ITEM 8.01 OTHER EVENTS

Magellan Health Services, Inc. (the Company) currently provides managed behavioral healthcare services for the State of Tennessee's TennCare program (TennCare). TennCare has divided its program into three regions, and the Company's TennCare contracts, which extend through June 30, 2007, currently encompass all of the TennCare membership for all three regions.

On April 7, 2006, TennCare issued a Request for Proposals (RFP) for the management of the integrated delivery of behavioral and physical medical care to TennCare enrollees in the Middle region by managed care organizations. The RFP stated that the start date of any such contract awarded pursuant to the RFP is expected to be April 1, 2007. Because the Company's contracts with TennCare can be terminated by TennCare prior to June 30, 2007, the Company's contract for the Middle region would be terminated by TennCare should an implementation occur prior to June 30, 2007 of the contracts awarded pursuant to the RFP.

On July 26, 2006, the State announced the two winning bidders to the RFP process. The Company had not partnered with either of these bidders.

For the six months ended June 30, 2006, revenue derived under the Company's current contracts from TennCare enrollees residing in the Middle region amounted to approximately \$77 million.
