ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement on Form S-3 that we filed with the Securities and Exchange Commission (the "SEC"), using a "shelf" registration process. Under this shelf registration process, we may, from time to time, sell any combination of the securities described in this prospectus in one or more offerings.

This prospectus provides you with a general description of the securities that we may offer. Each time we sell securities, we will, to the extent required by law, provide a prospectus supplement that contains specific information about the terms of that offering, including the specific amounts, prices and terms of the securities offered. The prospectus supplement or any related free writing prospectus may also add information to this prospectus or update or change information in this prospectus. If there is any inconsistency between the information contained in this prospectus and any prospectus supplement or any related free writing prospectus, you should rely on the information in the prospectus supplement or the related free writing prospectus, provided that if any statement in one of these documents is inconsistent with a statement in another document having a later date for example, a document incorporated by reference in this prospectus or any prospectus supplement or any related free writing prospectus the statement in the document having the later date modifies or supersedes the earlier statement. You should read carefully this prospectus and any prospectus supplement together with the additional information described under the heading "Where You Can Find Additional Information."

We have not authorized any dealer, agent or other person to give any information or to make any representation other than those contained or incorporated by reference in this prospectus and any accompanying prospectus supplement. You must not rely upon any information or representation not contained or incorporated by reference in this prospectus or an accompanying prospectus supplement. This prospectus and the accompanying prospectus supplement, if any, do not constitute an offer to sell or the solicitation of an offer to buy any securities other than the registered securities to which they relate, nor do this prospectus and any accompanying prospectus supplement constitute an offer to sell or the solicitation of an offer to buy securities in any jurisdiction to any person to whom it is unlawful to make such offer or solicitation in such jurisdiction. You should not assume that the information contained in this prospectus and the accompanying prospectus supplement, if any, is accurate on any date subsequent to the date set forth on the front of the document or that any information we have incorporated by reference is correct on any date subsequent to the date of the document incorporated by reference (as our business, financial condition, results of operations and prospects may have changed since that date), even though this prospectus and any accompanying prospectus supplement is delivered or securities are sold on a later date.

As permitted by the rules and regulations of the SEC, the registration statement, of which this prospectus forms a part, includes additional information not contained in this prospectus. You may read the registration statement and the other reports we file with the SEC at the SEC's website at www.sec.gov or at the SEC's offices described below under the heading "Where You Can Find Additional Information." USE OF PROCEEDS

Except as described in any accompanying prospectus supplement, we currently intend to use the net proceeds from the sale of the securities for general corporate purposes, which may include the repayment or refinancing of indebtedness or the acquisition of complementary products or companies. When we offer a particular series of securities, we will describe the intended use of the net proceeds from that offering in the applicable prospectus supplement. The actual amount of net proceeds we spend on a particular use will depend on many factors, including, our future revenue growth, if any, our future capital expenditures and the amount of cash required by our operations. Many of these factors are beyond our control. Therefore, we will retain broad discretion in the use of the net proceeds.

SECURITIES WE MAY OFFER

We may offer shares of common stock, shares of preferred stock, debt securities or warrants to purchase common stock, preferred stock or debt securities, or any combination of the foregoing, either individually or as units comprised of one or more of the other securities. The specific amounts, prices and terms of any security will be described in the related prospectus supplement.

DESCRIPTION OF COMMON STOCK AND PREFERRED STOCK

The following description of our common stock and preferred stock, together with any additional information we include in any applicable prospectus supplement, summarizes the material terms and provisions of our common stock and the preferred stock that we may offer in offerings under this prospectus. For the complete terms of our common stock and preferred stock, please refer to our charter and by-laws, which are exhibits to the registration statement that includes this prospectus. The terms of our common stock and preferred stock may also be affected by Maryland law.

Common Stock

We are authorized to issue 273,910,000 shares of common stock, of which 56,340,713 shares were issued and outstanding as of September 30, 2011. The holders of our common stock possess exclusive voting rights in us, except to the extent our board of directors specifies voting power with respect to any other class of stock classified or reclassified in the future. Each holder of our common stock is entitled to one vote for each share held of record on each matter submitted to a vote of stockholders, including the election of directors. The holders of our common stock do not have any right to cumulate votes in the election of directors.

Subject to preferences that may be granted to the holders of any class of stock classified or reclassified in the future, each holder of our common stock is entitled to share ratably in distributions to stockholders and to receive ratably such dividends as may be declared by our board of directors out of funds legally available therefor. In the event of our liquidation, dissolution or winding up, the holders of our common stock will be entitled to receive, after payment of all of our debts and liabilities and of all sums to which holders of any class of stock classified or reclassified in the future may be entitled, the distribution of any of our remaining assets. Holders of our common stock have no conversion, exchange, sinking fund, redemption or appraisal rights (other than such as may be determined by our board of directors in its sole discretion) and have no preemptive rights to subscribe for any of our securities.

