SEC's Collection of Information

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Filing of Form N-17f-2 is mandatory for an investment company that has custody of securities or similar investments. The accountant must prepare a certificate stating that the examination has occurred and describing the examination, and must transmit the certificate to the Commission with Form N-17f-2 as a cover sheet. The Commission uses the Form to ensure that the certificate is properly attributed to the investment company. The Commission estimates that the burden of completing Form N-17f-2 is approximately 1.0 hours per filing. Report of Independent Registered Public Accounting Firm

To the Board of Directors of

The Japan Equity Fund, Inc.

We have examined management's assertion, included in the accompanying Management Statement Regarding Compliance with Certain Provisions of the Investment Company Act of 1940, that The Japan Equity Fund, Inc. (the "Fund") complied with the requirements of subsections (b) and (c) of Rule 17f-2 under the Investment Company Act of 1940 (the "Act") as of October 31, 2011. Management is responsible for the Fund's compliance with those requirements. Our responsibility is to express an opinion on management's assertion about the Fund's compliance based on our examination.

Our examination was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included examining, on a test basis, evidence about the Fund's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. Included among our procedures were the following tests performed as of October 31, 2011, and with respect to agreement of security purchases and sales, for the period from September 30, 2011 (the date of our last examination), through October 31, 2011:

- Reconciliation of all such securities and cash to the books and records of the Fund and the Fund's Sub-Custodian (Daiwa Securities Trust and Banking (Europe) PLC);

- Reconciliation of all such cash to the books and records of the Fund and JPMorgan Chase;

Edgar Filing: JAPAN EQUITY FUND INC - Form 40-17F2

- Confirmation of all securities out for transfer with brokers or validation of open trades through subsequent liquidation; and

- Agreement of 4 security purchases and 4 security sales or maturities since our last report from the books and records of the Fund to broker confirmations.

We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Fund's compliance with specified requirements.

In our opinion, management's assertion that The Japan Equity Fund, Inc. complied with the requirements of subsections (b) and (c) of Rule 17f-2 of the Investment Company Act of 1940 as of October 31, 2011 with respect to securities reflected in the investment account of the Fund is fairly stated, in all material respects.

This report is intended solely for the information and use of management and the Board of Directors of The Japan Equity Fund, Inc. and the Securities and Exchange Commission and is not intended to be and should not be used by anyone other than these specified parties.
