2013 Fact Sheet

**The Allstate Corporation** (NYSE: ALL) is the nation's largest publicly held personal lines insurer, serving approximately 16 million households whose members know "You're In Good Hands With Allstate®." Allstate was founded in 1931 and became a publicly traded company in 1993.

Four distinct consumer segments provide competitively unique offerings to penetrate the market, protect people from life's uncertainties and prepare them for the future. This customer-focused strategy drives a completely differentiated approach to the market and demonstrates a strong competitive position. The following brands provide innovative offerings to the four segments of the consumer insurance market:

**2013 Operating Priorities**

Every year, Allstate defines and reports our operating priorities. These priorities provide the framework for our cohesive corporate strategy. Below are the five 2013 operating priorities with select results through September 30, 2013.

*Grow Insurance Premiums*

- Overall net premiums written increased 4% from year-to-date 2012, with all brands contributing.
- Allstate brand standard auto policies in force increased over the prior year-to-date.
- Allstate brand homeowners policies in force decreased from year-to-date 2012, although the rate of decline has slowed.
- Esurance grew net written premium 29.6% and policies in force 32.0% from year-to-date 2012.
- Encompass grew net written premium 9.1% and policies in force 7.2% from year-to-date 2012.
- Allstate Financial premiums and contract charges grew 4.0% from year-to-date 2012, 5.2% for underwritten products.

*Maintain Auto Profitability*

## Edgar Filing: ALLSTATE CORP - Form FWP

- Allstate brand standard auto combined ratio of 94.7.
- Esurance standard auto combined ratio of 117.7.
- Encompass standard auto combined ratio of 103.6, 4.7 point improvement from year-to-date 2012.
- Esurance and Encompass continue to adjust pricing and underwriting to ensure growth is achieved at acceptable margins.

### *Raise Returns in Homeowners and Annuity Businesses*

- Improved Allstate brand homeowners profitability with a combined ratio of 81.7.
- Focus turning to building a sustainable competitive advantage.
- Annuity returns improved; long-term outlook remains challenged by the interest rate environment.

### *Proactively Manage Investments*

- Net investment income increased on strong limited partnership income; total portfolio return for year-to-date of 0.7%.
- Shortened properly-liability portfolio duration to partially mitigate impact of rising interest rates.

### *Reduce Our Cost Structure*

- Progress in reducing the cost structure through simplification, process improvements and benefit plan changes.
