**PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
To Be Held June 6, 2007**

This proxy statement is furnished in connection with the solicitation of proxies on behalf of the Board of Trustees of American Community Properties Trust, a Maryland real estate investment trust (the "Company" or "ACPT"), for the 2007 Annual Meeting of the shareholders of the Company (the "2007 Annual Meeting") to be held at the Holiday Inn, James Craik Room, 45 St. Patrick's Drive, St. Charles, Maryland on Wednesday, June 6, 2007 at 10:00 a.m. EDT. The Notice of the 2007 Annual Meeting, this proxy statement and the accompanying proxy card are first being mailed on or about April 23, 2007 to shareholders of record of the Company's common shares ("Common Shares") as of the close of business on April 6, 2007. You can ensure that your shares are voted at the meeting by signing, dating and promptly returning the enclosed proxy card in the envelope provided. Each share entitles the registered holder to one vote. As of April 6, 2007, there were 5,229,954 Common Shares outstanding and entitled to vote at the 2007 Annual Meeting. Sending in a signed proxy will not affect your right to attend the meeting and vote in person. You may revoke your proxy at any time before it is counted by notifying the Secretary of the Company in writing, or by executing a subsequent proxy, which revokes your previously executed proxy. Additionally, if you attend the meeting, you may vote your shares in person, which will revoke any previously executed proxy.

At the 2007 Annual Meeting, shareholders will have the opportunity to elect two trustees to serve until the Annual Meeting in 2010 and to transact such other business as may properly come before the meeting.

The Company's principal executive offices are located at 222 Smallwood Village Center, St. Charles, Maryland, 20602.

VOTING OF PROXIES

Proxies will be voted as specified by the shareholders. Where specific choices are not indicated, proxies will be voted FOR the election of all nominees for trustee. The presence in person or by proxy of shareholders entitled to cast a majority of all votes entitled to be cast at the 2007 Annual Meeting constitutes a quorum. A properly executed proxy marked to withhold authority with respect to the election of a trustee nominee will not be voted with respect to such nominee, although it will be counted for purposes of determining whether there is a quorum. Accordingly, "withhold authority" votes will have the effect of a vote against the election of the nominee. The election of trustees requires the affirmative vote of a plurality of the votes cast at the 2007 Annual Meeting, which means the nominees who receive the most votes will be elected. Votes submitted by mail must be received on or before June 5, 2007.

ELECTION OF TRUSTEES

At the 2007 Annual Meeting, the shareholders will be voting for two nominees to serve as trustees until the Annual Meeting in 2010. The two nominees for election until the 2010 Annual Meeting are J. Michael Wilson and Thomas J. Shafer. Mr. Wilson has been a trustee since March 1997. Mr. Shafer has been a trustee since August 1998. Information regarding the Board's nominees for trustees is set forth below. Information regarding the other trustees whose terms expire in 2008 and 2009 is also set forth below.

Pursuant to the Company's Bylaws, the Board of Trustees consists of not less than three nor more than nine trustees, with the present number of trustees set at six. The Board of Trustees is divided into three classes serving staggered terms, with each class consisting of one-third of the total number of trustees.

The accompanying proxy, if signed and returned, will be voted for election of the Board's nominees unless contrary instructions are given. If the Board's nominees are unable to serve, which is not anticipated, the persons named as proxies intend to vote, unless the number of trustees is reduced by the Board of Trustees in accordance with the Bylaws, for such other person as the Board of Trustees may designate.

BOARD AND COMMITTEE MATTERS

Requirements of Board Members

Pursuant to the Company's Declaration of Trust not fewer than two of the members of the Board of Trustees must be persons who are not employed by (i) the Company, (ii) any Affiliate of the Company, or (iii) a member of the family of James J. Wilson, the President and Chief Executive Officer of IGC and the father of J. Michael Wilson.

During the fiscal year 2006, the Board of Trustees held four regular meetings and one special meeting. All trustees attended at least 75% of the total meetings of the Board of Trustees and committees of the Board on which they served. In accordance with Company policy, all members of our Board attended last year's annual meeting.

Trustee Independence

The Company has established Trustee independence standards to assist the Board in determining Trustee independence in accordance with the requirements of the American Stock Exchange's ("AMEX") corporate governance listing standards. The Company considers all relevant facts and circumstances in making an independence determination. To be considered "independent" under our independence standards, our Board of Trustees must determine that the trustee has no material relationship with us (other than as a trustee) directly or indirectly, that would interfere with the exercise of independent judgment.

