PROXY STATEMENT

SOLICITATION AND REVOCABILITY OF PROXIES

The Board of Directors of the Company (the Board of Directors) requests your proxy for use at the Special Meeting of Stockholders to be held on August [], 2006, at **1:00 p.m.**, local time, at **2001 Ross Avenue, Suite 3400, Dallas, Texas 75201**, and at any adjournments or postponements thereof. By signing and returning the enclosed Proxy, or granting your proxy by telephone or over the internet, you authorize the persons named on the Proxy to represent you and to vote your shares at the Special Meeting. This Proxy Statement and the form of Proxy were first mailed to stockholders of the Company on or about July [], 2006.

This solicitation of proxies is made by the Board of Directors of the Company and will be conducted primarily by mail. Officers, directors and employees of the Company may solicit proxies personally or by telephone, electronic mail, telegram or other forms of wire or facsimile communication. The Company may also request banking institutions, brokerage firms, custodians, nominees and fiduciaries to forward solicitation material to the beneficial owners of Common Stock that those persons hold of record. The costs of the solicitation, including reimbursement of such forwarding expenses, will be paid by the Company.

If you attend the Special Meeting, you may vote in person. If you are not present at the Special Meeting, your shares can be voted only if you have returned a properly signed Proxy, are represented by another proxy, or have granted your proxy by telephone or over the internet. You may revoke your proxy, whether granted by telephone, over the internet or by returning the enclosed Proxy, at any time before it is exercised at the Special Meeting by (a) signing and submitting to the Secretary of the Company a later-dated proxy, (b) delivering to the Secretary of the Company written notice of revocation of the proxy, or (c) voting in person at the Special Meeting. In addition, if you granted your proxy by telephone or over the internet, you may revoke such grant by resubmitting your proxy by telephone or over the internet at any time prior to 6:00 a.m., Eastern daylight time, on August [], 2006. In the absence of any such revocation, shares represented by the persons named on the Proxies will be voted at the Special Meeting.

VOTING AND QUORUM

The only outstanding voting securities of the Company are shares of common stock, par value \$0.01 per share (the Common Stock). As of the close of business on the Record Date, there were [] shares of Common Stock outstanding and entitled to be voted at the Special Meeting.

Each outstanding share of Common Stock is entitled to one vote. The presence, in person or by proxy, of a majority of the shares of Common Stock issued and outstanding and entitled to vote as of the Record Date shall constitute a quorum at the Special Meeting. The chairman of the meeting or the holders of a majority of the Common Stock entitled to vote who are present or represented by proxy at the Special Meeting have the power to adjourn the Special Meeting from time to time without notice, other than an announcement at the Special Meeting of the time and place of the holding of the adjourned meeting, until a quorum is present. At any such adjourned meeting at which a quorum is present, any business may be transacted that may have been transacted at the Special Meeting had a quorum originally been present; provided, that if the adjournment is for more than 30 days or if after the adjournment a new record date is fixed for the adjourned

meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the adjourned meeting. Proxies solicited by this Proxy Statement may be used to vote in favor of any motion to adjourn the Special Meeting. The persons named on the Proxies intend to vote in favor of any motion to adjourn the Special Meeting to a subsequent day if, prior to the Special Meeting, such persons have not received sufficient proxies to approve the proposal described in this Proxy Statement. If such a motion is approved but sufficient proxies are not received by the time set for the resumption of the Special Meeting, this process will be repeated until sufficient proxies to vote in favor of the proposal described in this Proxy Statement have been received or it appears to the persons named on the Proxies that sufficient proxies will not be received. Abstentions and broker non-votes will count in determining if a quorum is present at the Special Meeting. A broker non-vote occurs if a broker or other nominee attending the meeting in person or submitting a proxy does not have discretionary authority to vote on a particular item and has not received voting instructions with respect to that item from a beneficial owner for which it holds shares in street name.

**RATIFICATION OF CERTAIN PERFORMANCE-BASED
COMPENSATION PROVISIONS OF THE TRAMMELL CROW COMPANY
LONG-TERM INCENTIVE PLAN**

The Company is proposing that stockholders ratify and approve Section 4A of the Trammell Crow Company Long-Term Incentive Plan (the Plan). If the stockholders vote to ratify and approve Section 4A, certain awards intended to qualify as performance-based compensation within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), will be fully deductible by the Company. Under Section 162(m) of the Code, the federal income tax deductibility of compensation paid to the Company's Chief Executive Officer and its four other most highly compensated executive officers (the Covered Employees) may be limited to the extent that the compensation **to any such individual** exceeds \$1 million in any one year. However, the Company may deduct compensation in excess of that amount if it qualifies as performance-based compensation, as defined in Section 162(m) of the Code.

A summary description of the Plan is set forth below. You are being asked to ratify and approve the portion of the Plan described under Performance Awards in this summary. The full text of the Plan is set forth in Appendix A to this Supplement.

The Company is not proposing to increase the number of shares that may be issued under the Plan or make any other changes or amendments to the Plan at the Special Meeting. Stockholders are merely being asked to ratify and approve an existing portion of the Plan to preserve the deductibility of certain performance based Awards issued under the Plan.

If the stockholders do not vote to ratify and approve Section 4A of the Plan, (1) the Plan will remain in effect, (2) the Company may still grant stock options and stock appreciation rights to the Covered Employees if they have an exercise price equal to or greater than the fair market value of the Common Stock and these awards will continue to qualify for federal income tax deduction under Section 162(m) of the Code, and (3) in addition to stock options and stock appreciation rights as described in item (2) immediately preceding, the Company may continue to grant any other awards under the Plan to Covered Employees only to the extent that the income produced by the award, when aggregated with other compensation, is not expected to produce more than \$1 million of compensation for a Covered Employee in a calendar year that does not qualify as performance-based compensation under Section 162(m) of the Code.

Required Vote and Recommendation

The affirmative vote of a majority of the votes cast at the Special Meeting will be required to approve the Plan, provided that the total votes cast on the proposal represent over 50% in interest of all shares of our stock entitled to vote on the proposal.

The Board of Directors recommends that the stockholders vote FOR the ratification and approval of the provisions of Section 4A of the Trammell Crow Company Long-Term Incentive Plan as described above.

New Plan Benefits

The future awards that will be made to eligible participants under the Plan are subject to the discretion of the Compensation Committee of the Board of Directors and, therefore, cannot be determined with certainty at this time.

SUMMARY DESCRIPTION OF TRAMMELL CROW COMPANY LONG-TERM INCENTIVE PLAN

General

The Plan is named the Trammell Crow Company Long-Term Incentive Plan. The purpose of the Plan is to provide an incentive for employees, directors and certain consultants and advisors of the Company or its subsidiaries to remain in the service of the Company or its subsidiaries, to extend to them the opportunity to acquire a proprietary interest in the Company so that they will apply their best efforts for the benefit of the Company and to aid the Company in attracting able persons to enter the service of the Company or its subsidiaries. To accomplish this purpose, the Plan offers an ownership interest in the Company through the distribution of awards (Awards) including (i) incentive stock options qualified as such under U.S. federal income tax laws (Incentive Options), (ii) stock options that do not qualify as incentive stock options (Nonstatutory Options), (iii) stock appreciation rights (SARs), (iv) restricted stock awards (Restricted Stock Awards), and (v) performance units (Performance Units). See Types of Awards.

No awards may be made under the Plan after the date that is ten years from the date of stockholder approval of the last amendment to the Plan which involved an increase in authorized shares of Common Stock subject to the Plan.

The Plan, in part, is intended to qualify under the provisions of Section 422 of the Internal Revenue Code of 1986, as amended (the Code). The Plan is not subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Administration of the Plan

The Board of Directors has appointed the Compensation Committee (the Committee) to administer the Plan. The Committee has broad discretion to administer the Plan, interpret its provisions, and adopt policies for implementing the Plan. This discretion includes the ability to select the recipient of an Award, determine the type and amount of each Award, establish the terms of each Award, accelerate vesting or exercisability of an Award, extend the exercise period for an Award, determine whether performance conditions have been satisfied, waive conditions and provisions of an Award, permit the transfer of an Award to family trusts and other persons and otherwise modify or amend any Award under the Plan.

Persons Who May Participate in the Plan

Any person (a Participant) may participate in the Plan if they are (i) an employee of the Company or any of its subsidiaries, including officers and directors of the Company who are also employees of the Company or of any of its subsidiaries, (ii) a non-employee director of the Company, or (iii) any other person that the Committee designates as eligible for an Award (other than Incentive Options) because the person performs bona fide consulting or advisory services for the Company or any of its subsidiaries (other than services in connection with the offer and sale of securities in a capital-raising transaction).

A Participant under the Plan will be eligible to receive Nonstatutory Options, SARs, Restricted Stock Awards and Performance Units. A Participant may also be eligible to receive an Incentive Option if the Participant (i) is an employee of the Company or one of its corporate subsidiaries and (ii) immediately before the time the Incentive Option is granted, the Participant does not own stock possessing more than ten percent of the total combined voting power or value of all classes of stock of the Company or a subsidiary unless, at the time the Incentive Option is granted, the exercise price of the Incentive Option is at least 110% of the fair market value of the Common Stock underlying the Incentive Option and the Incentive Option is not, by its terms, exercisable after the fifth anniversary of the date of grant.

Types of Awards

Shares Subject to the Plan. The maximum aggregate number of shares of Common Stock in respect of which awards may be granted for all purposes under the Plan is 8,634,878. Through May 31, 2006, the Company had issued 2,591,742 shares of restricted stock (net of forfeitures) under the Plan, 960,312 of which had become unrestricted, and 1,631,430 of which were still restricted. As of May 31, 2006, there were outstanding options to acquire an aggregate of 3,426,790 shares of Common Stock under the Plan. The exercise prices for such stock options range from \$9.74 to \$36.00. As of May 31, 2006, the Company had outstanding performance units representing the right to receive, at the election of the grantee, an aggregate of up to 35,608 shares of Common Stock or cash in an amount equal to the fair market value of such shares of Common Stock on the distribution date or dates. At May 31, 2006, the Company had previously issued 1,810,938 shares of Common Stock upon the exercise of non-qualified stock options under the Plan and had issued 9,501 shares of Common Stock upon the exercise of performance units under the Plan. Accounting for such previous exercises and the outstanding awards described in this paragraph, at May 31, 2006, the maximum number of shares that may be subject to future awards under the Plan is 760,299. If any currently outstanding awards are forfeited in the future, the shares underlying such forfeited awards will become eligible for reissuance under the Plan.

If Common Stock subject to any Award is not issued or transferred, or ceases to be issuable or transferable for any reason, including (but not exclusively) because an Award is forfeited, terminated, expires unexercised, is settled in cash in lieu of Common Stock or is exchanged for other Awards, the shares of Common Stock that were subject to that Award will again be available for issue, transfer or exercise pursuant to Awards under the Plan to the extent of such forfeiture, termination, expiration, settlement or exchange. The Common Stock issued under the Plan may be shares originally issued by the Company, shares held by the Company in treasury, shares which have been reacquired by the Company or shares which have been bought on the market for the purposes of the Plan. There are no fees, commissions or other charges applicable to the receipt of Common Stock under the Plan.

Stock Options. The Company may grant to Participants (i) Incentive Options (only to eligible Participants) and (ii) Nonstatutory Options. The Committee determines the exercise price of each option granted under the Plan. The exercise price for an Incentive Option must not be less than the fair market value of the Common Stock on the date of grant, and the exercise price of Nonstatutory Options must not be less than 85% of the fair market value of the Common Stock on the date of grant. Stock options may

be exercised as the Committee determines, but not later than ten years from the date of grant in the case of Incentive Options except as provided above with respect to a Participant that owns stock possessing more than ten percent of the total combined voting power or value of all classes of stock of the Company or a subsidiary. At the discretion of the Committee, holders may use shares of Common Stock to pay the exercise price, including shares issuable upon exercise of the option. All options issued under the Plan on or prior to the Record Date have an exercise price equal to the fair market value of Common Stock as of the date of grant for such options.

SARs. An SAR may be awarded in connection with or separate from a stock option. An SAR is the right to receive an amount in cash or stock equal to the excess of the fair market value of a share of the Common Stock on the date of exercise over the exercise price specified in the agreement governing the SAR (for SARs not granted in connection with a stock option) or the exercise price of the related stock option (for SARs granted in connection with a stock option). An SAR granted in connection with a stock option will entitle the holder, upon exercise, to surrender the related stock option or portion thereof relating to the number of shares for which the SAR is exercised. The surrendered stock option or portion will then cease to be exercisable. Such an SAR is exercisable only to the extent that the related stock option is exercisable. An SAR granted independently of a stock option will be exercisable as the Committee determines. The Committee may limit the amount payable upon exercise of any SAR. SARs may be paid in cash, stock or a combination of cash and stock, as the Committee provides in the agreement governing the SAR.

Restricted Stock. A Restricted Stock Award is a grant of shares of Common Stock that are nontransferable and subject to risk of forfeiture until specific conditions are met. The restrictions will lapse in accordance with a schedule or other conditions as the Committee determines. During the restriction period, the holder of a Restricted Stock Award may, in the Committee's discretion, have certain rights as a stockholder, including the right to vote the stock subject to the award or receive dividends on that stock. Restricted stock may also be issued upon exercise or settlement of options, SARs or Performance Units.

Performance Units. Performance Units are performance-based awards payable in cash, stock or a combination of both. The basis for payment of Performance Units for a given performance period is the achievement of performance objectives determined by the Committee at the beginning of the performance period. At or before the beginning of each performance period, the Committee will establish the contingent value of each Performance Unit, for that performance period, which may vary depending on the degree to which performance objectives are met. Performance objectives may be based on any performance measure or combination of measures as selected by the Committee. A performance period is any period, as selected by the Committee, of up to ten fiscal years of the Company.