Under the Maryland General Corporation Law, a Maryland corporation generally, including as described below regarding the power to issue additional shares of common stock and preferred stock, cannot dissolve, amend its charter, merge, sell all or substantially all of its assets, engage in a share exchange or engage in similar transactions outside the ordinary course of business unless approved by the affirmative vote of stockholders holding at least two-thirds of the shares entitled to vote on the matter. A Maryland corporation may provide, however, in its charter for approval of these matters by a lesser percentage, but not less than a majority of all of the votes entitled to be cast on the matter. Our charter provides for approval of these matters by a majority of all the votes entitled to be cast.

Transfer Agent and Registrar

The transfer agent and registrar for our common stock is BNY Mellon Shareowner Services, Jersey City, New Jersey.

Preferred Stock

We are authorized to issue 1,090,000 shares of preferred stock, none of which were issued and outstanding as of September 30, 2011. Our board is authorized to classify or reclassify any unissued portion of our authorized shares of common stock or preferred stock to provide for the issuance of shares of other classes or series, including preferred stock in one or more series. We may issue preferred stock from time to time in one or more classes or series, with the exact terms of each class or series established by our board. Without seeking stockholder approval, our board may issue preferred stock with voting and other rights that could adversely affect the voting power of the holders of our common stock.

Table of Contents

The rights, preferences, privileges and restrictions of the preferred stock of each series will be fixed by the articles of amendment or the articles supplementary relating to such series. A prospectus supplement relating to such series will specify the terms of the preferred stock of such series, including, but not limited to:

the distinctive designation and the maximum number of shares in the series;

the terms on which dividends, if any, will be paid;

the voting rights, if any, of the shares in the series;

the terms and conditions, if any, on which the shares in the series shall be convertible into, or exchangeable for, shares of any other class or classes of capital stock;

the terms on which the shares in the series may be redeemed, if at all;

the liquidation preference, if any, and the rank of any such liquidation preference with respect to the liquidation preference, if any, of any other class or series of stock;

any applicable anti-dilution provisions to adjust the number of shares to be delivered upon conversion or exchange of the shares in the series into or for shares of any other class or series of stock; and

any other preferences, rights, restrictions, including restrictions on transferability, and qualifications of shares in the series.

The issuance of preferred stock may delay, deter or prevent a change in control.

The description of preferred stock above and the description of the terms of a particular series of preferred stock in any prospectus supplement relating to such series are not complete. You should refer to the articles of amendment or the applicable articles supplementary relating to such series for complete information. The prospectus supplement will contain a description of U.S. federal income tax consequences relating to the preferred stock.

Possible Anti-Takeover Effects of Maryland Law and our Charter and By-laws

Our charter and by-laws contain provisions that may make it more difficult for a third party to acquire control of us without the approval of our board of directors. In addition, provisions of the Maryland General Corporation Law may hinder or delay an attempted takeover of our company other than through negotiation with our board of directors. These provisions could discourage attempts to acquire us or remove our management even if some or a majority of our stockholders believe this action to be in their best interest, including attempts that might result in our stockholders' receiving a premium over the market price of their shares of our common stock.

Number of Directors; Classified Board of Directors; Removal; Vacancies. The number of directors on our board may only be altered by the action of a majority of our entire board of directors. Our board of directors is divided into three classes serving staggered three-year terms, with the directors in one of these classes being elected each year. Section 2-406(b)(3) of the Maryland General Corporation Law provides that stockholders of corporations that have classified boards may only remove directors for cause. Our charter provides that directors may be removed from office by stockholders only for cause, and then only by the vote of the holders of not less than two-thirds of the outstanding shares of stock entitled to vote generally in the election of directors. In addition, subject to the rights of the holders of any class of preferred stock then outstanding, vacancies and newly created directorships resulting from any increase in the size of our board of directors or the death, resignation or removal of a director may be filled only by the affirmative vote of a majority of the directors then in office, even if the remaining directors do not constitute a quorum. Any director elected to fill a vacancy will hold

Table of Contents

office for the remainder of the term of the class of directors in which the vacancy occurred and until a successor is elected and qualifies.

Power to Issue Preferred Stock. Our board of directors, without further action by the holders of our common stock, may issue shares of preferred stock from time to time and in one or more classes or series. Our board of directors is vested with authority to fix by resolution the designations and the powers, preferences and relative, participating, optional or other special rights, and qualifications, limitations or restrictions thereof, including, without limitation, the dividend rate, conversion or exchange rights, redemption price and liquidation preference of any class or series of shares of preferred stock, and to fix the number of shares constituting any such class or series.

