BEIGENE, LTD.
PROXY STATEMENT
FOR THE 2017 ANNUAL GENERAL MEETING OF SHAREHOLDERS

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of BeiGene, Ltd. (the "Board of Directors") for use at its 2017 Annual General Meeting of Shareholders (the "Annual Meeting") to be held on June 1, 2017 at 2:30 p.m. local time at the offices of Ernst & Young at EY Tower, 100 Adelaide St. W, Toronto Canada, for the purpose of considering and, if thought fit, passing the resolutions specified in the Notice of Annual General Meeting. This Proxy Statement is being mailed to shareholders on or about April 27, 2017.

For a proxy to be effective, it must be properly executed and dated and lodged (together with a duly signed and dated power of attorney or other authority (if any) under which it is executed (or a notorially certified copy of such power of attorney or other authority)) at the offices of our registrar, Mourant Ozannes Corporate Services (Cayman) Limited (the "Registrar") so as to be received before the time of the Annual Meeting. Each proxy properly tendered will, unless otherwise directed by the shareholder, be voted FOR the director nominees described in this Proxy Statement, FOR the appointment of Ernst & Young Hua Ming LLP as the Company's independent registered public accounting firm for the year ending December 31, 2017, and at the discretion of the proxy holder(s) with regard to all other matters that may properly come before the meeting.

We will pay all of the costs of soliciting proxies. Our directors, officers and employees may also solicit proxies; however, we will not pay them additional compensation for any of these services. Proxies may be solicited by telephone, facsimile, personal solicitation or otherwise.

In this Proxy Statement, the terms "BeiGene," "we," "us," and "our" refer to BeiGene, Ltd and its subsidiaries. The mailing address of our principal executive offices is c/o Mourant Ozannes Corporate Services (Cayman) Limited, 94 Solaris Avenue, Camana Bay, Grand Cayman KY1-1108, Cayman Islands.

EXPLANATORY NOTE

We are an "emerging growth company" under applicable United States federal securities laws and therefore are permitted to take advantage of reduced public company reporting requirements. As an emerging growth company, we provide in this Proxy Statement the disclosure permitted under the Jumpstart Our Business Startups Act of 2012, including the compensation disclosures required of a "smaller reporting company," as that term is defined in Rule 12b-2 under the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act"). In addition, as an emerging growth company, we are not required to conduct votes seeking approval, on an advisory basis, of the compensation of our named executive officers or the frequency with which such votes must be conducted. We will remain an "emerging growth company" until the earliest of (1) the last day of the fiscal year in which we have more than \$1.0 billion in annual revenue; (2) the date we qualify as a "large accelerated filer," with at least \$700 million of equity securities held by non-affiliates; (3) the issuance, in any three-year period, by BeiGene of more than \$1.07 billion in non-convertible debt securities; and (4) December 31, 2021.

Shareholders Entitled to Vote; Record Date

Only holders of record of our ordinary shares, par value \$0.0001 per share, at the close of business on April 20, 2017, Cayman Islands time (the "record date") are entitled to notice of, and to attend and to vote at, the Annual Meeting. As of the close of business on the record date, we had outstanding 518,602,349 ordinary shares, all of which are entitled to vote with respect to all matters to be acted upon at the Annual Meeting. On the record date, approximately 256,548,929 ordinary shares were held

Table of Contents

in the name of Citibank, N.A. (the "Depositary") as depositary for the ADS, which issues company-sponsored American Depositary Receipts ("ADRs"), evidencing ADSs that in turn each represent 13 of our ordinary shares. Each shareholder of record is entitled to one vote for each ordinary share held by such shareholder.

Quorum

We are an exempted company incorporated in the Cayman Islands with limited liability, and our affairs are governed by our memorandum and articles of association, the Companies Law (as amended) of the Cayman Islands, which we refer to as the Cayman Companies Law, and the common law of the Cayman Islands.

The quorum required for a general meeting of shareholders at which an ordinary resolution is proposed consists of such shareholders present in person or by proxy who together hold shares carrying the right to at least a simple majority of all votes capable of being exercised on a poll. The quorum required for a general meeting at which a special resolution is proposed consists of such shareholders present in person or by proxy who together hold shares carrying the right to at least two-thirds of all votes capable of being exercised on a poll.

