SICAR (together, the "Carlyle Funds"); ML Global Private Equity Fund, L.P., Merrill Lynch Ventures L.P. 2001 and ML Hertz Co-Investor, L.P. (together, the "Merrill Lynch Funds"); and CMC-Hertz Partners, L.P. (collectively with the CD&R Funds, the Carlyle Funds and the Merrill Lynch Funds, the "Sponsors"), stockholders representing as of that date approximately 55% of our then issued and outstanding common stock, approving the issuance and sale of 32,101,182 shares of our common stock to participating Sponsors in a private offering.

The enclosed Information Statement is being furnished to you to notify you that the foregoing action has been approved by the Sponsors, who were able to direct the vote of a majority of the outstanding shares of our common stock as of the date of the approval. The Board is not soliciting your proxy in connection with this action and proxies are not requested from stockholders. INFORMATION STATEMENT

(Dated June 15, 2009)

NO VOTE OR OTHER ACTION OF THE COMPANY'S STOCKHOLDERS IS REQUIRED IN CONNECTION WITH THIS INFORMATION STATEMENT.

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

GENERAL

This Information Statement is being furnished on or about June 15, 2009 to holders (who were holders of record as of the close of business on May 19, 2009) of the common stock, \$0.01 par value per share, of Hertz Global Holdings, Inc., a Delaware corporation, in connection with the issuance of 32,101,182 shares of our common stock to participating Sponsors in a private offering.

On May 18, 2009, our Board of Directors adopted resolutions that, among other things, authorized:

a public offering of shares of our common stock (the "Common Stock Public Offering"), pursuant to which 52,900,000 shares of our common stock have been sold at a price to the public of \$6.50 per share;

a public offering of convertible debt securities, pursuant to which an aggregate principal amount of \$474,755,000 of our 5.25% Convertible Senior Notes due 2014 were sold; and

a private offering to the Sponsors of shares of our common stock at the same per share offering price as the price per share paid to us by the underwriters in the Common Stock Public Offering (the "Private Offering").

In considering the Private Offering, our Board of Directors accepted the recommendation by our management that the purchase of additional shares of our common stock by participating Sponsors would be in the best interests of the Company. However, because of the potential interest of the Sponsors as purchasers in the Private Offering, directors employed by the Sponsors or their affiliates (other than the Company) did not participate in the vote by our Board of Directors to approve the Private Offering. In addition, the committee appointed by our Board of Directors to determine the number and offering price of shares of our common stock to be sold in the Common Stock Public Offering and the Private Offering did not include any director employed by the Sponsors or their affiliates (other than the Company).

Our common stock is listed on the New York Stock Exchange ("NYSE") under the symbol "HTZ". The rules of the NYSE require a listed company to obtain stockholder approval when issuing and selling, as part of a private offering, more than 1% of the outstanding common stock of the listed company to a substantial security holder of the listed company. Because the number of shares of our common stock to be issued in connection with the Private Offering exceeds the 1% threshold and certain of the Sponsors participating in the Private Offering are substantial security holders of the Company, we determined it advisable to obtain stockholder approval.

On May 19, 2009, the Sponsors, who as of that date owned an aggregate of 177,777,985 shares (approximately 55%) of the 323,846,335 shares of our common stock then outstanding, consented in writing to the Private Offering (the "Action"). Such board approval and stockholder consent are sufficient under Section 228 of the Delaware General Corporation Law, our amended and restated certificate of incorporation and our amended and restated by-laws, as then in effect, to approve the Private Offering. Accordingly, the Private Offering will not be submitted to our other stockholders for a vote, and this Information Statement is being furnished to you solely to give you notice of, and certain

information concerning, the Action and the Private Offering, in accordance with Section 228 of the Delaware General Corporation Law and the requirements of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the regulations promulgated thereunder, including Regulation 14C. This Information Statement does not constitute an offer to sell or the solicitation of an offer to purchase shares of our common stock.

The offices of the Company are located at 225 Brae Boulevard, Park Ridge, New Jersey 07656 and the Company's telephone number is (201) 307-2000.

