The Company

We were incorporated under the laws of the State of Delaware on March 31, 2004. On August 13, 2007, we changed our name from Stone Mountain Resources, Inc. to Kandi Technologies, Corp. On December 21, 2012 we changed our name from Kandi Technologies, Corp. to Kandi Technologies Group, Inc. to better communicate our current organizational structure to the investment community, our customers and business partners. Headquartered in the Zhejiang Province, we are one of China's leading producers and manufacturers of electrical vehicles, all-terrain vehicles, go-karts and a variety of other specialty vehicles, including all-terrain vehicles and specialized utility vehicles for the PRC and global markets. In connection with our strategic objective of becoming a world leader in electric vehicles manufacturing and related services, we have increased our focus on fuel efficient vehicles, including the all-electric mini-car, the COCO LSV, with a particular focus on expanding our domestic market share in China.

Our Business

Our primary business is designing, developing, manufacturing and commercializing, electrical vehicles (EVs), all-terrain vehicles (ATVs), go-karts, specialized automobiles and automobile related products for the PRC and global markets.

Our products include EVs, off-road vehicles (which include ATVs, utility vehicles (UTVs), and go-karts), motorcycles, refitted cars and automobile parts. According to our market research on consumer demand trends, we have adjusted our production line strategically and continue to develop and manufacture new products in an effort to meet market demands and better serve our customers.

The following table shows our production by product type and revenues for the years ended December 31, 2013 and 2012.

Our current business is primarily conducted through our wholly-owned subsidiary, Zhejiang Kandi Vehicles Co., Ltd. (Kandi Vehicles), and the partial and wholly-owned subsidiaries of Kandi Vehicles.

In January 2011, pursuant to relevant agreements, Kandi Vehicles is entitled to 100% of the economic benefits, voting rights and residual interests (100% profits and loss absorption rate) of Jinhua Kandi New Energy Vehicles Co., Ltd. (Kandi New Energy).

Jinhua Three Parties New Energy Vehicles Service Co., Ltd. (Jinhua Service) was formed as a joint venture, by and among our wholly-owned subsidiary, Kandi Vehicles, the State Grid Power Corporation and Tianneng Power International. The Company, indirectly through Kandi Vehicles, has a 30% ownership interest in Jinhua Service.

In April 2012, pursuant to a share exchange agreement, the Company acquired 100% of Yongkang Scrou Electric Co. (Yongkang Scrou), a manufacturer of driving motor, air-conditioning and controllers for electric vehicles and auto generators.

In March 2013, pursuant to a joint venture agreement (the JV Agreement) entered into between Kandi Vehicles and Shanghai Maple Guorun Automobile Co., Ltd. (Shanghai Maple), a 99% owned subsidiary of Geely Automobile Holdings Ltd. (Geely), the parties established Zhejiang Kandi Electric Vehicles Co., Ltd. (the JV Company) in connection with developing, manufacturing and selling electrical vehicles (EVs) and related auto parts. Each of Kandi Vehicles and Shanghai Maple has a 50% ownership interest in the JV Company. The strategic purpose of the JV Company is to increase the development and use of neighborhood electric vehicles, which that parties believe address a growing and necessary market, particularly considering their relatively low price and the notorious street congestion and pollution of China's largest cities.

In March 2013, Kandi Vehicles formed Kandi Electric Vehicles (Changxing) Co., Ltd. (Kandi Changxing) in the Changxing (National) Economic and Technological Development Zone. Kandi Changxing specializes in the production of EVs. In fourth quarter of 2013, Kandi Vehicle entered into an ownership transfer agreement with JV Company to transfer 100% ownership to Kandi Changxing to the JV Company. The Company, indirectly, through its wholly-owned subsidiary, Kandi Vehicles, has a 50% ownership interest in Kandi Changxing.