Power to Reclassify Shares of Our Stock. Our charter authorizes our board of directors to classify and reclassify any unissued shares of stock into other classes or series of stock.

Prior to issuance of shares of any class or series of stock classified or reclassified in the future, our board of directors is required by the Maryland General Corporation Law and by our charter to set the terms, preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends or other distributions, qualifications and terms of conditions of redemption for such class or series.

Power to Authorize Additional Shares of Common Stock and Preferred Stock. Our board of directors, without any action by the stockholders, may amend our charter from time to time to increase or decrease the aggregate number of shares of stock or the number of shares of stock of any class or series that we have authority to issue. We believe that the power to issue additional shares of our common stock or preferred stock and to classify or reclassify unissued shares of common or preferred stock and thereafter to issue the classified or reclassified shares provides us with increased flexibility in structuring possible future financings and acquisitions and in meeting other needs which might arise.

Special Stockholders' Meetings. Our by-laws provide that special meetings of stockholders, unless otherwise required by statute, may be called only by the board of directors or by our chairman or president, or by our stockholders only upon the written request of stockholders entitled to cast at least a majority of all the votes entitled to be cast at the meeting.

Advance Notice Provisions. Our by-laws establish an advance written notice procedure for stockholders seeking to nominate candidates for election as directors at any annual meeting of stockholders and to bring business before an annual meeting of our stockholders. Our by-laws provide that only persons who are nominated by our board or by a stockholder who has given timely written notice to our secretary before the meeting to elect directors will be eligible for election as our directors. Our by-laws also provide that any matter to be presented at any meeting of stockholders must be presented either by our board or by a stockholder in compliance with the procedures in our by-laws. A stockholder must give timely written notice to our secretary of its intention to present a matter before an annual meeting of stockholders. Our board then will consider whether the matter is one that is appropriate for consideration by our stockholders under the Maryland General Corporation Law and the SEC's rules.

Maryland Business Combination Act. In addition to these provisions of our charter and by-laws, we are subject to the provisions of Maryland Business Combination Act which prohibits transactions between a Maryland corporation and an interested stockholder or an affiliate of an interested stockholder for five years after the most recent date on which the interested stockholder becomes an interested stockholder. Generally, an "interested stockholder" is a person who, together with affiliates and associates, beneficially owns, directly or indirectly, 10% or more of a Maryland corporation's voting stock. These provisions could have the effect of delaying, preventing or deterring a change in control of our company or reducing the price that certain investors might be willing to pay in the future for shares of our common stock.

Maryland Control Share Acquisition Act. The Maryland Control Share Acquisition Act may deny voting rights to shares involved in an acquisition of one-tenth or more of the voting stock of a Maryland corporation. Our by-laws contain a provision exempting any share of our capital stock from the control share acquisition statute to the fullest extent permitted by the Maryland General Corporation Law. However, our board of directors has the exclusive right to amend our by-laws and, subject to their fiduciary duties, could at any time in the future amend the by-laws to remove this exemption provision.

Insurance Regulations Concerning Change Of Control. Atrium Insurance Corporation, our wholly owned subsidiary, is subject to insurance regulations in the State of New York. Pursuant to these regulations, any person proposing to acquire, directly or indirectly, 10% or more of Atrium's outstanding common stock (which would include the acquisition of 10% or more of our common stock), or otherwise proposing to engage in a transaction involving a change in control of Atrium Insurance Corporation, would be required to obtain the prior approval of the New York Superintendent of Insurance.

DESCRIPTION OF DEBT SECURITIES

We may offer any combination of senior debt securities or subordinated debt securities. Unless we inform you otherwise in the applicable prospectus supplement, the debt securities will be unsecured obligations to repay advanced funds. We may issue the senior debt securities and the subordinated debt securities under separate indentures between us, as issuer, and The Bank of New York Mellon Trust Company, N.A., as trustee. We filed the form for each type of indenture as an exhibit to the registration statement of which this prospectus is a part.

We will describe the particular terms of any debt securities we may offer in a prospectus supplement. The following summaries of the debt securities and the indentures are not complete. We urge you to read the indentures and the description of the debt securities included in the prospectus supplement.

General

Unless we inform you otherwise in the applicable prospectus supplement, the debt securities will be our unsecured obligations and will rank on a parity with all of our other unsecured and unsubordinated obligations. The debt securities will be issued under an indenture between us, as issuer, and The Bank of New York Mellon Trust Company, N.A., as trustee. Unless we specify a different place in the applicable prospectus supplement, principal of and interest, if any, on the debt securities will be payable at the corporate offices of the trustee.

The indentures do not limit the aggregate principal amount of the debt securities or of any particular series of offered debt securities that we may issue and provides that debt securities may be issued thereunder from time to time in one or more series.