An ordinary resolution to be passed by the shareholders requires the affirmative vote of a simple majority of the votes cast by the shareholders entitled to vote who are present in person or by proxy at a general meeting, while a special resolution requires the affirmative vote of at least two-thirds of the votes cast by the shareholders entitled to vote who are present in person or by proxy at a general meeting (except for certain types of winding up of the company, in which case the required majority to pass a special resolution shall be 100%). A special resolution is required for important matters such as a change of name and amendments to our articles. Our shareholders may effect certain changes by ordinary resolution, including increasing the amount of our authorized share capital, consolidating and dividing all or any of our share capital into shares of larger amounts than our existing shares and cancelling any authorized but unissued shares.

Voting

Persons who hold our ordinary shares directly on the record date ("record holders") (1) must return a proxy card (a) by mail to the offices of the Registrar: Mourant Ozannes Corporate Services (Cayman) Limited, 94 Solaris Avenue, Camana Bay, Grand Cayman KY1-1108, Cayman Islands, or (b) by email at CaymanAdmin@mourantozannes.com or (2) attend the Annual Meeting in person in order to vote on the proposals. Persons who own our ordinary shares indirectly on the record date through a brokerage firm, bank or other financial institution, including persons who own our ordinary shares in the form of ADSs through the Depositary ("beneficial owners") must return a voting instruction form to have their shares or the shares underlying their ADSs, as the case may be, voted on their behalf. Brokerage firms, banks or other financial institutions that do not receive voting instructions from beneficial owners may either vote these shares on behalf of the beneficial owners or return a proxy leaving these shares un-voted (a "broker non-vote").

ADR holders are not entitled to vote directly at the Annual Meeting, but the Deposit Agreement, dated as of February 5, 2016, as amended (the "Deposit Agreement"), exists among the Depositary, the Company and the holders of ADRs pursuant to which registered holders of ADRs as of the record date are entitled to instruct the Depositary how to exercise voting rights pertaining to the ordinary shares so represented. The Depositary has agreed that it will endeavor, insofar as practicable and permitted under applicable law and the provisions of the Deposit Agreement, to vote (in person or by delivery to BeiGene of a proxy) the ordinary shares registered in the name of the Depositary in accordance with the voting instructions received from the ADR holders. If the Depositary does not receive instructions from a holder, such holder shall be deemed, and the Depositary shall (unless

Table of Contents

otherwise specified in the notice distributed to holders of ADRs) deem such holder, to have instructed the Depository to give a discretionary proxy to a person designated by us to vote the ordinary shares represented by such holders' ADSs, provided that no such discretionary proxy shall be given by the Depository with respect to any matter to be voted upon which we inform the Depository that (a) we do not wish such proxy to be given, (b) substantial opposition exists, or (c) the rights of holders of ordinary shares may be materially adversely affected. In the event that the instruction card is executed but does not specify the manner in which the ordinary shares represented are to be voted (i.e., by marking a vote "FOR", "AGAINST" or any other option), the Depository will vote in respect of each proposal as recommended by the Board which is described in the Notice of Annual General Meeting. Instructions from the ADR holders must be sent to the Depository so that the instructions are received by no later than 10:00 a.m. New York time on May 23, 2017.

Abstentions and broker non-votes will be counted for the purpose of determining the presence or absence of a quorum, but will not be counted for the purpose of determining the number of votes cast on a given proposal.

We have retained the Registrar to hold and maintain our register of members. The Registrar will be engaged by us to take delivery of completed proxy forms posted to it in accordance with the details above.

We encourage you to vote by proxy by mailing or emailing an executed proxy card. Voting in advance of the meeting will ensure that your shares will be voted and reduce the likelihood that we will be forced to incur additional expenses soliciting proxies for the Annual Meeting. Any record holder of our ordinary shares may attend the Annual Meeting in person and may revoke the enclosed form of proxy at any time by:

executing and delivering to the Registrar a later-dated proxy by mail or email pursuant to the instructions above; or

voting in person at the Annual Meeting.