In April 2013, Kandi Electric Vehicles (Wanning) Co., Ltd. (Kandi Wanning) was formed by Kandi Vehicles and Kandi New Energy in Wanning City of Hainan Province. Kandi Vehicles has a 90% ownership in Kandi Wanning, and Kandi New Energy has the remaining 10% interest. However, Kandi Vehicles is, effectively, entitled to 100% of the economic benefits, voting rights and residual interests (100% profits and loss absorption rate) of Kandi Wanning, since it is entitled to 100% of the economic benefits, voting rights and residual interests (100% profits and loss absorption rate) of Kandi New Energy.

In July 2013, Zhejiang ZuoZhongYou Electric Vehicle Service Co., Ltd. (the Service Company) was formed. The JV Company has a 19% ownership interest in the Service Company. The Company, indirectly, through its wholly-owned subsidiary, Kandi Vehicles, has a 9.5% ownership interest in the Service Company.

In November 2013, Zhejiang Kandi Electric Vehicles Jinhua Co., Ltd. (Kandi Jinhua) was formed by the JV Company. The JV Company has 100% ownership interest in Kandi Jinhua, and the Company, indirectly, through its wholly-owned subsidiary, Kandi Vehicles, has a 50% ownership interest in Kandi Jinhua.

In November 2013, Zhejiang JiHeKang Electric Vehicle Sales Co., Ltd. (JiHeKang) was formed by the JV Company. The JV Company has 100% ownership interest in JiHeKang, and the Company, indirectly, through its wholly-owned subsidiary, Kandi Vehicles, has a 50% ownership interest in JiHeKang.

In December 2013, the JV Company entered into an ownership transfer agreement with Shanghai Maple in connection with acquiring 100% ownership of Kandi Electric Vehicles (Shanghai) Co., Ltd. (Kandi Shanghai). Kandi Shanghai is a wholly-owned subsidiary of the JV Company, and the Company, indirectly, through its 50% ownership interest in the JV Company owns 50% of Kandi Shanghai.

In the event that the holders exercise the Warrants on a cashless basis, then we will not receive any proceeds from the exercise of the Warrants. We, however, will not receive any of the proceeds from a later sale of any Common Stock issued upon exercise of the Warrants that may be received by the Warrant Holders.

DESCRIPTION OF FINANCING TRANSACTIONS

December 21, 2010 Financing Transaction

On December 21, 2010, we entered into a Securities Purchase Agreement (the "SPA") with certain institutional investors, pursuant to which we sold, in a registered direct public offering, 3,027,272 shares of our Common Stock at a price per share of \$5.50, and warrants to purchase an aggregate of 1,210,912 shares of our Common Stock for an aggregate purchase price of \$16,649,996 (the "2010 Financing Transaction"), on the terms set forth below. Warrants for 992,731 of the 1,210,912 shares remain unexercised and are held by such institutional investors or their transferees (collectively, the "Investor Warrant Holders") and those 992,731 shares are covered by this prospectus.

The 2010 Financing Transaction was effectuated as a takedown from our Registration Statement on Form S-3 (File No. 333-163222) that was declared effective on December 24, 2009. A 424B5 Prospectus Supplement was filed in connection with the 2010 Financing Transaction on December 21, 2010. The Registration Statement on Form S-3 (File No. 333-163222) expired on December 24, 2012. As of the date of this registration statement, none of the 3,027,272 shares of our Common Stock issued in connection with the 2010 Financing Transaction are currently owned by the Investor Warrant Holders or covered by this prospectus.

In connection with the 2010 Financing Transaction, we paid placement agent commissions to FT Global Capital, Inc., in the amount of \$998,999.76 and reimbursed the placement agent \$83,234.98 for expenses incurred. We agreed to pay FT Global Capital, Inc. a cash fee equal to 7% of the cash proceeds received from a cash exercise of the Investor Warrants.

The 992,731 shares of our Common Stock issuable to the Investor Warrant Holders upon exercise of the Investor Warrants are covered by this prospectus.

