**Item 1.01. Entry into a Material Definitive Agreement.**

On July 25, 2006, the Compensation Committee of the Board of Directors of Liquidity Services, Inc. (the "Company") recommended to the Company's Board of Directors that the Board of Directors approve revisions to the Company's compensation plan for non-employee directors (the "Revised Plan"), which revisions would allow non-employee directors to elect, pursuant to procedures set forth under the Revised Plan, to receive annual cash payments payable to them under such plan in the form of stock option grants. These stock options will have a one-year vesting period, such that 100% of the options will vest on the one-year anniversary of the grant date. The exercise price shall be, in accordance with the terms of the Company's 2006 Long Term Omnibus Incentive Plan, the closing price of the Company's common stock on the first day of the fiscal year for which the election is made (or if the Nasdaq National Market is closed for trading on such day, then the closing price on the next day on which the Nasdaq National Market is open for trading).

On August 1, 2006, the Company's Board of Directors approved the Revised Plan, which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.