Beneficial owners of our ordinary shares and ADSs representing our ordinary shares who wish to change or revoke their voting instructions should contact their brokerage firm, bank or other financial institution or the Depository, as applicable, for information on how to do so. Generally, however, beneficial owners of our ordinary shares and ADSs representing our ordinary shares who wish to change or revoke their voting instructions may do so until 10:00 a.m. New York time on May 23, 2017. Beneficial owners who wish to attend the Annual Meeting and vote in person should contact their brokerage firm, bank or other financial institution holding our ordinary shares on their behalf in order to obtain a "legal proxy" which will allow them to both attend the meeting and vote in person. Without a legal proxy, beneficial owners cannot vote at the Annual Meeting because their brokerage firm, bank or other financial institution may have already voted or returned a broker non-vote on their behalf. Record holders of ADSs who wish to attend the Annual Meeting and vote in person should contact the Depository (and beneficial owners wishing to do the same should contact their brokerage firm, bank or other financial institution holding their ADSs) to cause their ADSs to be cancelled and the underlying shares to be withdrawn in accordance with the terms and conditions of the Deposit Agreement so as to be recognized by us as a record holder of our ordinary shares.

Expenses of Solicitation

We are making this solicitation and will pay the entire cost of preparing and distributing the proxy materials and soliciting votes. If you choose to access the proxy materials over the Internet, you are responsible for any Internet access charges that you may incur. Our officers, directors and employees may, without compensation other than their regular compensation, solicit proxies through further mailings, personal conversations, facsimile transmissions, emails, or otherwise. Proxy solicitation expenses that we will pay include those for preparation, mailing, returning, and tabulating the proxies.

Procedure for Submitting Shareholder Proposals

The Cayman Companies Law provides shareholders with only limited rights to requisition a general meeting and does not provide shareholders with a right to put any proposal before a general meeting. However, these rights may be provided in a company's articles of association. Our articles allow our shareholders holding not less than a simple majority of the voting rights entitled to vote at general meetings to requisition an extraordinary general meeting of our shareholders, in which case our Board of Directors is obliged to convene an extraordinary general meeting and to put the resolutions so requisitioned to a vote at such meeting. However, our shareholders may propose only ordinary resolutions to be put to a vote at such meetings and shall have no right to propose resolutions with respect to the election, appointment or removal of directors. Our articles provide no other right to put any proposals before annual general meetings or extraordinary general meetings. As a Cayman Islands exempted company, we are not obligated by law to call shareholders' annual general meetings. However, our corporate governance guidelines require us to call such meetings every year to the extent required by the stock exchange listing rules.

Shareholders may present proper proposals for inclusion in our proxy statement and for consideration at our next annual general meeting of shareholders by submitting their proposals in writing to us in a timely manner. In order to be considered for inclusion in the proxy statement for the 2018 annual general meeting of shareholders, shareholder proposals must be received at our principal executive offices no later than December 26, 2017, and must otherwise comply with the requirements of Rule 14a-8 of the Exchange Act. Any shareholder proposal for the annual general meeting of shareholders in 2018, which is submitted outside the processes of Rule 14a-8, shall be considered untimely unless received by the Company in writing no later than March 13, 2018. If the date of the annual meeting is moved by more than 30 days from the date contemplated at the time of the previous year's proxy statement, then notice must be received within a reasonable time before we begin to print and send proxy materials. If that happens, we will publicly announce the deadline for submitting a proposal in a press release or in a document filed with the SEC. A copy of all notices of proposals by shareholders should be sent to us at c/o Maurant Ozannes Corporate Services (Cayman) Limited, 94 Solaris Avenue, Camana Bay, Grand Cayman KY1-1108, Cayman Islands.

OVERVIEW OF PROPOSALS

This Proxy Statement contains three proposals requiring shareholder action. Proposals 1 and 2 request the election of two directors to the Board of Directors. Proposal 3 requests the ratification of the appointment of Ernst & Young Hua Ming LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017. Each of the proposals is discussed in more detail in the pages that follow.

**PROPOSALS 1 AND 2
ELECTION OF DIRECTORS**

Our articles provide that persons standing for election as directors at a duly constituted general meeting with requisite quorum shall be elected by an ordinary resolution of our shareholders, which requires the affirmative vote of a simple majority of the votes cast on the resolution by the shareholders entitled to vote who are present in person or by proxy at the meeting. Our articles further provide that our Board of Directors will be divided into three groups designated as Class I, Class II and Class III with as nearly equal a number of directors in each group as possible. Directors assigned to Class I shall initially serve until the first annual general meeting of shareholders following the effectiveness of our articles upon completion of our initial public offering (the "Articles Effectiveness Date"); directors assigned to Class II shall initially serve until the second annual general meeting of shareholders following the Articles Effectiveness Date; and directors assigned to Class III shall initially serve until the third annual general meeting of shareholders following the Articles Effectiveness Date.