July 1, 2013 Financing Transaction

On June 26, 2013, we entered into a Securities Purchase Agreement with certain institutional investors, pursuant to which we sold, in a registered direct public offering, 4,376,036 shares of our Common Stock at a negotiated purchase price of \$6.03 per share, for aggregate gross proceeds to our company of approximately \$26,387,500 (the 2013 Financing Transaction). As part of the 2013 Financing Transaction, the institutional investors received Series A warrants for the purchase of up to 1,750,415 shares of our Common Stock at an exercise price of \$7.24 per share, and an option to make an additional investment in the form of Series B warrants and Series C warrants.

The 2013 Financing Transaction was effectuated as a takedown of our Registration Statement on Form S-3 (File No. 333-188039) that was declared effective on May 23, 2013. A 424B5 Prospectus Supplement was filed in connection with the 2013 Financing Transaction on June 26, 2013.

In connection with the 2013 Financing Transaction, we retained FT Global Capital, Inc. (the Placement Agent Warrant Holder) as our exclusive placement agent. In exchange for placement agent services, we agreed to pay the Placement Agent Warrant Holder upon the closing of the 2013 Financing Transaction (i) a cash fee commission in the amount equal to 6% of the aggregate purchase price of the units offered and sold (\$1,583,250), (ii) a cash fee equal to 6% of the cash proceeds received from a cash exercise of the warrants issued to the intuitional investors in the 2013 Financing Transaction; and (iii) a warrant to purchase up to 262,562 shares of our Common Stock at an exercise price of \$7.24 per share. On July 1, 2013, FT Global Capital, Inc. assigned the Placement Agent Warrant to its President, Chief Executive Officer and sole shareholder, Jian Ke.

The 262,562 shares of our Common Stock issuable to the Placement Agent Warrant Holder upon exercise of the Placement Agent Warrant are covered by this prospectus.

DESCRIPTION OF WARRANTS

The following is a brief description of the terms of the Warrants. This summary does not purport to be complete in all respects. This description is subject to and qualified in its entirety by reference to the Investor Warrants, a form of which have been filed with the SEC, and the Placement Agent Warrant, which is attached hereto, and are also available upon request from us, and the agreements underlying the 2010 Financing Transaction and the 2013 Financing Transaction, which have also been filed with the SEC and are also available upon request from us.

Investor Warrants

The Investor Warrants were exercisable for an aggregate of 992,731 shares of our Common Stock at an initial exercise price of \$6.30 per share. The exercise price is subject to adjustment in the event the Company, at any time after the issuance date of the Investor Warrants issues or sells any shares of Common Stock pursuant to a Dilutive Issuance (as such term is defined in the Investor Warrants), or issues, sells or grants certain options or convertible securities at a price lower than the in effect exercise price. We have determined that the units (shares of Common Stock, Series A warrants, Series B warrants and Series C warrants) issued and sold in connection with the 2013 Financing Transaction qualified as a Dilutive Issuance (as such term is defined in the Investor Warrants), and, therefore, the initial exercise price of the Investor Warrants (\$6.30) was adjusted to \$5.40.

If, at any time, the price of our Common Stock is greater than or equal to \$12.30 for a period of fifteen (15) consecutive trading days, and if certain other conditions relating to trade volume are met, we shall have the right to require holders of the Investor Warrants to exercise the Warrants in full. The Warrants expire on June 30, 2014 and must be exercised prior to such date; thereafter, we will amend the registration statement of which this prospectus is a part to withdraw from registration any shares not issued upon exercise of the Investor Warrants.

The holders of the Investor Warrants may exercise the Investor Warrants at any time by delivering to us a written notice of exercise and payment of an amount equal to the effective exercise price (as of the date of exercise) multiplied by the number of shares of Common Stock as to which the Investor Warrant is being exercised. Upon receipt of the notice of exercise and payment, we will issue and deliver to the holder the number of shares of our Common Stock to which the holder is entitled pursuant to the exercise.

