Item 1.01

Entry into a Material Definitive Agreement

Purchase Agreement – Public Offering of Subordinated Debentures

On May 15, 2012, Protective Life Corporation, a Delaware corporation (Protective), entered into a purchase agreement (the Purchase Agreement) with Wells Fargo Securities, LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, Barclays Capital Inc. and Citigroup Global Markets Inc., as representatives of the several underwriters named therein (the Underwriters), for the issuance and sale by Protective of \$250 million in aggregate principal amount of Protective s 6.25% Subordinated Debentures due 2042 (the Debentures). Pursuant to the Purchase Agreement, Protective also granted the Underwriters the right to purchase an additional \$37.5 million aggregate principal amount of the Debentures within 30 days of May 15, 2012 to cover overallotments, if any.

The closing of the issuance and sale by Protective of \$250 million in aggregate principal amount of the Debentures occurred on May 18, 2012. The Debentures were offered and sold pursuant to Protective s shelf registration statement on Form S-3 (File No. 333-175224) (the Registration Statement), which became effective upon filing with the Securities and Exchange Commission (the SEC) on June 29, 2011, and a related Prospectus Supplement dated May 15, 2012, which was filed with the SEC on May 16, 2012.

The net proceeds from the sale of the Debentures are approximately \$241.4 million, after giving effect to the underwriting discount and estimated expenses of the offering. If the Underwriters exercise their overallotment option, Protective will receive up to approximately \$277.7 million in net proceeds from the offering. Protective intends to use the net proceeds from the offering of the Debentures, together with cash on hand and a draw of approximately \$15.0 million under Protective s existing revolving credit facility, to redeem: (i) all \$100.0 million of the 7.50% Trust Originated Preferred SecuritiesSM due 2031 issued by PLC Capital Trust III, a subsidiary of Protective, (ii) all \$115.0 million of the 7.25% Trust Originated Preferred SecuritiesSM due 2032 issued by PLC Capital Trust IV, a subsidiary of Protective, and (iii) assuming no exercise of the Underwriters overallotment option, \$50.0 million of the \$200.0 million in outstanding 7.25% Capital Securities due 2066 issued by Protective. Protective intends to use some or all of the net proceeds from any exercise of the Underwriters overallotment option to redeem additional amounts of Protective s 7.25% Capital Securities due 2066, with the remainder, if any, of such net proceeds to be used for general working capital purposes.

The Purchase Agreement with the Underwriters includes customary representations, warranties and covenants by Protective. It also provides for customary indemnification by each of Protective and the Underwriters against certain liabilities arising out of or in connection with the sale of the Debentures.

The foregoing description of the Purchase Agreement is qualified in its entirety by reference to the Purchase Agreement, which is attached hereto as Exhibit 1.1 and incorporated herein by reference.

Subordinated Debentures – Supplemental Indenture

The Debentures were issued under a Subordinated Indenture dated June 1, 1994 (the Base Indenture) between Protective and The Bank of New York Mellon Trust Company, N.A., as successor trustee (the Trustee), as supplemented by Supplemental Indenture No. 9, dated as of May 18, 2012 (Supplemental Indenture No. 9, and together with the Base Indenture, the Indenture).

Edgar Filing: PROTECTIVE LIFE CORP - Form 8-K

The Debentures bear interest at a fixed annual rate of 6.25%, accruing from the original date of issuance. Protective will pay interest on the Debentures quarterly in arrears on February 15, May 15, August 15 and November 15 of each year, commencing on August 15, 2012. So long as no event of default with respect to the Debentures has occurred and is continuing, Protective has the right, on one or more occasions, to defer the payment of interest on the Debentures, as described in Supplemental Indenture No. 9, for up to five consecutive years without giving rise to an event of default. During a deferral period, interest will continue to accrue at the interest rate on the Debentures, compounded quarterly as of each interest payment date to the extent permitted by applicable law.

The Debentures mature on May 15, 2042. However, Protective may redeem the Debentures, in whole but not in part, at any time prior to May 15, 2017, within 90 days of the occurrence of a tax event (as described in Supplemental Indenture No. 9) at a redemption price equal to \$26 per \$25 in principal amount of Debentures being redeemed, plus accrued and unpaid interest (including compounded interest, if any) to, but excluding, the date of redemption. On or after May 15, 2017, Protective may redeem the Debentures, in whole or in part, at their principal

amount plus accrued and unpaid interest (including compounded interest, if any) to, but excluding, the date of redemption.

The Indenture contains customary events of default, subject to the interest deferral provisions. If an event of default under the Indenture occurs and is continuing, the Trustee or the holders of at least 25% in aggregate principal amount of the outstanding Debentures may declare the principal amount of and accrued but unpaid interest on the Debentures to be immediately due and payable; provided, that if an event of default arising from an event of bankruptcy, insolvency or receivership has occurred, then the principal of and accrued and unpaid interest on the Debentures will automatically become immediately due and payable without any action by the Trustee or the holders of the Debentures.

The Debentures are unsecured, subordinated obligations of Protective and rank junior in right of payment and upon liquidation to all of Protective's existing and future senior indebtedness (as defined in the Indenture). In addition, the Debentures are effectively subordinated to all of the existing and future indebtedness and other liabilities of Protective's subsidiaries, including obligations to policyholders. The Debentures rank equally with (i) Protective's existing 7.50% Trust Originated Preferred SecuritiesSM due 2031 and related debentures, which Protective intends to repurchase with the net proceeds from the offering of the Debentures, (ii) Protective's existing 7.25% Trust Originated Preferred SecuritiesSM due 2032 and related debentures, which Protective intends to repurchase with the net proceeds from the offering of the Debentures, (iii) Protective's existing 6 1/8% Trust Originated Preferred SecuritiesSM due 2034 and related debentures, (iv) indebtedness incurred for the purchase of goods or material or for services obtained in the ordinary course of business, (v) indebtedness owed by Protective to its subsidiaries and (vi) any indebtedness the terms of which provide that such indebtedness ranks equally with the Debentures. The Debentures rank senior in right of payment and liquidation to (i) Protective's existing 7.25% Capital Securities due 2066, a portion of which Protective intends to repurchase with the net proceeds from the offering of the Debentures, and (ii) any indebtedness the terms of which provide that such indebtedness ranks junior to the Debentures.

The foregoing description of the Base Indenture, Supplemental Indenture No.9 and the Debentures is qualified in its entirety by reference to the full text of such documents, which are attached or incorporated by reference hereto as Exhibits 4.1, 4.2 and 4.3 and incorporated herein by reference.