Table of Contents

Commencing with the first annual general meeting of shareholders following the Articles Effectiveness Date, each director of each class the term of which shall then expire shall, upon the expiration of his or her term, be eligible for reelection at such annual general meeting to hold office for a three-year term and until such director's successor has been duly elected. Our articles provide that, unless otherwise determined by shareholders in a general meeting, our Board will consist of not less than three directors. We have no provisions relating to retirement of directors upon reaching a specified age.

In the event of a vacancy arising from the resignation of a former director or as an addition to the existing board, our Board of Directors may, by the affirmative vote of a simple majority of the remaining directors present and voting at a board meeting, appoint any person to be a director.

For so long as our shares or ADSs are listed on NASDAQ, our directors are required to comply with the director nomination procedures of the NASDAQ Stock Market Rules, and our Board is required to include at least such number of independent directors the NASDAQ Stock Market Rules requires.

The terms of the Class I directors are scheduled to expire on the date of the 2017 Annual Meeting. Based on the recommendation of the Nominating and Corporate Governance Committee of the Board of Directors, the Board of Directors' nominees for election by the shareholders are current Class I members: Timothy Chen and John V. Oyler. If elected, each nominee will serve as a director until the annual general meeting of shareholders in 2020 and until his successor is duly elected and qualified, subject to his earlier resignation or removal. Ke Tang, who currently is a Class I director, notified us of his decision not to stand for re-election to the Board of Directors when his current term expires at the Annual Meeting. Mr. Tang will continue to serve as a member of the Board of Directors and a member of the Audit Committee until the Annual Meeting.

The names of and certain information about the directors in each of the three groups are set forth below. There are no family relationships among any of our directors or executive officers.

The proxy in the form presented will be voted, unless otherwise indicated, for the election of the Class I director nominees to the Board of Directors. If any of the nominees should for any reason be unable or unwilling to serve at any time prior to the Annual Meeting, the proxies will be voted for the election of a substitute nominee designated by the Board of Directors.

(collectively, the "Hillhouse Entities") (each an "Investor" and collectively, the "Investors"), all of which are existing shareholders of our Company. The Baker Entities are affiliated with two of the Company's directors, Michael Goller and Ranjeev Krishana. The Hillhouse Entities are affiliated with one of the Company's directors, Michael Yi. The registration rights agreement provides that, subject to certain limitations, if at any time and from time to time, the Investors demand that we register the Company's ordinary shares and any other securities of the Company held by the Investors at the time any such demand is made on a registration statement on Form S-3 for resale under the Securities Act, we would be obligated to effect such registration. Our registration obligations under the registration rights agreement will continue in effect for up to four years and include our obligation to facilitate certain underwritten public offerings of our ordinary shares or ADSs by the Investors in the future. The registration rights agreement also requires the Company to pay expenses relating to such registrations and indemnify the Investors against certain liabilities.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

None of the members of our Compensation Committee has at any time during 2016 been an officer or employee of the Company. None of our executive officers currently serves, or in the past fiscal year has served, as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving on our Board of Directors or Compensation Committee.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our officers and directors and persons who beneficially own more than 10% of our ordinary shares (collectively, "Reporting Persons") to file reports of beneficial ownership and changes in beneficial ownership with the SEC. Reporting Persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. CORPORATE GOVERNANCE

Composition of Our Board of Directors

Our Board of Directors currently consists of nine members, all of whom were elected pursuant to the board composition provisions of a voting agreement that terminated upon the closing of our initial public offering. Currently, we are not subject to any contractual obligations regarding the election of our directors. Our Nominating and Governance Committee and Board of Directors may therefore consider a broad range of factors relating to the qualifications and background of nominees, which may include diversity and is not limited to race, gender or national origin. We have no formal policy regarding board diversity. Our Nominating and Governance Committee's and Board of Directors' priority in selecting board members is identification of persons who will further the interests of our Company through his or her established record of professional accomplishment, the ability to contribute positively to the collaborative culture among board members, knowledge of our business, understanding of the competitive landscape and professional and personal experiences and relevant expertise. Our directors hold office until their successors have been elected and qualified or until the earlier of their resignation or removal.

