**INFORMATION TO BE INCLUDED IN REPORT**

**ITEM 8.01 OTHER EVENTS**

On April 9, 2007, Northway Financial, Inc.'s Board of Directors approved a 1-for-400 reverse stock split. The purpose of the reverse stock split is to reduce the number of Northway's stockholders below 300 so that Northway may deregister its shares with the SEC and cease being a reporting company.

As a result of the reverse stock split, each stockholder owning fewer than 400 shares of common stock of Northway immediately before the reverse stock split will receive \$37.50 in cash, without interest, for each share of Northway common stock owned by such stockholder immediately prior to the reverse stock split and will no longer be a stockholder of Northway. Northway estimates that, as a result of the proposed reverse stock split, Northway will reduce its stockholders of record from approximately 1,087 stockholders to approximately 271 stockholders.

After the repurchase of fractional shares, Northway will effect a 800-for-1 forward stock split of the remaining Northway common stock. Each holder of 400 or more shares of common stock immediately before the reverse stock split will participate in the forward stock split, which will result in such stockholder holding twice the number of shares of common stock he held prior to the reverse stock split.

The proposed transaction requires an amendment to Northway 's Articles of Incorporation that must be approved by holders of a majority of the outstanding common shares of Northway. Only Northway stockholders of record as of the close of business on June 1, 2007, will be entitled to notice of, and to vote at, the annual meeting of stockholders, to be held on Tuesday, July 31, 2007 to consider the transaction. The description of the proposed transaction included in this Current Report is not a solicitation of a proxy or an offer to acquire any common shares of Northway. Proxy solicitations will be made only by means of a definitive proxy statement to be delivered to all stockholders. Northway filed a preliminary proxy statement and Schedule 13E-3 with the SEC outlining the transaction today. All stockholders are advised to read the definitive proxy statement and Schedule 13E-3 carefully. Stockholders may obtain a free copy of the proxy statement and Schedule 13E-3 at the SEC's website <http://www.sec.gov>. Northway will also mail a copy of the definitive proxy statement prior to the annual meeting to stockholders entitled to vote at the special meeting.
