PROXY STATEMENT

This proxy statement contains information related to the annual meeting of stockholders of Paramount Gold Mining Corp., a Delaware corporation, to be held on August 23, 2007 at 11:00 a.m., local time, at the Marriott Hotel located at 161 Ocean Drive, Miami, Florida, 33139. The Company's quarterly report for the period ended March 31, 2007 is being mailed together with this proxy statement.

In this proxy statement, Paramount , Company , we , us and our refer to Paramount Gold Mining Corp.

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Why did you send me this proxy statement?

We sent you this proxy statement and the enclosed proxy card because the board of directors of PARAMOUNT is soliciting your proxy vote at the annual meeting of shareholders. This proxy statement summarizes information on the proposals to be considered at the annual meeting. However, you do not need to attend the annual meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card.

Who is eligible to attend the annual meeting and vote?

We will be sending this proxy statement, the attached notice of annual meeting and the enclosed proxy card on or about July 27, 2007 to all shareholders who owned our common stock at the close of business on July 24, 2007, which date is also referred to as the record date.

How many votes do I have?

Shareholders who owned our common stock at the close of business on July 24, 2007 are entitled to one vote for each share of common stock they held on that date in all matters properly brought before the annual meeting. On June 29, 2007, we had 46,502,478 shares of common stock issued and outstanding.

What proposals will be addressed at the annual meeting?

We will address the following proposals at the annual meeting:

1.

Edgar Filing: PARAMOUNT GOLD MINING CORP. - Form DEF 14A

Elect directors, each to serve such term as set forth herein or until his successor has been duly elected and qualified;

2.

Ratify the appointment of HLB Cinnamon Jang Willoughby & Company as our independent certified public accountants;

3.

Amend our certificate of incorporation to change our name to Paramount Gold and Silver Corp.;

4.

Ratification of our 2007/08 Stock Incentive and Equity Compensation Plan; and

5.

Transact any other business that may properly be presented at the annual meeting or any adjournment thereof.

Why would the annual meeting be postponed?

The annual meeting will be postponed if a quorum is not present on the date of the annual meeting. One third of the votes entitled to be cast on the matter by a voting group, represented in person or by proxy, constitutes a quorum of that voting group for the action on the matter. If a quorum is not present, the annual meeting may be postponed to a later date when a quorum is obtained.

For purposes of determining whether the shareholders have approved matters other than the election of directors, abstentions are treated as shares present or represented and voting, so abstaining has the same effect as a negative vote. Shares held by brokers who do not have discretionary authority to vote on a particular matter and who have not received voting instructions from their customers are not counted or deemed to be present or represented for the purpose of determining whether shareholders have approved that matter, but they are counted as present for the purposes of determining the existence of a quorum at the annual meeting.

How do I vote in person?

If you plan to attend on the date of the annual meeting, or at a later date if it is postponed, and vote in person, we will give you a ballot when you arrive. However, if your shares are held in the name of your broker, bank or other nominee, you must bring a power of attorney executed by the broker, bank or other nominee that owns the shares of record for your benefit, authorizing you to vote the shares.

How do I vote by proxy?

Returning the proxy card will not affect your right to attend the annual meeting and vote in person. If you properly fill in your proxy card and send it to us in time to vote, your proxy (one of the individuals named on your proxy card) will vote your shares as you have directed. If you sign the proxy card but do not make specific choices, your proxy will vote your shares as recommended by our board of directors as follows:

For the election of directors

For the appointment of HLB Cinnamon Jang Willoughby & Company

For the change in name to Paramount Gold and Silver Corp.

For the adoption of the 2007/08 Stock Incentive and Equity Compensation Plan

If any other matter is presented, your proxy will vote in accordance with his best judgment. At the time this proxy statement went to press, we knew of no matters that needed to be acted on at the annual meeting other than those discussed in this proxy statement.

May I revoke my proxy?

If you give a proxy, you may revoke it at any time before it is exercised. You may revoke your proxy in any one of three ways:

-

You may send in another proxy with a later date.

-

You may notify us in writing (by you or your attorney authorized in writing, or if the shareholder is a corporation, under its corporate seal, by an officer or attorney of the corporation) at our principal executive offices before the annual meeting, that you are revoking your proxy.

-

You may vote in person at the annual meeting.

Where are PARAMOUNT's principal executive offices?

Our principal executive offices are located at 346 Waverley Street, Ottawa, Ontario Canada K2P OW5. Our telephone number is (613) 226-9881.

We also maintain offices at:

15921 S. Saxon Road

Arizona City, Arizona

USA

CIA Minera Paramount SAC

Calle Francisco del Castillo 420

Miraflores, Lima

Peru

What vote is required to approve each proposal?

Proposal 1: Election of directors

The affirmative vote of a plurality of the votes cast at the meeting is required for the election of directors. A properly executed proxy marked "Withhold authority" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

Proposal 2: Ratification of the independent accountants

Proposal 2 will be approved if the votes cast favoring Proposal 2 exceed the votes cast against it at the annual meeting at which a quorum is present and voting, in person or by proxy.

Proposal 3: Amend our Certificate of Incorporation to Change our name.

Proposal 3 will be approved if the votes cast favoring Proposal 3 exceed the votes cast against it at the annual meeting at which a quorum is present and voting, in person or by proxy.

Proposal 4: Ratification of our 2007/08 Stock Incentive and Equity Compensation Plan.

Proposal 4 will be approved if the votes cast favoring Proposal 4 exceed the votes cast against it at the annual meeting at which a quorum is present and voting, in person or by proxy.

Are there any dissenters' rights of appraisal?

Our board of directors has not proposed any action for which the laws of the State of Delaware, or our articles of incorporation or bylaws provide a right of a shareholder to dissent and obtain payment for shares.

Who bears the cost of soliciting proxies?

We will bear the cost of soliciting proxies in the accompanying form and will reimburse brokerage firms and others for expenses involved in forwarding proxy materials to beneficial owners or soliciting their execution. We estimate that the costs associated with solicitations of the proxies requested by this proxy statement will be approximately \$15,000.

INFORMATION ABOUT OUR VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Our voting securities and determination of beneficial ownership

Our common stock constitutes our only voting securities. As of June 29, 2007, we had 46,502,478 shares of common stock issued and outstanding.

SECURITY OWNERSHIP OF**CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth information with respect to the beneficial ownership of shares of our common stock as of June 29, 2007, on which date there were 50,169,928 shares outstanding, inclusive of any shares which could be exercised pursuant to any options or warrants owned by the named individual, by each person known by us to beneficially own 5% or more of the outstanding shares of such class of stock, based on filings with the Securities and Exchange Commission and certain other information, each of our named executive officers and directors, and all of our executive officers and directors as a group.

Beneficial ownership is determined in accordance with the rules of the SEC and includes voting and investment power. In addition, under SEC rules, a person is deemed to be the beneficial owner of securities, which may be acquired by such person upon the exercise of options and warrants or the conversion of convertible securities within 60 days from the date on which beneficial ownership is to be determined.

Except as otherwise indicated in the notes to the following table, we believe that all shares are beneficially owned, and investment and voting power is held by the persons named as owners

| Name | No. of Shares of Common Stock | Percent of Class |
|---|--|-----------------------------|
| Christopher Crupi | 4,035,850 | 8.0% |
| Sprott Asset Management Inc. | 4,856,000 | 9.7% |
| Libra Advisors Inc. | 4,762,000 | 9.5% |
| Charles Reed | 918,000 | 1.8% |
| Michel Yvan Stinglhamber | 145,000 | 0.3% |
| Daniel Hachey | 450,000 | 0.9% |
| John Carden | 45,000 | 0.1% |
| Ian Talbot | 0 | 0% |
| (All officers and directors as a group 6 persons) | 5,633,850 | 11.1% |

Under Rule 13d-3, a beneficial owner of a security includes any person who, directly or indirectly, through any contract, arrangement, understanding, relationship, or otherwise has or shares: (i) voting power, which includes the power to vote, or to direct the voting of shares; and (ii) investment power, which includes the power to dispose or direct the disposition of shares. Certain shares may be deemed to be beneficially owned by more than one person (if, for example, persons share the power to vote or the power to dispose of the shares). In addition, shares are deemed to be beneficially owned by a person if the person has the right to acquire the shares (for example, upon exercise of an option) within 60 days of the date as of which the information is provided. In computing the percentage ownership of any person, the amount of shares outstanding is deemed to include the amount of shares beneficially owned by such person (and only such person) by reason of these acquisition rights. As a result, the percentage of outstanding shares of any person as shown in this table does not necessarily reflect the person's actual ownership or voting power with respect to the number of shares of common stock actually outstanding on May 31, 2007. As of May 31, 2007, there were 46,502,478 shares of our common stock issued and outstanding.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and executive officers and persons who own more than ten percent of our Common Stock to file with the SEC initial reports of ownership and reports of changes in ownership of our Common Stock.

To our knowledge based solely on a review of the copies of such reports furnished to us and the reporting persons' representations to us that no other reports were required during the year ended June 30, 2006 and for the nine months ended March 31, 2007, our directors and officers complied with their respective filing requirements under Section 16(a) on a timely basis.

MATTERS RELATING TO OUR GOVERNANCE

The Board and its Committees

Our Board currently consists of six directors. They are Christopher Crupi, Charles Bill Reed, Dr. John Carden, Daniel Hachey, Michel Yvan Stinghamber and Ian Talbot. The Board has determined that Dr. John Carden, Michel Yvan Stinghamber and Ian Talbot are independent directors having satisfied the independence requirements pursuant to the non-employee director definition of rule 16b-3 promulgated under section 16 of the Securities Exchange Act of 1934, as amended and National Instrument 58-101 of the Canadian Securities Administrators (CSA).

The Board has recently established an Audit Committee, a Compensation Committee, and Nominating Committee. A minimum of three Board members will serve on each committee. No formal meetings have been held by any of these committees. Rather, we anticipate these various committees of our Board to begin separate meetings commencing July 1, 2007, the start of our new fiscal year. Copies of these charters are available on the Company's website located at www.paramountgold.com.

The Audit Committee oversees the accounting and financial reporting processes of the Company and audits of the financial statements of the Company. The audit committee will have the sole authority to retain and terminate the independent registered public accounting firm that examines our financial statements.

The primary purpose of the Compensation Committee is to review, on an annual basis or more frequently as it deems appropriate, the performance of our executive officers, review the amount and form of compensation payable to our executive officers and report to the Board on an annual basis, making recommendations regarding compensation of our executive officers. In addition, the Compensation Committee administers our equity compensation plans.