Our Board has affirmatively determined that Messrs. Shafer, Scott, Ginorio and Condit are independent pursuant to our independence standards and have no material relationship with us, directly or indirectly, that would interfere with the exercise of independent judgment. Mr. Shafer has a consulting agreement with the Company, described below under the heading "Compensation Committee Interlocks and Insider Participation" which does not interfere with his independence as a Trustee, but does preclude him from being able to serve as a member of the Audit Committee.

Committees of the Board

The Board of Trustees has established three committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. The charters for the Audit Committee and the Nominating and Corporate Governance Committee may be found on our website at www.acptrust.com. You may also obtain a copy of the Audit Committee and the Nominating and Corporate Governance Committee charters without charge by writing to the Secretary of the Company at the principal executive offices of the Company.

Audit Committee. The Audit Committee consists of three members, each of whom qualifies as an independent trustee under AMEX listing requirements. The responsibilities of the Audit Committee include the appointment and termination of the independent auditors, reviewing the plans for and results of the annual audit engagement with the independent auditors, approval of any other professional services provided by the independent auditors, approval of the fees paid to the independent auditors for audit and non-audit services, and periodically reviewing, with the assistance of the independent auditors, the adequacy of ACPT's internal accounting controls. The members of the Audit Committee for 2006 were Messrs. Ginorio (Chairman), Condit and Scott. The Audit Committee held five meetings during the year ended December 31, 2006.

The Board of Trustees has determined that each member of the Audit Committee is, as required by AMEX rules, able to read and understand fundamental financial statements and that at least one member of the committee, Mr. Ginorio, Chairman of the Audit Committee, is "*financially sophisticated*" under the AMEX rules and is an "*audit committee financial expert*" as defined in Item 407(d)(5) of Regulation S-K.

Compensation Committee. The Compensation Committee consists of four members, each of whom is an independent trustee under the AMEX listing requirements. The Compensation Committee does not currently have a charter. However, as an organized subcommittee to the Board of Trustees, it is responsible for approving the compensation of the executive officers of ACPT, including the CEO and for the administration of the Share Incentive Plan. The members of the Compensation Committee for 2006 were Messrs. Shafer (Chairman), Condit, Ginorio and Scott. The Compensation Committee met three times during 2006.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee consists of four members, each of whom is an independent trustee under the AMEX listing requirements. The Committee assists our Board with: identifying qualified individuals to become members of our Board in the event of any vacancy on the Board, recommending to the Board from time to time the member who should serve as Chairman of the Board, determining the composition of the committees of the Board, recommending to the Board, on an annual basis, trustee nominees for the Board to be presented at the annual shareholders meeting, monitoring a process to assess Board effectiveness and developing and implementing our corporate governance guidelines. The members of the Nominating and Corporate Governance Committee for 2006 were Messrs. Scott (Chairman), Condit, Ginorio, and Shafer. The Nominating and Corporate Governance Committee met twice during 2006.

There are no differences in the way the Nominating and Corporate Governance Committee evaluates nominees suggested by shareholders from those suggested by Board members or management.

Other Fees

We did not engage the independent auditor to provide services other than those identified in the above categories for us in 2006 or 2005.

~~-6-~~

Pre-Approval Policies and Procedures

The Audit Committee adopted a policy that requires approval in advance of all audit, audit-related, tax services, and other services performed by the independent auditor outside of the audit engagement letter. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. The policy states that the Audit Committee must pre-approve the permitted service before the independent auditor is engaged to perform it. The Audit Committee reports that all services rendered in fiscal year 2006 were pre-approved.

Appointment of Principal Independent Auditor for 2008

The Audit Committee of the Board of Trustees has appointed Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal 2007. Ernst & Young LLP has served in this capacity since May 15, 2002. Ernst & Young LLP will audit and report to shareholders on the consolidated financial statements of the Company and its subsidiaries.

Representatives of Ernst & Young LLP will be present at the annual meeting, will have an opportunity to make a statement if they so desire, and are expected to be available to respond to appropriate questions.

AUDIT COMMITTEE REPORT

With respect to the Company's financial reporting process, the management of the Company has the primary responsibility for establishing and maintaining internal controls and preparing the Company's consolidated financial statements. The independent registered public accounting firm, Ernst & Young LLP, is responsible for auditing these financial statements. It is the responsibility of the Audit Committee to oversee these activities. It is not the responsibility of the Audit Committee to prepare or certify the Company's financial statements or guarantee the audits or reports of the independent auditors, nor is it the duty of the Audit Committee to certify that the independent auditor is "independent" under applicable rules. These are the fundamental responsibilities of Company management and the independent auditors. In the performance of its oversight function, the Audit Committee has:

- Reviewed and discussed the audited financial statements with the independent registered public accounting firm and management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements;
- Discussed with the independent registered public accounting firm the matters required to be discussed by the Statement on Auditing Standards No. 61, Communication with Audit Committees, as currently in effect;
- Received the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect, and has discussed with the independent registered public accounting firm their independence;
- Considered whether the provision of non-audit services is compatible with maintaining the independent registered public accountant's independence; and
- Concluded that the independent registered public accounting firm is independent from the Company and its management.