Performance Awards. The Company may grant awards subject to performance goals that consist of one or more business criteria and a targeted level or levels of performance with respect to such criteria. Performance awards to Covered Employees are intended to constitute performance-based compensation within the meaning of Section 162(m) of the Code and to comply with the exemption from the deduction prohibitions of Section 162(m) of the Code. During any calendar year in which the Plan is in effect, (i) the Company may not grant performance awards in the form of stock options, stock appreciation rights or restricted stock relating to more than 500,000 shares of Common Stock to any one participant in the Plan, subject to certain customary adjustments, and (ii) the maximum compensation that may be earned under the Plan from performance awards granted as performance units by any one participant is \$5,000,000.

The business criteria that the Company will use in establishing performance goals for awards intended to comply with the exemption from the deduction prohibitions of Section 162(m) of the Code will include one or more of the following: (1) earnings per share; (2) revenue targets; (3) cash flow targets; (4) cash flow return targets; (5) return on net assets, return on assets, return on investment, return on capital, or return on equity; (6) an economic value added formula; (7) operating margin or contribution

margin; (8) net income, pretax earnings, pretax earnings before interest, depreciation and amortization; pretax operating earnings after interest expense and before incentives, service fees, and extraordinary or special items; operating income; pretax earnings before interest depreciation and/or amortization; (9) total shareholder return; (10) debt reduction; and (11) any of the above goals determined on an absolute or relative basis or as compared to the performance of a published or special index deemed applicable by the Company's Compensation Committee including, but not limited to, the Standard & Poor's 500 Stock Index or a group of competitor companies, including the group selected by the Company for purposes of the stock performance graph contained in the proxy statement for the Company's annual meetings of stockholders.

Other Provisions

Tax Withholding. At the Committee's discretion and subject to conditions that the Committee may impose, a participant's tax withholding with respect to an award may be satisfied by the withholding of shares of Common Stock issuable pursuant to the award or the delivery of previously owned shares of Common Stock in either case based on the fair market value of the shares.

Merger, Recapitalization or Change of Control. If any change is made to the Company's capitalization, such as a stock split, stock combination, stock dividend, exchange of shares or other recapitalization, merger or otherwise, which results in an increase or decrease in the number of outstanding shares of Common Stock, appropriate adjustments will be made by the Committee in the shares subject to an Award under the Plan. In general, upon a change in control of the Company, if approved by the Compensation Committee of the Board of Directors, (a) all outstanding stock options and stock appreciation rights will immediately vest and become exercisable by the holder, (b) the restriction period on all awards of restricted stock will immediately be accelerated and the restrictions will expire, (c) the target payout opportunity attainable under all performance units will be deemed to be fully earned for all performance periods and the holder will be paid (in cash within 30 days after the change in control for cash-based performance units and in stock upon the change in control for stock-based performance units) a pro rata portion of all associated targeted payout opportunities based on the number of complete and partial calendar months elapsed as of the date of the change in control. In the event that a change in control involves a merger or consolidation in which the Company is not the surviving entity or in which all of the outstanding shares of capital stock of the Company are exchanged for shares of capital stock in another entity, or in the event a change in control involves a sale of substantially all of the assets of the Company, and in connection with the change in control securities, cash or property are issuable or deliverable in exchange for capital stock of the Company, then the holders of awards granted under the Plan will be entitled to receive (in a form appropriate for each particular form of award) the amount of securities, cash or property to which they would be entitled as if their particular award were in the form of capital stock of the Company. In addition, under employment agreements with Robert E. Sulentic, William F. Concannon, James R. Groch, Derek R. McClain, John A. Stirek, T. Christopher Roth, Michael J. Lafitte, Matthew S. Khourie and Diane Paddison, the Company has agreed that all awards held by these executive officers will automatically vest in full upon the occurrence of a change in control. The Committee has discretion to determine whether an Award under the Plan will have change-of-control features. The Committee also has discretion to vary the change-of-control features as it deems appropriate.

Amendment. Without stockholder approval, the Board of Directors may at any time and from time to time with respect to any shares which, at the time, are not subject to Awards suspend, discontinue, revise, or amend the Plan in any respect whatsoever, and may amend any provision of the Plan or any Award Agreement to make the Plan or the Award Agreement, or both, comply with Section 16(b) of the Exchange Act of 1934 (the Exchange Act) and the exemptions therefrom, the Code, ERISA, or any other law, rule or regulation that may affect the Plan. The Board of Directors may also amend, modify, suspend or terminate the Plan for the purpose of meeting or addressing any changes in other legal requirements applicable to the Company or the Plan or for any other purpose permitted by law. Subject to certain limitations, the Plan may not be amended without stockholder approval to increase materially the aggregate number of shares of Common Stock that may be issued under the Plan.

Director Compensation

The Company's employee directors do not receive compensation solely in their capacity as directors of the Company. The Company's non employee directors are paid an annual cash retainer of \$30,000 for their service on the Board of Directors and \$5,000 per year for service as Lead Director or as the Chairman of a committee of the Board of Directors. Each non employee director also receives \$1,500 for every meeting of the Board of Directors (or committee on which such director serves) attended by such director, and \$250 for each time the Board of Directors (or committee on which such director serves) takes action by written consent. In addition, each incumbent non employee director receives annual equity grants under the Plan equal in value to 150% of the annual cash retainer for non employee directors. All of such awards are fully vested at the time of grant. Each new non employee director receives, at the time they are put on the Board, a one time equity grant equal in value to the annual cash retainer for non-employee directors, subject to whatever vesting requirements, if any, that the Board may determine. In addition, all directors are reimbursed for out of pocket expenses incurred in connection with their attendance at meetings of the Board of Directors and committees thereof. Mr. Williams also participates in the Company's healthcare benefit plan and pays the same amount as the Company's active employees for participation in the plan.

Assumed Option Plan

In connection with the formation of the Company in 1997 as the successor to Trammell Crow Company, a Texas close corporation (the Predecessor Company), the Company agreed to assume the Trammell Crow Company 1997 Stock Option Plan (the Assumed Option Plan), which had been adopted by the Predecessor Company. On August 1, 1997, the Predecessor Company granted to certain of its employees nonqualified stock options to acquire an aggregate of 1,626 shares of its common stock, which constitutes all shares authorized under the Assumed Option Plan. In connection with the formation of the Company, the Company assumed the Predecessor Company's obligations with respect to all such options, and the Company became obligated to issue up to an aggregate of 2,423,769 shares of Common Stock at a purchase price of \$3.85 per share upon the exercise of such options. All of such options vested upon the closing of the Company's initial public offering in November 1997 and became exercisable 30

days thereafter. The options expire on August 1, 2007, and are not contingent on continued employment with the Company. As of May 31, 2006, 2,091,033 shares of Common Stock had been issued upon the exercise of options pursuant to the Assumed Option Plan 83,519 shares issuable upon the exercise of options had been forfeited to satisfy tax withholding obligations, and 249,217 shares were the subject of outstanding awards under the Assumed Option Plan. No additional options will be granted under the Assumed Option Plan.

Employee Stock Purchase Plan

The Company maintains the Stock Purchase Plan to encourage employees to become and remain stockholders of the Company and to provide employees an opportunity to do so through payroll deductions. Purchases of stock under the Stock Purchase Plan are intended to qualify under the provisions of Sections 421 and 423 of the Code.

All regular full-time or part-time employees of the Company or any of its parent or subsidiary corporations (other than certain international employees) who are customarily employed at least 20 hours per week and at least 5 months per year are eligible to participate in the Stock Purchase Plan in an amount up to 10% of their annual compensation not to exceed 250 shares of common stock in any option period (which occur twice in each calendar year) or \$25,000 worth of common stock in any calendar year, subject to other limitations imposed by Section 423(b) of the Code. No employee may purchase stock pursuant to the Stock Purchase Plan if after the purchase the employee would own 5% or more of the voting power or value of all classes of stock of the Company or its subsidiaries. The purchase price per share at which shares of Common Stock are sold under the Stock Purchase Plan is an amount equal to 85% of the fair market value of Common Stock on the date of exercise. Employees may not sell stock purchased through the Stock Purchase Plan for a period of twelve months from the date of purchase. At May 31, 2006, 6,690 employees of the Company and its subsidiaries were eligible to participate in the Stock Purchase Plan. A total of 3,000,000 shares of Common Stock have been reserved for issuance and may be subject to outstanding awards under the Stock Purchase Plan. As of May 31, 2006, 1,138 eligible employees of the Company and its subsidiaries had elected to participate in the Stock Purchase Plan. Through May 31, 2006, participants had purchased an aggregate of 2,131,606 shares of Common Stock under the Stock Purchase Plan at a weighted average purchase price of \$11.97 per share, and 868,394 shares were available for future awards under the Stock Purchase Plan.

401(k) Plan

The Company sponsors a retirement plan called the Trammell Crow Company Retirement Savings Plan (the 401(k) Plan). As of May 31, 2006, the total assets held by the 401(k) Plan were valued at approximately \$234,000,000. Prudential Bank and Trust FSB is the trustee for the assets held under the Company's 401(k) Plan (other than certain life insurance policies held under a trust for which Robert A. James and Derek R. McClain are the trustees). Employees (including members of management) are eligible to make voluntary contributions under the 401(k) Plan which in some instances may range up to 100% of their annual compensation, subject to the applicable limitations in the Code. The Company is permitted to make a discretionary contribution to the 401(k) Plan each fiscal quarter which is allocated among participants as a matching contribution based on their contributions under the 401(k) Plan. The Company's current policy is to match up to the lesser of (i) 50% of all contributions up to 6% of an employee's compensation and (ii) \$7,500 per year. The 401(k) Plan permits employees to direct investments of their accounts in Common Stock and among a selection of mutual funds. At May 31, 2006, approximately 3.3% of the 401(k) Plan assets consisted of Common Stock. The 401(k) Plan is intended to qualify as a profit sharing plan under Sections 401(a) and 401(k) of the Code.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Role of the Compensation Committee

The Compensation Committee of the Board of Directors (the Committee) is comprised of Mr. Curtis F. Feeny (the Committee Chairman), Mr. James R. Erwin and Dr. Rowland T. Moriarty. Each of Mr. Feeny, Mr. Erwin and Dr. Moriarty is a non employee director of the Company and has been found by the Board of Directors to be independent.

The Committee serves the purposes and carries out the duties established for it in the Compensation Committee Charter adopted by the Board of Directors. These purposes and duties include approving the compensation for the non-employee members of the Board of Directors and the annual salaries, bonuses and long term incentive awards for the Company's executive officers, including the Chief Executive Officer. The Committee also administers the Long-Term Incentive Plan and, subject to the provisions of such plan, determines grants under such plan for all consultants, directors and employees, including executive officers. It has been the Committee's regular practice to engage outside compensation consultants to advise it with respect to a variety of matters considered by the Committee. Certain matters considered by the Committee are resolved subject to review and approval by the full Board of Directors.

The Committee held four meetings during the Company's fiscal year ended December 31, 2005. At those meetings the Committee (i) reviewed the Company's compensation practices for directors and employees, (ii) established compensation levels for the Company's senior executives, (iii) granted performance unit awards and restricted stock to non-employee directors, certain senior executives and other key employees of the Company and its subsidiaries, (iv) considered and approved the terms of employment agreements for certain of the Company's senior executives and approved the extension of the terms for all executive employment agreements, (v) reviewed the performance of the Company's senior executives in light of their established individual performance criteria, (vi) evaluated and updated, as it determined appropriate, the Committee's charter and regular business work plan, (vii) evaluated the Committee's performance and its work processes, (viii) considered other matters related to the role that compensation and related topics play in pursuing the strategic objectives established by the Board of Directors, and (ix) conducted regular sessions without management present.

Principles of Executive Compensation

The Company's executive compensation philosophy is designed to (a) establish competitive levels of compensation driven by individual performance criteria that support the Company's annual and long term performance goals, (b) reward above average performance, (c) recognize individual initiative and achievement, (d) assist the Company in attracting and retaining talented executives, and (d) align the interests of executives with the long term interests of the Company's stockholders. The Company believes that furtherance of these objectives is best accomplished by providing senior executives with compensation packages that consist of a combination of base salary, annual incentive bonus and grants of equity awards under the Long-Term Incentive Plan. The Company's base salary component is designed to be comparable to median base salaries paid by other real estate companies, other service companies comparable in size to the Company and other organizations with whom the Company competes for the services of the professionals that execute the Company's business. The Company emphasizes performance related incentive compensation (such as cash bonuses and equity grants) to reward executives for favorable individual performance, favorable Company performance (including financial performance) and the creation of stockholder value. This balance is intended to reflect each executive's

position, experience and ability to affect the Company's performance, and to provide the executive with strong financial incentives to achieve key business and individual performance objectives.

The Committee takes into account various quantitative indicators of corporate and individual performance in determining the level of compensation for each senior executive (such as growth in earnings and the achievement of personal or business unit objectives). These quantitative measures may vary from employee to employee and from year to year depending on the strategic objectives the Company wishes to emphasize at the time the measures are established. For instance, while Company earnings are generally a primary driver of executive compensation, the Committee may establish performance objectives that focus on other quantitative criteria intended to assure that the Company is positioned to grow and perform in the longer run, although the costs of pursuing these objectives may have a negative impact on the Company's short term financial performance. The Committee also recognizes the importance of individual achievements that may be difficult to quantify, and accordingly recognizes qualitative factors, such as demonstrated leadership and overall contributions to the Company.

From time to time the Company determines competitive levels of compensation for executive positions based on information drawn from compensation surveys, proxy statements for comparable organizations and other information provided by the Committee's compensation consultants. The compensation surveys, proxy statements and other information used are for other real estate companies, other service companies comparable in size to the Company and other organizations with whom the Company competes for the services of the professionals that execute the Company's business.