The primary purpose of the Nominating Committee will be to identify and recommend individuals qualified for nomination to serve on our Board. Some of the criteria which we deem important to the nomination process include: work experience, reputation, ability to interact with current board members, availability for meetings and for general corporate input.

During each member's tenure with our Board, each member of the Board attended no fewer than 75% of the total number of meetings of the Board. Although we do not have a formal policy regarding attendance by members of the Board at our annual meeting of stockholders, we encourage directors to attend and historically more than a majority have done so.

COMPENSATION DISCUSSION AND ANALYSIS

Overview of Compensation Program

Our compensation philosophy is based on our belief that our compensation programs should: be aligned with stockholder's interests and business objectives; reward performance; and be externally competitive and internally equitable. We seek to achieve three objectives, which serve as guidelines in making compensation decisions:

(1)

Providing a total compensation package which is competitive and therefore, enables us to attract and retain, high-caliber executive personnel;

(2)

Integrating compensation programs with our short-term and long-term strategic plan and business objectives; and

(3)

Encouraging achievement of business objectives and enhancement of stockholder value by providing executive management long-term incentive through equity ownership.

With the establishment of our Compensation Committee, future compensation for our executive officers and directors will be decided by this Committee. It is anticipated that Christopher Crupi will make recommendations to the Committee and the Committee will review these recommendations. The Committee will have the sole responsibility for determining the appropriate compensation for our chief executive officer.

Other Factors Considered in Establishing Compensation for Executive Officers

We are an exploratory stage mining company. We will not be generating revenues from operations for a significant period of time. As a result, the use of traditional performance standards, such as corporate profitability, is not believed to be appropriate in the evaluation of our performance or our individual executives. The compensation of our executive officers is based, in substantial part, on industry compensation practices, trends in the mining industry as well as the achievement of our business and the individual executive officers' objectives. Such objectives are established and modified as necessary to reflect changes in market conditions and other factors. Individual performance is measured by reviewing whether these objectives have been achieved.

Annual Salary

We pay an annual salary to our employees and the executive officers as consideration for fulfillment of certain roles and responsibilities.

Determining Annual Salary

Increases to annual salary reflect a reward and recognition for successfully fulfilling the position's role and responsibilities, the incremental value of the experience, knowledge, expertise and skills the individual acquires and develops during employment with us and adjustments as appropriate based on external competitiveness and internal equity.

Equity-Based Compensation

We grant equity-based compensation to consultants, employees, including the executive officers, to attract, motivate, engage and retain highly qualified and highly sought-after employees. We grant stock options on a broad basis to encourage all employees to work with a long-term view. Stock options are inherently performance-based because they deliver value to the option holder only if the value of our stock increases. Thus, stock options are a potential reward for long-term value creation and serve as an incentive for employees who remain with us to contribute to the overall long-term success of the business.

Retirement Benefits

We currently do not offer any type of retirement savings plan for our executive officers, directors or employees.

Perquisites

None of our executive officers have perquisites in excess of \$10,000 in annual value.

Severance Benefits

We currently do not offer any type of severance program for our executive officers or employees. As we expand our operations, and on the recommendation of our Compensation Committee, we may implement such a plan to preserve employee morale and productivity and encourage retention in the face of the disruptive impact of an actual or rumored workforce reduction or a change in control of our company.

COMPENSATION OF OUR OFFICERS AND DIRECTORS

We offer our non-employee directors a variety of incentives to join our Board. The package offered to the various non-employee directors will vary depending upon the needs of both the Company and the directors. We offer cash, common stock, and options as incentives to join our Board. We believe that equity based compensation provides more upside potential to our non-employee directors and ties their compensation to the success of the Company. On the other hand, we understand that some of our directors require a steady cash flow and we will try to accommodate them to the extent possible. It will be the responsibility of the compensation committee to establish guidelines for officer and director compensation.

The following tables present information about compensation of the Company's Officers and Director for the nine months ended March 31, 2007 and for the fiscal years ended June 30, 2006 and 2005.

Stockholder Communications to the Board

The Board has provided a process for stockholders to communicate with our directors. Stockholders and other interested parties who wish to communicate with our directors may address their correspondence to the Board, to the non-employee directors or any other group of directors or committee of the Board or to a particular director, in care of our Chief Executive Officer at our address listed on the top of page one of this proxy statement.

Certain Relationships and Related Transactions

The Company issued demand notes in the amount of \$188,700 payable to a corporation in which Christopher Crupi is also a director. The demand note was non-interest bearing and was subsequently converted into 73,756 shares of common stock of the Company priced at trading values at the time.

In 2006, the Company entered into a premises lease agreement for office space in Ottawa with a corporation having Christopher Crupi as a director. The Company pays a monthly rent of approximately \$3,760 (\$4,000 Canadian). We believe that the amount of monthly rent we pay represents the fair market value that we would pay for similar leased space.

In connection with strategic planning and consulting services provided by Daniel Hachey, he was paid a fee of \$870,000. These services enabled us to secure the \$21.7 million in financing. Without Mr. Hachey's assistance, management does not believe that it would have been successful in securing the financing.

PROPOSAL THREE

AMENDMENT TO OUR CERTIFICATE OF INCORPORATION TO CHANGE OUR NAME TO PARAMOUNT GOLD AND SILVER CORP.

The Board believes that changing our name to Paramount Gold and Silver Corp. more accurately reflects the current operations of the Company. Specifically, drilling results to date have identified opportunities in both silver and gold. In addition, the Board believes that the market for silver, and the likely price increases has been and will likely continue to outpace demand for gold and its potential price increases. By changing our name, shareholders and prospective investors will see that we are exploring opportunities in silver as well as gold.

More importantly, our Board believes that removing the word Mining from our corporate charter will more accurately reflect our operations. Specifically, we are an exploratory company and believe that the word Mining in our name could cause confusion. A copy of the proposed Certificate of Amendment is attached as Exhibit B.

The Board unanimously recommends that you vote FOR the ratification of the amendment to our certificate of incorporation changing our name to Paramount Gold and Silver Corp.

PROPOSAL FOUR

RATIFICATION OF THE 2007/08 STOCK INCENTIVE AND EQUITY COMPENSATION PLAN

Introduction

The Board of Directors of Paramount believe that the proposed 2007/08 Stock Incentive and Equity Compensation Plan (the Plan) will be effective in attracting directors, executives and employees to the Company by providing incentives and rewards to those directors, executives, employees and consultants responsible for the Company's continued growth. The Board further believes that incentive stock options and nonqualified stock options granted under the Plan would provide a form of incentive that aligns the economic interests of management, employees, consultants and those of the stockholders.

The Board desires a plan that gives it flexibility to determine what types of awards are beneficial to the Company, its employees, directors and stockholders as changes occur with respect to compensation trends, accounting treatment of awards, tax treatment of awards to the Company or its employees or directors, or its cash flow needs.

The Plan will provide the flexibility that the Board desires. In addition to incentive stock options and nonqualified stock options, the Plan will allow the Board or its compensation committee, as the administrator of the Plan, to award stock options restricted shares and stock appreciation rights to employees, directors and consultants. We may also issue registered shares if we register the Plan on Form S-8 with the SEC.

The Board of Directors of Paramount has unanimously approved the adoption of the Plan.

Material Features of the Plan

The material features of the Plan are summarized below. The summary is qualified in its entirety by reference to the specific provisions of the Plan, the full text of which is set forth as Exhibit A to this proxy statement.

Administration

The Plan will be administered by the Compensation Committee of the Board of Directors. The Committee will have the authority to determine, within the limits of the express provisions of the Plan, the individuals to whom awards will be granted, the nature, amount and terms of such awards and the objectives and conditions for earning such awards or grants.

Types of Awards

Awards under the Plan may include restricted shares of common stock, registered shares of Common Stock, (if a registration statement has been filed) nonqualified stock options, incentive stock options (ISOs) and stock appreciation rights (SARs). Restricted Shares are shares of common stock issued to a recipient subject to such terms and conditions, including, without limitation, forfeiture and to such restrictions against sale, transfer or other disposition, as the Committee may determine at the time of issuance. A SAR is the right to receive cash, common stock or both based on the increase in the market value of the shares of common stock covered by such SAR from the initial date of the performance period for such SAR to the date of exercise. We may only issue registered securities if the Company files a Registration Statement with the Securities and Exchange Commission.

The Committee may determine that all or a portion of an award may be deferred, that it may be vested at such times and upon such terms as the Committee may select, or that a recipient must be an employee or director at the time the award is paid or exercised. The Plan provides that ISOs may be granted to a recipient during a calendar year only if the aggregate fair market value (determined as of the time an ISO is granted) of common stock with respect to which

ISOs are exercisable for the first time by such recipient during any calendar year under the Plan and any other incentive stock option plans maintained by the Company does not exceed \$100,000.

Eligible Recipients of Awards

The Committee may grant awards to any of the Company's employees, to a member of the Board of Directors and to our consultants.

Restrictions on Awards to Insiders

No Award under the Plan shall be granted if the aggregate number of shares of common stock (i) issued to insiders (as that term is defined in the Plan) of the Company within any one year period, or (ii) issuable to insiders at any time, under the Plan and any other security based compensation arrangement of the Company could exceed 10% of the Company's shares of common stock issued and outstanding, on a non-diluted basis, at the time of the grant of the Award.

Term of Options

The term of each stock option shall be fixed by the Committee but no stock option shall be exercisable more than ten (10) years after the date the stock option is granted. If any stock options are set to expire during any black-out period which would prohibit the option holder from exercising the stock option during the black-out period, then in that event the option term shall be extended for an additional ten (10) days beyond the end of any black-out period to permit the holder to exercise the stock option.

Market Appreciation of Stock Appreciation Rights

The Plan provides for Tandem and Non-Tandem Stock Appreciation Rights. A Tandem Stock Appreciation Right shall mean the right to surrender to the Company all (or a portion) of a stock option in exchange for an amount in cash or stock equal to the excess of (i) the fair market value (as that term is defined in the Plan), on the date such stock option (or such portion thereof) is surrendered, of the common stock covered by such stock option (or such portion thereof), over (ii) the aggregate exercise price of such stock option (or such portion thereof). A Non-Tandem Stock Appreciation Right shall mean the right to receive an amount in cash or stock equal to the excess of (x) the fair market value of a share of common stock on the date such right is exercised, over (y) the aggregate exercise price of such right, other than on surrender of a stock option.

Stock Award Pricing

The Committee shall determine the price, if any, to be paid by the recipient of an award of restricted stock and registered stock under the Plan.