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their respective audits. The Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Trustees (and the board has approved) that the audited financial statements for 2006 be included in the Annual Report on Form 10-K for the year ended December 31, 2006 filed with the Securities and Exchange Commission.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

General Overview

The Compensation Committee of our Board of Trustees (the “Committee”), comprised of members previously identified, is responsible for establishing and implementing, and monitoring adherence with, the Company’s compensation philosophy. This responsibility also includes establishing and approving the compensation and benefit programs of all officers of ACPT, which the Committee believes is fair, reasonable and competitive. Additionally, the Committee seeks to maintain the continuity of our management team, and especially the continuity of our senior executive officers.

The Compensation Committee understands the unique nature of the Company’s diversified operations and relative size in the marketplace. Accordingly, the Compensation Committee considers, but does not rely heavily on comparative compensation data from one specific industry. Rather, the Compensation Committee utilizes comparative compensation data for publicly-held organizations of similar size in both the land development and REIT sectors. A variety of external compensation sources and data is used, which includes compensation information extracted from our identified peer group’s proxy statements. The peer group companies we specifically track include: Acadia Realty Trust; American Campus Communities; Associated Estates Realty Trust; Cedar Shopping Centers Inc.; Consolidated Tomoka Land Co.; Stratus Properties Inc.; and Tejon Ranch Co. These companies were chosen for comparison due to their relative size and/or their principal business.

Compensation Philosophy and Objectives

ACPT’s executive compensation program is designed to attract, retain and motivate highly qualified individuals for senior management positions whose goal is to achieve superior operating performance that is critical to the long term success of the company. This objective can best be obtained by developing both annual and long term goals and relating compensation to the progress made in meeting these goals. The compensation program for ACPT officers consists of a base salary adjusted annually and performance based compensation that includes bonuses and may include share based grants. In addition, with the exception of J. Michael Wilson, the Chief Executive Officer of ACPT, the officers are entitled to participate in the Company’s qualified defined contribution retirement plan. Stock price performance is reviewed for comparison to peer companies, but is not a significant factor in determining annual compensation due to the long range nature of land development and because the price of our common stock is subject to a variety of factors outside management’s control. For this reason, and because our Chief Executive Officer’s family owns a controlling interest in the Company, we do not rely heavily on share based compensation as a significant component of our compensation program.

In implementing this overall compensation philosophy for the Company’s named executive officers, the Committee believes that the Company must offer competitive total compensation to recruit key executive talent when necessary, and to provide meaningful rewards to our named executive officers so that they are encouraged to remain with the Company and work to enhance shareholder value. Specifically, the Committee seeks to provide base salaries in the upper quartile of the prevailing market practices and annual bonuses derived from progress made in achieving the management goals described in more detail below. In addition, the Committee seeks to provide moderate retirement and health and welfare benefits to the named executive officers in the context of their compensation program as the Committee considers these benefits to be important for each employee.

The Committee annually evaluates the Company’s performance, as well as the personal performance of the Chief Executive Officer and the other officers of the Company. After reviewing the compensation policies and the results of our survey of peer companies, the Committee has adopted guidelines for the determination of executive compensation. Comparisons with peer groups include trends in revenues, net income, dividends, share price and earnings per share evaluated on both an annual and five year basis. The Committee believes that it has designed and implemented a compensation structure that provides appropriate awards and incentives for the Company’s executive officers as they

work to sustain and improve the Company's overall performance. Compensation will be determined by assigning a base salary at the beginning of each calendar year and a bonus to be determined after year end based on the performance of each officer. The maximum bonus amount awarded to each executive will not exceed fifty percent of his or her base salary for the calendar year.

Role of Executive Officers in Setting Executive Compensation

The Compensation Committee approves all compensation awarded to ACPT's named executive officers. The President and Chief Executive Officer make recommendations to the Committee regarding all compensation to be awarded to other officers, which are generally accepted by the Committee. These recommendations are based on salary information for comparable positions at other similarly sized, publicly traded companies, as well as individual performance. The Committee deliberates on and establishes the compensation of the President and Chief Executive Officer in executive session of the Committee, without the presence of the President or the Chief Executive Officer.