A prospectus supplement relating to a particular series of debt securities will contain some or all of the following terms of the offered debt securities:

the title of the offered debt securities and the series of which the offered debt securities shall be a part;

any limit on the aggregate principal amount of the offered debt securities;

the price, expressed as a percentage of the aggregate principal amount thereof, at which the offered debt securities will be issued;

whether the debt securities are secured or unsecured, senior securities or subordinated securities, guaranteed or not guaranteed.

the date or dates on which the offered debt securities will mature or the manner in which such dates are determined;

the rate or rates, which may be fixed or variable, per annum at which the offered debt securities will bear interest, if any or, if applicable, the formula by which such interest will be calculated;

the date from which such interest, if any, on the offered debt securities will accrue, the dates on which such interest, if any, will be payable, the date on which payment of such interest, if any, will commence and the record dates for such interest payment dates, if any;

the dates, if any, on which and the price or prices at which the offered debt securities will, pursuant to any sinking fund provisions, be redeemed by us and the other detailed terms and provisions of such sinking funds;

Edgar Filing: PHH CORP - Form S-3ASR

the date, if any, after which and the price or prices at which the offered debt securities may, pursuant to any optional redemption provisions, be redeemed at our option or the option of the

holder thereof upon the occurrence of a change of control or otherwise and the other detailed terms and provisions of such optional redemption;

the denominations in which the offered debt securities are authorized to be issued;

whether any principal and/or interest of the offered debt securities is denominated in a currency other than U.S. dollars;

the portion of principal amount that will be payable upon declaration of acceleration of the maturity date if other than the principal amount of the offered debt securities;

if amounts of principal and, if applicable, premium and interest may be determined by reference to an index based on a currency or currencies or by reference to a commodity, commodity index, stock exchange index or financial index, then the manner in which such amounts will be determined;

the provisions, if any, relating to any collateral provided for the offered debt securities;

covenants to which we or our subsidiaries may be subject;

any events of default, if not otherwise described below under "Events of Default";

the terms and conditions, if any, for conversion into or exchange for shares of our common stock or preferred stock or other securities;

the place or places where principal and, if applicable, premium and interest, is payable;

the terms and conditions, if any, upon which any offered debt securities shall be subordinated in right of payment to other indebtedness of us; and

any other terms of the offered debt securities.

Debt securities bearing no interest or interest at a rate which at the time of issuance is below market rates may be issued under the indenture and offered and sold at a substantial discount from the principal amount thereof. Special federal income tax, accounting and other considerations applicable thereto will be described in any supplement relating to those debt securities. The senior debt securities are not subordinated in right of payment to any other indebtedness of us; see discussion below under "Subordination" for a description of the subordination provisions applicable to the subordinated debt securities. However, our right and the right of our creditors, including the holders of debt securities, under general equitable principles to participate in any distributions of assets of any subsidiary upon our liquidation or reorganization or otherwise is, unless we substantively consolidate with our subsidiaries, likely to be subject to the prior claims of creditors of the subsidiary, except to the extent that our claims as a creditor may be recognized.

The debt securities will be issued only in fully registered form without coupons. Offered debt securities may be presented at the corporate offices of the trustee or as otherwise specified in a prospectus supplement for registration of transfer or exchange without service charge, but we may require payment to cover taxes or other governmental charges payable in connection therewith.

We may issue debt securities denominated in or payable in a foreign currency or currencies or a foreign currency unit or units. If we do, we will describe the restrictions, elections, and general tax considerations relating to the debt securities and the foreign currency or currencies or foreign currency unit or units in the applicable prospectus supplement.

Table of Contents

Exchange and/or Conversion Rights

We may issue debt securities which can be exchanged for or converted into shares of our common stock or preferred stock or other securities. If we do, we will describe the terms of exchange or conversion in the prospectus supplement relating to these debt securities.

No Protection in the Event of Change of Control

The general provisions of the indentures do not afford holders of our debt securities protection in the event of a highly leveraged or other transaction involving us that may adversely affect holders of debt securities. Any covenants or other provisions providing for a put or increased interest or otherwise would afford holders of our debt securities additional protection in the event of a recapitalization transaction, a change of control of the Company, or a highly leveraged transaction. If we offer any covenants or provisions of this type with respect to any debt securities covered by this prospectus, we will describe them in the applicable prospectus supplement.

Covenants

Unless we inform you otherwise in the applicable prospectus supplement, our debt securities will not have the benefit of any covenants that limit or restrict our business or operations, the pledging of our assets or the incurrence by us of indebtedness. We will describe in the applicable prospectus supplement any material covenants in respect of a series of debt securities.