Assignability

No award granted pursuant to the Plan is transferable or assignable by its recipient other than by will or the laws of descent and distribution.

Shares Subject to the Plan

An aggregate of 4,000,000 (4 million) shares of common stock is reserved for issuance under the Plan representing 8.6% of the Company's issued and outstanding shares of common stock as of May 31, 2007. Shares of common stock to be delivered or purchased under the Plan may be either authorized but unissued common stock or treasury shares.

Anti-Dilution Protection

In the event of any changes in the capital structure of the Company, including a change resulting from a stock dividend or stock split, or combination or reclassification of shares, the Board of Directors is empowered to make such equitable adjustments with respect to awards or any provisions of the Plan as it deems necessary and appropriate, including, if necessary, any adjustments in the maximum number of shares of common stock subject to the Plan or in the number of shares of common stock subject to an outstanding award.

Merger, Consolidation, Reorganization, Liquidation, Etc.

If after the date of the adoption of the Plan, the Company becomes a party to any corporate merger, consolidation, major acquisition of property for stock, reorganization, or liquidation, the Board of Directors is authorized under the Plan to make such arrangements it deems advisable with respect to outstanding awards, which shall be binding upon the recipients of such awards, including, but not limited to, the substitution of new awards for

any awards then outstanding, the assumption of any such awards, and the termination of or payment for such awards.

Market Value Restrictions

The amounts of certain awards are based on the fair market value of a share of common stock at a specified point in time. The exercise price per share of common stock under each nonqualified stock option or ISO granted under the Plan, which is paid to the Company at the time of the exercise, shall be determined by the Committee, but may not be less than the fair market value of such common stock on the date of grant of such option. Fair market value of a share of common stock as of a given date is defined by the Plan to be as of any given date: (i) if the Common Stock is listed on a national securities exchange, foreign stock exchange or quoted on the Nasdaq National Market or Nasdaq SmallCap Market, the closing price of the Common Stock on the trading market for the Common Stock, as selected by the Committee, on the trading date preceding the given date, as reported by the exchange or Nasdaq, as the case may be, (ii) if the Common Stock is not listed on a national securities exchange, foreign stock exchange or quoted on the Nasdaq National Market or Nasdaq SmallCap Market, but is traded in the over-the-counter market, the closing bid price for the Common Stock on such date, as reported by the OTC Bulletin Board or the National Quotation Bureau, Incorporated or similar publisher of such quotations;

No Repricing

Except for adjustments made pursuant to the anti-dilution provisions of the Plan, or by reason of a merger, consolidation, major acquisition of property for stock, reorganization or liquidation, the exercise or purchase price under any outstanding award granted under the Plan may not be decreased after the date of grant, nor may any outstanding award granted under the Plan be surrendered to the Company as consideration for the grant of a new award with a lower exercise or purchase price in the absence of the approval of the holders of a majority of the shares of our common stock present in person or by proxy at a duly constituted meeting of our shareholders.

Termination of Employment

Generally, unless otherwise determined by the Committee at grant, if a Participant is terminated for cause, any Stock Option held by such Participant shall thereupon terminate and expire as of the date of termination. Unless otherwise determined by the Committee at grant, any Stock Option held by a Participant:

(i)

on death or termination of employment or consultancy by reason of disability or retirement may be exercised, to the extent exercisable at the Participant's death or termination, by the legal representative of the estate or Participant as the case may be, at any time within a period of one (1) year from the date of such death or termination;

(ii)

on termination of employment or consultancy by involuntary termination without cause or for good reason may be exercised, by the Participant at any time within a period of ninety (90) days from the date of such termination; or

(iii)

on termination of employment or consultancy by voluntary termination but without good reason and occurs prior to, or more than ninety (90) days after, the occurrence of an event which would be grounds for termination by the Company for cause, any Stock Option held by such Participant may be exercised, to the extent exercisable at termination, by the Participant at any time within a period of thirty (30) days from the date of such termination,

but in no event beyond the expiration of the stated term of such Stock Option.

Amendments to the Plan

The Board may at any time amend, in whole or in part, any or all of the provisions of the Plan, or suspend or terminate the Plan entirely. Provided, however, that, unless otherwise required by law or specifically provided in the Plan, the rights of a Participant with respect to Awards granted prior to such amendment, suspension or termination, may not be impaired without the consent of such Participant and, provided further, without the approval of the stockholders of the Company, if and to the extent required by the applicable provisions of Rule 16b-3 of the 1934 Act or, if and to the extent required, under the applicable provisions of the Code, no amendment may be made which would, among other things: increase the aggregate number of Common Shares that may be issued under the

Plan; change the classification of Participants eligible to receive Awards under the Plan; decrease the minimum option price of any Stock Option; extend the maximum option period; change any rights under the Plan with regard to non-employee directors; or require stockholder approval in order for the Plan to continue to comply with the applicable provisions.

Awards to be Granted Under the Plan

The exact types and amounts of any awards to be made by the Committee to any eligible employees or directors pursuant to the Plan are not presently determinable. As a result of the discretionary nature of the Plan, it is not possible to state who the participants in such Plan will be, the number of options or other awards to be received by any person or group, or the benefits that would have been received by certain persons or groups under the Plan during the last fiscal year if the Plan had been in effect during the year.

Federal Income Tax Consequences

The federal income tax consequences of the issuance and/or exercise of awards under the Plan are as described below. The following information is not a definitive explanation of the tax consequences of the awards, and recipients should consult with their own tax advisors with respect to the tax consequences inherent in the ownership and/or exercise of the awards, and the ownership and disposition of any underlying securities. Tax consequences will also vary depending upon the jurisdiction where the recipient of the award may reside.

Restricted Shares

A recipient will not be taxed at the date of an award of Restricted Shares, provided that the Restricted Shares are subject to substantial risk of forfeiture, but will be taxed at ordinary income rates on the fair market value of any restricted shares as of the date that the restrictions lapse, unless the recipient, within 30 days after transfer of such Shares to the recipient, elects under Section 83(b) of the Internal Revenue Code to include in income the fair market value of the Restricted Shares as of the date of such transfer. The Company will be entitled to a corresponding deduction. Any disposition of shares after restrictions lapse will be subject to the regular rules governing long-term and short-term capital gains and losses, with the basis for this purpose equal to the fair market value of the shares at the end of the restricted period (or on the date of the transfer of the restricted shares, if the employee elects to be taxed on the fair market value upon such transfer). Dividends received by a recipient during the restricted period will be taxable to the recipient at ordinary income tax rates and will be deductible by the Company, unless the recipient has elected to be taxed on the fair market value of the restricted shares upon transfer, in which case they will thereafter be taxable to the recipient as dividends and will not be deductible by the Company.

Incentive Stock Options

A recipient who is granted an ISO will not recognize any taxable income for federal income tax purposes on either the grant or the exercise of the ISO. If the recipient disposes of the shares purchased pursuant to the ISO more than two years after the date of grant and more than one year after the transfer of the shares to him (the required statutory holding period), (a) the recipient will recognize long-term capital gain or loss, as the case may be, equal to the difference between the selling price and the option price; and (b) the Company will not be entitled to a deduction with respect to the shares of stock so issued.

If the holding period requirements are not met, any gain realized upon disposition will be taxed as ordinary income to the extent of the excess of the lesser of (i) the excess of the fair market value of the shares at the time of exercise over the option price, or (ii) the gain on the sale. The Company will be entitled to a deduction in the year of disposition in an amount equal to the ordinary income recognized by the recipient. Any additional gain will be taxed as short-term or long-term capital gain depending upon the holding period for the stock. A sale for less than the option price results in a capital loss. Generally, if an ISO is not exercised within three months following a participant's termination of

employment, the ISO will be treated as a nonqualified stock option.

Ordinarily, the excess of the fair market value of the shares on the date of exercise over the option price is an alternative minimum tax addition. A corresponding alternative minimum tax subtraction is allowed in the year in which the shares are disposed. See [Alternative Minimum Tax](#), below.

Nonqualified Stock Options

The recipient of a nonqualified stock option under the Plan will not recognize any income for federal income tax purposes on the grant of the option. Generally, on the exercise of the option, the recipient will recognize taxable ordinary income equal to the excess of the fair market value of the shares on the exercise date over the option price for the shares. The Company generally will be entitled to a deduction on the date of exercise in an amount equal to the ordinary income recognized by the recipient. Upon disposition of the shares purchased pursuant to the stock option, the recipient will recognize long-term or short-term capital gain or loss, as the case may be, equal to the difference between the amount realized on such disposition and the basis for such shares, which basis includes the amount previously recognized by the recipient as ordinary income.

Stock Appreciation Rights

A recipient who is granted stock appreciation rights will not recognize any taxable income on the receipt of the SARs. Upon the exercise of an SAR, (a) the recipient will recognize ordinary income equal to the amount received (the increase in the fair market value of one share of our common stock from the date of grant of the SAR to the date of exercise) and (b) we will be entitled to a deduction on the date of exercise in an amount equal to the ordinary income recognized by the recipient.

Tandem Stock Appreciation Rights

Stock Appreciation Rights may be granted in conjunction with all or part of any Stock Option (a Reference Stock Option) granted under the Plan (Tandem Stock Appreciation Rights). In the case of a Non-Qualified Stock Option, such rights may be granted either at or after the time of the grant of such Reference Stock Option. In the case of an Incentive Stock Option, such rights may be granted only at the time of the grant of such Reference Stock Option.

A Tandem Stock Appreciation Right or applicable portion thereof granted with respect to a Reference Stock Option shall terminate and no longer be exercisable upon the termination or exercise of the Reference Stock Option, except that, unless otherwise determined by the Committee, in its sole discretion, at the time of grant, a Tandem Stock Appreciation Right granted with respect to less than the full number of shares covered by the Reference Stock Option shall not be reduced until and then only to the extent the exercise or termination of the Reference Stock Option causes the number of shares covered by the Tandem Stock Appreciation Right to exceed the number of shares remaining available and unexercised under the Reference Stock Option.

Upon the exercise of a Tandem Stock Appreciation Right, a Participant shall be entitled to receive up to, but no more than, an amount in cash and/or Common Shares equal in value to the excess of the fair market value of one Common Share over the option price per share specified in the Reference Stock Option multiplied by the number of shares in respect of which the Tandem Stock Appreciation Right shall have been exercised, with the Committee having the right to determine the form of payment.

Non-Tandem Stock Appreciation Rights

Stock Appreciation Rights may also be granted without reference to any Stock Options granted under the Plan (Non-Tandem Stock Appreciation Rights). The term of each Non-Tandem Stock Appreciation Right shall be fixed by the Committee, but shall not be greater than ten (10) years after the date the right is granted.

