Note: This amendment to the current report on Form 8-K dated April 6, 2011 is made to correct an inadvertent typographical error as noted in the attached corrected press release, which was issued on April 8, 2011.

On April 6, 2011, Nu Skin Enterprises, Inc. (the "Company") issued a press release announcing its preliminary financial results for the first quarter ended March 31, 2011, and certain other information. A copy of the Company's press release, as corrected, is attached as Exhibit 99.1 to this report and incorporated by reference.

The information furnished pursuant to this Item 2.02 and the exhibit hereto shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and shall not be deemed to be incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act except as shall be expressly set forth by specific reference in such filing.

The press release furnished herewith in Exhibit 99.1 contains certain earnings per share results and projections that exclude certain items as indicated in the release. Management believes these non-GAAP financial measures assist management and investors in evaluating, and comparing from period to period, results from ongoing operations in a more meaningful and consistent manner while also highlighting more meaningful trends in the results of operations. A reconciliation of each non-GAAP financial measure to GAAP is provided in the press release furnished herewith.
