- o Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act

ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On May 1, 2007, Cimarex Energy Co. (the Company) completed the public offering of its 7 1/8% Senior Notes due 2017 (the Notes). The Company intends to use the net proceeds from the offering of approximately \$344 million, after deducting underwriting discounts and estimated offering expenses, to redeem the outstanding 9.6% Senior Notes due 2012 assumed in the acquisition of Magnum Hunter Resources, Inc. and to reduce outstanding borrowings under the Company's senior revolving credit facility.

The terms of the Notes are governed by an Indenture (the Indenture), dated as of May 1, 2007, between the Company, the Subsidiary Guarantors party thereto and U.S. Bank National Association, as trustee (the Trustee).

The Notes will bear interest at the rate of 7 1/8% per annum. Interest on the Notes is payable on May 1 and November 1 of each year, beginning on November 1, 2007. The Notes will mature on May 1, 2017.

The Company may at its option redeem some or all of the Notes on or after May 1, 2012 for cash at the redemption prices set forth in the Indenture. In addition, at any time prior to May 1, 2012, the Company may redeem all, but not part, of the Notes at a price equal to 100% of the principal amount plus accrued and unpaid interest plus a make-whole premium. Prior to May 1, 2010, the Company may, at its option, also redeem up to 35% of the Notes using the proceeds of certain equity offerings. If the Company sells certain of its assets or experiences specific kinds of change of control, it may be required to offer to purchase the Notes.

The Notes will be the Company's general unsecured, senior obligations, will be equal in right of payment with any of the Company's existing and future unsecured senior indebtedness that is not by its terms subordinated to the Notes, and will be effectively junior to the Company's existing and future secured indebtedness to the extent of collateral securing that debt. The Notes will initially be guaranteed on a senior unsecured basis by all of the Company's current and future subsidiaries that guarantee the Company's senior revolving credit facility. The Notes will be effectively junior to the indebtedness and other liabilities of any non-guarantor subsidiaries.

The Notes were offered and sold under a prospectus supplement filed with the Securities and Exchange Commission pursuant to Rule 424(b)(5) of the Securities Act of 1933, as amended, in connection with the Company's registration statements on Form S-3ASR (Registration No. 333-142016) and Form S-3MEF (Registration No. 333-142168), which were automatically effective on April 11, 2007 and April 17, 2007, respectively (collectively, the Registration Statement).

The foregoing description of the Indenture and the Notes does not purport to be complete and is qualified in its entirety by reference to the full text of the Indenture and the Notes, which are filed herewith as Exhibits 4.1 and 4.2, respectively, and incorporated by reference herein and are to be incorporated by reference in their entirety into the Registration Statement.