Our amended and restated articles of association provide that our directors may be removed by the affirmative vote of the holders of at least two-thirds of the votes cast at a shareholder meeting and that any vacancy on our board of directors, including a vacancy resulting from an enlargement of our Board of Directors, may be filled only by vote of a majority of our directors then in office.

In accordance with the terms of our amended and restated memorandum and articles of association, our Board of Directors is divided into three classes, Class I, Class II and Class III, with each class serving staggered three-year terms. Upon the expiration of the term of a class of directors, directors in that class will be eligible to be elected for a new three-year term at the annual meeting of shareholders in the year in which their term expires.

Our Class I directors are Timothy Chen, John V. Oyler and Ke Tang;

Our Class II directors are Donald W. Glazer, Michael Goller and Thomas Malley; and

Our Class III directors are Ranjeev Krishana, Xiaodong Wang and Qingqing Yi.

Ke Tang, who currently is a Class I director, notified us of his decision not to stand for re-election to the Board of Directors when his current term expires at the Annual Meeting.

Our amended and restated memorandum and articles of association provide that the authorized number of directors may be changed only by ordinary resolution of the shareholders. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class shall consist of one third of the Board of Directors.

Board and Committee Matters

Our Board of Directors has determined that all members of the Board of Directors, except John V. Oyler and Xiaodong Wang, are independent, as determined in accordance with the rules of the NASDAQ Stock Market. In making such independence determination, our Board of Directors considered the relationships that each such non-employee director has with us and all other facts and circumstances that the Board of Directors deemed relevant in determining their independence, including the beneficial ownership of our share capital by each non-employee director. In considering the independence of the directors listed above, our Board of Directors considered the association of our directors with the holders of more than 5% of our share capital. We expect that the composition and functioning of our Board of Directors and each of our committees will continue to comply with all applicable requirements of the NASDAQ Stock Market and the rules and regulations of the SEC. There are no family relationships among any of our directors or executive officers.

Corporate Governance

We adopted a written code of business conduct and ethics that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. A current copy of the code is posted on the Corporate Governance section of our website, which is located at <http://ir.beigene.com>. If we make any substantive amendments to, or grant any waivers from, the code of business conduct and ethics for any officer, we will disclose the nature of such amendment or waiver on our website or in a current report on Form 8-K.

Board Meetings and Committees

Our Board of Directors held 11 meetings during 2016. The directors regularly hold executive sessions at meetings of the Board of Directors. During 2016, each of the directors then in office attended at least 75% of the aggregate of all meetings of the Board of Directors and all meetings of the committees of the Board of Directors on which such director then served, except Timothy Chen. Now that we are a public company, continuing directors and nominees for election as directors in a given year are encouraged to attend the annual general meeting of shareholders, barring significant commitments or special circumstances. This is our first annual general meeting of shareholders since we became a public company.

During 2016, our Board of Directors had three standing committees: Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee.

Audit Committee

Thomas Malley, Ke Tang and Qingqing Yi currently serve on the Audit Committee, which is chaired by Thomas Malley. that each member of the Nominating and Corporate Governance Committee is "independent" as that term is defined in the rules of the NASDAQ Stock Market. The Nominating and Corporate Governance committee's responsibilities include:

developing and recommending to the Board of Directors criteria for board and committee membership;

establishing procedures for identifying and evaluating board of director candidates, including nominees recommended by shareholders;

The Nominating and Corporate Governance committee held two meetings during 2016. The Nominating and Corporate Governance Committee operates pursuant to a written charter adopted by the Board of Directors, which is available on our website at <http://ir.beigene.com>.

Director Nominations

The Board of Directors will consider and approve from time to time the criteria that it deems necessary or advisable for director candidates. The Board of Directors has full authority to modify such criteria as it deems necessary or advisable. The Board of Directors has delegated to the Nominating and Corporate Governance Committee the responsibility for developing and recommending to the Board of Directors for its consideration and approval criteria for director candidates. The Nominating and Corporate Governance Committee has adopted policies and procedures for director candidates. The Board of Directors may, however, rescind its delegation and assume the responsibilities it previously delegated to the Nominating and Corporate Governance Committee.

