**Item 1.01 Entry into a Material Definitive Agreement.**

On December 2, 2009, AeroVironment, Inc. (AV) received a modification to its Award Contract, dated August 15, 2005, between AV and U.S. Army Aviation & Missile Command relating to AV's Raven B small unmanned aircraft systems (the Raven B Contract). The modification incorporated into the Raven B Contract options to purchase Digital Data Link (DDL) Raven Systems, including Initial Spares Packages (ISPs) and Retrofit Kits, totaling approximately \$66.6 million. The options may be exercised in one or more increments through December 2, 2010, although there is no assurance that any of the options will be exercised. Release of funds under the contract will only occur if and when the options are exercised. With the addition of this latest modification, the Raven B Contract has a total contract value, including unexercised options, of approximately \$506.5 million. As of December 2, 2009, orders in the amount of approximately \$347.2 million had been placed under the Raven B Contract, and orders in the amount of approximately \$318.0 million had been delivered.

The foregoing description of the modification to the Raven B Contract does not purport to be complete and is qualified in its entirety by reference to the complete text of the Raven B Contract, which includes all modifications to date, which will be filed as an exhibit to AV's Quarterly Report on Form 10-Q for the quarter ending January 30, 2010.