Elements of Compensation

Base Salary

The purpose of the base salary is to provide fair compensation for the responsibilities of each office and the market value of each position. Base salaries are determined annually by the performance in that position, by comparison with the compensation paid by our peer group companies reflected in their proxy statements and by other recognized business indices for comparable positions in the real estate industry. The Company believes that the retention of key executives stabilizes the Company and is consistent with the long term goals of the Company.

For 2006, the Committee reviewed the relevant market data and considered individual performance of the named executive officers, as well as certain other factors described below, and determined that the base salaries should be adjusted as follows:

Name	Title	2005 Base Salary	2006 Base Salary	% Change
J. Michael Wilson	Chairman & Chief Executive Officer	\$350,000	\$375,000	7.14%
Edwin L. Kelly	President & Chief Operating Officer	\$375,300	\$400,300	6.66%
Carlos R. Rodriguez	Executive Vice President	\$260,300	\$300,300	15.37%
Cynthia L. Hedrick	Executive Vice President and Chief Financial Officer	\$225,300	\$250,300	11.10%
Jorge Garcia Massuet	Vice President	\$190,300	\$200,300	5.25%

The Committee also considers the limited number of officers on staff and the wide range of responsibilities for each of these officers in determining the base salary adjustments. Mr. Wilson and Mr. Kelly received salary increases of 7.14% and 6.66%, respectively. These increases reflect our understanding of economic trends and the compensation of comparative executive positions. The Committee also noted that Mr. Wilson serves as Chairman of the Board of Trustees without additional compensation and does not participate in the Company's retirement plan. The base salary increase of 15.37% for Mr. Rodriguez represented an incentive to retain his services for an additional year as a result of his expressed desire to relocate. Ms. Hedrick's salary was increase by 11.10% due to increased responsibilities and time commitment required to satisfy the new and increasing SEC reporting requirements. The base salary adjustment of 5.25% for Jorge Garcia Massuet maintains his salary within the upper quartile of salaries for comparable positions. The Committee's decisions regarding base salaries do not affect its decisions with regard to any other element of compensation (e.g., annual incentive amount or the amount of the long-term incentive award).

Annual Incentive Compensation

As described above, the Company's compensation philosophy is to have a significant portion of the total compensation based on performance. The Committee has adopted a benchmark of fifty percent of base salary that may be awarded as an annual incentive bonus. Fifty percent was selected as a maximum bonus because the overall goal to enhance shareholder value is necessarily long range due to the process of land development. Annual bonuses are designed to reflect the progress made on these goals and are not considered the primary factor in determining total compensation.

Performance based incentives reflect both business and individual accomplishment. Incentives are tied to not only the Company's operating results, but also to senior management's ability to manage the Company effectively and create long term value for the shareholders. In this regard, assessment of performance should take into account factors, such as the impact of economic and industry trends in the Company's business.

Management proposes annual performance goals which are reviewed by the Compensation Committee and either modified or approved by the Committee. These goals are divided into five major areas as follows:

· Leadership

The goals in this area include the development of long range strategic plans, monitoring or modifying the company structure to maximize the benefit to shareholders, minimizing tax impact to shareholders, and promoting public relations and the company image.

-10-

· Revenues and Earnings

The goals in this area include the development and sale of residential land and buildings, leasing of commercial and residential units, and maximizing net operating income from rental properties.

· Cash Flow Management

The goals in this area include obtaining the best available bank loans where necessary for construction or working capital, refinancing of investment properties to obtain the best available long term rates and to provide cash for capital funding, managing cash flow to provide for acquisitions and return to shareholders.

· Human Resources

The goals in this area include establishing a succession plan for key executives, evaluating employee benefits, hiring new staff where a need has been identified, training and expanding the responsibilities of employees.

· Strategic Initiatives

The goals in this area include the development of new commercial and residential product, acquisition of investment properties and land available for future development, analyzing new opportunities and markets for the company.

While the Compensation Committee considered these performance factors in making individual compensation decisions, the Committee applied its own business judgment in making final determinations. The maximum bonus amount awarded to each executive will not exceed fifty percent of his or her base salary for the calendar year. For the year 2006, the total bonus awarded to the CEO and four other named executive officers represented 21.6% of total base salaries of these named executives, as detailed below on the Summary Compensation Table.

Long-Term Incentive Compensation

The Company has established a Share Incentive Plan, the details of which are discussed below under the heading "Share Incentive Plan." The Share Incentive Plan authorizes the Compensation Committee to determine the exercise price and manner of payment for Options and the base price for Share Appreciation Rights ("SARs"). The Compensation Committee also is authorized to determine the duration and vesting criteria for awards, including whether vesting will be accelerated upon a change in control of ACPT. As noted above, we do not rely heavily on share based compensation in our compensation program. For 2006, the Committee did not issue any equity compensation under the Share Incentive Plan.

