 - Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))
-

Item 8.01. Other Events.

On August 8, 2013, Iron Mountain Incorporated (the Company) and Iron Mountain Canada Operations ULC (the Canadian Issuer and together with the Company, the Issuers) announced the pricing of an underwritten public offering by the Company of \$600.0 million in aggregate principal amount of the Company's 6% USD Senior Notes due 2023 (the U.S. Notes) and by the Canadian Issuer of C\$200.0 million in aggregate principal amount of the Canadian Issuer's 6 1/8% CAD Senior Notes due 2021 (the Canadian Notes and together with the U.S. Notes, the Notes). The Notes will be sold at 100.0% of par. The aggregate net proceeds to the Issuers from this offering are expected to be approximately \$777.2 million, after paying underwriters' discounts and commissions and estimated expenses. The Issuers intend to use a majority of the net proceeds from this offering to redeem all of the Canadian Issuer's outstanding 7 1/2% CAD Senior Subordinated Notes due 2017, all of the Company's outstanding 8% USD Senior Subordinated Notes due 2018 and all of the Company's outstanding 8% USD Senior Subordinated Notes due 2020 and to fund the purchase of up to \$137.5 million in principal amount of the Company's 8 3/8% USD Senior Subordinated Notes due 2021 pursuant to a tender offer (the Tender Offer). The Issuers intend to use the remaining net proceeds to repay indebtedness under the Company's revolving credit facility and for general corporate purposes.

This Current Report on Form 8-K shall not constitute an offer to sell or the solicitation of an offer to buy securities, nor shall there be any sale of these securities in any state or other jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

The redemptions of the 7 1/2% CAD Senior Subordinated Notes due 2017, the 8% USD Senior Subordinated Notes due 2018 and the 8% USD Senior Subordinated Notes due 2020 will be made only by means of call notices by the trustee to holders in accordance with the terms of the indenture under which such notes were issued. The Tender Offer is being made solely pursuant to an Offer to Purchase and related Letter of Transmittal, which set forth the complete terms of the Tender Offer. This Current Report on Form 8-K does not constitute a notice of redemption of such notes subject to redemption, or an offer to buy, or solicitation of an offer to sell, any of the 8 3/8% USD Senior Subordinated Notes due 2021 pursuant to the Tender Offer.

A copy of the Company's press release announcing the pricing of the public offering of the Notes is filed as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Item 9.01. Financial Statements and Exhibits.
