Item 1.01 Entry into a Material Definitive Agreement

On October 30, 2012, as part of a settlement agreement between Passport Potash Inc. (the Company or Passport Potash) and North America Potash Developments Inc., Potash Green, LLC, Wendy Walker Tibbetts and Joseph J. Hansen (the NAPD Group), the Company entered into an amendment agreement (the Amendment Agreement) to the original option agreement between such parties (the Ringbolt Option Agreement), dated March 28, 2011, relating to the acquisition of a 100% interest in the Ringbolt potash property (the Property) located in the Holbrook Basin of southeast Arizona, which is comprised of 15,994.32 acres of mineral exploration permits on land managed by the Arizona State Land Department. The terms of the Amendment Agreement provide as follows:

1. Passport will pay to the NAPD Group a total of US\$3,850,000 according to the following schedule:
 - (a) US\$150,000 upon execution of the Amendment Agreement;
 - (b) US\$2,450,000 upon TSX Ventures Exchange approval;
 - (c) US\$1,250,000 on or before October 31, 2014;

5. Should Passport Potash, or any subsidiary or affiliate, sell or in any way transfer its interest in the Property, the NAPD Group will receive a bonus payment in accordance with the following schedule:
 - (a) If the aggregate consideration received for the transfer of the interest in the Property is less than US\$30 million, then no bonus payment shall be payable;
 - (b) If the aggregate consideration received for the transfer of the interest in the Property is greater than US\$30 million and less than US\$40 million, then the NAPD Group would receive 20% of the gross consideration in excess of US\$30 million to a maximum of US\$2,000,000;

- (c) If the aggregate consideration received for the transfer of the interest in the Property is greater than US\$40 million and less than \$50 million, then the NAPD Group would receive US\$2,000,000 plus 10% of the gross consideration in excess of US\$40 million to a maximum of US\$1,000,000;
 - (d) If the aggregate consideration received for the transfer of the interest in the Property is greater than US\$50 million, then the NAPD Group would receive US\$3,000,000 plus 20% of the value of gross consideration in excess of US\$50 million.
6. If Passport Potash, or any subsidiary or affiliate, sells or in any way transfers less than a 100% interest in the Property, then the bonus payment provisions immediately above will apply if the deemed gross consideration value calculated by multiplying the aggregate consideration value by the ratio of (100% / the percentage of interest subject to the transfer transaction) is above or within the aggregate consideration value thresholds for the bonus payment provisions immediately above. Any bonus payments shall be ratably reduced by multiplying the bonus payment by the percentage of interest subject to the transfer transaction. The bonus payment provisions immediately above will continue to apply to the remainder of the interest in the Property held by Passport Potash.

The common shares of Passport Potash to be issued to the NAPD Group pursuant to the Amendment Agreement have not been registered under the *Securities Act of 1933*, as amended (the Act), or under the securities laws of any state in the United States, and are intended to be issued in reliance upon an exemption from registration under the Act. The securities may not be offered or sold in the United States absent registration under the Act or an applicable exemption from such registration requirements.
