Statement regarding Nokia/Alcatel-Lucent media speculation

In relation to recent media speculation Nokia and Alcatel-Lucent confirm that they are in advanced discussions with respect to a potential full combination, which would take the form of a public exchange offer by Nokia for Alcatel-Lucent. There can be no certainty at this stage that these discussions will result in any agreement or transaction.

A further announcement will be made when appropriate.

FORWARD-LOOKING STATEMENTS

This press release contains forward-looking statements, such as statements that relate to a potential combination or the terms thereof. These forward-looking statements are subject to a number of risks and uncertainties, including risks and uncertainties relating to parties reaching an agreement on a potential combination and the terms thereof. Many of these risks and uncertainties are beyond our control and could cause actual results to differ materially from the forward-looking statements.

About Nokia

Nokia invests in technologies important in a world where billions of devices are connected. We are focused on three businesses: network infrastructure software, hardware and services, which we offer through Nokia Networks; location intelligence, which we provide through HERE; and advanced technology development and licensing, which we pursue through Nokia Technologies. Each of these businesses is a leader in its respective field. <http://company.nokia.com>
