*Amendment of Management Incentive Bonus Plan*

On October 27, 2014, the Executive Compensation Committee (the *Committee*) of the Board of Directors of Cubic Corporation (the *Company*) approved certain elements of the *Company's* executive compensation plan, including certain amendments to the *Company's* Management Incentive Bonus Plan (the *Bonus Plan*) to be effective for purposes of determining the annual performance-based cash bonus awards thereunder for fiscal year 2015 for employees of the *Company*, including the *Company's* named executive officers (*NEOs*).

Under the *Bonus Plan*, Bradley H. Feldmann, the *Company's* President and Chief Executive Officer, has a target bonus of 100% of salary and each of the other *NEOs* has a target bonus of 50% of salary. These target bonuses remain unchanged from the target bonuses in effect under the *Bonus Plan* during fiscal year 2014.

Under the *Bonus Plan*, the *NEOs* are eligible to receive bonuses based on achievement relative to corporate and/or business unit objectives and individual performance.

For fiscal year 2015, the corporate and/or business unit objectives for purposes of the *Bonus Plan* were established by the *Committee* and relate to sales, earnings before interest, taxes, depreciation and amortization, earnings per share and pre-tax return on invested capital. The various performance objectives under the *Bonus Plan* are weighted depending on the *Committee's* belief regarding the suitability of emphasis of each factor for that year's performance.

Under the *Bonus Plan*, with respect to the corporate and/or business unit objectives, each *NEO* may earn up to 150% of his target bonus. The bonus formula under the *Bonus Plan* for corporate and/or business unit objectives provides that, for each 1% achievement above a corporate or business unit performance goal, the bonus amount attributable to that performance goal would be increased by 2.5% to a maximum of an additional 50% of that portion of the bonus amount at an achievement of 20% above the performance goal. For each 1% shortfall in a performance goal the bonus amount attributable to that performance goal would be decreased by 3%, 4.5% or 5% (depending on the amount of shortfall) so that 75% achievement of any performance goal would result in no bonus award for that goal. In determining the bonus earned, corporate and/or business unit performance will be determined on an objective and formulaic basis.

The individual performance component of each *NEO's* annual bonus will be evaluated subjectively by the CEO in the case of *NEOs* who report to the CEO, and reviewed by the *Committee*, and evaluated subjectively by the *Committee* for the CEO. Based on an individual's performance, the *Bonus Plan* contemplates that a multiplier will be applied to the *NEO's* bonus as determined based on corporate and/or business unit performance. The multiplier for individual performance will be within the range of 0% to 130%.

As a result of the application of the individual performance multiplier, assuming individual performance is determined to be at the highest level (resulting in a 130% multiplier), an *NEO* may earn up to 195% of his target bonus under the *Bonus Plan*. The *Committee* may also, in its discretion, reduce an *NEO's* bonus under the *Bonus Plan*.

The Company expects to adopt similar bonus programs under the Bonus Plan for future fiscal years, which will reward achievement at specified levels of corporate, business unit and individual performance and will contain target bonuses consistent with those disclosed above.

The foregoing provides only a brief description of the terms and conditions of the Bonus Plan, does not purport to be a complete description of the rights and obligations of the parties thereunder and is qualified in its entirety by reference to the Bonus Plan, which will be filed by the Company as an exhibit to the Company's quarterly report on Form 10-Q for the quarterly period ending December 31, 2014.

*Adoption of Financial Planning Assistance Program*

The Committee also approved the provision of a financial planning benefit for the NEOs in the amount of up to \$15,000 for fiscal year 2015 and \$10,000 per year thereafter.