It should be noted that the value of any individual executive's compensation package will vary significantly based on performance. While the expected value of an executive's compensation package may be competitive, actual payments made to executives in a given year may be higher or lower than competitive market rates because of performance.

Description of the Executive Compensation Program

The compensation of executive officers is periodically reviewed to ensure an appropriate mix of base salary, annual incentive and long term incentive to provide competitive total direct compensation opportunities consistent with the pay philosophy articulated above. A description of each of the principal elements of the Company's 2005 executive compensation program follows.

Base Salary

The Company believes that it is crucial to provide competitive salaries in order to attract and retain talented executive officers. The objective of the Company's base salary program is to provide executive officers with salaries that are comparable to the market median. Given that the Company competes with other organizations that have different management structures and different business mixes, establishing the appropriate market median is a complex and inherently imprecise undertaking. Base salaries for individual executives are set at levels considered appropriate in light of their position, level of responsibility within the Company, tenure and performance. Base salaries are reviewed by the Committee from time to time and are subject to adjustment based on evaluations of an executive's past and expected future contributions to the Company, changes in competitive pay levels and profitability of the Company.

Annual Cash Bonus

The Company's annual cash bonus program assists the Company in rewarding and motivating key employees. Under the Company's current annual cash incentive policies, the aggregate amount available for bonus payments to all senior executives is determined by the level of the Company's pre-tax earnings. The portion of this aggregate amount paid to each individual executive depends upon the extent

to which his or her performance objectives are achieved for the relevant performance period, and how that executive's performance compares to the performance of his or her peers at the Company.

Cash bonus awards for the Company's senior executives are targeted at levels which, when combined with the executive's base salary, provide the executive with annual cash compensation that is consistent with market rates. The Company's Chief Executive Officer was assigned a 2005 bonus target of 200% of his annual salary. As a percentage of salary, 2005 bonus targets for other senior executives ranged from 125% to 175%. While these amounts are established as bonus targets, the Committee has discretion to award senior executives bonus amounts that are less than or in excess of the bonus targets, depending on an assessment of the executive's performance and the overall performance and profitability of the Company.

With respect to each fiscal year, each senior executive is assigned performance objectives that are consistent with the Company's strategic objectives established by the Board of Directors. These objectives may relate to the executive's personal performance or performance of the executive's business unit or the Company as a whole. Following the end of the fiscal year, the executive's actual performance is measured against the performance objectives established for that year.

Equity Incentive Compensation

The Company believes that certain of its senior executives should have an ongoing stake in the long term success of the Company's business. The Company also believes that these senior executives should have a sizeable portion of their total potential compensation based upon the value of the Company's stock, since stock-related compensation aligns the executive's economic interests with that of the Company's stockholders. The Committee periodically reviews the Company's practices with respect to equity-based compensation, and has revised those practices from time to time as it deems appropriate to aid the Company in the pursuit of its strategic objectives.

The Long-Term Incentive Plan authorizes the granting of incentive and nonqualified stock options, stock appreciation rights and restricted stock awards to directors, executives and other key employees and consultants of the Company and its subsidiaries. To align the interests of senior officers with the interests of stockholders, the Committee's policy regarding such awards from and since 2003 has been to make restricted stock grants. Under this program, the Committee determines the number of shares of restricted stock to be granted to each of its executives based upon such executive's position, ability to affect Company performance, tenure and the achievement of performance objectives established for the executive and/or the executive's business unit. The Committee also considers the extent to which the executive has received equity grants in the recent past. To encourage retention, shares granted to executives under this plan are subject to vesting restrictions.

In 2005, the Committee awarded a total of 217,536 shares of restricted stock to executive officers as part of its annual incentive plan. Mr. Sulentic received a grant of 39,753 shares. All such shares vest on the fourth anniversary of the date of grant.

The Committee will review annually the size and form of equity incentives for senior executives to ensure that its equity incentive compensation program is consistent with the Company's business strategy and prevailing market conditions.

Chief Executive Officer Pay

The Committee reviews the compensation of the Chief Executive Officer, who is responsible for the strategic and financial performance of the Company, and the Committee's recommendation with respect to the Chief Executive Officer's compensation is subject to approval by the Board of Directors.

As noted before, Mr. Sulentic was assigned a 2005 bonus target of \$940,000 (200% of his 2005 annual salary). Given the level of the Company's 2005 earnings, the aggregate amount available for bonus payments to all senior executives, including the Chief Executive Officer, was sufficient to generally allow payment of bonuses that materially exceeded full bonus targets if performance warranted it. After considering Mr. Sulentic's performance in 2005, which the Board of Directors assessed to be very favorable, the Committee determined that his performance would make it appropriate to award an annual cash incentive bonus of \$1,450,000. In coming to this determination, the Committee did not apply a strictly quantitative analysis against a set of quantitative objectives. Rather, the Committee considered a variety of quantitative and qualitative factors to measure Mr. Sulentic's performance as the Company's Chief Executive Officer. The Committee recognized Mr. Sulentic's work in establishing strategic initiatives for the Company and the Company's success in implementing those initiatives. The objective matters considered by the Committee included (i) the Company's 2005 earnings and share price performance, (ii) the Company's continued success on customer service and customer satisfaction initiatives, (iii) the growth and retention of the Company's professional ranks in a manner that supports the Company's strategic objectives, (iv) progress on the establishment of certain investment funds sponsored by the Company, (v) the Company's growth in certain identified markets, and (vi) the Company's continued progress on other operational and strategic initiatives throughout 2005. The qualitative matters considered by the Committee included the example Mr. Sulentic provides to his leadership team and the rest of the Company's employees, as well as his business ethics and integrity.

When informed of the Committee's determination, Mr. Sulentic told the Committee that he believed the acceptance of a lesser annual incentive bonus would make it possible to provide larger rewards for other senior officers (including non executives) who had performed admirably for the Company in 2005, while still constituting a fair reward to him for favorable performance. He noted his belief that it was in the long term interest of the Company and himself to accept an annual incentive bonus that was less than that originally determined by the Committee. After further discussion, in light of Mr. Sulentic's request, the Committee awarded him a bonus of \$940,000.

Based on information available to the Committee, the Committee believes that the base salary and other compensation paid to Mr. Sulentic for his service as the Company's Chief Executive Officer in 2005 was reasonable to the Company.

\$1 Million Pay Deductibility Cap

Section 162(m) of the Code generally imposes a \$1 million per person annual limit on the amount the Company may deduct as compensation expense for its Chief Executive Officer and its four other highest paid officers. To the extent readily determinable, and as one of the factors in considering compensation matters, the Committee considers the anticipated tax treatment to the Company and to its executives of various payments and benefits. Some types of compensation payments and their deductibility (e.g., the spread on exercise of non qualified options) depend upon the timing of an executive's vesting or exercise of previously granted rights. Further, interpretations of and changes in the tax laws and other factors beyond the Committee's control also affect the deductibility of compensation. For these and other reasons, the Committee will not necessarily limit executive compensation to that deductible under Section 162(m) of the Code. Therefore the Committee, subject to the factors provided above, has the discretion to grant awards which result in non deductible compensation.

The Compensation Committee of the Board of Directors with respect to the 2005 calendar year was:

Curtis F. Feeny, Chairman
James R. Erwin
Rowland T. Moriarty

1.20 Fair Market Value means, for a particular day:

(a) If shares of Stock of the same class are listed or admitted to unlisted trading privileges on any national or regional securities exchange at the date of determining the Fair Market Value, then the last reported sale price, regular way, on the composite tape of that exchange on the last Business Day before the date in question or, if no such sale takes place on that Business Day, the average of the closing bid and asked prices, regular way, in either case as reported in the principal consolidated transaction reporting system with respect to securities listed or admitted to unlisted trading privileges on that securities exchange; or

(b) If shares of Stock of the same class are not listed or admitted to unlisted trading privileges as provided in Subparagraph 1.19(a) and if sales prices for shares of Stock of the same class in the over-the-counter market are reported by the NASDAQ National Market System (or a similar system then in use) at the date of determining the Fair Market Value, then the last reported sales price so reported on the last Business Day before the date in question or, if no such sale takes place on that Business Day, the average of the high bid and low asked prices so reported; or

(c) If shares of Stock of the same class are not listed or admitted to unlisted trading privileges as provided in Subparagraph 1.19(a) and sales prices for shares of Stock of the same class are not reported by the NASDAQ National Market System (or a similar system then in use) as provided in Subparagraph 1.19(b), and if bid and asked prices for shares of Stock of the same class in the over-the-counter market are reported by NASDAQ (or, if not so reported, by the National Quotation Bureau Incorporated) at the date of determining the Fair Market Value, then the average of the high bid and low asked prices on the last Business Day before the date in question; or

(d) If shares of Stock of the same class are not listed or admitted to unlisted trading privileges as provided in Subparagraph 1.19(a) and sales prices or bid and asked

prices therefor are not reported by NASDAQ (or the National Quotation Bureau Incorporated) as provided in Subparagraph 1.19(b) or Subparagraph 1.19(c) at the date of determining the Fair Market Value, then the value determined in good faith by the Committee, which determination shall be conclusive for all purposes; or

(e) If shares of Stock of the same class are listed or admitted to unlisted trading privileges as provided in Subparagraph 1.19(a) or sales prices or bid and asked prices therefor are reported by NASDAQ (or the National Quotation Bureau Incorporated) as provided in Subparagraph 1.19(b), Subparagraph 1.19(c) or Subparagraph 1.19(d) at the date of determining the Fair Market Value, but the volume of trading is so low that the Board of Directors determines in good faith that such prices are not indicative of the fair value of the Stock, then the value determined in good faith by the Committee, which determination shall be conclusive for all purposes notwithstanding the provisions of Subparagraphs 1.19(a), (b), (c) or (d).

For purposes of valuing Incentive Options, the Fair Market Value of Stock shall be determined without regard to any restriction other than one that, by its terms, will never lapse and will be determined on the date in question instead of the last Business Day before the date in question. For purposes of the redemption provided for in Subparagraph 9.3(e)(vi), Fair Market Value shall have the meaning and shall be determined as provided above; *provided, however*, that the Committee, with respect to any such redemption, shall have the right to determine that the Fair Market Value for purposes of the redemption should be an amount measured by the value of the shares of stock, other securities, cash or property otherwise being received by holders of shares of Stock in connection with the Restructure, and upon that determination the Committee shall have the power and authority to determine Fair Market Value for purposes of the redemption based upon the value of such shares of stock, other securities, cash or property. 2.1 Maximum Number of Shares. Subject to the provisions of Section 9 of the Plan, the maximum aggregate number of shares of Stock in respect of which Awards may be granted for all purposes under the Plan shall be 8,634,878.

2.2 Restoration of Unused and Surrendered Shares. If Stock subject to any Award is not issued or transferred, or ceases to be issuable or transferable for any reason, including (but not exclusively) because an Award is forfeited, terminated, expires unexercised, is settled in cash in lieu of Stock, or is exchanged for other Awards, the shares of Stock that were subject to that Award shall again be available for issue, transfer, or exercise pursuant to Awards under the Plan to the extent of such forfeiture, termination, expiration, settlement or exchange.

2.3 Description of Shares. The shares to be delivered under the Plan shall be made available from (a) authorized but unissued shares of Stock, (b) Stock held in the treasury of the Corporation, or (c) previously issued shares of Stock reacquired by the Corporation, including shares purchased on the open market, in each situation as the Board of Directors or the Committee may determine from time to time at its sole option.

2.4 Registration and Listing of Shares. From time to time, the Board of Directors and appropriate officers of the Corporation shall be, and are, authorized to take whatever actions are necessary to file required documents with governmental authorities, stock exchanges and other appropriate Persons to make shares of Stock available for issuance pursuant to Awards.

SECTION 3. ADMINISTRATION OF THE PLAN

3.1 Committee. The Board of Directors shall administer the Plan with respect to all Eligible Individuals or may delegate all or part of its duties under this Plan to the Committee or to any officer or committee of officers of the Corporation, subject in each case to such conditions and limitations as the Board of Directors may establish and subject to the following sentence. Unless a majority of the members of the Board of Directors determines otherwise: (a) the Committee shall be constituted in a manner that satisfies the requirements of Rule 16b-3, which Committee shall administer the Plan with respect to all Eligible Individuals who are subject to Section 16 of the Exchange Act in a manner that satisfies the requirements of Rule 16b-3; and (b) the Committee shall be constituted in a manner that satisfies the requirements of Section 162(m), which Committee shall administer the Plan with respect to performance-based compensation for all Eligible Individuals who are reasonably expected to be covered employees as those terms are defined in Section 162(m). The number of persons that shall constitute the Committee shall be determined from time to time by a majority of all the members of the Board of Directors. Except for references in Paragraphs 3.1, 3.2, and 3.3 and unless the context otherwise requires, references herein to the Committee shall also refer to the Board of Directors as administrator of the Plan for Eligible Individuals or to the appropriate delegate of the Committee or the Board of Directors.

3.2 Duration, Removal, Etc. The members of the Committee shall serve at the pleasure of the Board of Directors, which shall have the power, at any time and from time to time, to remove members from or add members to the Committee. Removal from the Committee

may be with or without cause. Any individual serving as a member of the Committee shall have the right to resign from membership in the Committee by at least three days written notice to the Board of Directors. The Board of Directors, and not the remaining members of the Committee, shall have the power and authority to fill vacancies on the Committee, however caused.