The Board of Directors has delegated to the Nominating and Corporate Governance Committee the responsibility to identify candidates for nomination to the Board of Directors (including candidates to fill vacancies) and assessing their qualifications in light of the policies and principles in our Corporate Governance Guidelines and the Committee's charter. The Nominating and Corporate Governance Committee will recommend director candidates for the Board of Directors' consideration and review the candidates' qualifications with the Board of Directors. The Board of Directors retains the authority to nominate a candidate for election by the securityholders as a director and to fill vacancies. In identifying director candidates, the Nominating and Corporate Governance Committee may consider all facts and circumstances it deems appropriate, including, among other things, the skills of the candidate, his or her depth and breadth of business experience and other background characteristics, his or her independence and the needs of the Board of Directors.

Our Nominating and Corporate Governance Committee and Board of Directors may therefore consider a broad range of factors relating to the qualifications and background of nominees, which may include diversity and is not limited to race, gender or national origin. We have no formal policy regarding board diversity. Our Nominating and Corporate Governance Committee's and Board of Directors' priority in selecting board members is identification of persons who will further the interests of our shareholders through his or her established record of professional accomplishment, the ability to contribute positively to the collaborative culture among board members, knowledge of our business, understanding of the competitive landscape and professional and personal experiences and relevant expertise.

Our Chief Executive Officer, John V. Oyler, is the Chairman of the Board of Directors. The Board of Directors believes that Mr. Oyler is the director best suited to identify strategic opportunities and focus of the Board of Directors due to his extensive understanding of our business as a founder. Each of our board committees also oversees the management of our risk that falls within the committee's areas of responsibility. In performing this function, each committee has full access to management, as well as the ability to engage advisors. Our Chief Financial Officer reports to the Audit Committee and is responsible for identifying, evaluating and implementing risk management controls and methodologies to address any identified risks. In connection with its risk management role, our Audit Committee meets privately with representatives from our independent registered public accounting firm and our Chief Financial Officer. EXECUTIVE COMPENSATION

Overview

Our compensation programs are designed to:

attract and retain individuals with superior ability, technical, and managerial experience;

align executive officers' incentives with our corporate strategies, business objectives and the long-term interests of our shareholders; and

increase the incentive to achieve key strategic performance measures by linking incentive award opportunities to the achievement of performance objectives and by providing a portion of total compensation for executive officers in the form of ownership in the Company.

Our Compensation Committee is primarily responsible for developing and implementing our compensation policies and establishing and approving the compensation for all of our executive officers; with respect to the Chief Executive Officer and Chief Financial Officer, the Compensation Committee reviews and makes recommendations to the full Board of Directors for approval. The Compensation Committee oversees our compensation and benefit plans and policies, administers our equity incentive plans, reviews and approves annually all compensation decisions relating to our executive officers, and makes recommendations to the full Board of Directors on compensation for the Chief Executive Officer and Chief Financial Officer. The Compensation Committee considers recommendations from our Chief Executive Officer regarding the compensation of our executive officers other than the Chief Executive Officer and Chief Financial Officer. Our Compensation Committee has the authority under its charter to engage the services of a consulting firm or other outside advisor to assist it in designing our compensation programs and in making compensation decisions.

In 2016, the Compensation Committee retained Willis Towers Watson to assist in an evaluation of our compensation philosophy, validation of our compensation peer group, develop competitive market data to benchmark the compensation for our named executive officers and advise on matters related to our compensation structure and programs generally. The compensation consultant also consults with the Compensation Committee about non-employee director compensation. Based on consideration of the factors set forth in the rules of the SEC and NASDAQ, the Compensation Committee has determined that their relationship with Willis Towers Watson and the work performed by Willis Towers Watson on behalf of the Compensation Committees has not raised any conflict of interest.

Executive Compensation Components

Our executive compensation consists of base salary, performance-based cash compensation, long-term incentive compensation in the form of share options, restricted shares and broad-based benefits programs. The Compensation Committee considers a number of factors in setting compensation for our executive officers, including company performance, as well as the executive's performance, experience, responsibilities and the compensation of executive officers in similar positions at comparable companies.

