**Item 1.01 Entry into a Material Definitive Agreement.**

On May 16, 2012, Agilent Technologies, Inc., a Delaware corporation ( Agilent ), Agilent Technologies Europe B.V., a limited liability company incorporated under the laws of the Netherlands and a direct, wholly-owned subsidiary of Agilent ( Agilent Europe ), and Delphi S.a.r.l., a Luxembourg private limited liability company that is ultimately controlled by EQT V Limited ( Delphi ), entered into a share purchase agreement (the Share Purchase Agreement ), which provides for the acquisition (the Acquisition ) by Agilent Europe of 100% of the issued and outstanding share capital of Dako A/S, a limited liability company incorporated under the laws of Denmark ( Dako ), for a cash enterprise value of approximately \$2.2 billion, subject to a post-closing working capital and net debt adjustment.

The Acquisition is subject to customary closing conditions and is scheduled to close upon receipt of approvals (or the expiration of applicable waiting periods) related to antitrust and competition laws, which is expected to occur within 60 days. If the closing of the Acquisition has not occurred by November 16, 2012, either Agilent Europe or Delphi may terminate the Share Purchase Agreement as long as the failure to consummate the closing was not a result of the terminating party s breach or failure to perform in any material respect any of its covenants or agreements contained in the Share Purchase Agreement.

The Share Purchase Agreement contains customary warranties and covenants, including, among others, covenants that (i) Delphi will cause Dako and its subsidiaries to operate in the ordinary course of business consistent with past practice and to refrain from taking specified actions during the period between May 16, 2012 and the closing of the Acquisition, and (ii) Agilent Europe and Delphi will use their best efforts to take, or cause to be taken, all actions necessary or desirable under applicable law to consummate the transactions contemplated by the Share Purchase Agreement.

Delphi has agreed to indemnify Agilent Europe for losses arising out of any breaches of warranties or covenants by Delphi, subject to certain limitations and in accordance with general indemnification rules under Danish law. Agilent has agreed to irrevocably and unconditionally guarantee the payment obligations of Agilent Europe under the Share Purchase Agreement.

The foregoing description of the Share Purchase Agreement is qualified in its entirety by reference to the full text of the Share Purchase Agreement, which is attached hereto as Exhibit 10.1. Agilent encourages you to read the Share Purchase Agreement for a more complete understanding of the Acquisition.

**Item 8.01 Other Information.**

On May 17, 2012, Agilent and Dako issued a joint press release relating to the Acquisition. A copy of the press release is attached hereto as Exhibit 99.1.