Other Compensation

The Committee believes that an appropriate level of retirement and health and welfare benefits should be available to all employees, with no distinction made among any groups of employees other than as required by applicable tax rules. ACPT has established a qualified defined contribution retirement plan (the "Retirement Plan") for eligible employees of the Company. Employees are generally eligible to participate when they complete one year of service. Contributions from the Company to the plan are 5.7% of base salaries and wages not in excess of the U.S. Social Security taxable wage base, and 11.4% of salaries (limited to \$220,000) that exceed that wage base. In addition, the Retirement Plan contains a profit sharing provision allowing ACPT to award annual cash bonuses to the officers and employees in reasonable amounts reflecting their contributions to the Company. The awards are determined by the Compensation Committee. A portion of each bonus is contributed on behalf of the employee to the Retirement Plan. No annual cash bonuses were made under the Retirement Plan in 2006. All of the named executive officers participate in the Retirement Plan except for the Chief Executive Officer.

Other perquisites are provided to certain named executive officers, primarily the payment of country club and other dues on behalf of the officers, use of Company automobiles or car allowance and cellular phones. The Committee believes that the perquisites offered represent market practice and serve to minimize distractions and enable the named executive officers to efficiently and effectively conduct business. The Committee also notes that these perquisites do not represent a significant portion of the named executive officers total compensation.

Change in Control Agreements

None of ACPT's named executive officers have change of control agreements with the Company.

The agreement provides for an initial term expiring June 30, 2007, subject to extension at the Company's option. Mr. Rodriguez has also agreed that, during this period, he will not hire or attempt to hire any person who, during the year prior to the termination of Mr. Rodriguez's employment with the Company, was serving as an employee, director or trustee of the Company or any subsidiary, or otherwise solicit or induce any such person to terminate his or her service with the Company. The non-competition and non-solicitation provisions terminate upon the termination of the employment agreement by Mr. Rodriguez upon a breach by the Company of its obligations thereunder.

SHARE INCENTIVE PLAN

Under the Share Incentive Plan, the Compensation Committee of the Board of Trustees may grant to key employees the following types of Share-based incentive compensation awards ("Awards"): (i) options to purchase a specified number of Common Shares ("Options"), (ii) Common Shares that vest upon the occurrence of certain vesting criteria ("Restricted Shares"), or (iii) SARs that entitle the holder to receive upon exercise an amount payable in cash, Common Shares or other property (or any combination of the foregoing) equal to the difference between the market value of Common Shares and a base price fixed on the date of grant. A total of 208,000 Common Shares have been reserved for issuance under the Share Incentive Plan.

As noted earlier, no equity shares were issued in 2006 to the Named Executive Officers during the same period. However, certain Named Executive Officers hold previously issued SARs pursuant to ACPT's Share Incentive Plan. The following table summarizes these SARs exercised during 2006 and presents the amount of unexercised SARs held by the Named Executive Officers at fiscal year end. The details relating to the SARs remaining outstanding and exercised as of and for the year ended December 31, 2006, are presented below.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE-IN-CONTROL

As noted above, none of ACPT's named executive officers have change of control agreements with the Company. However, the employment agreements noted above include certain termination provisions as follows:

Edwin L. Kelly

Mr. Kelly's employment agreement may be terminated by either party upon 90 days prior written notice and terminates automatically upon the death or disability of Mr. Kelly. If the agreement terminates due to death or disability, the Company will pay Mr. Kelly or his estate the base salary for the six months following such termination, estimated to be approximately \$200,000 as of December 31, 2006.

In addition, the Company may terminate the employment agreement for “cause.” As defined in the employment agreement, “cause” means the executive’s (i) willful, reckless or grossly negligent inattention to his duties or responsibilities to the Company and its subsidiaries, (ii) unethical conduct relating to the performance of his duties and responsibilities, (iii) repeated disregard for the written rules, policies and regulations of the Company, (iv) conviction of a felony or other criminal offense relating to fraud or theft, (v) repeated failure or refusal to perform employment obligations under the agreement or (vi) breach of his obligations, including without limitation the non-compete provision described below, under the employment agreement. In the event of termination for cause, all salary and benefit payments cease immediately.

If the Company terminates the employment agreement other than for cause, or if Mr. Kelly terminates the agreement upon any breach by the Company of its obligations thereunder, the Company will pay the executive’s base salary and benefits for a period of 24 months following such termination, estimated to be approximately \$800,000 as of December 31, 2006.