The Private Offering

Following receipt of approval by our Board of Directors and written consent from the Sponsors, who were able to direct the vote of a majority of the outstanding shares of our common stock as of the date of the written consent, the Company entered into separate subscription agreements with the Sponsors listed below (the "Participating Sponsors"), pursuant to which they have subscribed to purchase shares of our common stock in the Private Offering, as follows:

Participating Sponsor	Number of Shares	Aggregate Purchase Price
Clayton, Dubilier & Rice Fund VII, L.P.	19,921,396	\$ 124,116,274
CD&R Parallel Fund VII, L.P.	141,843	\$ 883,724
Carlyle Partners IV, L.P.	11,570,644	\$ 72,088,583
CP IV Coinvestment, L.P.	467,299	\$ 2,911,413

The price per share in the Private Offering will be \$6.2303, which is equal to the price per share paid by the public in the Common Stock Public Offering, less the underwriting discounts and commission payable to the underwriters in the Common Stock Public Offering. After completion of the Private Offering, the Sponsors will collectively hold approximately 51% of our outstanding common stock (without giving effect to the issuance of any shares of common stock upon conversion of our 5.25% Convertible Senior Notes due 2014 or the exercise of any currently outstanding stock options and outstanding but unvested restricted stock units and performance stock units). The consummation of the Private Offering is subject to customary conditions, including the accuracy of our representations in the applicable subscription agreements in all material respects, as well as our compliance with legal obligations to deliver this Information Statement. The Private Offering, if completed, is expected to close within 30 days, but in no case less than 20 days, after the date of first mailing of this Information Statement to stockholders of record as of the close of business on May 19, 2009.

Use of Proceeds

We intend to use the approximately \$200 million that we will receive in proceeds from the Private Offering to increase liquidity and for general corporate purposes, including repayment of principal amounts with respect to maturing debt under the fleet financing facilities of certain of our consolidated subsidiaries.

Effect on Stockholders

The issuance of shares in the Private Offering will have the effect of proportionally diluting the percentage ownership in the Company of each of our stockholders that is not purchasing shares in the Private Offering. The 32,101,182 shares of our common stock to be issued to the Participating Sponsors represent approximately 8% of the shares of common stock expected to be outstanding after the consummation of the Common Stock Public Offering and the Private Offering (without giving effect to the issuance of any shares of common stock upon conversion of our 5.25% Convertible Senior Notes due 2014 or the exercise of any currently outstanding stock options and outstanding but unvested restricted stock units and performance stock units). After the consummation of the Private Offering, the Sponsors will collectively hold over 50% of our outstanding common stock and retain control of the Company, as they did prior to the Common Stock Public Offering. As a result of the closing of the Common Stock Public Offering, the Sponsors ceased to own at least 50% of the common stock then

outstanding, and we accordingly ceased to be a "controlled company" within the meaning of the NYSE's rules. Following the consummation of the Private Offering, we will once again be considered a "controlled company" and we will again be entitled to rely on certain exemptions from the NYSE's corporate governance requirements. At all times prior to the closing of the Common Stock Public Offering, the composition of the Company's Board of Directors and its committees complied with the requirements regarding the participation of "independent directors" within the meaning of the NYSE's rules as such requirements apply to "controlled companies," and subsequent to the closing of the Common Stock Public Offering, the composition of the Board of Directors and its committees has complied (and, until the closing of the Private Offering, is expected to continue to comply) with such requirements as they apply to listed companies that cease to be "controlled companies." Furthermore, so long as they retain ownership of a majority of our outstanding common stock, the Sponsors will also be entitled under our by-laws to take action on behalf of our stockholders by written consent. The shares of common stock to be issued to the Participating Sponsors in the Private Offering (together with the shares that were issued in the Common Stock Public Offering) will also have a dilutive effect on earnings per share and may adversely affect the market price of our common stock.

Record Date; Stockholders Entitled to Information Statement

This Information Statement is being mailed to you on or about June 15, 2009. The close of business on May 19, 2009, is the record date (the "Record Date") for the determination of stockholders entitled to this Information Statement and this notice of the Action.

Costs of Mailing

We will pay all costs associated with the distribution of this Information Statement, including the costs of printing and mailing.

Meeting Not Required

The Private Offering was approved by a written consent of the Sponsors dated May 19, 2009, who were as of that date the owners of a majority of the outstanding shares of our common stock. No further vote is required to approve the Private Offering.

