Notes Underwriting Agreement

On July 21, 2010, Genco Shipping & Trading Limited (Genco), entered into an Underwriting Agreement (the Notes Underwriting Agreement) with Deutsche Bank Securities Inc., BNP Paribas Securities Corp. and Credit Suisse Securities USA (the Representatives), as representatives for the several underwriters referred to in the Notes Underwriting Agreement, relating to the issuance and sale in a public offering of \$110 million aggregate principal amount of its 5.00% Convertible Senior Notes due 2015 (the Notes). In connection with this offering, Genco granted the underwriters a 30-day option to purchase up to an additional \$15 million aggregate principal amount of convertible senior notes, which the underwriters exercised in full on July 22, 2010. The offering of the Notes has been registered under the Securities Act of 1933, as amended (the Securities Act), by Genco as part of its Registration Statement on Form S-3 (No. 333-155758) (the Form S-3) filed with the Securities and Exchange Commission (the SEC).

Indenture and Notes

The Notes are being issued pursuant to an indenture, dated as of July 27, 2010 (the Base Indenture), by and between Genco and The Bank of New York Mellon, as trustee (the Trustee), supplemented by the First Supplemental Indenture dated as of June 27, 2010, by and between Genco and the Trustee (the Supplemental Indenture, and together with the Base Indenture, the Indenture). The Notes will be represented by a global security, executed by Genco, in the form attached to the Supplemental Indenture.

The Notes will bear interest at a rate of 5.00% per annum and are scheduled to mature on August 15, 2010. Holders may convert their Notes until the close of business on February 15, 2015, only in specified circumstances, and holders may convert their Notes at any time thereafter until the second scheduled trading day preceding maturity. The Notes will be convertible at an initial conversion price of \$19.60 per share of common stock, which represents an initial conversion rate of approximately 51.0204 shares of common stock per \$1,000 aggregate principal amount of notes. Upon conversion, Genco may deliver cash, shares of common stock or a combination thereof, at its option. The Indenture includes customary agreements and covenants by Genco, including with respect to events of default.

The foregoing description of the material terms of the Base Indenture and the Supplemental Indenture is qualified in its entirety by reference to each of the Base Indenture and the Supplemental Indenture, which are attached to this report as Exhibit 4.1 and Exhibit 4.2, respectively, and are incorporated herein by reference