Carlos R. Rodriguez

Upon expiration of the term of the agreement, as extended, Mr. Rodriguez has agreed to serve as a consultant, performing not more than 250 hours of services in any 12 month period, until December 31, 2010. Following expiration of the term of his employment, Mr. Rodriguez will be paid an annual fee of \$100,000 for the period he serves as a consultant. Total consulting fees for the three year period are estimated to be \$300,000.

Mr. Rodriguez's employment agreement may be terminated by either party upon 90 days prior written notice and terminates automatically upon the death or disability of Mr. Rodriguez. If the agreement terminates due to death or disability, the Company will pay Mr. Rodriguez or his estate the base salary or consulting fees otherwise scheduled to be paid for the six months following such termination, estimated to be approximately \$150,000 as of December 31, 2006.

In addition, the Company may terminate the employment agreement for "cause." As defined in the employment agreement, "cause" means the executive's (i) willful, reckless or grossly negligent inattention to his duties or responsibilities to the Company and its subsidiaries, (ii) unethical conduct relating to the performance of his duties and responsibilities, (iii) repeated disregard for the written rules, policies and regulations of the Company, (iv) conviction of a felony or other criminal offense relating to fraud or theft, (v) repeated failure or refusal to perform employment obligations under the agreement or (vi) breach of his obligations, including without limitation the non-compete provision described below, under the employment agreement. In the event of termination for cause, all salary and benefit payments cease immediately.

If the Company terminates the employment agreement other than for cause, or if Mr. Rodriguez terminates the agreement upon any breach by the Company of its obligations thereunder, the Company will pay the executive's base salary for the remainder of the year of termination plus one additional year; provided that if Mr. Rodriguez terminates the agreement during the consultancy period, the Company will pay all consultant fees for the remainder of the consultancy period. Depending on which provision of the agreement applies, we estimate that the range of potential payment would be between \$300,000 and \$600,000 as of December 31, 2006.

Jorge Garcia Massuet

Mr. Garcia's employment agreement may be terminated by either party for any reason upon 60 days prior written notice to the other. The employment agreement automatically terminates upon the death or disability of Mr. Garcia, in which case the Company shall pay to Mr. Garcia or his estate, a pro-rated portion of the base salary for a period of six months following the termination as well as benefits for that six-month period, estimated to be approximately \$100,000 as of December 31, 2006.

In addition, the Company may terminate the employment agreement immediately for "cause." As defined in the employment agreement, "cause" means the executive's (i) willful, reckless or negligent inattention of the welfare of the Company and its subsidiaries, (ii) unethical conduct, (iii) repeated disregard for the written rules, policies and regulations of the Company, (iv) conviction of a felony or other criminal offense relating to fraud or theft, or (v) repeated failure or refusal to perform employment obligations under this agreement. In the event of termination for cause, all salary and benefit payments cease immediately.

Mr. Garcia may terminate the employment agreement immediately upon any breach by the Company of any of its obligations under the agreement. In the event of a termination by Mr. Garcia or termination of the employment agreement by the Company for any reason other than cause, the Company shall pay to Mr. Garcia his base salary and benefits for a period of 24 months following such termination, estimated to be approximately \$400,000 as of December 31, 2006.

COMPENSATION OF TRUSTEES

The Company pays its Trustees who are not employees of the Company or any of its affiliates fees for services as trustees. Trustees receive fees of \$6,500 per quarter plus \$1,400 per Board meeting and an additional \$500 fee for each telephonic meeting. The Chairman of the Audit Committee receives an additional \$1,400 per meeting. The Trustees are also reimbursed for all reasonable expenses incurred by them in attending Board and committee

meetings.

The following table summarizes Trustee compensation:

Name	Fees Earned			Total (\$)
	Paid in Cash (\$)	Stock Awards \$(A)	All Other Compensation \$(B)	
Thomas J. Shafer	35,500	42,880	60,640	139,020
T. Michael Scott	33,100	41,760	640	75,500
Antonio Ginorio	42,500	41,480	640	84,620
Thomas S. Condit	35,500	42,880	640	79,020

- (A) On August 28, 2006, the Company awarded 8,000 shares to each of its four non-employee Trustees pursuant to the Trustee Share Incentive Plan. The shares vest annually at a rate of 1,600 per year, per Trustee, with the initial tranche of shares vesting immediately at the grant date. In accordance with SFAS 123(R), the company measured total compensation cost at the grant date fair value. The \$42,880 included above for each Trustee represents the SFAS 123(R) expense recognized for financial reporting purposes. In addition, Mssrs. Scott and Ginorio had 8,000 and 10,000, respectively, vested SARs outstanding, which were re-measured for financial reporting purposes and the amount included above reflects the change in fair value recorded during the period as required by SFAS 123(R).
- (B) Each of the four trustees received \$640 related to dividends paid on the restricted share grant noted in (A) above. In addition, Mr. Shafer received \$60,000 related to a consulting agreement with the Company which is discussed further below under the heading "Compensation Committee Interlocks and Insider Participation"

