PROXY STATEMENT ANNUAL MEETING OF SHAREHOLDERS

INTRODUCTION

The enclosed proxy is solicited by and on behalf of the Board of Directors (the "Board") of Profile Technologies, Inc., a Delaware corporation (the "Company"), to be voted at the Annual Meeting of Shareholders (the "Annual Meeting") to be held at R.F. Lafferty & Co., Inc., 80 Broad Street, 26th floor, New York, New York, 10004, at 11:00 a.m. local time on Monday, December 13, 2004, and at any and all adjournments of the Annual Meeting.

The enclosed materials were mailed to the shareholders of the Company ("Shareholders") on or about November 8, 2004.

The Company anticipates that the Shareholders will consider and vote upon the following matters at the Annual Meeting:

1. To elect a Board consisting of four persons to serve a term of one year (until the next Annual Meeting) or until their respective successors are elected and have been qualified.
2. To approve an amendment to the Company's Certificate of Incorporation to increase the number of authorized common shares from 15,000,000 to 25,000,000.
3. To transact such other business as may properly come before the Annual Meeting and any postponement or adjournment of the Annual Meeting.

VOTING OF PROXIES

Shares represented by proxies properly signed and returned, unless subsequently revoked, will be voted at the Annual Meeting in accordance with the instructions marked on the proxy. If a proxy is signed and returned without indicating any voting instructions, the shares represented by the proxy will be voted FOR approval of the proposals stated in this proxy statement, and in the discretion of the holders of the proxies, on other matters that may properly come before the Annual Meeting.

If you have executed and delivered a proxy, you may revoke such proxy at any time before it is voted by attending the Annual Meeting and voting in person, by giving written notice of revocation of the proxy, or by submitting a signed proxy bearing a later date. To revoke the prior proxy, the notice of revocation or later proxy, must be received by the Company's Transfer Agent before the vote of Shareholders at the Annual Meeting. Unless you vote at the meeting or take other action, your attendance at the Annual Meeting will not revoke your proxy.

2

VOTING PROCEDURES

The Company's state of incorporation is Delaware. Under Delaware law and the Company's bylaws, the holders of a majority of the outstanding shares of the common stock of the Company entitled to vote constitute a quorum at any meeting of the shareholders. Votes cast by proxy or in person at the Annual Meeting will be counted by the inspector of elections appointed by the Company. The inspector of elections will treat shares of the Company's common stock represented by

Edgar Filing: PROFILE TECHNOLOGIES INC - Form DEF 14A

proxies that reflect abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Under Delaware law and the Company's bylaws, directors are elected by a plurality of the votes cast by the holders of shares entitled to vote at a meeting at which a quorum is present. Other matters are approved if affirmative votes cast by the holders of the shares entitled to vote at a meeting at which a quorum is present exceed the number of votes opposing the action, unless Delaware law or the Company's Certificate of Incorporation or bylaws require a greater number of affirmative votes or voting by classes. Therefore, abstentions and broker non-votes have no effect and will be disregarded.

All of the officers and directors have informed the Company that they intend to vote in favor of the nominees for directors included in this proxy statement.

VOTING SECURITIES

The Board has fixed the close of business on October 25, 2004 as the record date (the "Record Date") for determining the Shareholders entitled to receive notice of, and to vote at, the Annual Meeting. At the close of business on the Record Date, there were 5,555,705 issued and outstanding shares of the Company's common stock, \$.001 par value, entitled to vote at the Annual Meeting, held by approximately 940 Shareholders. As of the Record Date, the only outstanding voting securities of the Company were shares of the Company's common stock. As a Shareholder of the Company's common stock as of the Record Date, you are entitled to one vote for each share held on each matter properly submitted at the Annual Meeting.

PROPOSAL 1

ELECTION OF DIRECTORS

Four directors are to be elected to hold office until the next annual meeting of Shareholders is held and their successors are elected. All of the nominees are current directors standing for re-election and were previously elected by the Shareholders. If one or more of the nominees is unable to serve, or for good cause will not serve at the time of the Annual Meeting, the shares represented by the proxies solicited by the Board will be voted for the other

3

nominees and for any substitute nominee(s) designated by the Board. As of the date of this proxy statement, the Board has no reason to believe that any of the nominees named will be unable or unwilling to serve. In the election of directors, those nominees receiving the greatest number of votes shall be elected, even if such votes do not constitute a majority. Certain information regarding each nominee follows. Each nominee has consented to being named in the proxy statement and to serve if elected.

THE BOARD RECOMMENDS A VOTE "FOR" THE ELECTION OF EACH OF THE NOMINEES.

The directors nominated for election at the Annual Meeting are as follows:

As of June 30, 2004, the Company owed \$56,000 in deferred directors' fees. On March 18, 2002, the Board approved a conversion right on all directors' fees deferred as of March 18, 2002. Pursuant to this conversion right, directors may elect to convert \$1.00 of directors' fees owed to them as of March 18, 2002 for an option to purchase two shares of the Company's common stock, at an exercise price of \$1.00 per share for a term of five years. PROPOSAL TWO

AMENDMENT TO CERTIFICATE OF INCORPORATION

The Board is proposing an amendment to Paragraph 4 of the Company's Certificate of Incorporation to increase the number of authorized shares of stock of the Company from 15,000,000 shares of common stock to 25,000,000 shares of common stock (the "Amendment") for approval by the Shareholders. A copy of the form of the Amendment is attached to this proxy statement as Appendix A.

The Board believes that the flexibility provided by the increase in the authorized shares of common stock, which will permit the Board, in its discretion, to issue or reserve additional shares of common stock without the delay or expense of a meeting of shareholders, is in the best interests of the Company and the Shareholders. Shares of common stock may be used for general corporate purposes, including possible financing activities. Possible financing activities might include raising additional capital funds through offerings of shares of the common stock. The Board has no current plan, understanding or arrangement to issue any of the additional shares of common stock.

12

The issuance of any additional shares of common stock may have the effect of diluting the percentage of stock ownership, book value and voting rights of the present holders of the common stock. The increase in the authorized common stock of the Company also may have the effect of discouraging attempts to take over control of the Company, as additional shares of common stock could be issued to dilute the stock ownership and voting power of, or increase the cost to, a party seeking to obtain control of the Company. The Amendment is not being proposed in response to any known effort or threat to acquire control of the Company and is not part of a plan by management to adopt a series of amendments to the Company's Certificate of Incorporation and Bylaws having an anti-takeover effect.

The Board adopted the Amendment on September 17, 2004 and is seeking approval by the Shareholders through this proxy solicitation.

THE BOARD RECOMMENDS THE SHAREHOLDERS VOTE "FOR" THE APPROVAL OF THE AMENDMENT.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In September, 1988, at the time Gale D. Burnett, a beneficial shareholder of more than 10% of the Company's common stock, first transferred certain technology, know-how and patent rights to the Company, a royalty interest of 4% of all pre-tax profits derived from the technology and know-how transferred was granted to Northwood Enterprises, Inc., a family-owned company controlled by Mr. Burnett. Northwoods Enterprises subsequently assigned such royalty interest back to Mr. Burnett. On April 8, 1996, Mr. Burnett assigned 2% of this royalty interest to certain shareholders of the Company, 1 1/4% of which was assigned to Henry Gemino, currently the Chief Executive Officer and Chief Financial Officer, and a director of the Company. This royalty arrangement also applies to all future patent rights and technology developed by Mr. Burnett and assigned to the Company. To date, no royalty payments have been made or earned under the above described arrangement.
