(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Due to the acquisition of CMIC effective July 1, 2009 and the Company's disposition of all of its former operations by June 30, 2009, there will be a significant change in results of operations from the corresponding period for 2008; however, until a valuation of CMIC's assets as of June 30, 2009 is completed and all necessary adjustments to CMIC's June 30, 2009 balance sheet are made in connection with the acquisition, the Company is unable to file the required pro forma financial statements with respect to the acquisition. Such valuation has been undertaken but not yet completed. The information needed to complete the Company's pro forma financial statements is also needed to determine the Company's results of operations for the three months ended September 30, 2009.