Consolidation Merger and Sale of Assets

Unless we inform you otherwise in a prospectus supplement, we may consolidate or merge with or into any other person, and we may sell or transfer all or substantially all of our assets to another person, provided, among other things, that (a) either (i) we shall be the surviving person or (ii) the person formed by or resulting from any such consolidation or merger or the transferee of such assets shall be organized and existing under the laws of the United States, any state thereof or the District of Columbia and shall expressly assume by supplemental indenture all of our obligations under the indenture shall expressly assume by supplemental indenture all of our obligations under the indenture and (b) immediately after giving effect to such transaction, the Company or its successor, as the case may be, would not be in default of any covenant or condition under the applicable indenture.

Events of Default

Unless we provide other or substitute Events of Default in the applicable prospectus supplement, the following events will constitute an event of default under the applicable indenture with respect to a series of debt securities:

default for a period of 30 days in payment of any interest on the debt securities of such series when due;

default in payment of principal of (or premium, if any, on) the debt securities of such series;

default in the deposit of any sinking fund payment, when and as due by the terms of a debt security of that series, which default shall have continued unremedied for a period of 30 days;

default in performance of any other covenant in the applicable indenture with respect to a series of debt securities, continued for 90 days after written notice to us by the trustee or by the holders of at least 25% in principal amount of the outstanding debt securities of that series; and

certain events of bankruptcy, insolvency or reorganization.

Edgar Filing: PHH CORP - Form S-3ASR

Table of Contents

If an event of default with respect to debt securities of any series shall occur and be continuing, the trustee or the holders of 25% in principal amount of the outstanding debt securities of such series may declare the principal and accrued interest of all of the debt securities of that series to be due and payable immediately. We will comply with applicable tender offer rules under the Exchange Act in the event that the occurrence of an event of default results in the repurchase of debt securities.

The indenture provides that the trustee will, within 90 days after the occurrence of a default under the indenture, give to holders of the series of debt securities with respect to which a default has occurred notice of all uncured defaults known to it but, except in the case of a default in the payment of principal (including any sinking fund payment) or premium, if any, or interest on or redemption price (if called for redemption) of a series of debt securities with respect to which such default has occurred, the trustee shall be protected in withholding such notice if it in good faith determines that the withholding of such notice is in the interest of such holders.

The indenture contains a provision entitling the trustee, subject to the duty of such trustee during default to act with the required standard of care, to be indemnified by the holders of a series of debt securities with respect to which a default has occurred before proceeding to exercise any right or power under the indenture at the request of such holders. Subject to such right of indemnification, each indenture provides that the holders of a majority in principal amount of the outstanding debt securities of such series may direct the time, method and place of conducting any proceeding for any remedy available to the trustee or exercising any trust or power conferred upon the trustee.

We will be required to furnish to the trustees annually a statement as to the fulfillment by us of all of its obligations under the indenture.

Modification and Waiver

From time to time, we and the trustee may, without the consent of holders of the debt securities of one or more series, amend an indenture or the debt securities of one or more series, or supplement an indenture, for certain specified purposes, including:

to evidence the succession of another corporation to the Company;

to add to the covenants of the Company for the benefit of the holders of all or any series of debt securities or to surrender any right or power therein conferred upon the Company;

to add additional events of default;

to add to or change any provisions of the indenture to provide, change or eliminate any restrictions on the payment of principal or of premium, provided no such modification will materially and adversely affect the interests of holders of any debt securities;

to change or eliminate any provision of any indenture, provided no debt security outstanding of any series is entitled to the benefit of such provision;

to secure the debt securities;

to provide for the issuance of and establish the form and terms and conditions of debt securities of any series as permitted by the indenture;

to appoint a successor trustee under the indenture with respect to one or more series.

to add guarantors or co-obligors with respect to any series of securities or to release guarantors from their guarantees in accordance with the terms of the applicable series of debt securities;

to provide for uncertificated securities in addition to certificated securities;

Edgar Filing: PHH CORP - Form S-3ASR

to supplement any provisions as necessary to permit or facilitate the defeasance and discharge of any series of debt securities, provided no such modification will materially and adversely affect the interests of holders of any debt securities;

to prevent the authentication and delivery of additional series of debt securities;

to add to or change or eliminate any provision of an indenture as necessary or desirable in accordance with any amendments to the Trust Indenture Act of 1939; and

to cure any ambiguity, defect or inconsistency, or make any other change that does not materially and adversely affect the rights of any holder.

