Item 5. Other Events.

On June 2, 2003, we announced that we had entered into an agreement with Anacomp, Inc., or Anacomp, pursuant to which Anacomp agreed to become the exclusive provider of on-site maintenance, warranty and non-warranty services for customers who purchase new maintenance agreements for our legacy SANnet I product line. In addition, Anacomp has agreed to manage our non-warranty customers and be the exclusive distributor of spare parts for our legacy SANnet I and Lynx Array product lines. As part of the agreement, we sold SANnet I and Lynx Array inventory and related equipment, licenses and other assets to Anacomp for a minimum of \$1.7 million, which is expected to be paid over two years. The amount of aggregate consideration may increase and payments may extend up to a total of three years if Anacomp meets certain revenue targets. The agreement with Anacomp is a continuation of our strategy that we initiated in 2002 to outsource manufacturing and enables us to better focus on our new SANnet II product line and our core competencies in research and development. The press release dated June 2, 2003 is attached as Exhibit 99.1 hereto and incorporated herein by reference.