Non-Tandem Stock Appreciation Rights shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee at grant. Subject to such terms and conditions, Non-Tandem Stock Appreciation Rights may be exercised in whole or in part at any time during the option term, by giving written notice of exercise to the Company specifying the number of Non-Tandem Stock Appreciation Rights to be exercised.

Upon the exercise of a Non-Tandem Stock Appreciation Right, a Participant shall be entitled to receive, for each right exercised, up to, but no more than, an amount in cash and/or Common Shares equal in value to the excess of the fair market value of one Common Share on the date the right is exercised over the fair market value of one (1) Common Share on the date the right was awarded to the Participant.

Alternative Minimum Tax

In addition to the federal income tax consequences described above, a recipient may be subject to the alternative minimum tax (AMT), which is payable only to the extent it exceeds the recipient's regular tax liability. The AMT is assessed on the recipient's alternative minimum taxable income in excess of an exemption amount that varies by filing status. For purposes of computing the AMT, the alternative minimum taxable income is equal to taxable income (1) increased by tax preference items and (2) increased or reduced by certain AMT adjustments. Federal law currently provides for a minimum tax credit that may be applied against the recipient's regular tax liability in years following a year in which the recipient is subject to AMT. The minimum tax credit is limited to the excess, if any, of the regular tax over the tentative AMT for the year. Any credit not used because of the limitation may be carried forward indefinitely.

If approved by our stockholders, the Plan shall be effective on that date.

Vote Required

The approval of the Plan will require the affirmative vote of the holders of a majority of the shares of Paramount's common stock present or represented at the meeting.

The Board of Directors recommends a vote FOR the plan in substantially the same form as included as an exhibit to this proxy statement.

OTHER MATTERS

The Board does not know of any other matter that may be brought before the annual meeting. However, if any such other matters are properly brought before the meeting, the proxies may use their own judgment to determine how to vote your shares.

(c) to determine, in accordance with the terms of this Plan, the number of shares of Common Stock to be covered by each Award to an Eligible Employee or Consultant granted hereunder;

(d) to determine the terms and conditions, not inconsistent with the terms of this Plan, of any Award granted hereunder to an Eligible Employee or Consultant (including, but not limited to, the exercise or purchase price (if any), any restriction or limitation, any vesting schedule or acceleration thereof, or any forfeiture restrictions or waiver thereof, regarding any Stock Option or other Award, and the shares of Common Stock relating thereto, based on such factors, if any, as the Committee shall determine, in its sole discretion);

(h) to determine whether a Stock Option is an Incentive Stock Option or Non-Qualified Stock Option, whether a Stock Appreciation Right is a Tandem Stock Appreciation Right or Non-Tandem Stock Appreciation Right or whether an Award is intended to satisfy Section 162(m) of the Code;

(i) to determine whether to require an Eligible Employee or Consultant, as a condition of the granting of any Award, to not sell or otherwise dispose of shares acquired pursuant to the exercise of an Option or as an Award for a period of time as determined by the Committee, in its sole discretion, following the date of the acquisition of such Option or Award; and

(j) Intentionally Deleted.

(k) to grant Awards under the Plan as a conversion from, and replacement of, comparable stock options, stock appreciation rights or restricted stock held by employees of another entity who become Eligible Employees of, or Consultants to, the Company or an Affiliate as the result of a merger or consolidation of the employing entity with the Company or an Affiliate, or as the result of the acquisition by the Company of property or stock of the employing corporation. The Company may direct that replacement Awards be granted on such terms and conditions as the Committee considers appropriate in the circumstances, including, without limitation, that Non-Qualified Stock Options shall be granted in lieu of Incentive Stock Options.

3.3 GUIDELINES. Subject to the terms and conditions of the Plan, the Committee shall have the authority to adopt, alter and repeal such administrative rules, guidelines and practices governing this Plan and perform all acts, including the delegation of its administrative responsibilities, as it shall, from time to time, deem advisable; to construe and interpret the terms and provisions of this Plan and any Award issued under this Plan (and any agreements relating thereto); and to otherwise supervise the administration of this Plan. The Committee may correct any defect, supply any omission or reconcile any inconsistency in this Plan or in any agreement relating thereto in the manner and to the extent it shall deem necessary to carry this Plan into effect, but only to the extent any such action would be permitted under the applicable provisions of Rule 16b-3 (if any) and the applicable provisions of Section 162(m) of the Code (if any). The Committee may adopt special guidelines and provisions for persons who are residing in, or subject to the taxes of countries other than the United States to comply with applicable tax and securities laws. If, or to the extent applicable, this Plan is intended to comply with Section 162(m) of the Code and the applicable requirements of Rule 16b-3 and shall be limited, construed and interpreted in a manner so as to comply therewith.

3.4 DECISIONS FINAL. Any decision, interpretation or other action made or taken in good faith by or at the direction of the Company, the Board, or the Committee (or any of its members) arising out of or in connection with the Plan shall be within the absolute discretion of all and each of them, as the case may be, and shall be final, binding and conclusive on the Company and all employees and Participants and their respective heirs, executors, administrators, successors and assigns. The Committee shall not be bound to any standards of uniformity or similarity of action, interpretation or conduct in the discharge of its duties hereunder, regardless of the apparent similarity of the matters coming before it.

3.5 RELIANCE ON COUNSEL. The Company, the Board or the Committee may consult with legal counsel, who may be counsel for the Company or other counsel, with respect to its obligations or duties hereunder, or with respect to any action or proceeding or any question of law, and shall not be liable with respect to any action taken or omitted by it in good faith pursuant to the advice of such counsel.

3.6 PROCEDURES. If the Committee is appointed, the Board may designate one of the members of the Committee as chairman and the Committee shall hold meetings, subject to the By-Laws of the Company, at such times and places as it shall deem advisable. A majority of the Committee members shall constitute a quorum. All determinations of the Committee shall be made by a majority of its members. Any decision or determination reduced to writing and signed by all Committee members in accordance with the By-Laws of the Company shall be

A-5

fully effective as if it had been made by a vote at a meeting duly called and held. The Committee shall keep minutes of its meetings and shall make such rules and regulations for the conduct of its business as it shall deem advisable.

3.7 DESIGNATION OF CONSULTANTS--LIABILITY.(a) The Committee may designate employees of the Company and professional advisors to assist the Committee in the administration of the Plan and may grant authority to employees to execute agreements or other documents on behalf of the Committee.

(b) The Committee may employ such legal counsel, consultants and agents as it may deem desirable for the administration of the Plan and may rely upon any opinion received from any such counsel or consultant and any computation received from any such consultant or agent. Expenses incurred by the Committee or Board in the engagement of any such counsel, consultant or agent shall be paid by the Company. To the maximum extent permitted by applicable law, no officer of the Company or member or former member of the Committee or of the Board shall be liable for any action or determination made in good faith with respect to the Plan or any Award granted under it. To the maximum extent permitted by applicable law and the Certificate of Incorporation and By-Laws of the Company and to the extent not covered by insurance, each employee of the Company and member or former member of the Committee or of the Board shall be indemnified and held harmless by the Company against any cost or expense (including reasonable fees of counsel reasonably acceptable to the Company) or liability (including any sum paid in settlement of a claim with the approval of the Company), and advanced amounts necessary to pay the foregoing at the earliest time and to the fullest extent permitted, arising out of any act or omission to act in connection with the Plan, except to the extent arising out of such officer's, member's or former member's own fraud or bad faith. Such indemnification shall be in addition to any rights of indemnification the employees, officers, directors or members or former officers, directors or members may have under applicable law or under the Certificate of Incorporation or By-Laws of the Company or Affiliate. Notwithstanding anything else herein, this indemnification will not apply to the actions or determinations made by an individual with regard to Awards granted to him or her under this Plan.

ARTICLE IV SHARE AND OTHER LIMITATIONS

4.1 SHARES.(a) **GENERAL LIMITATION.** The aggregate number of shares of Common Stock which may be issued or used for reference purposes under this Plan or with respect to which other Awards may be granted shall not exceed 4,000,000 (four million) shares (subject to any increase or decrease pursuant to Section 4.2) which may be either authorized and unissued Common Stock or Common Stock held in or acquired for the treasury of the Company.

If any Option or Stock Appreciation Right granted under this Plan expires, terminates or is canceled for any reason without having been exercised in full or, with respect to Options, the Company repurchases any Option pursuant to Section 6.3(f), the number of shares of Common Stock underlying the repurchased Option, and/or the number of shares of Common Stock underlying any unexercised Stock Appreciation Right or Option shall again be available for the purposes of Awards under the Plan. If a Tandem Stock Appreciation Right or a Limited Stock Appreciation Right is granted in tandem with an Option, such grant shall only apply once against the maximum number of shares of Common Stock which may be issued under this Plan. In determining the number of shares of Common Stock available for Awards other than Awards of Incentive Stock Options, if Common Stock has been delivered or exchanged by a Participant as full or partial payment to the Company for the exercise price or for withholding taxes, in connection with the exercise of a Stock Option or the number shares of Common Stock otherwise deliverable has been reduced for full or partial payment for the exercise price or for withholding taxes, the number of shares of Common Stock delivered, exchanged or reduced shall again be available for purposes of Awards under this Plan.

In the event Awards are granted to employees or Consultants pursuant to Section 3.2(1), the aggregate number of shares of Common Stock available under the Plan for Awards other than Incentive Stock Options shall be increased by the number of shares of Common Stock which may be issued or used for reference with respect to those Awards granted pursuant to Section 3.2(1). The maximum number of shares of Common Stock which may be issued under this Plan with respect to Incentive Stock Options shall not be increased (subject to any increase or decrease pursuant to Section 4.2).

A-6

Notwithstanding anything else contained herein to the contrary, the Committee shall be prohibited from granting any Award if the aggregate number of shares of Common Stock (i) issued to Insiders of the Company within any one year period, or (ii) issuable to Insiders at any time, under this Plan and any other security based compensation arrangement of the Company, could exceed 10% of the Company's shares of Common Stock issued and outstanding, on a non-diluted basis, at the time of the grant of the Award.

4.2 CHANGES.(a) The existence of the Plan and the Awards granted hereunder shall not affect in any way the right or power of the Board or the stockholders of the Company to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, any merger or consolidation of the Company or its Affiliates, any issue of bonds, debentures, preferred or prior preference stock ahead of or affecting Common Stock, the dissolution or liquidation of the Company or its Affiliates, any sale or transfer of all or part of its assets or business or any other corporate act or proceeding.