From time to time we and the trustee may, with the consent of holders of at least a majority in principal amount of an outstanding series of debt securities, amend or supplement an indenture or the debt securities of a series, or waive compliance in a particular instance by us with any provision of an indenture or the debt securities. Unless we inform you otherwise in the applicable prospectus supplement, we may not without the consent of each holder affected by such action, modify or supplement an indenture or the debt securities or waive compliance with any provision of an indenture or the debt securities in order to:

change the stated maturity date or the principal of, premium, if any, or any installment of interest (or any additional amount) on, any such debt security;

reduce the principal amount or rate of interest thereon;

change the redemption price, if applicable;

change the place or currency of payment of principal of or premium, if any, or interest on any debt security;

impair the right to institute suit for the enforcement of any such payment on or after the stated maturity thereof;

reduce the percentage of outstanding debt securities necessary to modify or amend the respective indentures;

modify the foregoing requirements or reduce the percentage of outstanding debt securities necessary to waive any past default or compliance with certain restrictive provisions to less than a majority; or

reduce the amount of principal of an original issue discount security payable upon acceleration of the maturity thereof.

Subordination

The indebtedness evidenced by the subordinated debt securities and the payment of the principal of and premium, if any, and interest, if any, on each and all of the subordinated debt securities are subordinated in right of payment to the prior payment in full of senior indebtedness and, unless specifically designated as ranking junior to our other subordinated debt securities, rank equally with all of our other subordinated debt securities which have not been specifically designated as ranking junior to our other subordinated debt securities. We have not issued any subordinated debt ranking junior to the subordinated debt securities but we reserve the right to issue such junior subordinated debt.

Edgar Filing: PHH CORP - Form S-3ASR

If we default in the payment of any senior indebtedness, unless and until such default shall have been cured or waived, no direct or indirect payment shall be made on account of the principal of and premium, if any, or interest, if any, on the subordinated debt securities, or in respect of any sinking fund for, or redemption, retirement or purchase or other acquisition of any of the subordinated debt securities.

Table of Contents

If any other event of default occurs with respect to any senior indebtedness, permitting the holders thereof to accelerate the maturity thereof, then, unless and until such event of default shall have been cured or waived, no direct or indirect payment shall be made on account of the principal of, or premium, if any, or interest, if any, on any subordinated debt securities or in respect of any sinking fund for, or redemption, retirement, purchase or other acquisition of the subordinated debt securities, during any period of 90 days after written notice of such default shall have been given to us by any holder of senior indebtedness or during any period in which any judicial proceeding is pending in respect of such default and a notice of acceleration of the maturity of such senior indebtedness has been transmitted to us in respect of such default.

In the event of: (1) any insolvency, bankruptcy, receivership, liquidation, reorganization, readjustment or other similar proceeding relating to us, our creditors or our property; (2) any proceeding for the liquidation, dissolution or other winding up of us, whether voluntary or involuntary, whether or not involving bankruptcy proceedings; (3) any assignment by us for the benefit of creditors; or (4) any other marshalling of our assets, all senior indebtedness shall first be paid in full before any payment or distribution shall be made to any holder of subordinated debt securities.

If any such payment or distribution to be paid to the holders of senior indebtedness shall be made to any holder of subordinated debt securities in contravention of the foregoing and before all of the senior indebtedness shall have been paid in full, such payment or distribution shall be received in trust for the benefit of, and shall be paid over or delivered and transferred to, the holders of senior indebtedness at the time outstanding in accordance with the priorities then existing among such holders for applications to the payment of all senior indebtedness remaining unpaid.

Unless we inform you otherwise in the applicable prospectus supplement, senior indebtedness shall not be deemed to have been paid in full unless the holders thereof shall have received cash equal to the amount of senior indebtedness then outstanding. Upon payment in full of all senior indebtedness, the holders of subordinated debt securities shall be subrogated to all rights of any holders of senior indebtedness to receive any further payments or distributions applicable to the senior indebtedness until all amounts owing on the subordinated debt securities shall have been paid in full, and such amounts or distributions which otherwise would be paid or distributed to the holders of senior indebtedness, shall, as between us and our creditors (other than the holders of senior indebtedness), on the one hand, and the holders of the subordinated debt securities, on the other hand, be deemed to be a payment by us on account of senior indebtedness and not on account of the subordinated debt securities.

Concerning the Trustee

The Bank of New York Mellon Trust Company, N.A. acts as trustee under each of the senior debt indenture and the subordinated debt indenture. You should note that if the trustee becomes a creditor of ours, the indentures and the Trust Indenture Act of 1939 limit the rights of the trustee to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim, as security or otherwise. The trustee and its affiliates may engage in, and will be permitted to continue to engage in, other transactions with us and our affiliates. If, however, the trustee acquires any "conflicting interest" within the meaning of the Trust Indenture Act of 1939, it must eliminate such conflict or resign.

The holders of a majority in principal amount of the then outstanding debt securities of any series may direct the time, method and place of conducting any proceeding for exercising any remedy available to the trustee. If an event of default occurs and is continuing, the trustee, in the exercise of its rights and powers, must use the degree of care and skill of a prudent person in the conduct of his or her own affairs. Subject to that provision, the trustee will be under no obligation to exercise any of

its rights or powers under the indenture at the request of any of the holders of the debt securities, unless they have offered to the trustee reasonable indemnity or security.

