PART IV OTHER INFORMATION

ITEM (3)

On May 12, 2005, James Collord, President of Thunder Mountain Gold, Inc. and his wife provided a loan of up to \$250,000 in order to pay the Company's full obligation to Dewey, and for interim operational purposes. A total of \$241,500 was loaned to the Company, and all obligations by the Company to Dewey were satisfied through this loan.

On December 1, 2005, the Company paid the Collord loan principal in full together with 7.5% interest, for a total of \$252,065.

On September 1, 2005, the Registrant sold its property and mining claims to Trust for Public Lands and the United States Forest Service for a total of \$5.5 million in cash and release of future reclamation responsibilities. As part of the transaction, the Company purchased the common stock of Dewey Mining Company (Dewey), the Company's joint venture partner in the Thunder Mountain Mining District. The Company paid \$3.3 million for all Dewey common stock and all associated assets and property. Upon purchase, the Company then dissolved Dewey Mining Company.

From the transaction, the Company received a net of \$2.2 million and a donation credit of \$7.5 million. The donation credit of property was based on a United States Forest Service approved appraisal of \$13 million less the purchase price of \$5.5 million. As part of the Dewey purchase, the Company received 1,883,525 shares of Thunder Mountain Gold, Inc. stock owned by the then two stockholders of Dewey, this representing approximately 19.3% of the then outstanding shares of the Company.