(b) In the event of any such change in the capital structure or business of the Company by reason of any stock dividend or distribution, stock split or reverse stock split, recapitalization, reorganization, merger, consolidation, split-up, combination or exchange of shares, distribution with respect to its outstanding Common Stock or capital stock other than Common Stock, sale or transfer of all or part of its assets or business, reclassification of its capital stock, or any similar change affecting the Company's capital structure or business and the Committee determines an adjustment is appropriate under the Plan, then the aggregate number and kind of shares which thereafter may be issued under this Plan, the number and kind of shares or other property (including cash) to be issued upon exercise of an outstanding Option or other Awards granted under this Plan and the purchase price thereof shall be appropriately adjusted consistent with such change in such manner as the Committee may deem equitable to prevent substantial dilution or enlargement of the rights granted to, or available for, Participants under this Plan or as otherwise necessary to reflect the change, and any such adjustment determined by the Committee shall be binding and conclusive on the Company and all Participants and employees and their respective heirs, executors, administrators, successors and assigns.

(c) Fractional shares of Common Stock resulting from any adjustment in Options or Awards pursuant to Section 4.2(a) or (b) shall be aggregated until, and eliminated at, the time of exercise by rounding-down for fractions less than one-half (1/2) and rounding-up for fractions equal to or greater than one-half (1/2). No cash settlements shall be made with respect to fractional shares eliminated by rounding. Notice of any adjustment shall be given by the Committee to each Participant whose Option or Award has been adjusted and such adjustment (whether or not such notice is given) shall be effective and binding for all purposes of the Plan.

(d) In the event of a merger or consolidation in which the Company is not the surviving entity or in the event of any transaction that results in the acquisition of substantially all of the Company's outstanding Common Stock by a single person or entity or by a group of persons and/or entities acting in concert, or in the event of the sale or transfer of all of the Company's assets (all of the foregoing being referred to as Acquisition Events), then the Committee may, in its sole discretion, terminate all outstanding Options and Stock Appreciation Rights of Eligible Employees and Consultants, effective as of the date of the Acquisition Event, by delivering notice of termination to each such Participant at least twenty (20) days prior to the date of consummation of the Acquisition Event; provided, that during the period from the date on which such notice of termination is delivered to the consummation of the Acquisition Event, each such Participant shall have the right to exercise in full all of his or her Options and Stock Appreciation Rights that are then outstanding (without regard to any limitations on exercisability otherwise contained in the Option or Award Agreements) but contingent on occurrence of the Acquisition Event, and, provided that, if the Acquisition Event does not take place within a specified period after giving such notice for any reason whatsoever, the notice and exercise shall be null and void.

(e) If an Acquisition Event occurs, to the extent the Committee does not terminate the outstanding Options and Stock Appreciation Rights pursuant to this Section 4.2(d), then the provisions of Section 4.2(b) shall apply.

ARTICLE V

5.1 All employees, directors, and Consultants to the Company and its Affiliates are eligible to be granted Non-Qualified Stock Options, Stock Appreciation Rights, Restricted Stock and Registered Stock, subject to any filing requirements, under this Plan. All employees of the Company, its Subsidiaries and its Parents are eligible to be granted Incentive Stock Options under the Plan. Eligibility under this Plan shall be determined by the Committee.

A-7

ARTICLE VI
STOCK OPTION GRANTS

6.2 **GRANTS.** The Committee shall have the authority to grant to any Eligible Employee one or more Incentive Stock Options, Non-Qualified Stock Options, or both types of Stock Options (in each case with or without Stock Appreciation Rights). The Committee shall have the authority to grant to any Consultant one or more Non-Qualified Stock Options (with or without Stock Appreciation Rights). To the extent that any Stock Option does not qualify as an Incentive Stock Option (whether because of its provisions or the time or manner of its exercise or otherwise), such Stock Option or the portion thereof which does not qualify, shall constitute a separate Non-Qualified Stock Option. Notwithstanding any other provision of this Plan to the contrary or any provision in an agreement evidencing the grant of a Stock Option to the contrary, any Stock Option granted to an Eligible Employee of an Affiliate (other than an Affiliate which is a Parent or a Subsidiary) or to any Consultant shall be a Non-Qualified Stock Option.

6.3 **TERMS OF OPTIONS.** Options granted under this Plan shall be subject to the following terms and conditions, shall be subject to Section 3.2 hereof and the other provisions of this Plan, and shall be in such form and contain such additional terms and conditions, not inconsistent with the terms of this Plan, as the Committee shall deem desirable:

(a) **OPTION PRICE.** The option price per share of Common Stock purchasable under either an Incentive Stock Option or Non-Qualified Stock Option shall be determined by the Committee at the time of grant but shall not be less than 100% of the Fair Market Value of the share of Common Stock at the time of grant. Notwithstanding the foregoing, if an Option is modified, extended or renewed and, thereby, deemed to be the issuance of a new Option under the Code, the exercise price of an Option may continue to be the original exercise price even if less than the Fair Market Value of the Common Stock at the time of such modification, extension or renewal.

(b) **OPTION TERM.** The term of each Stock Option shall be fixed by the Committee, but no Stock Option shall be exercisable more than ten (10) years after the date the Option is granted. If any Stock Options are set to expire during any Black-out Period which would prohibit the option holder from exercising the Stock Option during that Black-out Period, then in that event the option term shall be extended for an additional Ten (10) business days beyond the end of any Black-out Period to permit the option holder to exercise the Stock Option (the Black-out Expiration Term). The Black-out Expiration Term is fixed and shall not be subject to the discretion of the Board of Directors or the Committee.

(c) **EXERCISABILITY.** Stock Options shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee at grant. If the Committee provides, in its discretion, that any Stock Option is exercisable subject to certain limitations (including, without limitation, that it is exercisable only in installments or within certain time periods), the Committee may waive such limitations on the exercisability at any time at or after grant in whole or in part (including, without limitation, that the Committee may waive the installment exercise provisions or accelerate the time at which Options may be exercised), based on such factors, if any, as the Committee shall determine, in its sole discretion.

(d) **METHOD OF EXERCISE.** Subject to whatever installment exercise and waiting period provisions apply under subsection (c) above, Stock Options may be exercised in whole or in part at any time during the Option term, by giving written notice of exercise to the Company specifying the number of shares of Common Stock to be purchased. At or after grant, payment in full or in part may be made at the election of the optionee as follows: (i) in cash or by check, bank draft or money order payable to the order of the Company; (ii) if the Common Stock is traded on a national securities exchange, the Nasdaq Stock Market, Inc. or quoted on a national quotation system sponsored by the National Association of Securities Dealers, through a cashless exercise procedure whereby the Participant delivers irrevocable instructions to a broker to deliver promptly to the Company an amount equal to the purchase price, (iii) in

the form of Common Stock owned by the Participant (and for which the Participant has good title free and clear of any liens and encumbrances) or (iv) in the form of Restricted Stock; provided, however, that in each case, such payment is equivalent to the Fair Market Value of the Common Stock on the payment date as determined by the Committee (without regard to any forfeiture restrictions applicable to such Restricted Stock). No shares of Common Stock shall be issued until full payment (and if payment is by installments

A-8

all payments have been received), as provided herein, therefor has been made or provided for. If payment in full or in part has been made in the form of Restricted Stock, an equivalent number of shares of Common Stock issued on exercise of the Option shall be subject to the same restrictions and conditions, during the remainder of the Restriction Period, applicable to the Restricted Stock surrendered therefor.

(e) INCENTIVE STOCK OPTION LIMITATIONS. To the extent that the aggregate Fair Market Value (determined as of the time of grant) of the Common Stock with respect to which Incentive Stock Options are exercisable for the first time by an Eligible Employee during any calendar year under the Plan and/or any other stock option plan of the Company or any Subsidiary or Parent exceeds \$100,000, such Options shall be treated as Options which are not Incentive Stock Options. In addition, if an Eligible Employee does not remain employed by the Company, any Subsidiary or Parent at all times from the time the Option is granted until three (3) months prior to the date of exercise (or such other period as required by applicable law), such Option shall be treated as an Option which is not a Non-Qualified Stock Option.

Should the foregoing provision not be necessary in order for the Stock Options to qualify as Incentive Stock Options, or should any additional provisions be required, the Committee may amend the Plan accordingly, without the necessity of obtaining the approval of the stockholders of the Company.

(f) BUY OUT AND SETTLEMENT PROVISIONS. The Committee may at any time on behalf of the Company offer to buy out an Option previously granted, based on such terms and conditions as the Committee shall establish and communicate to the Participant at the time that such offer is made.

(g) FORM, MODIFICATION, EXTENSION AND RENEWAL OF OPTIONS. Subject to the terms and conditions and within the limitations of the Plan, an Option shall be evidenced by such form of agreement or grant as is approved by the Committee, and the Committee may modify, extend or renew outstanding Options granted under the Plan (provided that the rights of a Participant are not reduced without his consent), or accept the surrender of outstanding Options (up to the extent not theretofore exercised) and authorize the granting of new Options in substitution therefor (to the extent not theretofore exercised).

(h) DEFERRED DELIVERY OF COMMON SHARES. The Committee may in its discretion permit Participants to defer delivery of Common Stock acquired pursuant to a Participant's exercise of an Option in accordance with the terms and conditions established by the Committee.

(i) OTHER TERMS AND CONDITIONS. Options may contain such other provisions, which shall not be inconsistent with any of the foregoing terms of the Plan, as the Committee shall deem appropriate including, without limitation, permitting reloads such that the same number of Options are granted as the number of Options exercised, shares used to pay for the exercise price of Options or shares used to pay withholding taxes (Reloads). With respect to Reloads, the exercise price of the new Stock Option shall be the Fair Market Value on the date of the reload and the term of the Stock Option shall be the same as the remaining term of the Options that are exercised, if applicable, or such other exercise price and term as determined by the Committee.

6.4 TERMINATION OF EMPLOYMENT. The following rules apply with regard to Options upon the Termination of Employment or Termination of Consultancy of a Participant:

(a) TERMINATION BY REASON OF DEATH. If a Participant's Termination of Employment or Termination of Consultancy is by reason of death, any Stock Option held by such Participant, unless otherwise determined by the Committee at grant or, if no rights of the Participant's estate are reduced, thereafter, may be exercised, to the extent exercisable at the Participant's death, by the legal representative of the estate, at any time within a period of one (1) year from the date of such death, but in no event beyond the expiration of the stated term of such Stock Option.