We maintain general banking and credit relations with The Bank of New York Mellon Trust Company, N.A. and its affiliates in the ordinary course of business.

DESCRIPTION OF WARRANTS

Warrant to Purchase Common Stock or Preferred Stock

The following summarizes the terms of common stock warrants and preferred stock warrants we may issue. We urge you to read the detailed provisions of the stock warrant agreement that we will enter into with a stock warrant agent we select at the time of issue.

General. We may issue stock warrants evidenced by stock warrant certificates under a stock warrant agreement independently or together with any securities we offer by any prospectus supplement. If we offer stock warrants, we will describe the terms of the stock warrants in a prospectus supplement, including, but not limited to:

the offering price;

the number of shares of common or preferred stock purchasable upon exercise of one stock warrant and the initial price at which the shares may be purchased upon exercise;

if applicable, the designation and terms of the preferred stock purchasable upon exercise of the stock warrants;

the dates on which the right to exercise the stock warrants begins and expires;

material U.S. federal income tax consequences;

call provisions, if any;

whether holders may exercise the stock warrants on a cashless basis;

the currencies in which the offering price and exercise price are payable; and

if applicable, any anti-dilution provisions.

Exercise of Stock Warrants. You may exercise stock warrants by surrendering to the stock warrant agent the stock warrant certificate, which indicates your election to exercise all or a portion of the stock warrants evidenced by the certificate. You must pay the exercise price by cash or check when you surrender your stock warrant certificate. The stock warrant agent will deliver certificates evidencing duly exercised stock warrants to the transfer agent. Upon receipt of the certificates, the transfer agent will deliver a certificate representing the number of shares of common stock or preferred stock purchased. If you exercise fewer than all the stock warrants evidenced by any certificate, the stock warrant agent will deliver a new stock warrant certificate representing the unexercised stock warrants.

No Rights as Stockholders. Unless we inform you otherwise in the applicable prospectus supplement, holders of stock warrants will not be entitled to vote, to consent, to receive dividends or to receive notice as stockholders with respect to any meeting of stockholders, or to exercise any rights whatsoever as stockholders.

DESCRIPTION OF UNITS

The following summarizes the terms of units that we may issue. We urge you to read the detailed provisions of the unit agreement that we will enter into with a unit agent we select at the time of issue.

General

We may issue units comprised of one or more debt securities, shares of common stock, shares of preferred stock and warrants in any combination. Each unit will be issued so that the holder of the unit is also the holder of each security included in the unit. Thus, the holder of a unit will have the rights and obligations of a holder of each included security. The unit agreement under which a unit is issued may provide that the securities included in the unit may not be held or transferred separately, at any time or at any time before a specified date.

We will describe in the applicable prospectus supplement the terms of the series of units, including, but not limited to:

the designation and terms of the units and of the securities comprising the units, including whether and under what circumstances those securities may be held or transferred separately;

any provisions of the governing unit agreement that differ from those described below; and

any provisions for the issuance, payment, settlement, transfer or exchange of the units or of the securities comprising the units.

The provisions described in this section, as well as those described under "Description of Common Stock and Preferred Stock," "Description of Debt Securities" and "Description of Warrants" will apply to each unit and to any common stock, preferred stock, debt security or warrant included in each unit, respectively.

Issuance in Series

We may issue units in such amounts and in numerous distinct series as we determine.

Enforceability of Rights by Holders of Units

Each unit agent will act solely as our agent under the applicable unit agreement and will not assume any obligation or relationship of agency or trust with any holder of any unit. A single bank or trust company may act as unit agent for more than one series of units. A unit agent will have no duty or responsibility in case of any default by us under the applicable unit agreement or unit, including any duty or responsibility to initiate any proceedings at law or otherwise, or to make any demand upon us. Any holder of a unit may, without the consent of the related unit agent or the holder of any other unit, enforce by appropriate legal action its rights as holder under any security included in the unit.

We, the unit agents and any of their agents may treat the registered holder of any unit certificate as an absolute owner of the units evidenced by that certificate for any purpose and as the person entitled to exercise the rights attaching to the units so requested, despite any notice to the contrary.

Each series of securities will be a new issue of securities and will have no established trading market and unless otherwise specified in the applicable prospectus supplement, we will not list any series of the securities on any exchange. It has not presently been established whether the underwriters, if any, of the securities will make a market in the securities. If the underwriters make a market in the securities, such market may be discontinued at any time without notice. No assurance can be given as to the liquidity of the trading market for the securities.

