**Item 7.01. Regulation FD Disclosure.**

On September 10, 2007, Vail Resorts, Inc. (“Vail Resorts” or the “Company”), sent a letter to the Chairman of the Board of American Skiing Company (“ASC”) to express Vail Resorts’ continuing interest to purchase all of the outstanding stock of ASC’s wholly-owned subsidiary, ASC Utah, Inc. (“ASC Utah”), the owner and operator of The Canyons ski resort (“The Canyons”) and to offer an increased acquisition price designed to fully repay the preferred stockholders of ASC and to provide the common stockholders of ASC with an opportunity to participate in the proceeds of such a sale.

Vail Resorts is supplementing its offer to pay \$110 million in cash for ASC Utah as previously disclosed by agreeing to grant a 30% interest in the net cash flow (as defined) to Vail Resorts arising from the ownership and development of the real estate development rights held by ASC Utah (“ASC Utah Rights”). Vail Resorts currently estimates that such 30% interest could produce up to \$650 million in incremental cash for ASC through 2020 (the “Deferred Real Estate Purchase Price”).

In addition to the Deferred Real Estate Purchase Price, Vail Resorts is willing to accept the purchase agreement entered into between ASC and Talisker Canyons Finance Company LLC and Talisker Corp. (together, “Talisker”), other than for certain modifications to reflect Vail Resorts’ new offer and the current estimated timing of the transaction.

Vail Resorts’ previous offer for The Canyons, as well as further information and background on Vail Resorts’ attempt to acquire The Canyons, is described in greater detail in its Current Report on Form 8-K, filed with the Securities and Exchange Commission on July 27, 2007.