3.3 Meetings and Actions of Committee. The Board of Directors shall designate which of the Committee members shall be the chairman of the Committee. If the Board of Directors fails to designate a Committee chairman, the members of the Committee shall elect one of the Committee members as chairman, who shall act as chairman until he ceases to be a member of the Committee or until the Board of Directors elects a new chairman. The Committee shall hold its meetings at those times and places as the chairman of the Committee may determine. At all meetings of the Committee, a quorum for the transaction of business shall be required, and a quorum shall be deemed present if at least a majority of the members of the Committee are present. At any meeting of the Committee, each member shall have one vote. All decisions and determinations of the Committee shall be made by the majority vote or majority decision of all of its members present at a meeting at which a quorum is present; *provided, however*, that any decision or determination reduced to writing and signed by all of the members of the Committee shall be as fully effective as if it had been made at a meeting that was duly called and held. The Committee may make any rules and regulations as it may deem advisable for the conduct of its business that are not inconsistent with the provisions of the Plan, the Certificate of Incorporation and the by-laws of the Corporation, Rule 16b-3, so long as it is applicable, and Section 162(m), so long as it is applicable.

3.4 Committee's Powers. Subject to the express provisions of the Plan and any applicable law with which the Corporation intends the Plan to comply, the Committee shall have the authority, in its sole and absolute discretion, (a) to adopt, amend and rescind administrative and interpretive rules and regulations relating to the Plan, including without limitation to adopt and observe such procedures concerning the counting of Awards against the Plan and individual maximums as it may deem appropriate from time to time; (b) to determine the Eligible Individuals to whom, and the time or times at which, Awards shall be granted; (c) to determine the amount of cash and the number of shares of Stock, Stock Appreciation Rights, Restricted Stock Awards or Performance Units, or any combination thereof, that shall be the subject of each Award; (d) to determine the terms and provisions of each Award Agreement (which need not be identical), including provisions defining or otherwise relating to (i) the term and the period or periods and extent of exercisability of the Options, (ii) the extent to which the transferability of shares of Stock issued or transferred pursuant to any Award is restricted, (iii) the effect of termination of employment on the Award, and (iv) the effect of approved leaves of absence (consistent with any applicable regulations of the Internal Revenue Service); (e) to accelerate, pursuant to Section 9, the time of exercisability of any Option that has been granted or the time of vesting or settlement of any Restricted Stock Award or Performance Unit; (f) to construe the respective Award Agreements and the Plan; (g) to make determinations of the Fair Market Value of the Stock pursuant to the Plan; (h) to delegate its duties under the Plan to such agents as it may appoint from time to time, subject to the second sentence of Paragraph 3.1; and (i) to make all other determinations, perform all other acts, and exercise all other powers and authority necessary or advisable for administering the Plan, including the delegation of those ministerial acts and responsibilities as the Committee deems appropriate subject in all respects to the last two sentences of Paragraph 5.12. The Committee may correct any defect, supply any omission or

reconcile any inconsistency in the Plan, in any Award, or in any Award Agreement in the manner and to the extent it deems necessary or desirable to carry the Plan into effect, and the Committee shall be the sole and final judge of that necessity or desirability. The determinations of the Committee on the matters referred to in this Paragraph 3.4 shall be final and conclusive. The Committee shall not have the power to appoint members of the Committee or to terminate, modify or amend the Plan. Those powers are vested in the Board of Directors.

3.5 Transferability of Awards. Notwithstanding any limitation on a Holder's right to transfer an Award, the Committee may (in its sole discretion) permit a Holder to transfer an Award, or may cause the Corporation to grant an Award that otherwise would be granted to an Eligible Individual, in any of the following circumstances: (a) pursuant to a qualified domestic relations order; (b) to a trust established for the benefit of the Eligible Individual or one or more of the children, grandchildren or spouse of the Eligible Individual; (c) to a limited partnership in which all the interests are held by the Eligible Individual and that Person's children, grandchildren or spouse; or (d) to another Person in circumstances that the Committee believes will result in the Award continuing to provide an incentive for the Eligible Individual to remain in the service of the Corporation or its Subsidiaries and apply his or her best efforts for the benefit of the Corporation or its Subsidiaries. If the Committee determines to allow such transfers or issuances of Awards, any Holder or Eligible Individual desiring such transfers or issuances shall make application therefor in the manner and time that the Committee specifies and shall comply with such other requirements as the Committee may require to assure compliance with all applicable laws, including securities laws, and to assure fulfillment of the purposes of this Plan. The Committee shall not authorize any such transfer or issuance if it may not be made in compliance with all applicable federal, state and foreign securities laws. The granting of permission for such an issuance or transfer shall not obligate the Corporation to register the shares of Stock to be issued under the applicable Award.

SECTION 4. ELIGIBILITY AND PARTICIPATION

4.1 Eligible Individuals. Awards may be granted pursuant to the Plan only to persons who are Eligible Individuals at the time of the grant thereof or in connection with the severance or retirement of Eligible Individuals.

4.2 Grant of Awards. Subject to the express provisions of the Plan, the Committee shall determine which Eligible Individuals shall be granted Awards from time to time. In making grants, the Committee shall take into consideration the contribution the potential Holder has made or may make to the success of the Corporation or its Subsidiaries and such other considerations as the Board of Directors may from time to time specify. The Committee shall also determine the number of shares or cash amounts subject to each of the Awards and shall authorize and cause the Corporation to grant Awards in accordance with those determinations.

4.3 Date of Grant. The date on which an Award is granted (the *Date of Grant*) shall be the date specified by the Committee as the effective date or date of grant of an Award or, if the Committee does not so specify, shall be the date as of which the Committee adopts the resolution approving the offer of an Award to an individual, including the specification of the number (or method of determining the number) of shares of Stock and the amount (or method of determining the amount) of cash to be subject to the Award, even though certain terms of the

Award Agreement may not be determined at that time and even though the Award Agreement may not be executed or delivered until a later time. In no event shall a Holder gain any rights in addition to those specified by the Committee in its grant, regardless of the time that may pass between the grant of the Award and the actual execution or delivery of the Award Agreement by the Corporation or the Holder. The Committee may invalidate an Award at any time before the Award Agreement is signed by the Holder (if signature is required) or is delivered to the Holder (if signature is not required), and such Award shall be treated as never having been granted.

4.4 Award Agreements. Each Award granted under the Plan shall be evidenced by an Award Agreement that incorporates those terms that the Committee shall deem necessary or desirable. More than one Award may be granted under the Plan to the same Eligible Individual and be outstanding concurrently. If an Eligible Individual is granted both one or more Incentive Options and one or more Nonstatutory Options, those grants shall be evidenced by separate Award Agreements, one for each of the Incentive Option grants and one for each of the Nonstatutory Option grants.

4.5 Limitation for Incentive Options. Notwithstanding any provision contained herein to the contrary, (a) a person shall not be eligible to receive an Incentive Option unless he or she is an Employee of the Corporation or a corporate Subsidiary (but not a partnership or other non-corporate Subsidiary), and (b) a person shall not be eligible to receive an Incentive Option if, immediately before the time the Incentive Option is granted, that person owns (within the meaning of Sections 422 and 424 of the Code) stock possessing more than ten percent of the total combined voting power or value of all classes of stock of the Corporation or a Subsidiary. Nevertheless, this Subparagraph 4.5(b) shall not apply if, at the time the Incentive Option is granted, the Exercise Price of the Incentive Option is at least one hundred and ten percent of the Fair Market Value of the Stock underlying the Incentive Option and the Incentive Option is not, by its terms, exercisable after the expiration of five years from the Date of Grant.

4.6 No Right to Award. The adoption of the Plan shall not be deemed to give any person a right to be granted an Award.

SECTION 4A. PERFORMANCE AWARDS

4A.1 Covered Employee. For purposes of this Section 4A Covered Employee shall have the meaning given to such term under Section 162(m). The foregoing notwithstanding, because the Committee cannot determine with certainty whether a given individual will be a Covered Employee with respect to a fiscal year that has not yet been completed, the term Covered Employee as used herein shall mean only a person designated by the Committee, at the time of grant of Performance Awards, who is likely to be a Covered Employee with respect to that fiscal year.

4A.2 Performance Award. For purposes of this Section 4A Performance Award shall mean any Award the grant, exercise or settlement of which is subject to one or more of the performance standards set forth in this Section 4A. Additionally, Performance Award shall mean any Option, Reload Option or Stock Appreciation Right granted to a Covered Employee if the Exercise Price (with respect to such Option or Reload Option) or SAR Exercise Price (with respect to such Stock Appreciation Right) equals or exceeds Fair Market Value.

4A.3 Qualified Member. For purposes of this Section 4A Qualified Member means a member of the Committee who is an outside director within the meaning of Section 162(m).

4A.4 Manner of Exercise of Committee Authority. At any time that a member of the Committee is not a Qualified Member, any action of the Committee relating to an Award intended by the Committee to qualify as performance-based compensation within the meaning of Section 162(m), may be taken either (i) by a subcommittee, designated by the Committee, composed solely of two or more Qualified Members, or (ii) by the Committee but with each such member who is not a Qualified Member abstaining or recusing himself or herself from such action; provided, however, that, upon such abstention or recusal, the Committee remains composed solely of two or more Qualified Members. Such action, authorized by such a subcommittee or by the Committee upon the abstention or recusal of such non-Qualified Member(s), shall be the action of the Committee for purposes of the Plan. Any action of the Committee shall be final, conclusive and binding on all persons, including the Corporation, its subsidiaries, Eligible Individuals, beneficiaries, transferees or other persons claiming rights from or through an Eligible Individual, and shareholders.

4A.5 Individual Award Limitations. In each calendar year during any part of which the Plan is in effect, a Participant may not be granted Performance Awards relating to more than 500,000 shares of Common Stock, subject to adjustment in a manner consistent with any adjustment made pursuant to Section 9, under each of Sections 5, 6 and 7 with a maximum limitation of 500,000 shares of Common Stock in the aggregate. In addition, the maximum compensation that may be earned under the Plan as Performance Awards by any one Participant, in any calendar year, shall be \$5,000,000 with respect to Awards provided under Section 8. If an Option is canceled, the canceled Option continues to be counted against the maximum number of shares for which Options may be granted to the Participant under the Plan, as set forth in this Section 4A.5. If, after grant, the exercise price of an Option is reduced, the transaction is treated as a cancellation of the Option and a grant of a new Option for purposes of this Section 4A.5. In such a case, both the Option that is deemed to be canceled and the Option that is deemed to be granted reduce the maximum number of shares for which Options may be granted to the Covered Employee under the Plan, as set forth in this Section 4A.5. Such cancellation will likewise occur in the case of a Stock Appreciation Right where, after the Award is made, the base amount on which stock appreciation is calculated is reduced.

4A.6 General. The Committee shall retain full power and discretion to accelerate, waive or modify, at any time, any term or condition of a Performance Award that is not mandatory under the Plan; provided, however, that notwithstanding any other provision of the Plan the Committee shall not have any discretion to accelerate, waive or modify any term or condition of an Award that is intended to qualify as performance-based compensation for purposes of Section 162(m) if such discretion would cause the Performance Award not to so qualify.

4A.7 Performance Conditions. The right of an Eligible Individual to exercise or receive a grant or settlement of any Award, and the timing thereof, may be subject to such performance conditions as may be specified by the Committee. The Committee

may use such business criteria and other measures of performance as it may deem appropriate in establishing any performance conditions.

4A.8 Performance Awards Granted to Designated Covered Employees. If the Committee determines that a Performance Award to be granted to an Eligible Individual who is designated by the Committee as likely to be a Covered Employee should qualify as performance-based compensation for purposes of Section 162(m), the grant, exercise and/or settlement of such Performance Award shall be contingent upon achievement of preestablished performance goals and other terms set forth in this Section 4A.8.

(a) Performance Goals Generally. The performance goals for such Performance Awards shall consist of one or more business criteria and a targeted level or levels of performance with respect to each of such criteria, as specified by the Committee consistent with this Section 4A.8. Performance goals shall be objective and shall otherwise meet the requirements of Section 162(m), including the requirement that the level or levels of performance targeted by the Committee result in the achievement of performance goals being substantially uncertain. The Committee may determine that such Performance Awards shall be granted, exercised and/or settled upon achievement of any one performance goal or that two or more of the performance goals must be achieved as a condition to grant, exercise and/or settlement of such Performance Awards. Performance goals may differ for Performance Awards granted to any one Eligible Individual or to different Eligible Individuals.

(b) Business Criteria. One or more of the following business criteria for the Corporation, on a consolidated basis, and/or for specified subsidiaries or business or geographical units of the Corporation (except with respect to the total shareholder return and earnings per share criteria), shall be used by the Committee in establishing performance goals for such Performance Awards: (i) earnings per share; (ii) revenue targets; (iii) cash flow targets; (iv) cash flow return targets; (v) return on net assets, return on assets, return on investment, return on capital, return on equity; (vi) an economic value added formula; (vii) operating margin or contribution margin; (viii) net income; pretax earnings; pretax earnings before interest, depreciation and amortization; pretax operating earnings after interest expense and before incentives, service fees, and extraordinary or special items; operating income; pretax earnings before interest depreciation and/or amortization; (ix) total shareholder return; (x) debt reduction; and (xi) any of the above goals determined on an absolute or relative basis or as compared to the performance of a published or special index deemed applicable by the Committee including, but not limited to, the Standard & Poor's 500 Stock Index or a group of competitor companies, including the group selected by the Corporation for purposes of the stock performance graph contained in the proxy statement for the Corporation's annual meetings of stockholders.

(c) Performance Period: Timing for Establishing Performance Goals. Achievement of performance goals in respect of such Performance Awards shall be measured over a performance period of up to ten years, as specified by the Committee. Performance goals shall be established not later than 90 days after the beginning of any performance period applicable to such Performance Awards, or at such other date as may be required or permitted for performance-based compensation under Section 162(m).

