

Item 1.01. Entry into a Material Definitive Agreement.

On January 25, 2017, Kingstone Companies, Inc. (the "Company") announced that it had priced its public offering (the "Offering") of 2,500,000 shares of common stock (the "Company Shares") being offered by the Company at a price to the public of \$12.00 per share, pursuant to the Company's shelf registration statement on Form S-3 (File No. 333-215426) (the "Registration Statement") and the Company's prospectus supplement related to the Offering. Selling shareholders are offering an additional 450,000 shares of common stock (together with the Company Shares, the "Shares") pursuant to the Offering. In connection with the Offering, the Company and the selling shareholders entered into an underwriting agreement as described below.

Underwriting Agreement

On January 25, 2017, the Company and the selling shareholders entered into an underwriting agreement (the "Underwriting Agreement") relating to the sale of the Shares with Sandler O'Neill & Partners, L.P. ("Sandler"), as representative of the underwriters (collectively, the "Underwriters"). A copy of the Underwriting Agreement is attached as Exhibit 1.1 hereto and is incorporated by reference herein. The description of the Underwriting Agreement does not purport to be complete and is qualified in its entirety by reference to the Underwriting Agreement filed herewith as an exhibit to this Current Report.

Pursuant to the Underwriting Agreement, the Underwriters are obligated to purchase the Shares subject to satisfaction of the conditions contained in the Underwriting Agreement. The Company will reimburse the Underwriters for their reasonable out-of-pocket expenses incurred in connection with their engagement as underwriters, including, without limitation, disbursements, fees and expenses of the Underwriters' counsel (not to exceed \$100,000) and marketing, syndication and travel expenses (not to exceed \$5,000). The Company will also pay certain other expenses related to the Offering and estimates the total expenses of the Offering, exclusive of the underwriting discounts and commissions, will be approximately \$275,000. The Company and the selling shareholders also granted the Underwriters an option, exercisable no later than February 24, 2017, to purchase up to an aggregate of 192,500 and 250,000 additional shares, respectively. The Company and the selling shareholders will be obligated to sell such shares to the Underwriters to the extent the option is exercised.

Pursuant to the terms of the Underwriting Agreement, the sale of the Shares is expected to be completed on January 31, 2017 at a purchase price of \$11.31 per Share (the offering price to the public of \$12.00 per Share minus the underwriters' discount of \$0.69 per Share before expenses). Any purchases by the Underwriters pursuant to the purchase option will also be at \$11.31 per Share.

The Underwriting Agreement includes certain customary representations, warranties and covenants by the Company and the selling shareholders. It also provides that the Company and the selling shareholders will indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended, or contribute to payments the Underwriters may be required to make because of any such liabilities.