Subject to the exclusions and limitations set forth in the SPA and accompanying Investor Warrants, the exercise price is subject to adjustment in the event we, at any time after the issuance date of the Investor Warrants, pay a stock dividend on, subdivide or combine one or more classes of our then-outstanding shares of Common Stock, issue or sell any shares of Common Stock pursuant to a Dilutive Issuance, or issue, sell or grant certain options or convertible securities at a price lower than the in effect exercise price. As noted above, to date, the Investor Warrants have been subject to one such price adjustment.

The terms of the 2010 Financing Transaction include a beneficial ownership limitation applicable to the exercise of the Investor Warrants, such that no holder may exercise the Investor Warrants if, after such conversion or exercise, the holder would beneficially own individually, or together with its affiliates, more than 4.99% of the then issued and outstanding shares of our Common Stock.

For so long as any of the Investor Warrants remain exercisable and outstanding, we are obligated to use our best efforts to maintain a current and effective registration statement covering the issuance of the maximum number of shares issuable upon exercise of the Investor Warrants.

Placement Agent Warrant

The Placement Agent Warrant is exercisable for an aggregate of 262,562 shares of our Common Stock at an exercise price of \$7.24 per share. The Placement Agent Warrant expires on July 1, 2016 and must be exercised prior to such date.

The exercise price and the number of shares issuable upon exercise of the Placement Agent Warrant are subject to an adjustment upon the occurrence of certain events, including, but not limited to, stock splits or dividends, business combinations, sale of assets, similar recapitalization transactions, or other similar transactions, but is not subject to adjustment pursuant to a "Dilutive Issuance" (as such term is defined in the Investor Warrants) as described above.

Holders of the Placement Agent Warrant may exercise the Placement Agent Warrant to purchase shares of our Common Stock by delivering an exercise notice, appropriately completed and duly signed. Payment of the exercise price for the number of shares for which the warrant is being exercised is required to be delivered within one trading day after exercise of the Placement Agent Warrant.

Upon the holder's exercise of the Placement Agent Warrant, we will issue the shares of Common Stock issuable upon exercise of the Placement Agent Warrant within three trading days of our receipt of notice of exercise.

If, at any time, the price of our Common Stock is greater than or equal to 200% of the initial exercise price (\$7.24 per share) for a period of fifteen (15) consecutive trading days, and if certain other conditions are met relating to trade volume, we shall have on one occasion the right to require the holder of the Placement Agent Warrant to exercise all of the remaining unexercised portion of the Placement Agent Warrant held by such holder.

If, at any time the Placement Agent Warrant is outstanding, we consummate any fundamental transaction, as described in the Placement Agent Warrant and which generally includes, but is not limited to the following: (i) any consolidation or merger into another corporation, (ii) the consummation of a transaction whereby another entity acquires more than 50% of our outstanding voting stock, or (iii) the sale of all or substantially all of our assets, the successor entity must assume in writing all of our obligations to the holder of the Placement Agent Warrant.

The holder of Placement Agent Warrant will not possess any rights as a stockholder under such Warrant until the holder exercises such Warrant.

Rights Under the Warrants

Holders of the Warrants are entitled to participate in any dividend or other distribution of assets, or rights to acquire assets, we make to holders of our Common Stock, and the holders are entitled to participation rights in the event we grant, issue or sell any options, convertible securities or rights to purchase Common Stock, warrants, securities or other property pro rata to the record holders of any class of Common Stock, to the same extent that each holder would have been entitled to participate if such holder had held the number of shares of Common Stock issuable upon a full exercise of the outstanding Warrants immediately before the date on which record is taken for such a distribution.

Holders of the Warrants are entitled to a cashless exercise of the Warrants if, at the time of the exercise of the Warrants, a registration statement is not effective for their issuance and resale.