(b) **TERMINATION BY REASON OF DISABILITY.** If a Participant's Termination of Employment or Termination of Consultancy is by reason of Disability, any Stock Option held by such Participant, unless otherwise determined by the Committee at grant or, if no rights of the Participant are reduced, thereafter, may be exercised, to the extent exercisable at the Participant's termination, by the Participant (or the legal representative of the Participant's estate if the Participant dies after termination) at any time within a period of one (1) year from the date of such termination, but in no event beyond the expiration of the stated term of such Stock Option.

(c) **TERMINATION BY REASON OF RETIREMENT.** If a Participant's Termination of Employment or Termination of Consultancy is by reason of Retirement, any Stock Option held by such Participant,

unless otherwise determined by the Committee at grant, or, if no rights of the Participant are reduced, thereafter, shall be fully vested and may thereafter be exercised by the Participant at any time within a period of one (1) year from the date of such termination, but in no event beyond the expiration of the stated term of such Stock Option; provided, however, that, if the Participant dies within such exercise period, any unexercised Stock Option held by such Participant shall thereafter be exercisable, to the extent to which it was exercisable at the time of death, for a period of one (1) year (or such other period as the Committee may specify at grant or, if no rights of the Participant's estate are reduced, thereafter) from the date of such death, but in no event beyond the expiration of the stated term of such Stock Option.

(d) **INVOLUNTARY TERMINATION WITHOUT CAUSE OR TERMINATION FOR GOOD REASON.** If a Participant's Termination of Employment or Termination of Consultancy is by involuntary termination without Cause or for Good Reason, any Stock Option held by such Participant, unless otherwise determined by the Committee at grant or, if no rights of the Participant are reduced, thereafter, may be exercised, to the extent exercisable at termination, by the Participant at any time within a period of ninety (90) days from the date of such termination, but in no event beyond the expiration of the stated term of such Stock Option.

(e) **TERMINATION WITHOUT GOOD REASON.** If a Participant's Termination of Employment or Termination of Consultancy is voluntary but without Good Reason and occurs prior to, or more than ninety (90) days after, the occurrence of an event which would be grounds for Termination of Employment or Termination of Consultancy by the Company for Cause (without regard to any notice or cure period requirements), any Stock Option held by such Participant, unless otherwise determined by the Committee at grant or, if no rights of the Participant are reduced, thereafter, may be exercised, to the extent exercisable at termination, by the Participant at any time within a period of thirty (30) days from the date of such termination, but in no event beyond the expiration of the stated term of such Stock Option.

(f) **OTHER TERMINATION.** Unless otherwise determined by the Committee at grant or, if no rights of the Participant are reduced, thereafter, if a Participant's Termination of Employment or Termination of Consultancy is for any reason other than death, Disability, Retirement, Good Reason, involuntary termination without Cause or voluntary termination as provided in subsection (e) above, any Stock Option held by such Participant shall thereupon terminate and expire as of the date of termination, provided that (unless the Committee determines a different period upon grant or, if no rights of the Participant are reduced, thereafter) in the event the termination is for Cause or is a voluntary termination without Good Reason within ninety (90) days after occurrence of an event which would be grounds for Termination of Employment or Termination of Consultancy by the Company for Cause (without regard to any notice or cure period requirement), any Stock Option held by the Participant at the time of occurrence of the event which would be grounds for Termination of Employment or Termination of Consultancy by the Company for Cause shall be deemed to have terminated and expired upon occurrence of the event which would be grounds for Termination of Employment or Termination of Consultancy by the Company for Cause.

ARTICLE VII STOCK AWARDS

7.1 STOCK AWARDS. Shares of Restricted Stock or Registered Stock may be issued to Eligible Employees or Consultants either alone or in addition to other Awards granted under the Plan. The Committee shall determine the eligible persons to whom, and the time or times at which, grants of Restricted Stock or Registered Stock will be made, the number of shares to be awarded, the price (if any) to be paid by the recipient (subject to Section 7.2), the time or times within which such Awards may be subject to forfeiture, the vesting schedule and rights to acceleration thereof, and all other terms and conditions of the Awards.

7.2 AWARDS AND CERTIFICATES. The prospective Participant selected to receive a Stock Award shall not have any rights with respect to such Award, unless and until such Participant has delivered a fully executed copy of the applicable agreement evidencing the Award (the Stock Award Agreement) to the Company and has otherwise

complied with the applicable terms and conditions of such Award. Further, such Award shall be subject to the following conditions:

(a) PURCHASE PRICE. The purchase price of Restricted Stock shall be fixed by the Committee.

A-10

(b) ACCEPTANCE. Stock Awards must be accepted within a period of sixty (60) days (or such shorter period as the Committee may specify at grant) after the Award date, by executing a Stock Award Agreement and by paying whatever price (if any) the Committee has designated thereunder.

(c) LEGEND. If the Company should issue to a Plan Participant restricted shares of common stock, the Company may place an appropriate restrictive legend on the Shares so issued.

(d) CUSTODY. The Committee may require that any stock certificates evidencing restricted shares be held in custody by the Company until the restrictions thereon shall have lapsed, and that, as a condition of any Restricted Stock Award, the Participant shall have delivered a duly signed stock power, endorsed in blank, relating to the Common Stock covered by such Award.

7.3 RESTRICTIONS AND CONDITIONS ON RESTRICTED STOCK AWARDS. The shares of Restricted Stock awarded pursuant to this Plan shall be subject to Article X and the following restrictions and conditions:

(a) RESTRICTION PERIOD; VESTING AND ACCELERATION OF VESTING. The Participant shall not be permitted to Transfer shares of Restricted Stock awarded under this Plan during a period set by the Committee (the Restriction Period) commencing with the date of such Award, as set forth in the Restricted Stock Award agreement and such agreement shall set forth a vesting schedule and any events which would accelerate vesting of the shares of Restricted Stock. Within these limits, based on service, or other criteria determined by the Committee, the Committee may provide for the lapse of such restrictions in installments in whole or in part, or may accelerate the vesting of all or any part of any Restricted Stock Award.

(b) RIGHTS AS STOCKHOLDER. Except as provided in this subsection (b) and subsection (a) above and as otherwise determined by the Committee, the Participant shall have, with respect to the shares of Restricted Stock, all of the rights of a holder of shares of Common Stock of the Company including, without limitation, the right to receive any dividends, the right to vote such shares and, subject to and conditioned upon the full vesting of shares of Restricted Stock, the right to tender such shares. Notwithstanding the foregoing, the payment of dividends shall be deferred until, and conditioned upon, the expiration of the applicable Restriction Period, unless the Committee, in its sole discretion, specifies otherwise at the time of the Award.

(c) LAPSE OF RESTRICTIONS. If and when the Restriction Period expires without a prior forfeiture of the Restricted Stock subject to such Restriction Period, the certificates for such shares shall be delivered to the Participant. All legends shall be removed from said certificates at the time of delivery to the Participant except as otherwise required by applicable law.

(d) TERMINATION OF EMPLOYMENT OR TERMINATION OF CONSULTANCY FOR RESTRICTED STOCK. Subject to the applicable provisions of the Restricted Stock Award agreement and this Plan, upon a Participant's Termination of Employment or Termination of Consultancy for any reason during the relevant Restriction Period, all Restricted Stock still subject to restriction will vest or be forfeited in accordance with the terms and conditions established by the Committee at grant or thereafter.

ARTICLE VIII STOCK APPRECIATION RIGHTS

8.1 TANDEM STOCK APPRECIATION RIGHTS. Stock Appreciation Rights may be granted in conjunction with all or part of any Stock Option (a Reference Stock Option) granted under this Plan (Tandem Stock Appreciation Rights). In the case of a Non-Qualified Stock Option, such rights may be granted either at or after the time of the grant of such Reference Stock Option. In the case of an Incentive Stock Option, such rights may be granted only at the time of the grant of such Reference Stock Option.

8.2 TERMS AND CONDITIONS OF TANDEM STOCK APPRECIATION RIGHTS. Tandem Stock Appreciation Rights shall be subject to such terms and conditions, not inconsistent with the provisions of this Plan, as shall be determined from time to time by the Committee, including Article X and the following: (a) TERM. A Tandem Stock Appreciation Right or applicable portion thereof granted with respect to a Reference Stock Option shall terminate and no longer be exercisable upon the termination or exercise of the Reference Stock Option, except that, unless otherwise determined by the Committee, in its sole discretion, at the time of grant, a Tandem Stock Appreciation Right granted with respect to less than the full number of shares covered by the Reference Stock

Option shall not be reduced until and then only to the extent the exercise or termination of the Reference Stock Option causes the number of shares covered by the Tandem Stock Appreciation Right to exceed the number of shares remaining available and unexercised under the Reference Stock Option.

(b) EXERCISABILITY. Tandem Stock Appreciation Rights shall be exercisable only at such time or times and to the extent that the Reference Stock Options to which they relate shall be exercisable in accordance with the provisions of Article VI and this Article VIII.

(c) METHOD OF EXERCISE. A Tandem Stock Appreciation Right may be exercised by an optionee by surrendering the applicable portion of the Reference Stock Option. Upon such exercise and surrender, the Participant shall be entitled to receive an amount determined in the manner prescribed in this Section 8.2. Stock Options which have been so surrendered, in whole or in part, shall no longer be exercisable to the extent the related Tandem Stock Appreciation Rights have been exercised.

(d) PAYMENT. Upon the exercise of a Tandem Stock Appreciation Right a Participant shall be entitled to receive up to, but no more than, an amount in cash and/or Common Stock (as chosen by the Committee in its sole discretion) equal in value to the excess of the Fair Market Value of one share of Common Stock over the option price per share specified in the Reference Stock Option multiplied by the number of shares in respect of which the Tandem Stock Appreciation Right shall have been exercised, with the Committee having the right to determine the form of payment. If the Committee elects to pay such amount to a Participant in Common Stock, such Common Stock shall be valued at Fair Market Value on the day of exercise of the Tandem Stock Appreciation Right.

(e) DEEMED EXERCISE OF REFERENCE STOCK OPTION. Upon the exercise of a Tandem Stock Appreciation Right, the Reference Stock Option or part thereof to which such Stock Appreciation Right is related shall be deemed to have been exercised for the purpose of the limitation set forth in Article IV of the Plan on the number of shares of Common Stock to be issued under the Plan.

8.3 NON-TANDEM STOCK APPRECIATION RIGHTS. Non-Tandem Stock Appreciation Rights may also be granted without reference to any Stock Options granted under this Plan.

