ANNUAL MEETING OF STOCKHOLDERS

OF

ARTES MEDICAL, INC.

PROXY STATEMENT

OF

H. MICHAEL SHACK

To All Artes Medical, Inc. Stockholders:

This Proxy Statement and the accompanying blue proxy card are being furnished to stockholders ("Stockholders") of Artes Medical, Inc. (the "Company") in connection with the solicitation of proxies by H. Michael Shack (the "Proxy Organizer") to be used at the annual meeting (the "Annual Meeting") of Stockholders of the Company which should have been called during the first quarter. Since the Company failed to hold the Annual Meeting, the Proxy Organizer will request the Delaware Court of Chancery or a court of competent jurisdiction to schedule the Annual Meeting for September 19, 2008, at the La Valencia Hotel in the Veranda Room located at 1132 Prospect Street, La Jolla, CA. 92037. This Proxy Statement and the blue proxy card are first being furnished to Stockholders on or about August 22, 2008 at 9:00AM.

At the Annual Meeting, the Proxy Organizer will seek to: (1) amend the Bylaws of the Company (the "Bylaws") to allow the Stockholders to fill the vacancies of the Board of Directors resulting from the removal of any Board of Director positions, (2) remove three of the current Directors of the Company under Delaware Corporations Law §141(k)(1) for cause, (3) elect three new Directors of the Company, and (4) vote on the election of two Class II Directors to serve for three year terms until the annual meeting of Stockholders in 2011 or until their successors are duly elected and qualified. The Board of Directors is currently comprised of seven persons, of which five will be filled through this Proxy. The Proxy Organizer's current nominees are named below under "Election of Directors." Each of the nominees (each a "Nominee" and, collectively, the "Nominees") have been selected by the Proxy Organizer.

The Proxy Organizer is not satisfied with the existing management or Board of Directors of the Company. He believes that the Company's poor financial performance, lack of expressed business plan, and questionable changes to key personnel are impairing the Company's ability to maximize value for all shareholders.

Section 6.9 of Article 6 of the Bylaws provides that the Bylaws may be amended by the vote of Stockholders. The Proxy Organizer's proposed amendment to the Bylaws, if approved, will allow vacancies of the Board of Directors to be filled by the vote of a majority of the outstanding shares entitled to vote. Each director so elected shall hold office until the next annual meeting for the Class of each Director of the Company and until a successor has been elected and qualified.

The Proxy Organizer believes that, for the reasons state above, there is sufficient cause to remove the Directors and it is in the best interest of all of the Stockholders to elect the five new Directors to the Company who provide a track record of success in the dermal filler market and who are experienced in developing a variety of opportunities for the Company and forging a clear direction for the Company. The Proxy Organizer believes that the proposed new Directors provide the necessary industry knowledge in the wrinkle filler markets and will provide a strong sales and marketing background to the Company. ACCORDINGLY, THE PROXY ORGANIZER IS SOLICITING PROXIES IN FAVOR OF REMOVING THREE OF THE CURRENT DIRECTORS OF THE COMPANY AND FILLING TWO VACANCIES BY ELECTING FIVE NEW DIRECTORS PROPOSED BY THE PROXY ORGANIZER.

What went wrong with Artes Medical?

