The communication shall set out the address to which voting papers and other documentation should be sent. In response, the Company will send out the relevant voting papers and other documentation to such shareholder, and the shareholder must send to the Chairman of the General Meeting of Shareholders (*) an envelope containing the declaration of the financial intermediary entrusted with the registration of the relevant shares, the declaration as referred to in paragraph 12 of Article 13 of the Articles of Association and another closed envelope containing the duly completed voting papers. Such shareholders may exercise their voting rights between midnight (12:00 a.m.) on the 15th of February 2007 and 5:00 p.m. on the 27th of February 2007.

Only the votes of shareholders as to whom the declaration of the financial intermediary entrusted with the registration of the relevant shares and the declaration referred to in paragraph 12 of Article 13 of the Company's Articles of Association have been received no later than 5:00 p.m. on the 23rd of February 2007 will be considered.

Votes exercised either by mail or by electronic means shall be considered as negative votes concerning resolution proposals that may be presented after the exercise of such votes.

The proposals to be submitted by the Board of Directors to the General Meeting, the reports that must be attached to the proposals according to the law and all other preparatory information, including, since the date hereof, the full text of the proposed amendments to the Articles of Association, shall be made available to the Shareholders, within the period provided by law, at the Company's headquarters and on the Internet site www.telecom.pt.