If, at any time the Warrants are outstanding, we consummate a Fundamental Transaction (as such term is defined in the Warrants), which generally includes any consolidation or merger into another corporation, the consummation of a transaction whereby another entity acquires more than 50% of our outstanding Common Stock, or the sale of all or substantially all of our assets, the successor entity must assume in writing all of our obligations to the holders of the Warrants. In addition, in the event of a Fundamental Transaction, holders of the Warrants shall have the right to require us, or our successor, to repurchase the Warrant for an amount of cash equal to the Black-Scholes value of the remaining unexercised portion of the Warrants.

Other than as provided herein, holders of the Warrants, solely in their capacities as such, are not entitled to vote or receive dividends or be deemed the holder of any share capital of our company, and Holders do not have any rights of a stockholder of our company, including any right to vote, give or withhold consent to any corporate action, receive notice of meetings, receive dividends or subscription rights or otherwise prior to the exercise of the Warrants.

Delaware Anti-Takeover Provisions

We are subject to Section 203 of the Delaware General Corporation Law, which prohibits a publicly-held Delaware corporation from engaging in a business combination, except under certain circumstances, with an interested stockholder for a period of three years following the date such person became an interested stockholder unless:

- before such person became an interested stockholder, the board of directors of the corporation approved either the business combination or the transaction that resulted in the interested stockholder becoming an interested stockholder;
- upon the consummation of the transaction that resulted in the interested stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced, excluding shares held by directors who also are officers of the corporation and shares held by employee stock plans; or
- at or following the time such person became an interested stockholder, the business combination is approved by the board of directors of the corporation authorized at a meeting of stockholders by the affirmative vote of the holders of 66 2/3 % of the outstanding voting stock of the corporation 3 which is not owned by the interested stockholder.

The term interested stockholder generally is defined as a person who, together with affiliates and associates, owns, or, within the three years prior to the determination of interested stockholder status, owned, 15% or more of a corporation's outstanding voting stock. The term business combination includes mergers, asset or stock sales and other similar transactions resulting in a financial benefit to an interested stockholder. Section 203 makes it more difficult for an interested stockholder to effect various business combinations with a corporation for a three-year period. The existence of this provision would be expected to have an anti-takeover effect with respect to transactions not approved in advance by our board of directors, including discouraging attempts that might result in a premium over the market

price for the shares of common stock held by stockholders. Presently, we have not opted out of this provision.

DESCRIPTION OF PREFERRED STOCK

As of May 23, 2014, no shares of preferred stock had been issued or were outstanding.

Our board of directors has the authority to issue up to 10,000,000 shares of preferred stock in one or more series and to determine the rights and preferences of the shares of any such series without stockholder approval. Our board of directors may issue preferred stock in one or more series and has the authority to fix the designation and powers, rights and preferences and the qualifications, limitations, or restrictions with respect to each class or series of such class without further vote or action by the stockholders, unless action is required by applicable law or the rules of any stock exchange on which our securities may be listed. The ability of our board of directors to issue preferred stock without stockholder approval could have the effect of delaying, deferring or preventing a change of control of us or the removal of existing management.

WARRANT HOLDERS

This prospectus covers the 1,255,462 shares of our Common Stock issuable upon exercise of Warrants to purchase our Common Stock issued to the Warrant Holders.

For additional information regarding the issuance of the Warrants, please see Description of Financing Transactions beginning on page 4 of this prospectus.

Except for the financing transactions discussed herein, to our knowledge, none of the Warrant Holders has, or within the past three years has had, any position, office or material relationship with us or any of our predecessors or affiliates.

The Warrants may not be exercised by the respective Warrant Holders, and no shares may be issued pursuant to the Warrants, to the extent that the exercise or issuance would cause a Warrant Holder's and its affiliates' beneficial ownership of our Common Stock, as determined in accordance with Section 13(d) of the Exchange Act, to exceed 4.99% of our then issued and outstanding shares of Common Stock. The 4.99% beneficial ownership limitation does not prevent a holder from selling some of its holdings and then receiving additional shares.