- The Company has seen an unacceptable decline in its stock price, losing more than 80% of its market value in the last 52 weeks. Within this time period the Company's market value has declined from \$134.5 million to approximately \$26 million, erasing a staggering \$108.5 million in shareholder value. The Company's share price reached an all-time low of \$0.77 in June 2008, down from an all-time high of \$9.96 in February 2007.
- The Company's current Board of Directors appears to lack any specific industry expertise in the personal aesthetics market.
  - The Board of Directors has made significant personnel changes to the senior management team that had grown the Company from a struggling medical technology start-up to an IPO candidate with a world class, FDA-approved dermal filler product, replacing them with a management team with little or no relevant industry experience in the dermal filler market.
- The Company has pledged ALL of its assets against a \$22.5 million revenue financing entered into with COWEN Healthcare Royalty Partners ("CHRP") in January 2008. All assets of Artes Medical will revert to CHRP in case of Artes Medical's default to service future royalty obligations.
- The Company's management has not acted in a fiscally responsible manner because, among other things, the Company is running out of cash due to, as the Proxy Organizer believes, excessive spending at a rate of approximately \$3 million per month.
- The Company has failed to capitalize on other uses of Artefill beyond personal aesthetics as a means of generating additional opportunities and cash flow for the Company.
- The current management and Board of Directors are responsible for canceling a signed distribution agreement with the country of Taiwan that would have given the Company a minimum of \$3.6 million in combined revenues from ArteFill in Taiwan during the first two years of the contract.

- The current management and Board of Directors are responsible for forfeiting an estimated minimum of \$20 million in additional future royalty revenues from Bioform Medical over the lifetime of the Company's '452 core technology patent by settling for one lump sum payment of \$5.5 million which generated a one-time only increase in revenues for the third quarter in 2007.
- The Company's Board of Directors recently adopted a shareholder rights plan which does not contemplate any shareholder approval of the plan.
- The market penetration of ArteFill was a dismal 0.7% in 2007 compared to its closest competitor's 7% for Radiesse® semi-permanent filler marketed by Bioform Medical. The target number of patients treated with ArteFill in year two was initially forecasted at 40,000 patients, however only 10,000 patients have been treated within the last 18 months since ArteFill's U.S. market introduction.

How the new Board of Directors proposes to turn the Company around:

1. Engage new senior management to provide leadership and re-establish enthusiasm among employees and credibility among customers and the financial community;
2. Focus on near-term break-even in the fourth quarter of 2009 through increases in ArteFill sales as well as a significant reduction of cost of goods and operating expenses;
3. Implement new and creative sales and marketing strategies for ArteFill® to reach more aggressive revenue forecasts;
4. Pursue international market opportunities for ArteFill®
5. Remove skin test requirements for ArteFill;
6. Develop next generation injectable dermal filler and broaden Company's product portfolio through in-licensing of new and exciting anti-aging technologies; and
7. Pursue medical pipeline indications such as heartburn (GERD) and spinal disk repair with the Company's platform technology.

THE NOMINEES ARE COMMITTED TO ACTING IN THE BEST INTERESTS OF THE STOCKHOLDERS.

REPRESENTATIVES OF THE NEWLY PROPOSED BOARD OF DIRECTORS AND THEIR PROPOSED CFO WILL EXPLAIN THEIR TURN-AROUND STRATEGY AND FINANCIAL MODEL IN MORE DETAIL AT THE ANNUAL MEETING.

THE PROXY ORGANIZER BELIEVES THAT YOUR VOICE IN THE FUTURE OF THE COMPANY CAN BEST BE EXPRESSED THROUGH THE ELECTION OF THE NOMINEES. ACCORDINGLY, THE PROXY ORGANIZER URGES YOU TO VOTE YOUR BLUE PROXY CARD FOR THE NOMINEES.

IF YOUR SHARES ARE HELD IN THE NAME OF A BROKERAGE FIRM, BANK, BANK NOMINEE OR OTHER INSTITUTION ON THE RECORD DATE, ONLY IT CAN VOTE SUCH SHARES AND ONLY UPON RECEIPT OF YOUR SPECIFIC INSTRUCTIONS. ACCORDINGLY, PLEASE CONTACT THE PERSON RESPONSIBLE FOR YOUR ACCOUNT AND INSTRUCT THAT PERSON TO EXECUTE ON YOUR BEHALF THE BLUE PROXY CARD AS SOON AS POSSIBLE.