(d) Settlement of Performance Awards: Other Terms. After the end of each performance period, the Committee shall determine the amount, if any, of the Performance Award payable to each Covered Employee. Settlement of such Performance Awards shall be in cash, Common Stock, other Awards or other property, as determined in the sole discretion of the Committee. The Committee may, in its discretion, reduce the amount of a settlement otherwise to be made in connection with such Performance Awards, but may not exercise discretion to increase any such amount payable to a Covered Employee in respect of a Performance Award.

4A.9 Written Determinations. All determinations by the Committee as to the establishment of performance goals, the amount of any potential individual Performance Awards, and the achievement of performance goals relating to Performance Awards, shall be made in writing in the case of any Award intended to qualify under Section 162(m). The Committee may not delegate any responsibility relating to such Performance Awards. The determination as to whether any performance goal, with respect to any Award, has been satisfied shall be made prior to the payment of any compensation relating to an Award.

4A.10 Performance Awards under Code Section 162(m) of the Code. It is the intent of the Corporation that Performance Awards granted to persons who are designated by the Committee as likely to be Covered Employees within the meaning of Section 162(m) shall, if so designated by the Committee, constitute performance-based compensation within the meaning of Section 162(m). Accordingly, the terms of this Section 4A, including the definitions of Covered Employee and other terms used herein, shall be interpreted in a manner consistent with Section 162(m). If any provision of the Plan as in effect on the date of adoption or any agreements relating to Performance Awards that are designated as intended to comply with Section 162(m) does not comply or is inconsistent with the requirements of Section 162(m), such provision shall be construed or deemed amended to the extent necessary to conform to such requirements.

SECTION 5. TERMS AND CONDITIONS OF OPTIONS

All Options granted under the Plan shall comply with, and the related Option Agreements shall be deemed to include and be subject to, the terms and conditions set forth in this Section 5 (to the extent each term and condition applies to the form of Option) and also to the terms and conditions set forth in Paragraph 9.1 and Section 10; *provided, however*, that the Committee may authorize an Option Agreement that expressly contains terms and provisions that differ from the terms and provisions of Section 10. The Committee may also authorize an Option Agreement that contains any or all of the terms and provisions of Paragraphs 9.2 and 9.3 or that contains terms and provisions dealing with similar subject matter differently than do those Paragraphs; nevertheless, no term or provision of Paragraph 9.2 or 9.3 (or any such differing term or provision) shall apply to an Option Agreement unless the Option Agreement expressly states that such term or provision applies.

5.1 Number of Shares. Each Option Agreement shall state the total number of shares of Stock to which it relates.

5.2 Vesting. Each Option Agreement shall state the time, periods or other conditions on which the right to exercise the Option or a portion thereof shall vest and the number (or

method of determining the number) of shares of Stock for which the right to exercise the Option shall vest at each such time, period or satisfaction of condition.

5.3 Expiration of Options. Nonstatutory Options and Incentive Options may be exercised during the term determined by the Committee and set forth in the Option Agreement; *provided* that no Incentive Option shall be exercised after the expiration of a period of ten years commencing on the Date of Grant of the Incentive Option.

5.4 Exercise Price. Each Option Agreement shall state the exercise price per share of Stock (the *Exercise Price*). The exercise price per share of Stock subject to an Incentive Option shall not be less than the greater of (a) the par value per share of the Stock or (b) 100% of the Fair Market Value per share of the Stock on the Date of Grant of the Option. The exercise price per share of Stock subject to a Nonstatutory Option shall not be less than the greater of (a) the par value per share of the Stock or (b) eighty-five percent of the Fair Market Value per share of the Stock on the Date of Grant of the Option.

5.5 Method of Exercise. Each Option shall be exercisable only by written, recorded electronic or other notice of exercise in the manner specified by the Committee from time to time (the *Exercise Notice*) delivered to the Corporation or to the Person designated by the Committee during the term of the Option, which notice shall (a) state the number of shares of Stock with respect to which the Option is being exercised, (b) be signed or otherwise given by the Holder of the Option or by the person authorized to exercise the Option in the event of the Holder's death or disability, (c) be accompanied by the Exercise Price for all shares of Stock for which the Option is exercised, unless provision for the payment of the Exercise Price has been made pursuant to Paragraph 5.7 or 5.8 or in another manner permitted by law and approved in advance by the Committee, and (d) include such other information, instruments, and documents as may be required to satisfy any other condition to exercise contained in the Option Agreement. The Option shall not be deemed to have been exercised unless all of the requirements of the preceding provisions of this Paragraph 5.5 have been satisfied.

5.6 Incentive Option Exercises. During the Holder's lifetime, only the Holder may exercise an Incentive Option. The Holder of an Incentive Option shall immediately notify the Corporation in writing of any disposition of the Stock acquired pursuant to the Incentive Option that would disqualify the Incentive Option from the incentive option tax treatment afforded by Section 422 of the Code. The notice shall state the number of shares disposed of, the dates of acquisition and disposition of the shares, and the consideration received upon that disposition.

5.7 Medium and Time of Payment. The Exercise Price of an Option shall be payable in full upon the exercise of the Option (a) in cash or by an equivalent means (such as that specified in Paragraph 5.8) acceptable to the Committee, (b) on the Committee's prior consent, with shares of Stock owned by the Holder (including shares received upon exercise of the Option or restricted shares already held by the Holder) and having a Fair Market Value at least equal to the aggregate Exercise Price payable in connection with such exercise, or (c) by any combination of clauses (a) and (b). If the Committee chooses to accept shares of Stock in payment of all or any portion of the Exercise Price, then (for purposes of payment of the Exercise Price) those shares of Stock shall be deemed to have a cash value equal to their aggregate Fair Market Value determined as of the date of the delivery of the Exercise Notice. If the Committee elects to accept

shares of restricted Stock in payment of all or any portion of the Exercise Price, then an equal number of shares issued pursuant to the exercise shall be restricted on the same terms and for the restriction period remaining on the shares used for payment.

5.8 Payment with Sale Proceeds. In addition, at the request of the Holder and to the extent permitted by applicable law, the Committee may (but shall not be required to) approve arrangements with a brokerage firm under which that brokerage firm, on behalf of the Holder, shall pay to the Corporation the Exercise Price of the Option being exercised (either as a loan to the Holder or from the proceeds of the sale of Stock issued pursuant to that exercise of the Option), and the Corporation shall promptly cause the exercised shares to be delivered to the brokerage firm. Such transactions shall be effected in accordance with the procedures that the Committee may establish from time to time.

5.9 Reload Provisions. Options may contain a provision pursuant to which a Holder who pays all or a portion of the Exercise Price of an Option or the tax required to be withheld pursuant to the exercise of an Option by surrendering shares of Stock shall automatically be granted an Option for the purchase of the number of shares of Stock equal to the number of shares surrendered (a **Reload Option**). The Date of Grant of the Reload Option shall be the date on which the Holder surrenders the shares of Stock in respect of which the Reload Option is granted. The Reload Option shall have an Exercise Price equal to the Fair Market Value of a share of Stock on the Date of Grant of the Reload Option and shall have a term that is no longer than the original term of the underlying Option.

5.10 Limitation on Aggregate Value of Shares That May Become First Exercisable During any Calendar Year Under an Incentive Option. Except as is otherwise provided in subparagraph 9.2(b), with respect to any Incentive Option granted under this Plan, the aggregate Fair Market Value of shares of Stock subject to an Incentive Option and the aggregate Fair Market Value of shares of Stock or stock of any Subsidiary (or a predecessor of the Corporation or a Subsidiary) subject to any other incentive stock option (within the meaning of Section 422 of the Code) of the Corporation or its Subsidiaries (or a predecessor corporation of any such corporation) that first become purchasable by a Holder in any calendar year may not (with respect to that Holder) exceed \$100,000, or such other amount as may be prescribed under Section 422 of the Code or applicable regulations or rulings from time to time. As used in the previous sentence, Fair Market Value shall be determined as of the date the Incentive Option is granted. For purposes of this Paragraph 5.10 predecessor corporation means (a) a corporation that was a party to a transaction described in Section 424(a) of the Code (or which would be so described if a substitution or assumption under that Section had been effected) with the Corporation, (b) a corporation which, at the time the new incentive stock option (within the meaning of Section 422 of the Code) is granted, is a Subsidiary of the Corporation or a predecessor corporation of any such corporations, or (c) a predecessor corporation of any such corporations. Failure to comply with this provision shall not impair the enforceability or exercisability of any Option, but shall cause the excess amount of shares to be reclassified in accordance with the Code.

5.11 No Fractional Shares. The Corporation shall not in any case be required to sell, issue, or deliver a fractional share with respect to any Option. In lieu of the issuance of any fractional share of Stock, the Corporation shall pay to the Holder an amount in cash equal to the

same fraction (as the fractional Stock) of the Fair Market Value of a share of Stock determined as of the date of the applicable Exercise Notice.

5.12 Modification, Extension and Renewal of Options. Subject to the terms and conditions of and within the limitations of the Plan and any applicable law, and any consent required by the last two sentences of this Paragraph 5.12, the Committee may (a) modify, extend or renew outstanding Options granted under the Plan, (b) accept the surrender of Options outstanding hereunder (to the extent not previously exercised) and authorize the granting of new Options in substitution for outstanding Options (to the extent not previously exercised), and (c) amend the terms of an Incentive Option at any time to include provisions that have the effect of changing the Incentive Option to a Nonstatutory Option. Nevertheless, without the consent of the Holder, the Committee may not modify any outstanding Options so as to specify a higher Exercise Price or accept the surrender of outstanding Incentive Options and authorize the granting of new Options in substitution therefor specifying a higher Exercise Price. In addition, no modification of an Option granted hereunder shall, without the consent of the Holder, materially alter or impair any rights of the Holder or materially increase the obligations of a Holder under any Option theretofore granted to that Holder under the Plan except, with respect to Incentive Options, as may be necessary to satisfy the requirements of Section 422 of the Code or as permitted in clause (c) of this Paragraph 5.12.

5.13 Other Agreement Provisions. The Option Agreements authorized under the Plan shall contain such provisions in addition to those required by the Plan (including, without limitation, restrictions or the removal of restrictions upon the exercise of the Option and the retention or transfer of shares thereby acquired) as the Committee may deem advisable. Each Option Agreement shall identify the Option evidenced thereby as an Incentive Option or Nonstatutory Option, as the case may be, and no Option Agreement shall cover both an Incentive Option and a Nonstatutory Option. Each Agreement relating to an Incentive Option granted hereunder shall contain such limitations and restrictions upon the exercise of the Incentive Option to which it relates as shall be necessary for the Incentive Option to which such Agreement relates to constitute an incentive stock option, as defined in Section 422 of the Code.

SECTION 6. STOCK APPRECIATION RIGHTS

All Stock Appreciation Rights granted under the Plan shall comply with, and the related Award Agreements shall be deemed to include and be subject to, the terms and conditions set forth in this Section 6 (to the extent each term and condition applies to the form of Stock Appreciation Right) and also to the terms and conditions set forth in Paragraph 9.1 and Section 10; *provided, however*, that the Committee may authorize an Award Agreement relating to a Stock Appreciation Right that expressly contains terms and provisions that differ from the terms and provisions of Section 10. The Committee may also authorize an Award Agreement relating to a Stock Appreciation Right that contains any or all of the terms and provisions of Paragraphs 9.2 and 9.3 or that contains terms and provisions dealing with similar subject matter differently than do those Paragraphs; nevertheless, no term or provision of Paragraph 9.2 or 9.3 (or any such differing term or provision) shall apply to an Award Agreement relating to a Stock Appreciation Right unless the Award Agreement expressly states that such term or provision applies.

6.1 Form of Right. A Stock Appreciation Right may be granted to an Eligible Individual (a) in connection with an Option, either at the time of grant or at any time during the term of the Option, or (b) without relation to an Option.

6.2 Rights Related to Options. A Stock Appreciation Right granted pursuant to an Option shall entitle the Holder, upon exercise, to surrender that Option or any portion thereof, to the extent unexercised, and to receive payment of an amount computed pursuant to Subparagraph 6.2(b). That Option shall then cease to be exercisable to the extent surrendered. Stock Appreciation Rights granted in connection with an Option shall be subject to the terms of the Award Agreement governing the Option, which shall comply with the following provisions in addition to those applicable to Options:

(a) Exercise and Transfer. Subject to Paragraph 10.10, a Stock Appreciation Right granted in connection with an Option shall be exercisable only at such time or times and only to the extent that the related Option is exercisable and shall not be transferable except to the extent that the related Option is transferable. To the extent that an Option has been exercised, the Stock Appreciation Rights granted in connection with that Option shall terminate.

(b) Value of Right. Upon the exercise of a Stock Appreciation Right related to an Option, the Holder shall be entitled to receive payment from the Corporation of an amount determined by multiplying:

(i) The difference obtained by subtracting the Exercise Price of a share of Stock specified in the related Option from the Fair Market Value of a share of Stock on the date of exercise of the Stock Appreciation Right, by

(ii) The number of shares as to which that Stock Appreciation Right has been exercised.

6.3 Right Without Option. A Stock Appreciation Right granted without relationship to an Option shall be exercisable as determined by the Committee and set forth in the Award Agreement governing the Stock Appreciation Right, which Award Agreement shall comply with the following provisions:

(a) Number of Shares. Each Award Agreement shall state the total number of shares of Stock to which the Stock Appreciation Right relates.

(b) Vesting. Each Award Agreement shall state the time, periods or other conditions on which the right to exercise the Stock Appreciation Right or a portion thereof shall vest and the number of shares of Stock for which the right to exercise the Stock Appreciation Right shall vest at each such time, period or satisfaction of condition.

(c) Expiration of Rights. Each Award Agreement shall state the date at which the Stock Appreciation Rights shall expire if not previously exercised.

