When used in this Proxy Statement, the terms we, us, our, the Company and AXIS Capital refer to AXIS Capital Holdings Limited.

The approximate date on which we are first sending this proxy statement and the accompanying proxy card is March __, 2007.

When the accompanying proxy card is properly executed and returned, the proxies named on the proxy card will vote the common shares, par value U.S. \$0.0125 per share, of the Company that it represents as specified at the meeting on the following proposals:

- the election of the four nominees for the Class III Directors as identified in this proxy statement;
- the approval of the AXIS Capital Holdings Limited 2007 Long-Term Equity Compensation Plan;
- the approval of amended and restated Bye-laws to amend the director and officer indemnity provisions and to allow acquired shares of our capital stock to be held in treasury;

- such other business as may properly come before the meeting or any postponements or adjournments thereof.

Shareholders of record as of the close of business on March 9, 2007 are entitled to vote at the meeting. As of March 9, 2007, there were 153,715,446 outstanding common shares entitled to vote at the meeting. Except as set forth in our bye-laws, each common share entitles the holder of record to one vote. In accordance with our bye-laws, shareholders whose shares constitute 9.5% or more of the voting power of our common shares are entitled to less than one vote for each common share held by them, and we will notify them of their voting power prior to the meeting.

Election of the directors and approval of the other proposals requires the affirmative vote of a majority of the votes cast at the meeting by the holders of shares represented in person or by proxy at the meeting, provided that there is a quorum consisting of two or more persons present in person and

representing in person or by proxy shares representing more than fifty percent (50%) of the aggregate voting power of the Company. We will count common shares held by shareholders who are present in person or by proxy at the meeting and who elect to withhold authority to vote on any director nominee or who elect to abstain from voting on any proposal, as well as broker non-votes, towards the presence of a quorum but will not count those shares as a vote for any director or for any proposal. We will count common shares held by shareholders who have signed their proxy cards but have not specified how their shares are to be voted towards the presence of a quorum, and we will vote those shares for the election of directors and for any proposal.

Any shareholder giving a proxy has the power to revoke it prior to its exercise by sending notice of revocation to our Secretary in writing, by executing and delivering a subsequent proxy card or by voting in person at the meeting.

Our financial statements for the year ended December 31, 2006 together with the report of our independent registered public accounting firm in respect of these financial statements will be presented at the meeting.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

Our Board of Directors is divided into three classes designated Class I, Class II and Class III. The term of office for each Class III director expires at the annual general meeting in 2007; the term of office for each Class II director expires at the annual general meeting in 2008; and the term of office for each Class I director expires at the annual general meeting in 2009. CORPORATE GOVERNANCE

Independence of Directors

Our Board of Directors consists of 12 directors, of which ten are non-management directors. The board has determined that all ten of our non-management directors are independent as defined in the listing standards of the New York Stock Exchange. The board has made this determination based primarily on a review of the responses of the directors to questions regarding employment and compensation history, family relationships and affiliations, and discussions with the directors. With respect to Mr. Charles A. Davis, the board reviewed his current relationship with Stone Point Capital, LLC and the amount of our common shares and warrants owned by entities that are managed by or affiliated with Stone Point. The board determined that neither this relationship nor the amount of common shares and warrants that may be deemed to be beneficially owned by Stone Point or its affiliates constituted a material relationship with us as defined in the listing standards of the New York Stock Exchange. With respect to Mr. Robert L. Friedman, the board reviewed his relationship with Blackstone Group, L.P. and various investments held by us that are managed by affiliates of Blackstone. The board determined that these transactions did not constitute a material relationship with us as defined in the listing standards of the New York Stock Exchange. For more details about these transactions and our share ownership, see [Certain Relationships and Related Transactions](#) and [Principal Shareholders](#) in this proxy statement.

Meetings of the Board of Directors and its Committees

Pursuant to our Corporate Governance Guidelines, we expect directors to attend all meetings of our Board of Directors, all meetings of all committees of the board on which they serve and each annual general meeting of shareholders, absent exigent circumstances. Our Board of Directors met five times during the year ended December 31, 2006. No director attended fewer than 75% of the aggregate of the total number of meetings of the board and the total number of meetings of all committees of the board on which the director served. Eight of the ten directors then serving attended the 2006 annual general meeting of shareholders. Our non-management directors meet quarterly at executive sessions without management. They have selected Mr. Greene as the presiding director.

Our Board of Directors currently maintains Executive, Audit, Compensation, Corporate Governance and Nominating, and Finance Committees. Current copies of the charter for each of these committees, as well as our Corporate Governance Guidelines and Code of Business Conduct, are available on our website at www.axiscapital.com and are available, without charge, in print to any shareholder who requests them by contacting our Secretary at 92 Pitts Bay Road, Pembroke, Bermuda, HM 08.