Base Salary

Base salary is intended to provide compensation for day-to-day performance. The Compensation Committee believes that a competitive base salary is a necessary element of any compensation program that is designed to attract and retain talented and experienced executives. Base salaries for our named executive officers are intended to be competitive with those received by other individuals in similar positions at the companies with which we compete for talent. Base salaries are originally established at the time the executive is hired based on individual experience, skills and expected contributions, our understanding of what executives in similar positions at peer companies were paid, and also

Table of Contents

negotiations during the hiring process. The base salaries of our named executive officers are reviewed annually and may be adjusted to reflect market conditions, the financial position of the Company, and our executives' performance as well as any change in the scope of an officer's responsibilities. As of December 31, 2016, the base salaries of our named executive officers were as described in " Summary Compensation Table 2016" below.

Performance-Based Cash Bonus

Our Compensation Committee has the authority to award annual performance-based cash bonuses to our executive officers and make recommendations to the full Board of Directors for approval of performance-based cash bonuses for the Chief Executive Officer and Chief Financial Officer. Unless otherwise provided by the provisions of his or her employment agreement, the target annual cash bonus opportunities for our named executive officers are expressed as a percentage of base salary and generally established by our Compensation Committee based on competitive market data and recommendations by the Chief Executive Officer (other than in connection with his own compensation). In 2017, the Board of Directors and Compensation Committee approved performance-based cash bonuses for our named executive officers as described in "Summary Compensation Table 2016" below. These payments were awarded in recognition of our named executive officer's performance in achieving corporate, clinical, and operational milestones in 2016.

Equity Incentive Compensation

Equity incentive grants to our named executive officers are made at the discretion of the Compensation Committee under the terms of our equity incentive plans except for equity incentive grants for the Chief Executive Officer and Chief Financial Officer, which are approved by the full Board of Directors. We believe that equity incentives subject to vesting over time or upon achievement of performance objectives can be an effective vehicle for the long-term element of compensation, as these awards align individual and team performance with the achievement of our strategic and financial goals over time and with shareholders' interests. In 2016, the Compensation Committee made share option and restricted share grants to our named executive officers as specified in the "Outstanding Equity Awards at Fiscal Year-End Table 2016" below. All options to purchase shares granted to executives have exercise prices equal to at least the fair market value of our ordinary shares on the date of grant, and therefore reward executive officers only if the share price increases from the date of grant.

Employee Benefits

In addition to the primary elements of compensation described above, the named executive officers also participate in the same broad-based employee benefits programs available to all of our other employees (which may vary based on the location of employment), including health insurance, pension benefits, employee housing fund, welfare benefits, life and disability insurance, dental insurance, and retirement plan. We do not provide special benefits to our named executive officers except as otherwise described in this Proxy Statement.

Dr. Liang currently receives a base salary of \$350,000, which is subject to review and adjustment in accordance with company policy. Dr. Liang is eligible for an annual merit bonus of up to \$105,000, based on performance as determined by our Compensation Committee. Dr. Liang was also granted an option to purchase up to 4,900,000 ordinary shares, which vests over four years. Dr. Liang is eligible to participate in our employee benefit plans generally available to our employees, subject to the terms of those plans. Dr. Liang's employment has no specified term, but can be terminated at will by either party. Dr. Liang's employment may be terminated by us without "cause" (as defined in his employment agreement), and if so he would receive his base salary and health and dental insurance payments during a nine-month severance period and other benefits including acceleration of the vesting schedule of his initial option grant by six months, unless Dr. Liang breaches his confidentiality obligations. Dr. Liang may terminate his employment with "good reason" (as defined in his employment agreement) upon 30 days' written notice received within 60 days of the occurrence of the event. If we do not cure the action identified in Dr. Liang's notice, he is entitled to the same benefits as if we terminated his employment without cause, subject to his execution of a release of claims and unless he breaches his confidentiality obligations. We may also terminate Dr. Liang's employment for cause, in certain cases upon 30 days' written notice, and Dr. Liang may also terminate his employment without good reason upon 90 days' written notice, in either case, in which he would then only be entitled to receive certain accrued obligations.

Dr. Li's employment has no specified term, but can be terminated at will by either party. Dr. Li's employment may be terminated by us without "cause" (as defined in his employment agreement), and if so he would receive his base salary and health and dental insurance payments during a nine-month severance period and other benefits including acceleration of the vesting schedules of his initial option grant and restricted share award by 12 months (or 18 months if such termination occurs within 12 months following a "change in control" (as defined in his employment agreement)), unless Dr. Li breaches his confidentiality obligations. Dr. Li may terminate his employment with "good reason" (as defined in his employment agreement) upon 30 days' written notice received within 60 days of the occurrence of the event. If we do not cure the action identified in Dr. Li's notice, he is entitled to the same benefits as if we terminated his employment without cause, subject to his execution of a release of claims and unless he breaches his confidentiality obligations. We may also terminate Dr. Li's employment for cause, in certain cases upon 30 days' written notice, and Dr. Li may also terminate his employment without good reason upon 90 days' written notice, in either case, in which he would then only be entitled to receive certain accrued obligations.