#### IMPORTANT

The election of the Nominees requires the affirmative vote of a majority of the votes cast, assuming a quorum is present or otherwise represented at the Annual Meeting. As a result, your vote is extremely important in deciding the future of the Company. The Proxy Organizer urges you to mark, sign, date and return the enclosed blue proxy card to vote for the election of the Nominees.

THE PROXY ORGANIZER URGES YOU NOT TO SIGN ANY PROXY CARD SENT TO YOU BY MANAGEMENT OF THE COMPANY. IF YOU HAVE ALREADY DONE SO, YOU MAY REVOKE YOUR PROXY BY DELIVERING A LATER-DATED BLUE PROXY CARD TO THE PROXY ORGANIZER, OR BY VOTING IN PERSON AT THE ANNUAL MEETING. SEE "VOTING PROCEDURES" AND "PROXY PROCEDURES" BELOW.

Only holders of record of the Company's voting securities as of the close of business on the record date of this Proxy (the "Record Date") are entitled to notice of and to vote at the Annual Meeting and any adjournments or postponements thereof. According to the Company's Quarterly Report on Form 10-Q for the quarterly period ended March 31, 2008, filed with the Securities and Exchange Commission (the "SEC") on May 12, 2008, as of March 31, 2008, there were 16,514,163 shares of common stock outstanding and no shares of preferred stock outstanding. Stockholders of record at the close of business on the Record Date will be entitled to one vote at the Annual Meeting for each share of common stock (the "Common Stock") held on the Record Date.

As of June 30, 2008, the Proxy Organizer beneficially owned an aggregate of 72,950 shares of Common Stock, representing approximately 0.6% of the outstanding shares of Common Stock. The Proxy Organizer intends to vote such shares "for" all proposals described in this Proxy Statement.

VOTE FOR ALL PROPOSALS BY RETURNING YOUR COMPLETED BLUE PROXY CARD TODAY. If you have any questions, you can reach the Proxy Organizer's proxy solicitation firm of MacKenzie Partners, Inc. at (212) 929-5500 or via e-mail at [proxy@mackenziepartners.com](mailto:proxy@mackenziepartners.com).

## BACKGROUND OF THE PROXY SOLICITATION

In opposition to the current Board of Directors of the Company, the Proxy Organizer is seeking to solicit the proxies of Stockholders to be used to remove three of the current Directors of the Company and elect the Nominees as Directors of the Company at the Annual Meeting and to vote on the election of two Class II Directors to serve for a three year term until the annual meeting of stockholders in 2011 or until their successors are duly elected and qualified. The Nominees, if elected, plan to change the existing management and operations of the Company to effectuate the plan described in this Proxy Statement. Each of the Nominees has consented, if so elected, to serve as a Director and is fully committed, if elected, to take such action as the Nominees deem advisable and in the best interests of the Stockholders and which they believe will maximize stockholder value and improve the Company's future viability and growth.

## ELECTION OF DIRECTORS

According to the Company's proxy statement prepared in connection with the 2007 Annual Meeting of the Company, as filed with the SEC on April 30, 2007 (the "Company's Proxy Statement"), the Company currently has seven Directors, of which the terms of the Class II Directors will expire at the Annual Meeting of the Stockholders. Christopher J. Reinhard and John R. Costantino are both Class II Directors for the Company. The Proxy Organizer proposes that the Stockholders remove Lon E. Otremba, Beverly A. Huss, and Robert B. Sherman as Directors of the Company and elect each of the Nominees as new Directors of the Company at the Annual Meeting. Each Nominee, if elected, would hold office until the next annual meeting of shareholders for their respective class or until a successor has been elected and qualified. Although the Proxy Organizer does not anticipate that any of the persons named below will be unable or unwilling to stand for election, in the event of such occurrence, proxies may be voted for a substitute designated by the Proxy Organizer.

Background information about the Nominees is set forth below. See Appendix I for additional information about the Nominees, including their ownership, purchase and sale of securities issued by the Company.