Executive Committee. The Executive Committee is composed of Messrs. Butt, Charman and Davis and is chaired by Mr. Greene. This committee may exercise the authority of the Board of Directors when the entire Board of Directors is not available to meet, except in cases where the action of the entire Board of Directors is required by our memorandum of association, our bye-laws or applicable law. The Executive Committee did not meet during the year ended December 31, 2006.

Audit Committee. The Audit Committee is composed of Messrs. Greene, Keane and Smith, with Mr. Smith serving as Chairman. This committee has general responsibility for the oversight of the integrity of our financial statements, our compliance with legal and regulatory requirements, our independent auditors' qualifications and independence and the performance of our internal audit functions and independent auditors. The committee appoints, retains and determines the compensation for our independent auditors, pre-approves fees and services of the independent auditors and reviews the scope and results of their audit. The Audit Committee has been established in accordance with Section 3(a)(58)(A) of the U.S. Securities Exchange Act of 1934, as amended (the [Exchange Act](#)). Each member of the Audit Committee is a non-management director and is independent as defined in the listing standards of the New York Stock Exchange and under the Exchange Act. Our Board of Directors has

determined that each of Messrs. Greene, Keane and Smith qualify as audit committee financial experts pursuant to the rules and regulations of the Securities and Exchange Commission (the SEC). The Audit Committee met nine times during the year ended December 31, 2006.

Compensation Committee. The Compensation Committee is composed of Messrs. Greene, Grupe and Smith and is chaired by Mr. Tasco. This committee establishes our Chief Executive Officer's and our other executive officers' compensation in light of our established corporate performance goals and makes recommendations to our Board of Directors with respect to overall officer, management and employee compensation policies, incentive compensation plans, equity-based plans and director compensation. Each member of this committee is a non-management director and is independent as defined in the listing standards of the New York Stock Exchange. The Compensation Committee met four times during the year ended December 31, 2006.

Compensation Committee Process

Under our Compensation Committee's charter, the Committee has the power and duty to set the Chief Executive Officer's annual compensation after evaluating his performance under corporate goals and objectives that the Compensation Committee sets each year. The Compensation Committee also has the authority to make recommendations to the Board regarding compensation programs and policies affecting other employees, including the other executive officers, and the form and amount of director compensation. The Compensation Committee is empowered to approve initial offers of employment, salary increases, bonuses and other incentive payments for our highest salary grade level employees, including our executive officers, and must approve all equity awards to our executive officers. The Compensation Committee is also responsible for the design of our incentive and equity compensation plans and any changes or amendments to those plans. The Compensation Committee is permitted to delegate any of its responsibilities to subcommittees in its discretion, but to date has not done so.

Our Compensation Committee generally receives proposals and information from our human resources department and from our Chief Executive Officer for their consideration regarding executive and director compensation. Our Chief Executive Officer makes recommendations regarding salary increases, annual cash incentives and equity awards for all of our executive officers other than himself. Our Compensation Committee receives input and recommendations from our chief human resources officer, in consultation with third-party consultants and senior management, as required, regarding director compensation. However, the Compensation Committee is responsible for recommendations to the Board regarding director compensation. The Committee also approves salary increases, incentive payments and equity awards for our executive officers.

Our Compensation Committee has sole authority to retain and terminate any consultants used to evaluate executive compensation, and may retain other advisors if and when it deems necessary. The Compensation Committee employs compensation consultants to assist in establishing compensation policies and programs, and considers reports prepared by compensation consultants engaged by management. The consultants prepare reports comparing our compensation programs to those of peer companies, to aid the Compensation Committee in ensuring the competitiveness and appropriateness of our compensation programs. During 2006, our human resources department engaged Mercer Human Resources Consulting on behalf of the Compensation Committee to provide an analysis of our executive compensation programs. In 2005, management engaged the firm of Pearl Meyer & Partners on behalf of the Compensation Committee to analyze our director compensation program. Pearl Meyer & Partners provided a report in January of 2006 that the Compensation Committee used in 2006 to determine adjustments to our director compensation program.

At the beginning of each calendar year, our Compensation Committee generally reviews the incentive plan results from the prior year, establishes the performance goals under the incentive plan for the current

year, approves the Compensation Committee's report for our proxy statement and conducts a self-assessment. Mid-year the Compensation Committee generally reviews the compensation consultant's report, if any, regarding our executive compensation program and generally reviews our compensation programs. In the fall of each year, the Compensation Committee reviews our director compensation program, approves any needed changes to the director compensation program, and conducts a preliminary assessment of our performance for the year. Our Compensation Committee generally meets at the end of each calendar year to make decisions regarding the salaries for the next calendar year, and to determine the equity awards and incentive cash payments that will be made at the beginning of the next calendar year, subject to final year-end results.