8.4 TERMS AND CONDITIONS OF NON-TANDEM STOCK APPRECIATION RIGHTS. Non-Tandem Stock Appreciation Rights shall be subject to such terms and conditions, not inconsistent with the provisions of this Plan, as shall be determined from time to time by the Committee, including Article X and the following:

(a) TERM. The term of each Non-Tandem Stock Appreciation Right shall be fixed by the Committee, but shall not be greater than ten (10) years after the date the right is granted.

(b) EXERCISABILITY. Non-Tandem Stock Appreciation Rights shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee at grant. If the Committee provides, in its discretion, that any such right is exercisable subject to certain limitations (including, without limitation, that it is exercisable only in installments or within certain time periods), the Committee may waive such limitation on the exercisability at any time at or after grant in whole or in part (including, without limitation, that the Committee may waive the installment exercise provisions or accelerate the time at which rights may be exercised), based on such factors, if any, as the Committee shall determine, in its sole discretion.

(c) METHOD OF EXERCISE. Subject to whatever installment exercise and waiting period provisions apply under subsection (b) above, Non-Tandem Stock Appreciation Rights may be exercised in whole or in part at any time during the option term, by giving written notice of exercise to the Company specifying the number of Non-Tandem Stock Appreciation Rights to be exercised.

(d) PAYMENT. Upon the exercise of a Non-Tandem Stock Appreciation Right a Participant shall be entitled to receive, for each right exercised, up to, but no more than, an amount in cash and/or Common Stock (as chosen by the Committee in its sole discretion) equal in value to the excess of the Fair Market Value of one share of Common Stock on the date the right is exercised over the Fair Market Value of one (1) share of Common Stock on the date the right was awarded to the Participant. If the Committee elects to pay such amount to a Participant in Common Stock, such Common Stock shall be valued at Fair Market Value on the day of exercise of the Non-Tandem Stock Appreciation Right.

A-12

8.5 LIMITED STOCK APPRECIATION RIGHTS. The Committee may, in its sole discretion, grant Tandem and Non-Tandem Stock Appreciation Rights either as a general Stock Appreciation Right or as a Limited Stock Appreciation Right. Limited Stock Appreciation Rights may be exercised only upon a Change in Control (to the extent provided in an Award agreement granting such Limited Stock Appreciation Rights) or the occurrence of such other event as the Committee may, in its sole discretion, designate at the time of grant or thereafter. Upon the exercise of Limited Stock Appreciation Rights, except as otherwise provided in an Award agreement, the Participant shall receive in cash or Common Stock, as determined by the Committee, an amount equal to the amount (1) set forth in Section 8.2(d) with respect to Tandem Stock Appreciation Rights or (2) set forth in Section 8.4(d) with respect to Non-Tandem Stock Appreciation Rights.

8.6 TERMINATION OF EMPLOYMENT OR TERMINATION OF CONSULTANCY. The following rules apply with regard to Stock Appreciation Rights upon the Termination of Employment or Termination of Consultancy of a Participant:

(a) **TERMINATION BY DEATH.** If a Participant's Termination of Employment or Termination of Consultancy is by reason of death, any Stock Appreciation Right held by such Participant, unless otherwise determined by the Committee at grant or if no rights of the Participant's estate are reduced, thereafter, may be exercised, to the extent exercisable at the Participant's death, by the legal representative of the estate, at any time within a period of one (1) year from the date of such death or until the expiration of the stated term of such Stock Appreciation Right, whichever period is the shorter.

(b) **TERMINATION BY REASON OF DISABILITY.** If a Participant's Termination of Employment or Termination of Consultancy is by reason of Disability, any Stock Appreciation Right held by such participant, unless otherwise determined by the Committee at grant or, if no rights of the Participant are reduced, thereafter, may be exercised, to the extent exercisable at the Participant's termination, by the Participant (or the legal representative of the Participant's estate if the Participant dies after termination) at any time within a period of one (1) year from the date of such termination or until the expiration of the stated term of such Stock Appreciation Right, whichever period is the shorter.

(c) **TERMINATION BY REASON OF RETIREMENT.** If a Participant's Termination of Employment or Termination of Consultancy is by reason of Retirement, any Stock Appreciation Right held by such Participant, unless otherwise determined by the Committee at grant or, if no rights of the Participant are reduced, thereafter, shall be fully vested and may thereafter be exercised by the Participant at any time within a period of one (1) year from the date of such termination or until the expiration of the stated term of such right, whichever period is the shorter; provided, however, that, if the Participant dies within such one (1) year period, any unexercised Non-Tandem Stock Appreciation Right held by such Participant shall thereafter be exercisable, to the extent to which it was exercisable at the time of death, for a period of one (1) year (or such other period as the Committee may specify at grant or if no rights of the Participant are reduced, thereafter) from the date of such death or until the expiration of the stated term of such right, whichever period is the shorter.

(d) **INVOLUNTARY TERMINATION WITHOUT CAUSE OR TERMINATION FOR GOOD REASON.** If a Participant's Termination of Employment or Termination of Consultancy is by involuntary termination without Cause or for Good Reason, any Stock Appreciation Right held by such participant, unless otherwise determined by the Committee at grant or if no rights of the participant are reduced, thereafter, may be exercised, to the extent exercisable at termination, by the Participant at any time within a period of ninety (90) days from the date of such termination or until the expiration of the stated term of such right, whichever period is shorter.

(e) **TERMINATION WITHOUT GOOD REASON.** If a Participant's Termination of Employment or Termination of Consultancy is voluntary but without Good Reason and occurs prior to, or more than ninety (90) days after, the occurrence of an event which would be grounds for Termination of Employment or Termination of Consultancy by the Company for Cause (without regard to any notice or cure period requirements), any Stock Appreciation Right held

by such Participant, unless greater or lesser exercise rights are provided by the Committee at the time of grant or, if no rights of the participant are reduced, thereafter, may be exercised, to the extent exercisable at termination, by the Participant at any time within a period of thirty (30) days from the date of such termination, but in no event beyond the expiration of the stated term of such Stock Appreciation Right.

(f) OTHER TERMINATION. Unless otherwise determined by the Committee at grant, or, if no rights of the Participant are reduced thereafter, if a Participant's Termination of Employment or Termination of Consultancy is for any reason other than death, Disability, Retirement, Good Reason, involuntary termination

without Cause or voluntary termination as provided in subsection (e) above, any Stock Appreciation Right held by such Participant shall thereupon terminate or expire as of the date of termination, provided, that (unless the Committee determines a different period upon grant, or, if no rights of the Participant are reduced, thereafter) in the event the termination is for Cause or is a voluntary termination as provided in subsection (e) above, within ninety (90) days after occurrence of an event which would be grounds for Termination of Employment or Termination of Consultancy by the Company for Cause (without regard to any notice or cure period requirement), any Stock Appreciation Right held by the Participant at the time of the occurrence of the event which would be grounds for Termination of Employment or Termination of Consultancy by the Company for Cause shall be deemed to have terminated and expired upon occurrence of the event which would be grounds for Termination of Employment or Termination of Consultancy by the Company for Cause.

ARTICLE IX

INTENTIONALLY DELETED

ARTICLE X NON-TRANSFERABILITY

Except as provided in the last sentence of this Article X, no Stock Option or Stock Appreciation Right granted to an Employee or Consultant shall be Transferable by the Participant otherwise than by will or by the laws of descent and distribution. All Stock Options and all Stock Appreciation Rights granted to an Employee or Consultant shall be exercisable, during the Participant's lifetime, only by the Participant. Tandem Stock Appreciation Rights shall be Transferable, to the extent permitted above, only with the underlying Stock Option. Shares of Restricted Stock under Article VII may not be Transferred prior to the date on which shares are issued, or, if later, the date on which any applicable restriction lapses. No Award shall, except as otherwise specifically provided by law or herein, be Transferable in any manner, and any attempt to Transfer any such Award shall be void, and no such Award shall in any manner be liable for or subject to the debts, contracts, liabilities, engagements or torts of any person who shall be entitled to such Award, nor shall it be subject to attachment or legal process for or against such person. All Stock Options granted to non-employee directors shall be Transferable solely to such non-employee director's principal employer (other than the Company or an Affiliate) at the time of grant if the terms of such non-employee director's employment so require. Notwithstanding the foregoing, the Committee may determine at the time of grant or thereafter, that a Non-Qualified Stock Option that is otherwise not transferable pursuant to this Article X is transferable in whole or part and in such circumstances, and under such conditions, as specified by the Committee.

ARTICLE XI CHANGE IN CONTROL PROVISIONS

11.1 BENEFITS. In the event of a Change in Control of the Company (as defined below), except as otherwise provided by the Committee upon the grant of an Award, each Participant shall have the following benefits: (a) Unless otherwise provided in the applicable award agreement, all outstanding Options and the related Tandem Stock Appreciation Rights and Non-Tandem Stock Appreciation Rights of such Participant granted prior to the Change in Control shall be fully vested and immediately exercisable in their entirety. The Committee, in its sole discretion, may provide for the purchase of any such Stock Options by the Company for an amount of cash equal to the excess of the Change in Control Price (as defined below) of the shares of Common Stock covered by such Stock Options, over the aggregate exercise price of such Stock Options. For purposes of this Section 11.1, Change in Control Price shall mean the higher of (i) the highest price per share of Common Stock paid in any transaction related to a Change in Control of the Company, or (ii) the highest Fair Market Value per share of Common Stock at any time during the sixty (60) day period preceding a Change in Control.

(b) Unless otherwise provided in the applicable award agreement, the restrictions to which any shares of Restricted Stock of such Participant granted prior to the Change in Control are subject shall lapse as if the applicable Restriction

Period had ended upon such Change in Control.

(c) Notwithstanding anything else herein, the Committee may, in its sole discretion, provide for accelerated vesting of an Award upon a Termination of Employment during the Pre-Change in Control Period.

A-14

Unless otherwise determined by the Committee, the Pre-Change in Control Period shall mean the one hundred eighty (180) day period prior to a Change in Control.

