EXPLANATORY NOTE

The financial statements and other disclosures contained in this report include those of PennyMac Financial Services, Inc. (PFSI), which is the registrant, and those of Private National Mortgage Acceptance Company, LLC (PennyMac), in which PFSI acquired an ownership interest in a reorganization transaction that was completed after March 31, 2013 in connection with the initial public offering of PFSI (which was completed on May 14, 2013). Accordingly, because PFSI had no substantial assets or activities (except for activities relating to its initial public offering) as of March 31, 2013 and because the reorganization transactions had not been completed as of such date, PFSI believes it is informative to provide the financial statements and various other disclosures of PennyMac as of March 31, 2013 and for the quarters ended March 31, 2013 and 2012. For more information regarding the transactions described above, see Note 22, *Subsequent Events*, to the financial statements of PennyMac contained in this report.

NOTES TO BALANCE SHEET (UNAUDITED)

Note 1 Organization

PennyMac Financial Services, Inc. (the Company) was formed as a Delaware corporation on December 31, 2012. Pursuant to a reorganization, the Company became a holding corporation and its sole asset is an equity interest in Private National Mortgage Acceptance Company, LLC (PennyMac). The Company is the managing member of PennyMac and operates and controls all of the businesses and affairs of PennyMac subject to the consent rights of other members under certain circumstances and, through PennyMac and its subsidiaries, continues to conduct the business now conducted by these subsidiaries.

Note 2 Summary of Significant Accounting Policies

Basis of Accounting The balance sheet has been prepared in accordance with accounting principles generally accepted in the United States of America. Separate statements of income, changes in stockholders equity and cash flows have not been presented in the financial statements because this entity has had no activities.

Underwriting Commissions and Offering Costs Underwriting commissions and offering costs to be incurred by the Company in connection with its common share offerings will be reflected as a reduction of additional paid-in capital. Underwriting commissions and offering costs are not recorded in the Company s consolidated balance sheet because such costs are not the Company s liability until the Company completes a successful initial public offering.

Organizational Costs Organizational costs are not recorded in the Company's consolidated balance sheet because such costs are not the Company's liability until the Company completes a successful initial public offering. Thereafter, costs incurred to organize the Company will be expensed as incurred.

Note 3 Liabilities

In March 2013, the Company borrowed \$50,000 from PennyMac to fund its operating cash account.

Note 4 Stockholders Equity

Under the Company s certificate of incorporation as in effect as of March 31, 2013 and December 31, 2012, the Company is authorized to issue 9,000 shares of Class A Common Stock, par value \$0.0001 per share (Class A Common Stock), and 1,000 shares of Class B Common Stock, par value \$0.0001 per share (Class B Common Stock), and all shares of Class A common stock and Class B Common Stock are identical.

Note 5 Subsequent Events

Management has evaluated all events and transactions through the date the Company issued these financial statements. During this period:

• In connection with the initial public offering (IPO) by the Company of its Class A Common Stock, par value \$0.0001 per share, covered by the final prospectus, dated May 8, 2013 and included as part of the Registration Statement on Form S-1, as amended (File No. 333-186495) (the Registration Statement), the Company and PennyMac consummated a recapitalization (Recapitalization). Under the terms of the Recapitalization, the Company, PennyMac and the existing unitholders of PennyMac entered into that certain Fourth Amended and Restated Limited Liability Company Agreement of PennyMac, dated May 8, 2013 (the LLC Agreement), pursuant to which, among other things, the Company became the sole managing member of PennyMac and the capital structure of PennyMac was modified by converting all existing classes of units into new Class A units, with the allocation of Class A units among PennyMac s existing owners determined pursuant to the distribution provisions of its former limited liability company agreement based upon the liquidation value of PennyMac, assuming it was liquidated at the time of the IPO of Class A Common Stock with a value implied by the IPO of the shares of Class A Common Stock sold in the IPO.

Also in connection with the Recapitalization, on May 8, 2013, the Company entered into: (i) an exchange agreement with PennyMac and the then-existing unitholders of PennyMac; (ii) a tax receivable agreement with PennyMac and the then-existing unitholders of PennyMac; (iii) a registration rights agreement with the then-existing unitholders of PennyMac and (iv) separate stockholder agreements with each of BlackRock Mortgage Ventures, LLC and HC Partners LLP, formerly known as Highfields Capital Investments LLC.

- On May 8, 2013, the Company s Amended and Restated Certificate of Incorporation and the Company s Amended and Restated Bylaws became effective. The Company is authorized to issue 210.0 million shares consisting of 10.0 million shares of Preferred Stock, par value \$0.0001 per share, 200.0 million shares of Class A Common Stock, and 1,000 shares of Class B Common Stock.
- On May 14, 2013, the Company completed its IPO by issuing approximately 12.8 million shares of Class A Common Stock for cash consideration of \$16.875 per share (net of underwriting discounts) to a syndicate of underwriters led by Citigroup Global Markets, Inc., BofA Merrill Lynch, Credit Suisse Securities (USA) LLC and Goldman, Sachs & Co., as joint book-running managers for the offering. Barclays Capital Inc., J.P. Morgan Securities LLC, Morgan Stanley & Co. LLC, and Wells Fargo Securities, LLC acted as co-managers. The Company s net proceeds from the offering were approximately \$215.6 million, after deducting underwriting discounts and commissions. As contemplated in the Registration Statement, the Company used the net proceeds from the offering to purchase approximately 12.8 million newly issued Class A units of PennyMac at a price per Class A unit of \$16.875.
- On June 13, 2013, the Sub-Committee of the Compensation Committee of PFSI authorized the grant of (a) nonstatutory stock options (each a Stock Option) to purchase a total of 259,565 shares of PFSI s Class A Common Stock (the Optioned Shares), and (b) 324,460 performance-based restricted stock units (RSUs), pursuant to PFSI s 2013 Equity Incentive Plan, to its executive officers, including those equity awards granted to the named executive officers and principal financial officer of PFSI as previously disclosed in a Current Report on Form 8-K filed with the SEC on June 17, 2013. Also on June 13, 2013 and as disclosed in the aforementioned Current Report on Form 8-K, the Compensation Committee authorized the grant of (a) Stock Options to purchase a total of 164,112 Optioned Shares, (b) 177,007 performance-based RSUs, and (c) 69,127 time-based RSUs to other eligible participants pursuant to the Company s 2013 Equity Incentive Plan.