Compensation Committee Interlocks and Insider Participation

During the year ended December 31, 2006, none of our executive officers served as a member of the compensation committee or as a director of another entity, one of whose executive officers served on our Compensation Committee or as one of our directors.

Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee is composed of Messrs. Davis and Friedman and is chaired by Mr. Greene. This committee takes a leadership role in shaping our corporate governance by identifying and proposing qualified director nominees, overseeing the purpose, structure and composition of the board committees, overseeing the annual evaluation of the Board of Directors and the committees and periodically reviewing our Code of Business Conduct and Corporate Governance Guidelines. Each member of this committee is a non-management director and is independent as defined in the listing standards of the New York Stock Exchange. The Corporate Governance and Nominating Committee met four times during the year ended December 31, 2006.

Consideration of Director Nominees

The Corporate Governance and Nominating Committee will consider candidates recommended by shareholders to be nominated to our Board of Directors for election at the annual general meeting of shareholders. A shareholder who wishes to submit a candidate for consideration must be a shareholder of record at the time that it submits a candidate for nomination and must be entitled to vote for the candidate at the meeting. A shareholder must give written notice of the submission to our Secretary not less than 90 days nor more than 120 days prior to the anniversary of the annual general meeting of shareholders for the preceding year. The notice must include:

- the name, age and business and residence addresses of the candidate,
- the principal occupation or employment of the candidate,
- the number of common shares or other securities of the Company beneficially owned by the candidate,
- all other information relating to the candidate that is required to be disclosed in solicitations of proxies for election of directors pursuant to Regulation 14A under the Exchange Act, and
- the candidate's written consent to be named in the proxy statement and to serve as a director if elected.

The notice must also include information on the shareholder submitting the nomination, including the shareholder's name and address as it appears on our books and the number of our common shares beneficially owned by the shareholder.

The Corporate Governance and Nominating Committee believes that directors should be persons who combine the highest standards of integrity and significant accomplishments in their chosen field of

endeavor. Directors should bring a diversity of experiences, skills and perspectives to our Board of Directors. The committee considers qualities of intelligence, honesty, perceptiveness, good judgment, high ethics and standards, integrity and fairness to be of paramount importance. It also examines experience, knowledge and skills in business judgment, leadership, strategic planning, general management practices and crisis response. In addition, the committee looks for candidates with financial expertise and a willingness and ability to commit the time required to fully discharge their responsibilities to the board. The committee evaluates candidates on the basis of their qualifications and not on the basis of the manner in which they were submitted for consideration.

Finance Committee. The Finance Committee is composed of Messrs. Bell, Butt, Friedman and Greetham and is chaired by Mr. Davis. This committee generally approves and monitors the investment of funds and financing facilities. It is also responsible for establishing our investment guidelines, approving the selection and terms of investment managers, evaluating the performance of investment managers, monitoring the need for additional financing and ensuring compliance with outstanding debt facility covenants. The Finance Committee met four times during the year ended December 31, 2006.

Code of Business Conduct

We have adopted a Code of Business Conduct that applies to all of our directors and employees, including our Chief Executive Officer and President, our Chief Financial Officer and our Controller. Copies of our Code of Business Conduct and our Corporate Governance Guidelines are available on our website at www.axiscapital.com and are available, without charge, in print to any shareholder who requests them by contacting our Secretary at 92 Pitts Bay Road, Pembroke, Bermuda, HM 08. We intend to disclose on our website any required amendment to, or waiver of, a provision of the Code of Business Conduct that applies to our Chief Executive Officer and President, our Chief Financial Officer or our Controller. In addition, waivers of the Code of Business Conduct for our directors and executive officers may be made only by our Board of Directors or the Corporate Governance and Nominating Committee and will be promptly disclosed to shareholders on our website in accordance with the listing standards of the New York Stock Exchange.

Shareholder Communications with the Board of Directors

Shareholders and other interested parties may send communications to our Board of Directors by sending written notice to our Secretary. The notice may specify whether the communication is directed to the entire board, to the non-management directors, to the presiding director of the non-management directors or to a particular board committee or other director. Our Secretary will handle routine inquiries and requests for information or will otherwise determine whether the communication is made for a valid purpose and is relevant to the Company and its business and, if he so determines, will forward the communication to the Chairman of the Board, to the non-management directors or to the appropriate committee chairman or director. At each meeting of our Board of Directors, our Secretary presents a summary of all communications received since the last meeting that were not forwarded and makes those communications available to the directors on request.
