If answer is no, identify report(s).

Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

We performed our annual goodwill impairment test as of July 31, 2018, at which time we had \$25.0 million of goodwill. The fair value of the reporting unit was estimated using both market and income-based approaches. Due to a sustained decline in the market capitalization of our common stock during the fourth quarter of 2018, we performed an interim goodwill impairment test in accordance with the provisions of ASU 2017-04. The outcome of this goodwill impairment test resulted in a non-cash charge for the impairment of goodwill of \$17.8 million, which will be recorded in the consolidated financial statements for the year ended December 31, 2018.

The company anticipates that, when filed, the Form 10K, will reflect total revenues for the year ended December 31, 2018 of approximately \$30.6 million compared to total revenues of \$28.8 million reported in 2017. The Company anticipates that it will show for the year ended December 31, 2018 an operating loss of \$(16.0) million as compared to operating income of \$5.4 million reported in 2017. The operating loss is primarily due to the goodwill impairment charge. Exclusive of the goodwill impairment loss, the Company anticipated positive results from operations.

The Company believes that the results contained herein are materially correct, however there can be no assurance that the financial and accounting information referred to in this filing will not change upon completion of the audit and the filing of the Company's Form 10K.

Forward-Looking Statements

Edgar Filing: EVOLVING SYSTEMS INC - Form NT 10-K

These forward-looking statements involve risks and uncertainties, and actual results could vary materially from these forward-looking statements. Investors should understand it is impossible to predict or identify all such factors or risks. As such, you should not consider either the foregoing items, or the risks identified in the Registrant's SEC filings, to be a complete discussion of all potential risks or uncertainties associated with an investment in the Registrant. Unless required by law, the Registrant expressly disclaims any obligation to update publicly any forward-looking statements, whether as a result of new information, future events or otherwise.
