Optional Redemption:	The Notes of any tranche may be redeemed, in whole or in part, at the option of the Company, at any time or from time to time prior to their stated maturity, at a redemption price equal to the greater of the following amounts:

- (1) 100% of the principal amount of the Notes of such tranche to be redeemed;
or

(2) as determined by the Independent Investment Banker (as defined below), the sum of the present values of the remaining scheduled payments of principal of and interest on the Notes of such tranche to be redeemed (not including any portion of any payments of interest accrued to the applicable redemption date) discounted to such redemption date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as defined below) plus 10 basis points in the case of the 2018 Notes, 12.5 basis points in the case of the 2020 Notes or 15 basis points in the case of the 2025 Notes,

plus, in the case of both clauses (1) and (2) above, accrued and unpaid interest on the principal amount of the Notes of such tranche being redeemed to such redemption date.

Notwithstanding the foregoing, installments of interest on the Notes of any tranche that are due and payable on an interest payment date falling on or prior to a redemption date for the Notes of such tranche will be payable to the registered holders of such Notes (or one or more predecessor Notes of such tranche) of record at the close of business on the relevant regular record date, all as provided in the indenture.

Treasury Rate means, with respect to any redemption date for the Notes of any tranche, the rate per annum equal to the semiannual equivalent yield to maturity of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

The Treasury Rate will be calculated on the third business day preceding the applicable redemption date. As used in the preceding sentence and in the definition of Reference Treasury Dealer Quotation below, the term business day means any day, other than a Saturday or Sunday, that is neither a legal holiday nor a day on which commercial banks are authorized or required by law, regulation or executive order to close in The City of New York.

Comparable Treasury Issue means, with respect to any redemption date for the Notes of any tranche, the United States Treasury security selected by the Independent Investment Banker as having a maturity comparable to the remaining term of the Notes of such tranche that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Notes.

Comparable Treasury Price means, with respect to any redemption date for the Notes of any tranche, (i) if the Independent Investment Banker obtains four Reference Treasury Dealer Quotations for that redemption date, the average of those Reference Treasury Dealer Quotations after excluding the highest and lowest of those Reference Treasury Dealer Quotations, (ii) if the Independent Investment Banker obtains fewer than four but more than one such Reference Treasury Dealer Quotations, the average of all of those quotations, or (iii) if the Independent Investment Banker obtains only one such Reference Treasury Dealer Quotation, such quotation.

Independent Investment Banker means one of Goldman, Sachs & Co., J.P. Morgan Securities LLC, BNP Paribas Securities Corp. and Merrill Lynch, Pierce, Fenner & Smith Incorporated and their respective successors appointed by the Company to act as the Independent Investment Banker from time to time, or if any such firm is unwilling or unable to serve in that capacity, an independent investment banking institution of national standing appointed by the Company.

Reference Treasury Dealer means, with respect to any redemption date for the Notes of any tranche, Goldman, Sachs & Co., J.P. Morgan Securities LLC, BNP Paribas Securities Corp. and Merrill Lynch, Pierce, Fenner & Smith Incorporated and their respective successors; provided that, if any such firm ceases to be a primary U.S. Government securities dealer in the United States (a **Primary Treasury Dealer**), the Company will substitute another **Primary Treasury Dealer**.

Reference Treasury Dealer Quotation means, with respect to each Reference Treasury Dealer and any redemption date for the Notes of any tranche, the average, as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Independent Investment Banker by such Reference Treasury Dealer at 5:00 p.m. (New York City time) on the third business day preceding that redemption date.

Notice of any redemption will be mailed at least 30 days but not more than 60 days before the redemption date to each holder of the Notes of any tranche to be redeemed. If fewer than all of the Notes of any tranche and all Additional Notes (as defined in the Prospectus Supplement), if any, with the same stated maturity and other terms (other than original issue date, issue price and first payment of interest) as the Notes of such tranche are to be redeemed at any time, selection of such Notes and Additional Notes, if any, for redemption will be made by the trustee (as defined in the Prospectus Supplement) by such method as the trustee shall deem fair and appropriate.

Unless the Company defaults in payment of the redemption price, interest on each Note or portion thereof called for redemption will cease to accrue on the applicable redemption date.
