Portugal Telecom informs on expiration of Telefonica's Offer

Portugal Telecom informs that, in reference to Telefonica's offer to acquire the fifty-percent stake in Brasilcel, NV, held by Portugal Telecom (Offer), and following the Extraordinary Shareholders Meeting that took place on 30 June 2010, PT's designated representatives engaged in negotiations with representatives of Telefonica, SA, (Telefonica) to analyse future options for Vivo and the Offer.

The negotiations with Telefonica progressed in a constructive manner and PT's Board of Directors has been committed to using its best endeavours to conclude them in a way that satisfied the interests of all parties. For such purposes, and to continue working towards a positive outcome, the Board of Directors resolved yesterday to request formally a final extension of the validity of the Offer until 28 July 2010.

Notwithstanding negotiations with regard to the said final extension having occurred, Telefonica informed Portugal Telecom on 17 July 2010 that it did not accept the request from the Board of Directors of Portugal Telecom for a final extension of the validity of the Offer. The Offer thus expired at 23:59 of 16 July 2010.

A copy of both letters are attached hereto.

Portugal Telecom, SGPS, SA	Public company	Portugal Telecom is listed on the Euronext and New York Stock Exchange. Information may be accessed on the Reuters under the symbols PTC.LS and PT and on Bloomberg under the symbol PTC PL.	Nuno Vieira

VIA FACSIMILE

Lisbon, 16 July 2010

Dear Sir,

In reference to Telefonica's Offer (Offer) to acquire the fifty-percent stake in Brasilcel, NV, held by Portugal Telecom, SGPS, SA (PT), and following the Extraordinary Shareholders Meeting that took place on 30 June 2010, PT's designated representatives have engaged in discussions with representatives of Telefónica, SA, (Telefónica) to analyse future options for Vivo and the Offer.

The discussions with Telefónica have progressed in a constructive manner and PT's Board of Directors is committed to use its best endeavours to conclude them in a way that satisfies the interests of all parties. In light of this, and to continue working towards a positive outcome, the Board of Directors of PT has resolved today to request a final extension of the validity of the Offer until 28 July 2010.

Yours faithfully,

Conselho de Administração

Portugal Telecom, SGPS, S.A.

July 17th, 2010

Dear Sirs,

In reference to your letter dated July 16, 2010 requesting a final extension until July 28, 2010 of the validity of the Telefónica's offer to acquire 50% of the shares of Brasilcel, N.V. owned directly or indirectly by Portugal Telecom, SGPS S.A., as we have verbally communicated to you before the expiration of such offer, we hereby kindly confirm that the offer, in accordance with its terms and conditions, expired on July 16, 2010 at 23:59 h (Lisbon time).

Yours sincerely

TELEFÓNICA, S.A.

FORWARD-LOOKING STATEMENTS

This document may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words anticipates, believes, estimates, expects, plans and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
