Announcement | Lisbon | 05 May 2014

Transfer of PT Portugal shares and Substitution of Issuer of Notes

Following the announcement disclosed to the market on 29 April 2014, Portugal Telecom, SGPS S.A. (PT) hereby announces that today it has transferred to a securities account in the name of Oi, S.A. (Oi), with the settlement of Oi s share capital increase, all the shares it held representing PT Portugal, SGPS, S.A. (PT Portugal) s share capital.

Additionally, pursuant to the agreements implementing the changes approved at the meeting held on 18 March 2014 by the holders of the 400,000,000 6.25 per cent Notes due 2016, issued by PT under its 7,500,000,000 Euro Medium Term Note Programme (Notes), as of today PT Portugal becomes the issuer and principal obligor of such Notes. The procedure for the substitution of issuer of the Notes with Euronext and the Interbolsa will be completed within two business days.

FORWARD-LOOKING STATEMENTS

This document may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words anticipates, believes, estimates, expects, plans and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
