprint Common Stock covered by the Registration Statement was increased to 10,319,000 shares of Sprint Common Stock to prevent dilution. On November 23, 1998, following approval by Sprint shareholders, each share of Sprint Common Stock was reclassified into one share of FON Common Stock and one-half of a share of PCS Common Stock. The 10,319,000 shares of Sprint Common Stock were reclassified into 10,319,000 shares of FON Common Stock and 5,159,500 shares of PCS Common Stock. At the same time, outstanding options were converted into options to purchase FON Common Stock and PCS Common Stock. The two-for-one split of the FON Common Stock in the 1999 second quarter increased the number of shares of FON Common Stock to 20,638,000 shares of FON Common Stock. Options for 605,444 shares of PCS Common Stock were exercised before the two-for-one split of the PCS Common Stock in the 2000 first quarter, leaving 4,554,056 shares of PCS Common Stock. The two-for-one split of the PCS Common Stock increased the number of shares of PCS Common Stock remaining under the Registration Statement to 9,108,112 shares of PCS Common Stock.

On February 10, 2004, in compliance with the settlement of the derivative litigation brought by Amalgamated Bank, as Trustee for The Longview Collective Investment Fund, Sprint's Board of Directors combined the 1990 Stock Option Plan with and into the 1997 Program to form a single plan (the "Plan Combination"). Options granted under the 1990 Stock Option Plan before the Plan Combination are now deemed granted under the 1997 Program. Accordingly, the purpose of this Post-Effective Amendment No. 2 is to reflect the fact that the shares of FON Common Stock covered by this Registration Statement and not previously issued in connection with the exercise of stock options granted under the 1990 Stock Option Plan before the Plan Combination will hereafter be issued in connection with the exercise of options granted under the 1997 Program, but not for any other awards permitted under the 1997 Program (such as restricted stock, performance share, or other stock unit awards). The shares of PCS Common Stock covered by this Registration Statement were all issued on the exercise of stock options granted under the 1990 Stock Option Plan before the Plan Combination.
