INFORMATION TO BE INCLUDED IN THE REPORT

Item 2.05. Costs Associated with Exit or Disposal Activities.

On December 9, 2009, Carlisle Companies Incorporated (the Company) approved plans to (i) with respect to its wholly-owned subsidiary, Carlisle Industrial Brake & Friction, Inc., close the manufacturing facility located in Logansport, Indiana (the Logansport Facility), consolidate manufacturing previously conducted at the Logansport Facility with and into the manufacturing facilities located in Bloomington, Indiana and Hangzhou, China and sell the Logansport Facility's remaining assets, and (ii) with respect to its wholly-owned limited liability company, Tensolite LLC d/b/a Carlisle Interconnect Technologies, close the manufacturing facility located in Vancouver, Washington (the Vancouver Facility), consolidate manufacturing operations previously conducted at the Vancouver Facility with and into the manufacturing facilities located in Long Beach, California and Yichang, China and sell the Vancouver Facility's remaining assets.

In connection with its determination to close and consolidate the Logansport and Vancouver Facilities, the Company has estimated that the following pre-tax non-cash charges will be incurred in the fourth quarter 2009: (i) with respect to the Logansport Facility, (a) \$1.8 million impairment charge related to long-lived assets, and (b) \$0.6 million charge related to inventory, and (ii) with respect to the Vancouver Facility, (a) \$1.4 million impairment charge related to long-lived assets, and (b) \$0.8 million charge related to inventory. The Company also expects to incur pre-tax cash charges for contract termination, severance and other charges as follows: (i) with respect to the Logansport Facility, \$0.4 million in the fourth quarter 2009 and \$2.1 million in 2010, and (ii) with respect to the Vancouver Facility, \$1.3 million in 2009 and \$0.9 million in 2010.

The Company's disposition plans could result in additional asset impairments, contract termination costs, severance related charges and other charges depending upon the final outcome of the sale processes, any such charges are expected to be reported in 2010.

Item 2.06 Material Impairments.

See discussion above under Item 2.05 Costs Associated with Exit or Disposal Activities.