11.2 CHANGE IN CONTROL. A Change in Control shall be deemed to have occurred:

(a) upon any person as such term is used in Sections 13(d) and 14(d) of the Exchange Act (other than the Company, any trustee or other fiduciary holding securities under any employee benefit plan of the Company, or any company owned, directly or indirectly, by the stockholders of the Company in substantially the same proportions as their ownership of Common Stock of the Company, becoming the owner (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing forty percent (40%) or more of the combined voting power of the Company's then outstanding securities (including, without limitation, securities owned at the time of any increase in ownership);

(b) during any period of two consecutive years, individuals who at the beginning of such period constitute the Board of Directors, and any new director (other than a director designated by a person who has entered into an agreement with the Company to effect a transaction described in paragraph (a), (c), or (d) of this section) or a director whose initial assumption of office occurs as a result of either an actual or threatened election contest (as such terms are used in Rule 14a-11 of Regulation 14A promulgated under the Exchange Act) or other actual or threatened solicitation of proxies or consents by or on behalf of a person other than the Board of Directors of the Company whose election by the Board of Directors or nomination for election by the Company's stockholders was approved by a vote of at least two-thirds of the directors then still in office who either were directors at the beginning of the two-year period or whose election or nomination for election was previously so approved, cease for any reason to constitute at least a majority of the Board of Directors;

(c) upon the merger or consolidation of the Company with any other corporation, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than fifty percent (50%) of the combined voting power of the voting securities of the Company or such surviving entity outstanding immediately after such merger or consolidation; provided, however, that a merger or consolidation effected to implement a recapitalization of the Company (or similar transaction) in which no person (other than those covered by the exceptions in (a) above) acquires more than forty percent (40%) of the combined voting power of the Company's then outstanding securities shall not constitute a Change in Control of the Company; or

(d) upon the stockholder's of the Company approval of a plan of complete liquidation of the Company or an agreement for the sale or disposition by the Company of all or substantially all of the Company's assets other than the sale of all or substantially all of the assets of the Company to a person or persons who beneficially own, directly or indirectly, at least fifty percent (50%) or more of the combined voting power of the outstanding voting securities of the Company at the time of the sale.

ARTICLE XII TERMINATION OR AMENDMENT OF THE PLAN

12.1 TERMINATION OR AMENDMENT. Notwithstanding any other provision of this Plan, the Board may at any time, and from time to time, amend, in whole or in part, any or all of the provisions of the Plan, or suspend or terminate it entirely, retroactively or otherwise, without stockholder approval. By way of example and without limiting the generality of the foregoing, the Board of Directors reserves the right, without stockholder approval, to (i) make amendments of a clerical nature that clarify language or understanding of the terms of the Plan, (ii) amend the vesting provisions of a Stock Option or the Plan, (iii) amend the provisions with respect to termination or death of a Participant, including but not limited to the length of time to exercise a Stock Option upon termination or death, (iv) add a deferred or restricted share unit or any other provision which results in Participants receiving Common Stock while no cash consideration is received by the Company; (v) change the method of calculating a minimum exercise

price per Common Stock for Stock Options under Section 6.3 of the Plan; and (vi) adjust accordingly the number of Common Stock available under the Plan, the Common Stock subject to any Award and the exercise price of the Common Stock subject to Stock Options as a result of the events described in Section 4.2(b) of the Plan. (c) Without limiting the generality of the foregoing, the Board of Directors reserves the right, without stockholder approval, to (i) make amendments of a clerical nature that clarify language or understanding of the terms of the Plan, (ii) amend the vesting provisions of a Stock Option or the Plan, (iii) amend

the provisions with respect to termination or death of a Participant, including but not limited to the length of time to exercise a Stock Option upon termination or death, (iv) add a deferred or restricted share unit or any other provision which results in Participants receiving Common Stock while no cash consideration is received by the Company; (v) change the method of calculating a minimum exercise price per Common Stock for Stock Options under Section 6.3 of the Plan; and (vi) adjust accordingly the number of Common Stock available under the Plan, the Common Stock subject to any Award and the exercise price of the Common Stock subject to Stock Options as a result of the events described in Section 4.2(b) of the Plan. Notwithstanding the foregoing:

(a) unless otherwise required by law or specifically provided herein, the rights of a Participant with respect to Awards granted prior to such amendment, suspension or termination, may not be impaired without the consent of such Participant; and

(b) stockholder approval shall be required, only if and to the extent required by the rules of a stock exchange on which the Company's Common Stock is listed for trading, the applicable provisions of Rule 16b-3 or, if and to the extent required, under the applicable provisions of Section 162(m) of the Code, or with regard to Incentive Stock Options, Section 422 of the Code, for an amendment which would (i) except as permitted in Section 4.1(a), increase the aggregate number of shares of Common Stock that may be issued under this Plan; (ii) change the classification of employees, Consultants, directors and non-employee directors eligible to receive Awards under this Plan; (iii) decrease the minimum option price of any Stock Option; (iv) extend the maximum option period under Section 6.3; (v) change any rights under the Plan with regard to non-employee directors; or (vi) require stockholder approval in order for the Plan to continue to comply with the applicable provisions, if any, of Rule 16b-3, Section 162(m) of the Code, any applicable state law, or, with regard to Incentive Stock Options, Section 422 of the Code.

The Committee may amend the terms of any Award theretofore granted, prospectively or retroactively, but, subject to Article IV above or as otherwise specifically provided herein, no such amendment or other action by the Committee shall impair the rights of any holder without the holder's consent.

ARTICLE XIII UNFUNDED PLAN

This Plan is intended to constitute an unfunded plan for incentive compensation. With respect to any payments as to which a Participant has a fixed and vested interest but which are not yet made to a Participant by the Company, nothing contained herein shall give any such Participant any rights that are greater than those of a general creditor of the Company.

ARTICLE XIV GENERAL PROVISIONS

14.1 LEGEND. The Committee may require each person receiving shares pursuant to an Award under the Plan to represent to and agree with the Company in writing that the Participant is acquiring the shares without a view to distribution thereof. In addition to any legend required by this Plan, the certificates for such shares may include any legend which the Committee deems appropriate to reflect any restrictions on Transfer. All certificates for shares of Common Stock delivered under the Plan shall be subject to such stock transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations and other requirements of the Securities and Exchange Commission, any stock exchange upon which the Common Stock is then listed or any national securities association system upon whose system the Common Stock is then quoted, any applicable federal or state securities law, and any applicable corporate law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

14.2 OTHER PLANS. Nothing contained in this Plan shall prevent the Board from adopting other or additional compensation arrangements, subject to stockholder approval if such approval is required; and such arrangements may

be either generally applicable or applicable only in specific cases.

14.3 NO RIGHT TO EMPLOYMENT/DIRECTORSHIP. Neither this Plan nor the grant of any Award hereunder shall give any Participant or other employee any right with respect to continuance of employment by the Company or any Affiliate, nor shall there be a limitation in any way on the right of the Company or any Affiliate by which an employee is employed to terminate his employment at any time. Neither this Plan nor the grant of any

A-16

Award hereunder shall impose any obligations on the Company to retain any Participant as a director nor shall it impose on the part of any Participant any obligation to remain as a director of the Company.

14.4 WITHHOLDING OF TAXES. The Company shall have the right to deduct from any payment to be made to a Participant, or to otherwise require, prior to the issuance or delivery of any shares of Common Stock or the payment of any cash hereunder, payment by the Participant of, any Federal, state or local taxes required by law to be withheld. Upon the vesting of Restricted Stock, or upon making an election under Code Section 83(b), a Participant shall pay all required withholding to the Company. The Committee may permit any such withholding obligation with regard to any Participant to be satisfied by reducing the number of shares of Common Stock otherwise deliverable or by delivering shares of Common Stock already owned. Any fraction of a share of Common Stock required to satisfy such tax obligations shall be disregarded and the amount due shall be paid instead in cash by the Participant.

14.5 LISTING AND OTHER CONDITIONS.

(a) Intentionally Deleted.

(b) If at any time counsel to the Company shall be of the opinion that any sale or delivery of shares of Common Stock pursuant to an Award is or may in the circumstances be unlawful or result in the imposition of excise taxes on the Company under the statutes, rules or regulations of any applicable jurisdiction, the Company shall have no obligation to make such sale or delivery, or to make any application or to effect or to maintain any qualification or registration under the Securities Act of 1933, as amended, or otherwise with respect to shares of Common Stock or Awards, and the right to exercise any Option shall be suspended until, in the opinion of said counsel, such sale or delivery shall be lawful or will not result in the imposition of excise taxes on the Company.

14.6 GOVERNING LAW. This Plan shall be governed and construed in accordance with the laws of the state of incorporation of the Company (regardless of the law that might otherwise govern under applicable principles of conflict of laws).

14.7 CONSTRUCTION. Wherever any words are used in this Plan in the masculine gender they shall be construed as though they were also used in the feminine gender in all cases where they would so apply, and wherever any words are used herein in the singular form they shall be construed as though they were also used in the plural form in all cases where they would so apply. To the extent applicable, the Plan shall be limited, construed and interpreted in a manner so as to comply with the applicable requirements of Rule 16b-3 and Section 162(m) of the Code; however, noncompliance with Rule 16b-3 or Section 162(m) of the Code shall have no impact on the effectiveness of a Stock Option granted under the Plan.

14.8 OTHER BENEFITS. No Award payment under this Plan shall be deemed compensation for purposes of computing benefits under any retirement plan of the Company or its subsidiaries nor affect any benefits under any other benefit plan now or subsequently in effect under which the availability or amount of benefits is related to the level of compensation.

14.9 COSTS. The Company shall bear all expenses included in administering this Plan, including expenses of issuing Common Stock pursuant to any Awards hereunder.

14.10 NO RIGHT TO SAME BENEFITS. The provisions of Awards need not be the same with respect to each Participant, and such Awards to individual Participants need not be the same in subsequent years.

14.11 DEATH/DISABILITY. The Committee may in its discretion require the transferee of a Participant to supply it with written notice of the Participant's death or Disability and to supply it with a copy of the will (in the case of the Participant's death) or such other evidence as the Committee deems necessary to establish the validity of the transfer of an Award. The Committee may also require the agreement of the transferee to be bound by all of the terms and

conditions of the Plan.

14.12 SECTION 16(b) OF THE EXCHANGE ACT. All elections and transactions under the Plan by persons subject to Section 16 of the Exchange Act involving shares of Common Stock are intended to comply with any applicable condition under Rule 16b-3. The Committee may establish and adopt written administrative guidelines, designed to facilitate compliance with Section 16(b) of the Exchange Act, as it may deem necessary or proper for the administration and operation of the Plan and the transaction of business thereunder.

A-17

14.13 SEVERABILITY OF PROVISIONS. If any provision of the Plan shall be held invalid or unenforceable, such invalidity or unenforceability shall not affect any other provisions hereof, and the Plan shall be construed and enforced as if such provisions had not been included.

14.14 HEADINGS AND CAPTIONS. The headings and captions herein are provided for reference and convenience only, shall not be considered part of the Plan, and shall not be employed in the construction of the Plan.