(d) Value of Right. A Stock Appreciation Right granted without relationship to an Option shall entitle the Holder, upon exercise of the Stock Appreciation Right, to receive payment of an amount determined by multiplying:

(i) The difference obtained by subtracting the SAR Exercise Price from the Fair Market Value of a share of Stock on the date of exercise of that Stock Appreciation Right, by

(ii) The number of rights as to which the Stock Appreciation Right has been exercised.

6.4 Limitations on Rights. Notwithstanding Subparagraph 6.2(b) and Subparagraph 6.3(d), the Committee may limit the amount payable upon exercise of a Stock Appreciation Right. Any such limitation must be determined as of the Date of Grant and be noted on the instrument evidencing the Stock Appreciation Right.

6.5 Payment of Rights. Payment of the amount determined under Subparagraph 6.2(b) or Subparagraph 6.3(d) and Paragraph 6.4 may, in the sole discretion of the Committee, be made solely in whole shares of Stock valued at Fair Market Value on the date of exercise of the Stock Appreciation Right or, in the sole discretion of the Committee, solely in cash or a combination of cash and Stock. If the Committee decides to make full payment in shares of Stock and the amount payable results in a fractional share, payment for the fractional share shall be made in cash.

6.6 Other Agreement Provisions. The Award Agreements authorized relating to Stock Appreciation Rights shall contain such provisions in addition to those required by the Plan (including, without limitation, restrictions or the removal of restrictions upon the exercise of the Stock Appreciation Right and the retention or transfer of shares thereby acquired) as the Committee may deem advisable.

SECTION 7. RESTRICTED STOCK AWARDS

All Restricted Stock Awards granted under the Plan shall comply with, and the related Award Agreements shall be deemed to include, and be subject to the terms and conditions set forth in this Section 7 and also to the terms and conditions set forth in Paragraph 9.1 and Section 10; *provided, however*, that the Committee may authorize an Award Agreement relating to a Restricted Stock Award that expressly contains terms and provisions that differ from the terms and provisions of Section 10. The Committee may also authorize an Award Agreement relating to a Restricted Stock Award that contains any or all of the terms and provisions of Paragraphs 9.2 and 9.3 or that contains terms and provisions dealing with similar subject matter differently than do those Paragraphs; nevertheless, no term or provision of Paragraph 9.2 or 9.3 (or any such differing term or provision) shall apply to an Award Agreement relating to a Restricted Stock Award unless the Award Agreement expressly states that such term or provision applies.

7.1 Restrictions. All shares of Restricted Stock Awards granted or sold pursuant to the Plan shall be subject to the following conditions:

- (a) Transferability. The shares may not be sold, transferred or otherwise alienated or hypothecated until the restrictions are removed or expire.
- (b) Conditions to Removal of Restrictions. Conditions to removal or expiration of the restrictions may include, but are not required to be limited to, continuing employment or service as a director, officer, consultant or advisor or achievement of performance objectives described in the Award Agreement.
- (c) Legend. Each certificate representing Restricted Stock Awards granted pursuant to the Plan shall bear a legend making appropriate reference to the restrictions imposed.
- (d) Possession. At its sole discretion, the Committee may (i) authorize issuance of a certificate for shares in the Holder's name only upon lapse of the applicable restrictions, (ii) require the Corporation, transfer agent or other custodian to retain physical custody of the certificates representing Restricted Stock Awards during the restriction period and may require the Holder of the Award to execute stock powers, endorsed or in blank, for those certificates and deliver those stock powers to the Corporation, transfer agent or custodian, or (iii) may require the Holder to enter into an escrow agreement providing that the certificates representing Restricted Stock Awards granted or sold pursuant to the Plan shall remain in the physical custody of an escrow holder until all restrictions are removed or expire. The Corporation may issue shares subject to stop-transfer restrictions or may issue such shares subject only to the restrictive legend described in subparagraph 7.1(c).
- (e) Other Conditions. The Committee may impose other conditions on any shares granted or sold as Restricted Stock Awards pursuant to the Plan as it may deem advisable, including, without limitation, (i) restrictions under the Securities Act or Exchange Act, (ii) the requirements of any securities exchange upon which the shares or shares of the same class are then listed, and (iii) any state securities law applicable to the shares.

7.2 Expiration of Restrictions. The restrictions imposed in Paragraph 7.1 on Restricted Stock Awards shall lapse as determined by the Committee and set forth in the applicable Award Agreement, and the Corporation shall promptly cause to be delivered to the Holder of the Restricted Stock Award a certificate representing the number of shares for which restrictions have lapsed, free of any restrictive legend relating to the lapsed restrictions. Each Restricted Stock Award may have a different restriction period, in the discretion of the Committee. The Committee may, in its discretion, prospectively reduce the restriction period applicable to a particular Restricted Stock Award. The foregoing notwithstanding, no restriction not required by law shall remain in effect for more than ten years after the date of the Award.

7.3 Changes in Accounting Rules. Notwithstanding any other provision of the Plan to the contrary, if, during the term of the Plan, any changes in the financial or tax accounting rules applicable to Restricted Stock Awards shall occur that, in the sole judgement of the Board of Directors, may have a material adverse effect on the reported earnings, assets, or liabilities of the Corporation, the Committee shall have the right and power to modify as necessary any then

outstanding Restricted Stock Awards as to which the applicable restrictions have not been satisfied.

7.4 Rights as Stockholder. Subject to the provisions of Paragraphs 7.1 and 10.11, the Committee may, in its discretion, determine what rights, if any, the Holder shall have with respect to the Restricted Stock Awards granted or sold, including the right to vote the shares and receive all dividends and other distributions paid or made with respect thereto.

7.5 Other Agreement Provisions. The Award Agreements relating to Restricted Stock Awards shall contain such provisions in addition to those required by the Plan as the Committee may deem advisable.

SECTION 8. PERFORMANCE UNITS

All Performance Units granted under the Plan shall comply with, and the related Award Agreements shall be deemed to include and be subject to, the terms and conditions set forth in this Section 8 (to the extent each term and condition applies to the form of Performance Unit) and also to the terms and conditions set forth in Paragraph 9.1 and Section 10; *provided, however*, that the Committee may authorize an Award Agreement related to a Performance Unit that expressly contains terms and provisions that differ from the terms and provisions of Section 10. The Committee may also authorize an Award Agreement related to a Performance Unit that contains any or all of the terms and provisions of Paragraphs 9.2 and 9.3 or that contains terms and provisions dealing with similar subject matter differently than do those Paragraphs; nevertheless, no term or provision of Paragraph 9.2 or 9.3 (or any such differing term or provision) shall apply to an Award Agreement related to a Performance Unit unless the Award Agreement expressly states that such term or provision applies.

8.1 Multiple Grants. The Committee may make grants of Performance Units in such a manner that more than one Performance Period is in progress simultaneously. At or before the beginning of each Performance Period, the Committee will establish the contingent value of each Performance Unit, if any, for that Performance Period, which may vary depending on the degree to which performance objectives established by the Committee are met.

8.2 Performance Standards. At or before the beginning of each Performance Period, the Committee will (a) establish the beginning and ending dates of the Performance Period, (b) establish for that Performance Period specific performance objectives as the Committee (in its sole discretion) believes are relevant to the Corporation's overall business objectives, (c) determine the minimum and maximum value of a Performance Unit and the value of a Performance Unit based on the degree to which performance objectives are achieved, exceeded or not achieved, (d) determine a minimum performance level below which Performance Units will be assigned a value of zero, and a maximum performance level above which the value of Performance Units will not increase, and (e) notify each Holder of a Performance Unit for that Performance Period in writing of the established performance objectives and minimum, target and maximum Performance Unit value for that Performance Period.

8.3 Modification of Standards. If the Committee determines in its sole discretion that the established performance measures or objectives are no longer suitable to the Corporation's

objectives because of a change in the Corporation's business, operations, corporate structure, capital structure or other conditions the Committee deems to be material, the Committee may modify the performance measures and objectives as it considers appropriate and equitable.

8.4 Payment. The basis for payment of Performance Units for a given Performance Period will be the achievement of those performance objectives determined by the Committee at the beginning of the Performance Period. If minimum performance is not achieved or exceeded for a Performance Period, no payment will be made and all contingent rights will cease. If minimum performance is achieved or exceeded, the value of a Performance Unit will be based on the degree to which actual performance exceeded the pre-established minimum performance standards. The amount of payment will be determined by multiplying the number of Performance Units granted at the beginning of the Performance Period by the final Performance Unit value. Payments will be made in cash or Stock as soon as administratively possible following the close of the applicable Performance Period.

8.5 Other Agreement Provisions. The Award Agreements, if any, authorized relating to Performance Units shall contain such provisions in addition to those required by the Plan (including, without limitation, restrictions or the removal of restrictions upon the transfer of shares thereby acquired) as the Committee may deem advisable.

SECTION 9. ADJUSTMENT PROVISIONS

The Committee may authorize an Award that contains any or all of the terms and provisions of this Section 9 or, with respect to Paragraphs 9.2 and 9.3, that contains terms and provisions dealing with similar subject matter differently than do those Paragraphs; nevertheless, no term or provision of Paragraph 9.2 or 9.3 (or any such differing term or provision) shall apply to an Award Agreement unless the Award Agreement expressly states that such term or provision applies.

9.1 Adjustment of Awards and Authorized Stock. The terms of an Award, the number of shares of Stock authorized pursuant to Paragraph 2.1 for issuance under the Plan, and the number shares of Stock that constitute the individual limitations in Paragraph 2.6 shall be subject to adjustment, from time to time, in accordance with the following provisions:

(a) If at any time or from time to time, the Corporation shall subdivide as a whole (by reclassification, by a Stock split, by the issuance of a distribution on Stock payable in Stock or otherwise) the number of shares of Stock then outstanding into a greater number of shares of Stock, then (i) the maximum number of shares of Stock available for the Plan and for any individual as provided in Paragraph 2.1 and Paragraph 2.6, respectively, shall be increased proportionately, and the kind of shares or other securities available for the Plan shall be appropriately adjusted, (ii) the number of shares of Stock (or other kind of shares or securities) that may be acquired under any Award shall be increased proportionately, and (iii) the price (including Exercise Price) for each share of Stock (or other kind of shares or unit of other securities) subject to then outstanding Awards shall be reduced proportionately, without changing the aggregate purchase price or value as to which outstanding Awards remain exercisable or subject to restrictions.

(b) If at any time or from time to time the Corporation shall consolidate as a whole (by reclassification, reverse Stock split, or otherwise) the number of shares of Stock then outstanding into a lesser number of shares of Stock, (i) the maximum number of shares of Stock available for the Plan and for any individual as provided in Paragraph 2.1 and Paragraph 2.6, respectively shall be decreased proportionately, and the kind of shares or other securities available for the Plan shall be appropriately adjusted, (ii) the number of shares of Stock (or other kind of shares or securities) that may be acquired under any Award shall be decreased proportionately, and (iii) the price (including Exercise Price) for each share of Stock (or other kind of shares or unit of other securities) subject to then outstanding Awards shall be increased proportionately, without changing the aggregate purchase price or value as to which outstanding Awards remain exercisable or subject to restrictions.

(c) Whenever the number of shares of Stock subject to outstanding Awards and the price for each share of Stock subject to outstanding Awards are required to be adjusted as provided in this Paragraph 9.1, the Committee shall promptly prepare a notice setting forth, in reasonable detail, the event requiring adjustment, the amount of the adjustment, the method by which such adjustment was calculated, and the change in price and the number of shares of Stock, other securities, cash or property purchasable subject to each Award after giving effect to the adjustments. The Committee shall promptly give each Holder such a notice.

(d) Adjustments under Paragraph 9(a) and (b) shall be made by the Committee, and its determination as to what adjustments shall be made and the extent thereof shall be final, binding and conclusive. No fractional interest shall be issued under the Plan on account of any such adjustments.

9.2 Changes in Control. Upon the occurrence of a Change in Control, but only if approved by the Committee, for Awards held by Participants who are employees or directors of the Corporation (and their permitted transferees pursuant to Paragraph 3.5), (a) all outstanding Stock Appreciation Rights and Options shall immediately become fully vested and exercisable in full, including that portion of any Stock Appreciation Right or Option that pursuant to the terms and provisions of the applicable Award Agreement had not yet become exercisable (the total number of shares of Stock as to which a Stock Appreciation Right or Option is exercisable upon the occurrence of a Change in Control is referred to herein as the *Total Shares*); (b) the restriction period of any Restricted Stock Award shall immediately be accelerated and the restrictions shall expire; and (c) the target payout opportunity attainable under the Performance Units will be deemed to have been fully earned for all Performance Periods upon the occurrence of the Change in Control and the Holder will be paid a pro rata portion of all associated targeted payout opportunities (based on the number of complete and partial calendar months elapsed as of the occurrence of the Change in Control) in cash within thirty days following the Change in Control or in Stock effective as of the Change in Control, for cash and stock-based Performance Units, respectively. If a Change in Control involves a Restructure or occurs in connection with a series of related transactions involving a Restructure and if such Restructure is in the form of a Non-Surviving Event and as a part of such Restructure shares of stock, other securities, cash or property shall be issuable or deliverable in exchange for Stock, then the Holder of an Award shall be entitled to purchase or receive (in lieu of the Total Shares that the Holder would

otherwise be entitled to purchase or receive), as appropriate for the form of Award, the number of shares of stock, other securities, cash or property to which that number of Total Shares would have been entitled in connection with such Restructure (and, for Options, at an aggregate exercise price equal to the Exercise Price that would have been payable if that number of Total Shares had been purchased on the exercise of the Option immediately before the consummation of the Restructure). Nothing in this Paragraph 9.2 shall impose on a Holder the obligation to exercise any Award immediately before or upon the Change of Control, and, unless otherwise provided in the Award Agreement relating to the Award, no Holder shall forfeit the right to exercise the Award during the remainder of the original term of the Award because of a Change in Control or because the Holder's employment is terminated for any reason following a Change in Control.