Dissenters Rights of Appraisal

Under the Delaware General Corporation Law, our stockholders are not entitled to appraisal rights with respect to the Private Offering or the Action, and we will not independently provide stockholders with any such right.

Interest of Certain Persons in or Opposition to Matters to be Acted Upon

Certain of the CD&R Funds and the Carlyle Funds have agreed to purchase shares of our common stock in the Private Offering at a price of \$6.2303 per share, which is equal to the price per share in the Common Stock Public Offering, less the underwriting discounts and commissions payable to the underwriters in the Common Stock Public Offering. The following of our directors are employees of affiliates of the CD&R Funds (other than the Company): George W. Tamke, Nathan K. Sleeper and David H. Wasserman. Directors Brian A. Bernasek and Gregory S. Ledford are employees of affiliates of the Carlyle Funds (other than the Company). Pursuant to the Amended and Restated Stockholders Agreement, dated November 20, 2006, among the Company and the Sponsors (the "Stockholders Agreement"), the Sponsors (including the Merrill Lynch Funds, which are not participating in the Private Offering) have certain rights to participate in the corporate governance of the Company. The Sponsors are collectively expected to hold over 50% of our outstanding common stock following completion of the Private Offering. As a result, our directors Robert F. End and J. Travis Hain, each of whom is or was an employee of an affiliate of the Merrill Lynch Funds (other than the Company) could be deemed to have an indirect interest in the Private Offering. No other person who has been a director or officer of the Company at any time since the beginning of the last fiscal year and no associate of any such person has any substantial interest, direct or indirect, by security holdings or otherwise, in the Private Offering.

Proposals by Security Holders

No security holders have transmitted any proposals to be acted upon by the Company.

DESCRIPTION OF COMMON STOCK

We are authorized to issue 2,000,000,000 shares of common stock, \$0.01 par value per share, of which 376,921,003 shares were outstanding as of June 3, 2009.

Each holder of our common stock is entitled to one vote per share on all matters to be voted on by stockholders. Accordingly, holders of a majority of the shares of common stock entitled to vote in any election of directors may elect all of the directors standing for election. Any director may be removed only for cause, upon the affirmative vote of the holders of greater than a majority of the outstanding shares of our common stock entitled to vote for the election of the directors.

The holders of our common stock are entitled to receive any dividends and other distributions that may be declared by our board of directors, subject to any preferential dividend rights of outstanding preferred stock. In the event of our liquidation, dissolution or winding up, holders of common stock will be entitled to receive proportionately any of our assets remaining after the payment of liabilities and subject to the prior rights of any outstanding preferred stock. Our ability to pay dividends on our common stock is subject to our subsidiaries' ability to pay dividends to us which is in turn subject to the restrictions set forth in our subsidiaries' senior credit facilities and the indentures governing their senior notes and senior subordinated notes.

Holders of our common stock have no preemptive, subscription, redemption or conversion rights. The outstanding shares of our common stock are, and the shares of common stock to be sold by us to the Participating Sponsors in the Private Offering, when issued, will be, fully paid and non-assessable. The rights and privileges of holders of our common stock are subject to any series of preferred stock that we may issue in the future.

Computershare Investor Services LLC is the transfer agent and registrar for our common stock.

Our common stock is listed on the NYSE under the symbol "HTZ".

Stockholders Agreement

The Company and the Sponsors are parties to the Stockholders Agreement, which contains agreements that entitle the Sponsors to nominate all of the Company's directors. The director nominees are to include three nominees of the CD&R Funds (one of whom shall serve as the Chairman or, if the Chief Executive Officer is the Chairman, the Lead Director), two nominees of the Carlyle Funds, and two nominees of the Merrill Lynch Funds, subject to adjustment in the case that the applicable investment fund sells more than a specified amount of its shareholdings in the Company, and up to six independent directors. In addition, upon the Company ceasing to be a "controlled company" within the meaning of the NYSE rules, if necessary to comply with the NYSE rules, the director nominees of the Sponsors shall be reduced to two nominees of the CD&R Funds (one of whom shall serve as the Chairman or, if the Chief Executive Officer is the Chairman, the Lead Director), one nominee of the Carlyle Funds, and one nominee of the Merrill Lynch Funds, and additional independent directors will be elected by the board to fill the resulting director vacancies. Since October 12, 2006, the Company has had four independent directors.

