**Item 1.01**                                      **Entry into a Material Definitive Agreement**

On December 4, 2017, we entered into an agreement to amend and restate our current \$1.4 billion unsecured revolving credit facility. Under the amended facility, advances currently bear interest at LIBOR plus a margin of 1.175%. The amended facility contains conditions, covenants, representations and warranties and events of default (with customary grace periods, as applicable) similar to (but updated in certain respects to reflect improvement in our credit metrics) the conditions, covenants, representations and warranties and events of default that existed prior to the amendment, including financial covenants that require us to, among other things, maintain a fixed charge coverage ratio as well as limit our net debt-to-capital ratio.

Certain of the lenders participating in the amended facility, and affiliates of those parties, provide banking, investment banking and other financial services to us from time to time for which they have received, and will in the future receive, customary fees.

The foregoing description of the provisions of the amended facility is summary in nature and is qualified in its entirety by reference to the full and complete terms of the credit agreement, a copy of which is filed herewith as Exhibit 10.1 and incorporated herein by reference.