Trustee Share Incentive Plan. The Trustee Share Incentive Plan authorizes the Board of Trustees, in its discretion, to grant to eligible trustees, awards of the same type and terms as the awards available under the Employee Share Incentive Plan discussed in this Proxy Statement under "Executive Compensation". Only trustees who are not employees of ACPT or any affiliated company are eligible to receive awards under the Trustee Share Incentive Plan. An aggregate of 52,000 Common Shares has been reserved for issuance under the Trustee Share Incentive Plan. During 2001, Thomas J. Shafer, T. Michael Scott and Antonio Ginorio were awarded 10,000 SARs each that entitle the holder to receive upon exercise an amount payable in cash, common shares or other property equal to the difference between the market value of common shares and a base price fixed on the date of grant. The base price is \$4.00 per SAR, with the SARs vesting in equal annual installments for five years commencing in 2002. Also under this plan, 1,600 unregistered shares were awarded to each non-employee Trustee in June 2005.

EQUITY COMPENSATION PLAN INFORMATION

As described previously, shares are available for issuance under the Employee Share Incentive Plan and the Trustee Share Incentive Plan. The following information in the table below is as of December 31, 2006:

Plan Category	Equity Compensation Plan Information		
	Number of Securities to be Issued Upon Exercise of Outstanding Options, Warrants and Rights (a)	Weighted-Average Exercise Price of Outstanding Options, Warrants and Rights (b)	Number of securities Remaining Available for Future Issuance Under Equity Compensation Plans (Excluding Securities Reflected in Column (a)) (2) (c)

(1) ACPT maintains an employee share incentive plan and a trustee share incentive plan ("Plans") that have a total of 32,400 outstanding incentive rights that do not bear an exercise price, but rather a base price of \$4 as of December 31, 2006. These rights entitle the holder to receive, upon exercise, an amount payable in cash, shares or other property (or any combination thereof) equal to the difference between the 20 day average market value of the shares, which was \$19.58 as of December 31, 2006, and the base price. Historically, the obligations have been satisfied with cash.

(2) Shares remaining have been reduced, assuming SARs are converted for shares, however, these obligations have historically been satisfied with cash. Shares remaining are also available for issuance of restricted shares as provided for under the Incentive Plans.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Payments to IBC for Services Provided by J. Michael Wilson

J. Michael Wilson, the Chief Executive Officer of ACPT and President of IBC, is on the payroll of IBC. During 2006, ACPT reimbursed IBC \$470,000 for his services provided to ACPT. IBC is owned by the Wilson Group, beneficial owners of 51% of ACPT's outstanding shares.

Lease Agreement

On September 1, 2006, the Company, through one of its Puerto Rican subsidiaries, Escorial Office Building I, Inc. ("Landlord"), executed a lease with Caribe Waste Technologies, Inc. ("CWT"), a Company owned by the J. Michael Wilson Family. The lease provides for 1,842 square feet of office space to be leased by CWT for five years at \$19.00 per rentable square foot. The company provided CWT with an allowance of \$9,000 in tenant improvements which are being amortized over the life of the lease. In addition, CWT shall have the right to terminate this lease at any time after one year, provided it gives Landlord written notice six (6) months prior to termination. The lease agreement is unconditionally guaranteed by IBC, a company owned by the J. Michael Wilson Family.

Property Management Services

During 2006, ACPT provided management services to one multifamily apartment project in which ACPT is not the general partner and IBC or an IBC related entity holds an ownership interest. The management contract provided for fees of 4.5% of collected rents. Total fees earned from this property in 2006 were \$240,863. Effective February 28, 2007, the Company's management agreement with this project was terminated upon the sale of the project to a third party.