Fees and Commissions

In compliance with the guidelines of the Financial Industry Regulatory Authority ("FINRA"), the aggregate maximum discount, commission or agency fees or other items constituting underwriting compensation to be received by any FINRA member or independent broker-dealer will not exceed 8% of any offering pursuant to this prospectus and any applicable prospectus supplement or pricing supplement, as the case may be; however, it is anticipated that the maximum commission or discount to be received in any particular offering of securities will be significantly less than this amount.

Item 15. Indemnification of Directors and Officers

As permitted by the Maryland General Corporation Law ("MGCL"), Article Eighth, Paragraph (a)(5) of PHH Corporation's charter, provides for indemnification of directors and officers of PHH Corporation, as follows:

(5) The Corporation shall indemnify (A) its current and former directors and officers, whether serving the Corporation or at its request any other entity, to the full extent required or permitted by the MGCL now or hereafter in force, including the advance of expenses under the procedures and to the full extent permitted by law and (B) other employees and agents to such extent as shall be authorized by the Board of Directors or the Corporation's By-Laws and be permitted by applicable law. The foregoing rights of indemnification shall not be exclusive of any other rights to which those seeking indemnification may be entitled. The Board of Directors may take such action as is necessary to carry out these indemnification provisions and is expressly empowered to adopt, approve and amend from time to time such by-laws, resolutions or contracts implementing such provisions or such further indemnification arrangements as may be permitted by law. No amendment of the Charter of the Corporation or repeal of any of its provisions shall limit or eliminate the right to indemnification provided hereunder with respect to acts or omissions occurring prior to such amendment or repeal.

The MGCL permits a corporation to indemnify its directors and officers (which include any person who is, or was, serving at the request of the corporation as a director, officer, partner, trustee, employee, or agent of another foreign or domestic corporation, partnership, joint venture, trust, other

enterprise, or employee benefit plan), among others, against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceedings to which they may be a party by reason of their service in those or other capacities, unless it is established that (a) the act or omission of the director or officer was material to the matter giving rise to such proceedings and (i) was committed in bad faith or (ii) was the result of active and deliberate dishonesty, (b) the director or officer actually received an improper personal benefit in money, property or services, or (c) in the case of any criminal proceedings, the director or officer had reasonable cause to believe that the action or omission was unlawful.

As permitted by the MGCL, Article Eighth, Paragraph (a)(6) of PHH Corporation's charter provides for limitation of liability of directors and officers of PHH Corporation, as follows:

(6) To the fullest extent permitted by applicable law, as amended or interpreted, no current or former director or officer of the Corporation shall be personally liable to the Corporation or its stockholders for money damages. No amendment of the Charter of the Corporation or repeal of any of its provisions shall limit or eliminate the limitation on liability provided to directors and officers hereunder with respect to any act or omission occurring prior to such amendment or repeal.

The MGCL permits the charter of a Maryland corporation to include a provision limiting the liability of its directors and officers to the corporation and its stockholders for money damages, except to the extent that (i) the person actually received an improper benefit or profit in money, property or services or (ii) a judgment or other final adjudication is entered in a proceeding based on a finding that the person's action, or failure to act, was the result of active and deliberate dishonesty and was material to the cause of action adjudicated in the proceeding.

PHH Corporation has entered into indemnification agreements with members of its board of directors, including its President and Chief Executive Officer, Jerome J. Selitto. Pursuant to such indemnification agreements, PHH Corporation has agreed to indemnify and advance expenses and costs incurred by each director in connection with any claims, suits or proceedings arising as a result of his or her service as a director, to the maximum extent permitted by law, including third-party claims and proceedings brought by or in right of PHH Corporation.

As permitted under Section 2-418(k) of the MGCL, PHH Corporation has purchased and maintains insurance on behalf of its directors and officers against any liability asserted against such directors and officers in their capacities as such, whether or not PHH Corporation would have the power to indemnify such persons under the provisions of Maryland law governing indemnification.

Item 16. Exhibits.

A list of exhibits filed herewith is contained in the exhibit index that immediately precedes such exhibits and is incorporated herein by reference.

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in

volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs (i), (ii) and (iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of this registration statement as of the date the filed prospectus was deemed part of and included in this registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in this registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; *provided, however*, that no statement made in a registration statement or prospectus that is part of this registration statement or made in a document incorporated or deemed incorporated by reference into this registration statement or prospectus that is part of this registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in this registration statement or prospectus that was part of this registration statement or made in any such document immediately prior to such effective date.

(5) (a) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following

communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) The undersigned registrant hereby undertakes to supplement the prospectus, after the expiration of the subscription period, to set forth the results of the subscription offer, the transactions by the underwriters during the subscription period, the amount of unsubscribed securities to be purchased by the underwriters, and the terms of any subsequent reoffering thereof. If any public offering by the underwriters is to be made on terms differing from those set forth on the cover page of the prospectus, a post-effective amendment will be filed to set forth the terms of such offering.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question as to whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
