Item 1.01 Entry into a Material Definitive Agreement.

Dynatronics Corporation, a Utah corporation (“Registrant”) filed a Current Report on Form 8-K on May 4, 2015 (the “May 4 Current Report”), to report that it had entered into a Securities Purchase Agreement (the “Purchase Agreement”) on May 1, 2015 with affiliates of Prettybrook Partners, LLC (“Prettybrook”) and certain other purchasers (collectively with Prettybrook, the “Preferred Investors”) for the sale of a total of 1,610,000 shares of the Registrant’s Series A 8% Convertible Preferred Stock (“Series A Preferred Stock”), together with warrants (the “A Warrants”) for the purchase of a total of 1,207,500 shares of Registrant’s common stock at a cash purchase price of \$2.75 per share, and additional warrants (“B Warrants”) for the purchase of 1,207,500 shares of Registrant’s common stock on a cashless exercise valued at \$2.75 per share (the A Warrants and the B Warrants referred to collectively as the “Warrants”). The Series A Preferred Stock is convertible share-for-share into shares of the Registrant’s common stock. The May 4 Current Report contains additional information about the transaction. Closing of the sale of the Series A Preferred Stock and the Warrants was made subject to receipt of shareholder approval by the Registrant.

On June 29, 2015, shareholder approval of the issuance of the Series A Preferred Stock and the Warrants and other terms of the Series A Preferred Stock was obtained by the Registrant at its Annual Meeting of Shareholders, as disclosed in greater detail in Item 5.7 of this Current Report. Closing of the sale and issuance of the Series A Preferred Stock and the Warrants occurred on June 30, 2015, as indicated in the attached Press Release issued by the Registrant on July 1, 2015, furnished with this Current Report as Exhibit 99.1.

Item 3.02 Unregistered Sales of Equity Securities.

On June 30, 2015, Registrant closed the private placement transaction pursuant to the Purchase Agreement. The final forms of the Warrants are filed with this Current Report on Form 8-K as Exhibits 4.1 (A Warrants) and 4.2 (B Warrants). The final form of the Certificate of Designation of the Preferences, Rights and Limitations of the Series A Preferred Stock (“Designation”) as filed by the Registrant with the Utah Division of Corporations and Commercial Code is included with this Current Report as Exhibit 3.1.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

At the Annual Meeting of Shareholders of the Registrant, the shareholders elected five directors to serve until the next annual meeting and until their successors shall be elected and qualified. Details of the election results are as set forth in Item 5.07 of this Current Report.

Also, in connection with the closing of the private placement discussed under Item 3.02 of this Current Report, the holders of the Series A Preferred Stock have the right under the Purchase Agreement and under the Designation to appoint up to three directors to the Registrant’s Board of Directors. Therefore, it is anticipated that up to three additional appointments to the Board of Directors of the Registrant will be made at such time as those nominees are identified and their appointments are ratified by the current directors.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

On June 26, 2015, the Registrant filed in final form Articles of Amendment to its Articles of Incorporation (the “Amendment”) including the Designation, with the Utah Division of Corporations and Commercial Code. A copy of the Amendment containing the Designation is included with this Current Report on Form 8-K as Exhibit 3.1. The Designation contained in and forming a part of the Amendment enumerates and defines the preferences, rights and limitations of the Series A Preferred Stock, which include the following:

Edgar Filing: DYNATRONICS CORP - Form 8-K

- Each share is convertible at the option of the holder into one share of common stock at any time, which is equivalent to an initial conversion price of \$2.50 per share of common stock.
- At the election of any particular holder of Series A Preferred Stock, the Series A Preferred Stock held by such shareholder may be subject to a provision prohibiting the conversion of such Series A Preferred Stock to the extent that, after giving effect to such conversion, the holder (together with the holder's affiliates, and any other persons acting as a group together with the holder or any of the holder's affiliates), would beneficially own in excess of 4.99% of the Registrant's outstanding common stock.
- The Registrant may require the conversion of one-half of the then outstanding Series A Preferred Stock into common stock on a 1:1 basis if all of the following conditions have been met: (1) the common stock has a bid price of at least \$7.50 per share on each of the 40 trading days prior to the date in question; (2) the daily trading volume for the prior 90 trading days exceeds 30,000 shares; and (3) we are listed in good compliance on Nasdaq (or another national exchange) at the time of conversion, and certain other conditions have been met. The Registrant may require conversion of all remaining outstanding Series A Preferred Stock into common stock on a 1:1 basis if all of the following conditions have been met: (1) the common stock has a bid price of at least \$10.00 per share on each of the 40 trading days prior to the date in question; (2) the daily trading volume for the prior 90 trading days exceeds 50,000 shares; and (3) we are listed in good compliance on Nasdaq (or another national exchange) at the time of conversion and certain other conditions have been met.
- The Series A Preferred Stock votes on an as-converted basis, one vote for each share of common stock issuable upon conversion of the Series A Preferred Stock, provided, however, that no holder of Series A Preferred Stock shall be entitled to cast votes for the number of shares of common stock issuable upon conversion of such Series A Preferred Stock held by such holder that exceeds the quotient of (x) the aggregate purchase price paid by such holder of Series A Preferred Stock for its Series A Preferred, divided by (y) the greater of (i) \$2.50 and (ii) the market price of the Common Stock (the "Voting Cutback").
- Under the Purchase Agreement and during the period defined therein as the "Director Rights Period": (i) the Registrant's Board of Directors may be increased from five members to up to seven members, and (ii) the holders of the Series A Preferred Stock shall have the right to appoint up to three members of the board of directors (the "Preferred Directors"). The Preferred Directors are to be elected solely by the holders of the Series A Preferred Stock and serve their terms subject to removal or replacement by the holders of the Series A Preferred Stock at any time during the Directors Rights Period and subject to the terms and conditions of the Designation.
- Upon the occurrence of certain triggering events defined in the Designation, the holders of the Series A Preferred Stock may require that the Registrant redeem, for cash or for stock as the case may be, all or part of the outstanding shares of Series A Preferred Stock.

The above summary of the preferences, rights and limitations of the Series A Preferred Stock is qualified in its entirety by the text of the Designation. See Exhibit 3.1 to this Current Report.