The Stockholders Agreement also grants to the CD&R Funds or to the majority of directors nominated by the Sponsors the right to remove the Company's Chief Executive Officer. Any replacement Chief Executive Officer requires the consent of the CD&R Funds as well as the consent of either the Carlyle Funds or the Merrill Lynch Funds. The rights described above apply only for so long as the applicable Sponsor groups maintain certain specified minimum levels of shareholdings in the Company. The Stockholders Agreement also includes tag-along and drag-along rights, and restrictions on transfers of shares of the Company, in certain circumstances.

In addition, the Stockholders Agreement limits the rights of the Sponsors that have invested in the common stock of the Company and their affiliates, subject to several exceptions, to own, manage, operate or control any of our competitors (as defined in the Stockholders Agreement). The Stockholders Agreement may be amended from time to time in the future to eliminate or modify these restrictions without our consent.

Registration Rights Agreement

The Company is also party to the Registration Rights Agreement, dated as of December 21, 2005, as amended (the "Registration Rights Agreement"), with the Sponsors. The Registration Rights Agreement grants to certain of the Sponsors the right to cause the Company, at its own expense, to use its best efforts to register shares of our common stock held by the Sponsors for public resale, subject to certain limitations. The exercise of this right is limited to three requests by each Sponsor group, except for registrations effected pursuant to Form S-3, which are unlimited, subject to certain limitations, if the Company is eligible to use Form S-3. The secondary offering of the Company's common stock in June 2007 was effected pursuant to this Registration Rights Agreement. In the event the Company registers any of its common stock, these investment funds also have the right to require the Company to use its best efforts to include shares of common stock of the Company held by them, subject to certain limitations, including as determined by the underwriters. The Registration Rights Agreement also provides for the Company to indemnify the Sponsors and their affiliates in connection with the registration of our securities. Shares of our common stock acquired by the Participating Sponsors in the Private Offering will be eligible for registration under the Registration Rights Agreement.

COMMON STOCK PUBLIC OFFERING

We recently completed the Common Stock Public Offering of 52,900,000 shares of common stock at a per share price of \$6.50 in the Common Stock Public Offering, with proceeds to us before underwriting discounts and offering expenses of approximately \$343.85 million, which are expected to be used to increase liquidity and for general corporate purposes, including repayment of principal amounts with respect to maturing debt under the fleet financing facilities of certain of our consolidated subsidiaries.

**SECURITY OWNERSHIP OF CERTAIN
BENEFICIAL OWNERS, DIRECTORS AND OFFICERS**

The following table sets forth information as of March 30, 2009, adjusted to give effect to the Common Stock Public Offering and the Private Offering, with respect to the ownership of our common stock by:

each person known to own beneficially more than 5% of our common stock as of such date;

each of our directors;

each of our executive officers; and

all of our executive officers and directors as a group.

As of March 30, 2009, there were 323,374,461 shares of our common stock outstanding. An additional 52,900,000 shares were issued in the Common Stock Public Offering and a further 32,101,182 shares will be issued to the Participating Sponsors in the Private Offering. The amounts and percentages of shares beneficially owned are reported on the basis of Securities and Exchange Commission ("SEC") regulations governing the determination of beneficial ownership of securities. Under SEC rules, a person is deemed to be a "beneficial owner" of a security if that person has or shares voting power or investment power, which includes the power to dispose of or to direct the disposition of such security. A person is also deemed to be a beneficial owner of any securities of which that person has a right to acquire beneficial ownership within 60 days. Securities that can be so acquired are deemed to be outstanding for purposes of computing such person's ownership percentage, but not for purposes of computing any other person's percentage. Under these rules, more than one person may be deemed to be a beneficial owner of the same securities and a person may be deemed to be a beneficial owner of securities as to which such person has no economic interest.

The table set forth below does not reflect additional purchases of common stock that may have been made by unaffiliated stockholders in connection with the Common Stock Public Offering.

Except as otherwise indicated in the footnotes to this table, each of the beneficial owners listed has, to our knowledge, sole voting and investment power with respect to the indicated shares of common stock. Unless otherwise indicated, the address for each individual listed below is c/o Hertz Global Holdings, Inc., 225 Brae Boulevard, Park Ridge, New Jersey 07656-0713.