9.3 Restructure and No Change in Control. In the event a Restructure should occur at any time while there is any outstanding Award hereunder and that Restructure does not occur in connection with a Change in Control or in connection with a series of related transactions involving a Change in Control, then:

- (a) no Holder of an Option shall automatically be granted corresponding Stock Appreciation Rights;
- (b) neither any outstanding Stock Appreciation Rights nor any outstanding Options shall immediately become fully vested and exercisable in full merely because of the occurrence of the Restructure;
- (c) the restriction period of any Restricted Stock Award shall not immediately be accelerated nor shall the restrictions expire merely because of the occurrence of the Restructure; and
- (d) the target payout opportunity attainable under the Performance Units will not be deemed to have been fully earned for all Performance Periods merely because of the occurrence of the Restructure.

The Corporation shall promptly notify each Holder of any election or action taken by the Corporation under this Paragraph 9.3. In the event of any election or action taken by the Corporation pursuant to this Paragraph 9.3 that requires the amendment or cancellation of any Award Agreement as may be specified in any notice to the Holder thereof, that Holder shall promptly deliver that Award Agreement to the Corporation in order for that amendment or cancellation to be implemented by the Corporation and the Committee. The failure of the Holder to deliver any such Award Agreement to the Corporation as provided in the preceding sentence shall not in any manner affect the validity or enforceability of any action taken by the Corporation and the Committee under this Paragraph 9.3, including, without limitation, any redemption of an Award as of the consummation of a Restructure. Any cash payment to be made by the Corporation pursuant to this Paragraph 9.3 in connection with the redemption of any outstanding Awards shall be paid to the Holder thereof currently with the delivery to the Corporation of the Award Agreement evidencing that Award; provided, however, that any such redemption shall be effective upon the consummation of the Restructure notwithstanding that the payment of the redemption price may occur subsequent to the consummation. If all or any

portion of an outstanding Award is to be exercised or accelerated upon or after the consummation of a Restructure that is in the form of a Non-Surviving Event and as a part of that Restructure shares of stock, other securities, cash or property shall be issuable or deliverable in exchange for Stock, then the Holder of the Award shall thereafter be entitled to purchase or receive (in lieu of the number of shares of Stock that the Holder would otherwise be entitled to purchase or receive) the number of shares of stock, other securities, cash or property to which such number of shares of Stock would have been entitled in connection with the Restructure (and, for Options, at an aggregate exercise price equal to the Exercise Price that would have been payable if that number of Total Shares had been purchased on the exercise of the Option immediately before the consummation of the Restructure).

9.4 Notice of Change in Control or Restructure. The Corporation shall attempt to keep all Holders informed with respect to any Change in Control or Restructure or of any potential Change in Control or Restructure to the same extent that the Corporation's stockholders are informed by the Corporation of any such event or potential event.

SECTION 10. ADDITIONAL PROVISIONS

10.1 Termination of Employment. Subject to the last sentence of Paragraph 9.2, if a Holder is an Eligible Individual because the Holder is an Employee and if that employment relationship is terminated for any reason other than Retirement or that Holder's death or Disability, then the following provisions shall apply to all Awards held by that Holder that were granted because that Holder was an Employee:

(a) If the termination is by the Holder's employer, then the following provisions shall apply: (i) if the termination is for Cause, then that portion, if any, of any and all Awards held by that Holder that are not yet exercisable (or for which restrictions have not lapsed) as of the date of termination shall become null and void; provided, however, that the portion, if any, of any and all Awards held by that Holder which are exercisable (or for which restrictions have lapsed) as of the date of such termination shall survive such termination and shall be exercisable by such Holder for a period of the lesser of (A) the remainder of the term of the Award or (B) three (3) days following the date of such termination or (ii) if the termination is not for Cause, then that portion, if any, of any and all Awards held by that Holder that are not yet exercisable (or for which restrictions have not lapsed) as of the date of the termination shall become null and void as of the date of the termination; *provided, however,* that the portion, if any, of any and all Awards held by that Holder which are exercisable (or for which restrictions have lapsed) as of the date of such termination shall survive such termination and shall be exercisable by such Holder for a period of the lesser of (A) the remainder of the term of the Award or (B) 180 days following the date of such termination.

(b) If such termination is by the Holder, then, unless otherwise agreed to by the Corporation, any and all Awards held by that Holder, whether or not then exercisable and whether or not restrictions thereon have lapsed (except in full), shall become null and void as of the date of the termination.

10.2 Other Loss of Eligibility. If a Holder is an Eligible Individual because the Holder is serving in a capacity other than as an Employee and if that capacity is terminated for any reason other than the Holder's death, then that portion, if any, of any and all Awards held by the Holder that were granted because of that capacity which are not yet exercisable (or for which restrictions have not lapsed) as of the date of the termination shall become null and void as of the date of the termination; *provided, however*, that the portion, if any, of any and all of the Awards held by the Holder that are exercisable (or for which restrictions have lapsed) as of the date of the termination shall survive the termination and shall be exercisable by such Holder for a period of the lesser of (a) the remainder of the term of the Award or (b) 90 days following the date of such termination.

10.3 Death. Upon the death of a Holder, then any and all Awards held by the Holder, including those portions of the Awards that pursuant to the terms and provisions of the applicable Award Agreement had not yet become exercisable, shall immediately become fully vested and exercisable in full by the Holder, his guardians or his legal representatives, legatees or distributees for a period of the lesser of (a) the remainder of the term of the Award or (b) one year following the date of the Holder's death. Any portion of an Award not exercised upon the expiration of the periods specified in (a) or (b) shall be null and void. Except as expressly provided in this Paragraph 10.3, all Awards held by a Holder shall not be exercisable after the death of that Holder.

10.4 Retirement. If a Holder is an Eligible Individual because the Holder is an Employee and if that employment relationship is terminated by reason of the Holder's Retirement, then the portion, if any, of any and all Awards held by the Holder that are not yet exercisable (or for which restrictions have not lapsed) as of the date of that retirement shall become null and void as of the date of retirement; *provided, however*, that the portion, if any, of any and all Awards held by the Holder that are exercisable as of the date of that Retirement shall survive the Retirement and shall be exercisable by such Holder for a period of the lesser of (a) the remainder of the terms of the Award or (b) ninety days following the date of retirement.

10.5 Disability. If a Holder is an Eligible Individual because the Holder is an Employee and if that employment relationship is terminated by reason of the Holder's Disability, then any and all Awards held by the Holder, including those portions of the Awards that pursuant to the terms and provisions of the applicable Award Agreement had not yet become exercisable (or for which restrictions had not lapsed), shall immediately become fully vested and exercisable in full by the Holder, his guardians or his legal representatives for a period of the lesser of (a) the remainder of the term of the Award or (b) one year following the date on which the Holder's employment is terminated due to such Holder's Disability. Disability shall have the meaning given it in the employment agreement of the Holder; *provided, however*, that if that Holder has no employment agreement, Disability shall mean a physical or mental impairment of sufficient severity that, in the opinion of the Corporation, either the Holder is unable to continue performing the duties he performed before such impairment or the Holder's condition entitles him to disability benefits under any insurance or employee benefit plan of the Corporation or its Subsidiaries and that impairment or condition is cited by the Corporation as the reason for termination of the Holder's employment.

10.6 Leave of Absence. With respect to an Award, the Committee may, in its sole discretion, determine that any Holder who is on leave of absence for any reason will be considered to still be in the employ of the Corporation, provided that rights to that Award during a leave of absence will be limited to the extent to which those rights were earned or vested when the leave of absence began.

10.7 Transferability of Awards. In addition to such other terms and conditions as may be included in a particular Award Agreement, an Award requiring exercise shall be exercisable during a Holder's lifetime only by that Holder or by that Holder's guardian or legal representative. An Award requiring exercise shall not be transferrable other than by will or the laws of descent and distribution, except as permitted in accordance with Paragraph 3.5.

10.8 Forfeiture and Restrictions on Transfer. Each Award Agreement may contain or otherwise provide for conditions giving rise to the forfeiture of the Stock acquired pursuant to an Award or otherwise and may also provide for those restrictions on the transferability of shares of the Stock acquired pursuant to an Award or otherwise that the Committee in its sole and absolute discretion may deem proper or advisable. The conditions giving rise to forfeiture may include, but need not be limited to, the requirement that the Holder render substantial services to the Corporation or its Subsidiaries for a specified period of time. The restrictions on transferability may include, but need not be limited to, options and rights of first refusal in favor of the Corporation and stockholders of the Corporation other than the Holder of such shares of Stock who is a party to the particular Award Agreement or a subsequent holder of the shares of Stock who is bound by that Award Agreement.

10.9 Delivery of Certificates of Stock. Subject to Paragraph 10.10, the Corporation shall promptly issue and deliver a certificate representing the number of shares of Stock as to which (a) an Option has been exercised after the Corporation receives an Exercise Notice and upon receipt by the Corporation of the Exercise Price and any tax withholding as may be requested; (b) a Stock Appreciation Right has been exercised and upon receipt by the Corporation of any tax withholding as may be requested; (c) restrictions have lapsed with respect to a Restricted Stock Award and upon receipt by the Corporation of any tax withholding as may be requested; and (d) performance objectives have been achieved during a Performance Period relating to a Performance Unit for Stock. The value of the shares of Stock, cash or notes transferable because of an Award under the Plan shall not bear any interest owing to the passage of time, except as may be otherwise provided in an Award Agreement. If a Holder is entitled to receive certificates representing Stock received for more than one form of Award under the Plan, separate Stock certificates shall be issued with respect to each such Award and for Incentive Options and Nonstatutory Stock Options separately.

10.10 Conditions to Delivery of Stock. Nothing herein or in any Award granted hereunder or any Award Agreement shall require the Corporation to issue any shares with respect to any Award if that issuance would, in the opinion of counsel for the Corporation, constitute a violation of the Securities Act or any similar or superseding statute or statutes, any other applicable statute or regulation, or the rules of any applicable securities exchange or securities association, as then in effect. At the time of any exercise of an Option or Stock Appreciation Right, or at the time of any grant of a Restricted Stock Award or Performance Unit, the Corporation may, as a condition precedent to the exercise of such Option or Stock

Appreciation Right or vesting of any Restricted Stock Award or Performance Unit, require from the Holder of the Award (or in the event of his death, his legal representatives, heirs, legatees, or distributees) such written representations, if any, concerning the Holder's intentions with regard to the retention or disposition of the shares of Stock being acquired pursuant to the Award and such written covenants and agreements, if any, as to the manner of disposal of such shares as, in the opinion of counsel to the Corporation, may be necessary to ensure that any disposition by that Holder (or in the event of the Holder's death, his legal representatives, heirs, legatees, or distributees) will not involve a violation of the Securities Act or any similar or superseding statute or statutes, any other applicable state or federal statute or regulation, or any rule of any applicable securities exchange or securities association, as then in effect.

10.11 Certain Directors and Officers. With respect to Awards granted to Holders who are directors or officers of the Corporation or any Subsidiary and who are subject to Section 16(b) of the Exchange Act, Awards shall contain such other terms and conditions as may be required by Rule 16b-3 unless the majority of the Board of Directors or the Holder has determined not to have the Award comply with Rule 16b-3.

10.12 Securities Act Legend. Certificates for shares of Stock, when issued, may have the following legend, or statements of other applicable restrictions endorsed thereon and may not be immediately transferable:

THE SHARES OF STOCK REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933 OR ANY STATE SECURITIES LAWS. THE SHARES MAY NOT BE OFFERED FOR SALE, SOLD, PLEDGED, TRANSFERRED, OR OTHERWISE DISPOSED OF UNTIL THE HOLDER HEREOF PROVIDES EVIDENCE SATISFACTORY TO THE ISSUER (WHICH, IN THE DISCRETION OF THE ISSUER, MAY INCLUDE AN OPINION OF COUNSEL SATISFACTORY TO THE ISSUER) THAT SUCH OFFER, SALE, PLEDGE, TRANSFER, OR OTHER DISPOSITION WILL NOT VIOLATE APPLICABLE FEDERAL OR STATE LAWS.

This legend shall not be required for shares of Stock issued pursuant to an effective registration statement under the Securities Act.

10.13 Legend for Restrictions on Transfer. Each certificate representing shares issued to a Holder pursuant to an Award granted under the Plan shall, if such shares are subject to any transfer restriction, including a right of first refusal, provided for under this Plan or an Award Agreement, bear a legend that complies with applicable law with respect to the restrictions on transferability contained in this Paragraph 10.13, such as:

THE SHARES OF STOCK REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO RESTRICTIONS ON TRANSFERABILITY IMPOSED BY THAT CERTAIN INSTRUMENT ENTITLED TRAMMELL CROW COMPANY LONG-TERM INCENTIVE PLAN AS ADOPTED BY TRAMMELL CROW COMPANY (THE *CORPORATION*) ON AUGUST 22, 1997, AND AN AGREEMENT THEREUNDER BETWEEN THE

CORPORATION AND [HOLDER] DATED _____, _____, AND MAY NOT BE TRANSFERRED, SOLD, OR OTHERWISE DISPOSED OF EXCEPT AS THEREIN PROVIDED. THE CORPORATION WILL FURNISH A COPY OF SUCH INSTRUMENT AND AGREEMENT TO THE RECORD HOLDER OF THIS CERTIFICATE WITHOUT CHARGE ON REQUEST TO THE CORPORATION AT ITS PRINCIPAL PLACE OF BUSINESS OR REGISTERED OFFICE.