Consulting Agreement

American Rental Management Company ("American Management"), a wholly owned subsidiary of ACPT, entered into a consulting and retirement compensation agreement with IGC's founder and Chief Executive Officer, James J. Wilson, effective October 5, 1998 (the "Consulting Agreement"). The Consulting Agreement provides for annual cash payments during the first two years of \$500,000 and annual cash payments for eight years thereafter of \$200,000. However, if Mr. Wilson dies or ACPT is sold during the term of the Consulting Agreement, the agreement provides for a lump sum payment equal to the lesser of \$400,000 or the aggregate of annual payments then payable under the agreement. During the Consulting Agreement term, Mr. Wilson will remain available to provide consulting services requested from time to time by the Board of Trustees, including strategic planning and transaction advisory services. Pursuant to the Consulting Agreement, American Rental Management Company will reimburse the reasonable costs and expenses incurred by Mr. Wilson in providing requested consulting services. At the request of Mr. Wilson, ACPT has been making payments under this Consulting Agreement to IGC. Mr. Wilson is the father of J. Michael Wilson, Chairman and Chief Executive Officer of the Company.

Compensation Committee Interlocks and Insider Participation

None of the members of the Compensation Committee is or has been an officer or employee of the Company. Thomas J. Shafer, Trustee, provides engineering and consulting services to the Company pursuant to a consulting agreement between the Company and Mr. Shafer. During 2006, Mr. Shafer was paid \$5,000 per month for these services. The agreement may be terminated by either party upon thirty days' notice. The Board has determined that Mr. Shafer's provision of services pursuant to his consulting agreement is not a "material" relationship within the meaning of the American Stock Exchange's listing rights. There are no interlocking relationships as defined in the applicable SEC rules.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's trustees, officers, and persons who beneficially own more than ten percent of ACPT's Common Shares to file with the SEC initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of ACPT. Trustees, officers and greater than ten percent shareholders are required by SEC regulation to furnish ACPT with copies of all Section 16(a) forms they file.

Based solely on review of the copies of these reports furnished to the Company during and with respect to the fiscal year ended December 31, 2006 and written representations that no other reports were required, the Company believes that all Section 16(a) filing requirements were complied with during the fiscal year ended December 31, 2006.

Trustee Nominations and Other Proposals to be Addressed at the 2008 Annual Meeting

The Bylaws of the Company provide a formal procedure for bringing business before the annual meeting of shareholders that also applies to matters that shareholders wish to present, but do not wish to be considered for inclusion in the proxy statement and form of proxy. A shareholder proposing to present a matter before the 2008 annual meeting but not have the proposal considered for inclusion in the proxy materials is required to deliver notice thereof in writing to the Secretary of the Company at the principal executive offices of the Company no earlier than March 10, 2008 and no later than April 11, 2008. If the date of the 2008 annual meeting is advanced by more than 30 days or delayed by more than 60 days from the anniversary date of this year's annual meeting of shareholders, for the notice by the shareholder to be considered timely, it must be delivered to the Secretary of the Company on the tenth

day following the day on which public announcement of the date of such meeting is first made. The notice must contain (i) as to each person whom the shareholder proposes to nominate for election or reelection as a trustee, all information relating to such person that is required to be disclosed in solicitations of proxies for election of trustees, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the "Exchange Act") (including such person's written consent to being named in the proxy statement as a nominee and to serving as a trustee if elected); (ii) as to any other business that the shareholder proposes to bring before the meeting, the same type of information required for proposals to be considered for inclusion in the proxy materials under the prior paragraph.

Discretionary Authority

Pursuant to Rule 14a-4 under the Exchange Act, if a shareholder notifies the Company after March 6, 2008 of an intent to present a proposal at the Company's 2008 annual meeting of shareholders (and for any reason the proposal is voted upon at that annual meeting), the Company's proxy holders will have the right to exercise discretionary voting authority with respect to the proposal, if presented at the meeting, without including information regarding the proposal in its proxy materials.

Communicating with the Board of Trustees

Any shareholder who wishes to communicate to the entire Board of Trustees of the Company, or to any individual trustee, whether or not in relation to a shareholder nomination or a shareholder proposal, may send that communication in writing to the Secretary of the Company at the address provided in the paragraph above and it will be forwarded to the appropriate member (s) of the Board. All written shareholder communications to the Board of Trustees will be forwarded to the designated recipients.

Other Matters

The Board of Trustees does not know of any matters other than those described in this proxy statement that will be presented for action at the meeting. If other matters properly come before the meeting, the persons named as proxies intend to vote the shares they represent in accordance with their judgment.

Expenses of Solicitation

The cost of proxy solicitation will be borne by the Company. In an effort to have as large a representation at the meeting as possible, special solicitation of proxies may, in certain instances, be made personally, or by telephone, telegraph, or mail by one or more Company employees. The Company will also reimburse brokers, banks, nominees and other fiduciaries for postage and reasonable clerical expenses of forwarding the proxy materials to their principals, the beneficial owners of the Company's shares. The Company anticipates these fees and expenses will be approximately \$6,500.
