Item 5. Other Events and Regulation FD Disclosure.

Magellan Heath Services, Inc. (the Company) is providing supplemental information with respect to its membership data. In certain limited cases, the Company's customer contracts that would otherwise meet the definition of one segment are managed and reported internally in another segment, in which cases the membership and financial results of such contracts are reflected in the segment in which it reports internally. In fiscal 2003, the internal reporting of certain of these contracts was transferred between segments. Accordingly, the Company reclassified the membership and financial results of such contracts into the corresponding segments consistent with its internal reporting. The Company previously reported in its Current Report on Form 8-K dated April 9, 2004 the reclassified segment financial results for each of the 2003 quarterly periods as a result of the reclassification of these contracts.

Attached and incorporated herein by reference as Exhibit 99.1 is the reclassified membership data (in thousands) as of December 31, 2002 and as of the end of each quarter of 2003 to affect for the transfer of contracts in the internal reporting consistent with the reclassified segment financial information for the three months ended December 31, 2002 and the year ended December 31, 2003 as reported in the Company's 10-K filed on March 30, 2004, and for the quarterly periods of 2003 as reported in the Company's Current Report on Form 8-K dated April 9, 2004. As previously reported, the manner in which the Company reports membership under the new contract with Aetna, Inc. (Aetna) entered into in March 2003 is different than the manner which Aetna membership was counted under the previous contract. For purposes of comparability, the total membership served by the Company as of December 31, 2002 and March 31, 2003 has been adjusted on a pro forma basis to conform to the new manner of counting of Aetna membership, consistent with the Company's internal reporting since June 2003.