10.14 Rights as a Stockholder. A Holder shall have no right as a stockholder with respect to any shares covered by his Award until a certificate representing those shares is issued in his name. No adjustment shall be made for dividends (ordinary or extraordinary, whether in cash or other property) or distributions or other rights for which the record date is before the date that certificate is issued, except as contemplated by Section 9. Nevertheless, dividends and dividend equivalent rights may be extended to and made part of any Award denominated in Stock or units of Stock, subject to such terms, conditions, and restrictions as the Committee may establish. The Committee may also establish rules and procedures for the crediting of interest on deferred cash payments and dividend equivalents for deferred payment denominated in Stock or units of Stock.

10.15 Furnish Information. Each Holder shall furnish to the Corporation all information requested by the Corporation to enable it to comply with any reporting or other requirement imposed upon the Corporation by or under any applicable statute or regulation.

10.16 Obligation to Exercise. The granting of an Award hereunder shall impose no obligation upon the Holder to exercise the same or any part thereof.

10.17 Adjustments to Awards. Subject to the general limitations set forth in Sections 5, 6 and 9, the Committee may make any adjustment in the exercise price of, the number of shares subject to or the terms of a Nonstatutory Option or Stock Appreciation Right by canceling an outstanding Nonstatutory Option or Stock Appreciation Right and regranting a Nonstatutory Option or Stock Appreciation Right. Such adjustment shall be made by amending, substituting or regranting an outstanding Nonstatutory Option or Stock Appreciation Right. Such amendment, substitution or regrant may result in terms and conditions that differ from the terms and conditions of the original Nonstatutory Option or Stock Appreciation Right. The Committee may not, however, impair the rights of any Holder to previously granted Nonstatutory Options or Stock Appreciation Rights without that Holder's consent. If such action is effected by amendment, the effective date of such amendment shall be the date of the original grant.

10.18 Remedies. The Corporation shall be entitled to recover from a Holder reasonable attorneys' fees incurred in connection with the enforcement of the terms and provisions of the Plan and any Award Agreement whether by an action to enforce specific performance or for damages for its breach or otherwise.

10.19 Information Confidential. As partial consideration for the granting of each Award hereunder, the Holder shall agree with the Corporation that he will keep confidential all information and knowledge that he has relating to the manner and amount of his participation in the Plan; *provided, however*, that such information may be disclosed as required by law and may

be given in confidence to the Holder's spouse, tax and financial advisors, or to a financial institution to the extent that such information is necessary to secure a loan. In the event any breach of this promise comes to the attention of the Committee, it shall take into consideration that breach in determining whether to recommend the grant of any future Award to that Holder, as a factor militating against the advisability of granting any such future Award to that individual.

10.20 Consideration. No Option or Stock Appreciation Right shall be exercisable, no restriction on any Restricted Stock Award shall lapse, and no Performance Unit shall be settled in Stock with respect to a Holder unless and until the Holder shall have paid cash or property to, or performed services for, the Corporation or any of its Subsidiaries that the Committee believes is equal to or greater in value than the par value of the Stock subject to such Award.

10.21 Payment of Taxes. The Committee may, in its discretion, require a Holder to pay to the Corporation (or the Corporation's Subsidiary if the Holder is an employee of a Subsidiary of the Corporation), at the time of the exercise of an Award, the amount that the Committee deems necessary to satisfy the Corporation's or its Subsidiary's current or future obligation to withhold federal, state or local income or other taxes that the Holder incurs by exercising an Award. Upon the exercise of an Award requiring tax withholding, a Holder may (a) direct the Corporation to withhold from the shares of Stock to be issued to the Holder the number of shares necessary to satisfy the Corporation's obligation to withhold taxes, that determination to be based on the shares' Fair Market Value as of the date of exercise; (b) deliver to the Corporation sufficient shares of Stock (based upon the Fair Market Value at date of exercise) to satisfy the Corporation's tax withholding obligations, based on the shares' Fair Market Value as of the date of exercise; or (c) deliver sufficient cash to the Corporation to satisfy its tax withholding obligations. Holders who elect to use such a stock withholding feature must make the election at the time and in the manner that the Committee prescribes. The Committee may, at its sole option, deny any Holder's request to satisfy withholding obligations through Stock instead of cash. In the event the Committee subsequently determines that the aggregate Fair Market Value (as determined above) of any shares of Stock withheld as payment of any tax withholding obligation is insufficient to discharge that tax withholding obligation, then the Holder shall pay to the Corporation, immediately upon the Committee's request, the amount of that deficiency.

SECTION 11. DURATION AND AMENDMENT OF PLAN

11.1 Duration. No Awards may be granted hereunder after the date that is ten (10) years from the date the last amendment to this Plan involving an increase in authorized shares is approved by the stockholders of the Corporation.

11.2 Amendment. The Board of Directors may, insofar as permitted by law, with respect to any shares which, at the time, are not subject to Awards, suspend or discontinue the Plan or revise or amend it in any respect whatsoever, and may amend any provision of the Plan or any Award Agreement to make the Plan or the Award Agreement, or both, comply with Section 16(b) of the Exchange Act and the exemptions therefrom, the Code, the Employee Retirement Income Security Act of 1974, as amended (*ERISA*), the regulations promulgated under the Code or ERISA, or any other law, rule or regulation that may affect the Plan. The Board of Directors may also amend, modify, suspend or terminate the Plan for the purpose of

meeting or addressing any changes in other legal requirements applicable to the Corporation or the Plan or for any other purpose permitted by law. The Plan may not be amended without the consent of the holders of a majority of the shares of Stock then outstanding to increase materially the aggregate number of shares of Stock that may be issued under the Plan (except for adjustments pursuant to Section 9 of the Plan).

SECTION 12. GENERAL

12.1 Application of Funds. The proceeds received by the Corporation from the sale of shares pursuant to Awards shall be used for general corporate purposes.

12.2 Right of the Corporation and Subsidiaries to Terminate Employment. Nothing contained in the Plan or in any Award Agreement shall confer upon any Holder the right to continue in the employ of the Corporation or any Subsidiary, or interfere in any way with the rights of the Corporation or any Subsidiary to terminate his or her employment at any time.

12.3 No Liability for Good Faith Determinations. Neither the members of the Board of Directors nor any member of the Committee shall be liable for any act, omission or determination taken or made in good faith with respect to the Plan or any Award granted under it, and members of the Board of Directors and the Committee shall be entitled to indemnification and reimbursement by the Corporation in respect of any claim, loss, damage or expense (including attorneys' fees, the costs of settling any suit, provided such settlement is approved by independent legal counsel selected by the Corporation, and amounts paid in satisfaction of a judgment, except a judgment based on a finding of bad faith) arising therefrom to the full extent permitted by law and under any directors and officers liability or similar insurance coverage that may from time to time be in effect. This right to indemnification shall be in addition to, and not a limitation on, any other indemnification rights any member of the Board of Directors or the Committee may have.

12.4 Other Benefits. Participation in the Plan shall not preclude the Holder from eligibility in any other stock or stock option plan of the Corporation or any Subsidiary or any old age benefit, insurance, pension, profit sharing, retirement, bonus or other extra compensation plans that the Corporation or any Subsidiary has adopted or may, at any time, adopt for the benefit of its Employees. Neither the adoption of the Plan by the Board of Directors nor the submission of the Plan to the stockholders of the Corporation for approval shall be construed as creating any limitations on the power of the Board of Directors to adopt such other incentive arrangements as it may deem desirable, including, without limitation, the granting of stock options and the awarding of stock and cash otherwise than under the Plan, and such arrangements may be either generally applicable or applicable only in specific cases.

12.5 Exclusion from Pension and Profit-Sharing Compensation. By acceptance of an Award (whether in Stock or cash), as applicable, each Holder shall be deemed to have agreed that the Award is special incentive compensation that will not be taken into account in any manner as salary, compensation or bonus in determining the amount of any payment under any pension, retirement or other employee benefit plan of the Corporation or any Subsidiary. In addition, each beneficiary of a deceased Holder shall be deemed to have agreed that the Award will not affect the amount of any life insurance coverage, if any, provided by the Corporation or

a Subsidiary on the life of the Holder that is payable to the beneficiary under any life insurance plan covering employees of the Corporation or any Subsidiary.

12.6 Execution of Receipts and Releases. Any payment of cash or any issuance or transfer of shares of Stock or other property to the Holder, or to his legal representative, heir, legatee or distributee, in accordance with the provisions hereof, shall, to the extent thereof, be in full satisfaction of all claims of such persons hereunder. The Committee may require any Holder, legal representative, heir, legatee or distributee, as a condition precedent to such payment, to execute a release and receipt therefor in such form as it shall determine.

12.7 Unfunded Plan. Insofar as it provides for Awards of cash and Stock, the Plan shall be unfunded. Although bookkeeping accounts may be established with respect to Holders who are entitled to cash, Stock, other property or rights thereto under the Plan, any such accounts shall be used merely as a bookkeeping convenience. The Corporation shall not be required to segregate any assets that may at any time be represented by cash, Stock, other property or rights thereto, nor shall the Plan be construed as providing for such segregation, nor shall the Corporation nor the Board of Directors nor the Committee be deemed to be a trustee of any cash, Stock, other property or rights thereto to be granted under the Plan. Any liability of the Corporation to any Holder with respect to a grant of cash, Stock, other property or rights thereto under the Plan shall be based solely upon any contractual obligations that may be created by the Plan and any Award Agreement; no such obligation of the Corporation shall be deemed to be secured by any pledge or other encumbrance on any property of the Corporation. Neither the Corporation nor the Board of Directors nor the Committee shall be required to give any security or bond for the performance of any obligation that may be created by the Plan.

12.8 No Guarantee of Interests. The Board of Directors, the Committee and the Corporation do not guarantee the Stock of the Corporation from loss or depreciation.

12.9 Payment of Expenses. All expenses incident to the administration, termination or protection of the Plan, including, but not limited to, legal and accounting fees, shall be paid by the Corporation or its Subsidiaries; *provided, however*, the Corporation or a Subsidiary may recover any and all damages, fees, expenses and costs arising out of any actions taken by the Corporation to enforce its right to purchase Stock under this Plan.

12.10 Corporation Records. Records of the Corporation or its Subsidiaries regarding the Holder's period of employment, termination of employment and the reason therefor, leaves of absence, re-employment, and other matters shall be conclusive for all purposes hereunder, unless determined by the Committee to be incorrect.

12.11 Information. The Corporation and its Subsidiaries shall, upon request or as may be specifically required hereunder, furnish or cause to be furnished, all of the information or documentation which is necessary or required by the Committee to perform its duties and functions under the Plan.

12.12 Corporation Action. Any action required of the Corporation shall be by resolution of its Board of Directors or by a person authorized to act by resolution of the Board of Directors.

12.13 Severability. If any provision of this Plan is held to be illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining provisions hereof, but such provision shall be fully severable and the Plan shall be construed and enforced as if the illegal or invalid provision had never been included herein. If any of the terms or provisions of this Plan conflict with the requirements of Rule 16b-3 (as those terms or provisions are applied to Eligible Individuals who are subject to Section 16(b) of the Exchange Act) or Section 422 of the Code (with respect to Incentive Options), then those conflicting terms or provisions shall be deemed inoperative to the extent they so conflict with the requirements of Rule 16b-3 or Section 422 of the Code unless the Committee has determined that the Plan should not comply with such requirements. With respect to Incentive Options, if this Plan does not contain any provision required to be included herein under Section 422 of the Code, that provision shall be deemed to be incorporated herein with the same force and effect as if that provision had been set out at length herein; provided, further, that, to the extent any Option that is intended to qualify as an Incentive Option cannot so qualify, that Option (to that extent) shall be deemed a Nonstatutory Option for all purposes of the Plan.

12.14 Notices. Whenever any notice is required or permitted hereunder other than any Exercise Notice or notice to exercise an Stock Appreciation Right, such notice must be in writing and personally delivered or sent by mail. Any such notice required or permitted to be delivered hereunder shall be deemed to be delivered on the date on which it is personally delivered, or, whether actually received or not, on the third Business Day after it is deposited in the United States mail, certified or registered, postage prepaid, addressed to the person who is to receive it at the address which such person has theretofore specified by written notice delivered in accordance herewith. The Corporation or a Holder may change, at any time and from time to time, by written notice to the other, the address which it or he had previously specified for receiving notices. Until changed in accordance herewith, the Corporation and each Holder shall specify as its and his address for receiving notices the address set forth in the Award Agreement pertaining to the shares to which such notice relates. Any Exercise Notice or notice to exercise a Stock Appreciation Right shall be valid only when it is in fact received by the Corporation or the Person it designates in accordance with procedures that the Committee may adopt from time to time.

12.15 Waiver of Notice. Any person entitled to notice hereunder may waive such notice.

12.16 Successors. The Plan shall be binding upon the Holder, his legal representatives, heirs, legatees and distributees, upon the Corporation, its successors and assigns, and upon the Committee and its successors.

12.17 Headings. The titles and headings of Sections and Paragraphs are included for convenience of reference only and are not to be considered in construction of the provisions hereof.

12.18 Governing Law. All questions arising with respect to the provisions of the Plan shall be determined by application of the laws of the State of Delaware except to the extent Delaware law is preempted by federal law. Questions arising with respect to the provisions of an Award Agreement that are matters of contract law shall be governed by the laws of the state

specified in the Award Agreement, except to the extent Delaware corporate law conflicts with the contract law of such state, in which event Delaware corporate law shall govern. The obligation of the Corporation to sell and deliver Stock hereunder is subject to applicable laws and to the approval of any governmental authority required in connection with the authorization, issuance, sale, or delivery of such Stock.

12.19 Word Usage. Words used in the masculine shall apply to the feminine where applicable, and wherever the context of this Plan dictates, the plural shall be read as the singular and the singular as the plural.

IN WITNESS WHEREOF, Trammell Crow Company, acting by and through its officer hereunto duly authorized, has executed this Trammell Crow Company Long-term Incentive Plan this 22nd day of August, 1997.