Compensation Risk Assessment

We believe that although a portion of the compensation provided to our executive officers and other employees is performance-based, our executive compensation program does not encourage excessive or unnecessary risk taking. This is primarily due to the fact that our compensation programs are designed to encourage our executive officers and other employees to remain focused on both short-term and long-term strategic goals, in particular in connection with our pay-for-performance compensation philosophy. As a result, we do not believe that our compensation programs are reasonably likely to have a material adverse effect on us.

Benefit Plans

Our full-time employees in the People's Republic of China ("PRC"), including some of our named executive officers, participate in a government mandated defined contribution plan, pursuant to which pension benefits, medical care, employee housing fund and other welfare benefits are provided to employees. Chinese labor regulations require that our PRC subsidiaries make contributions to the government for these benefits based on percentages of the employees' salaries.

Our U.S. subsidiary maintains a 401(k) retirement plan for all of its full-time employees in the United States, including some of our named executive officers, with an opportunity to save for retirement on a tax-advantaged basis. Pursuant to the 401(k) plan, participants will be able to elect to defer their current compensation by up to the statutorily prescribed annual limit, with additional salary deferral amounts available to participants beginning in the year they become 50 years of age. Our U.S. subsidiary matches 50% of employee contributions, limited to the first 6% of compensation, those employer-matching contributions to vest 50% after one year and be fully vested after the second anniversary of the employment date.

Rule 10b5-1 Plans

Our policy governing transactions in our securities by directors, officers and employees permits our officers, directors and certain other persons to enter into trading plans complying with Rule 10b5-1 under the Exchange Act. Under these trading plans, the individual relinquishes control over the transactions once the trading plan is put into place. Accordingly, sales under these plans may occur at any time, including possibly before, simultaneously with, or immediately after significant events involving our Company.

Table of Contents**DIRECTOR COMPENSATION**

Our Board of Directors has adopted an independent director compensation policy that is part of a total compensation package that is designed to enable us to attract and retain, on a long-term basis, high caliber independent directors. Under the policy, all independent directors are paid cash compensation as set forth below:

	Annual Retainer (\$)
Board of Directors:	
All independent directors	\$ 45,000
Audit Committee:	
Chairperson	20,000
Non-Chairperson members	10,000
Compensation Committee:	
Chairperson	15,000
Non-Chairperson members	7,500
Nominating and Corporate Governance Committee:	
Chairperson	10,000
Non-Chairperson members	5,000

Under our independent director compensation policy, each newly appointed or elected independent director is eligible to receive a one-time grant of a non-qualified option to purchase 260,000 ordinary shares. The date of grant is the date he or she first becomes an independent director. These options become exercisable in three equal annual installments during the three years following the grant date, subject to the director's continued service on the Board of Directors.

In addition, on the date of each annual general meeting of shareholders, each continuing independent director who has served as a director for the previous six months is eligible to receive a non-qualified option to purchase 169,988 ordinary shares. The annual grants become exercisable on the earlier of the one-year anniversary of the date of grant or the date of our next annual general meeting of shareholders, subject to the director's continued service on the Board.

The foregoing options will have an exercise price equal to one thirteenth of the fair market value of an ADS on the NASDAQ Stock Market on the date of grant and be subject to the terms of the 2016 Plan.

We also reimburse all reasonable out-of-pocket expenses incurred by independent directors in attending board and committee meetings.

The following table sets forth a summary of the compensation we paid to our directors during 2016. Other than as set forth in the table, we did not pay any compensation, make any equity awards or non-equity awards to, or pay any other compensation to, any members of our Board of Directors in 2016. Mr. Oyler, our Founder, Chief Executive Officer and Chairman, receives no compensation for his service as a director and, consequently, is not included in this table. Dr. Xiaodong Wang, Chair of our Scientific Advisory Board, also receives no compensation for his service as a director. The