The Common Stock issuable upon exercise of the Warrants are offered solely by us, and no underwriters are participating in this offering. The Warrant Holders may decide to sell all, some, or none of the shares of the Common Stock underlying the Warrants. We currently have no agreements, arrangements or understandings with any of the Warrant Holders regarding the sale of any of the securities covered by this prospectus. We cannot provide you with any estimate of the number of shares of our Common Stock that the Warrant Holders will hold in the future. Please see Plan of Distribution beginning on page 9 of this prospectus.

PLAN OF DISTRIBUTION

The shares issuable upon exercise of the Warrants are offered solely by us, and no underwriters are participating in this offering.

All of the Warrants are outstanding, and no additional Warrants will be issued. We will deliver shares of our Common Stock upon exercise of a Warrant, in whole or in part. We will not issue fractional shares. Each Warrant contains instructions for exercise. In order to exercise a Warrant, a Warrant Holder must deliver to us the information required by the Warrants, along with payment of the exercise price for the shares of Common Stock to be purchased (unless via a cashless exercise). We will then deliver shares of our Common Stock in the manner described above in the section titled Description of Warrants.

We will pay all expenses of the registration of the shares of Common Stock pursuant to the registration rights agreement, including, without limitation, SEC filing fees and expenses of compliance with state securities or blue sky laws; provided, however, a Warrant Holder will pay all underwriting discounts and selling commissions, if any. We will indemnify the Warrant Holders against liabilities, including some liabilities under the Securities Act in accordance with the SPA or the Warrant Holders will be entitled to contribution. We may be indemnified by the Warrant Holders against civil liabilities, including liabilities under the Securities Act that may arise from any written information furnished to us by a Warrant Holder specifically for use in this prospectus, in accordance with the related registration rights agreements or we may be entitled to contribution.

LEGAL MATTERS

The validity of the Common Stock offered in this prospectus will be passed upon for us by Pryor Cashman LLP.

Item 15. Indemnification of Directors and Officers.

Section 145 of the DGCL provides that a corporation may indemnify directors and officers as well as other employees and agents of the corporation against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement, in connection with specified actions, suits or proceedings, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation, as a derivative action), if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful. A similar standard is applicable in the case of actions by or in the right of the corporation, except that indemnification only extends to expenses (including attorneys' fees) actually and reasonably incurred in connection with the defense or settlement of such action, and no indemnification shall be made where the person seeking indemnification has been found liable to the corporation, unless and only to the extent that a court determines is fair and reasonable in view of all circumstances.

Our Certificate of Incorporation provides that no director shall be personally liable to the Corporation or its stockholders for monetary damages for any breach of fiduciary duty by such director as a director. Notwithstanding the foregoing sentence, a director shall be liable to the extent provided by applicable law, (i) for breach of the director's duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the Delaware General Corporation Law or (iv) for any transaction from which the director derived an improper personal benefit.

We may enter into indemnification agreements with each of our directors and officers that are, in some cases, broader than the specific indemnification provisions permitted by Delaware law, and that may provide additional procedural protection. At present, we have not entered into any indemnification agreements with our directors or officers, but may choose to do so in the future. We have purchased Directors & Officers Liability insurance for our directors and officers.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to our charter documents or the DGCL, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final

adjudication of such issue.

II-1

At present, there is no pending litigation or proceeding involving any of our directors, officers or employees in which indemnification is sought, nor are we aware of any threatened litigation that may result in claims for indemnification.

Item 16. Exhibits and Financial Schedule

See the Exhibit Index attached to this registration statement and incorporated herein by reference.

provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act, as amended (the Exchange Act), that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration

statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

II-2

(5) The undersigned registrant hereby undertakes that:

(i) For purposes of determining any liability under the Securities Act, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(ii) For the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

The Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the indemnification provisions described herein, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
