(local time), at the law offices of Paul, Hastings, Janofsky & Walker LLP, 75 East 55th Street, New York, New York, and at any adjournment or postponement thereof. On or about April 20, 2005, we first mailed these proxy materials to holders of record of our common shares at the close of business on April 1, 2005. Our executive offices are located at 625 Madison Avenue, New York, New York 10022 (telephone: (212) 317-5700).

Common shares represented by properly executed proxy cards received by us at or prior to the annual meeting will be voted according to the instructions you indicate on the proxy card. If you do not give any instructions, the persons named on your signed proxy card intend to vote your common shares so represented "FOR" each of the proposals.

You may revoke your proxy and reclaim your right to vote by (i) delivering to our secretary a written notice of revocation bearing a later date than the date of the proxy at or prior to the annual meeting, (ii) delivering to our secretary a duly executed, subsequently dated proxy with respect to the same common shares at or prior to the annual meeting, or (iii) attending the annual meeting and voting in person, although attendance at the annual meeting will not, by itself, constitute revocation. Any written notice revoking a proxy should be delivered at or prior to the annual meeting to the attention of the Secretary, American Mortgage Acceptance Company, 625 Madison Avenue, New York,

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

Our board of trustees recommends a vote "FOR" each of the proposals.

As of April 1, 2005, approximately 8,336,803 common shares were outstanding, with each common share entitled to one vote on all matters that may come before the annual meeting.

QUESTIONS AND ANSWERS

Q: Why am I receiving these proxy materials?

A: You are receiving these proxy materials because you are a shareholder in our Company. Our board of trustees is asking for the right to vote your shares as your proxy or agent at the annual meeting of our shareholders. Your shares will be voted as you instruct on your proxy card at the annual meeting. This proxy statement discusses the issues to be voted on. Each share you own is entitled to one vote on each matter being voted on at the annual meeting.

Q: What am I being asked to vote on?

A: You are being asked to consider and vote upon the following proposals:

- (1) The election of five (5) trustees for a term of one year to expire in 2006;
- (2) The approval of an amendment and restatement of our Company's Second Amended and Restated Declaration of Trust which reflects the following significant amendments:
 - a. the transfer of provisions with respect to our investment policy from our declaration of trust to our bylaws;
 - b. the transfer of provisions with respect to our operating procedures from our declaration of trust to our bylaws; and
 - c. the reduction in the vote required to approve a conversion transaction or a roll-up from 80% to a majority vote.
- (3) The adjournment or postponement of the annual meeting if necessary to permit further solicitation of proxies if there are not sufficient votes at the time of the annual meeting to approve the proposals.

Q: Who is being nominated for election as a trustee?

A: The nominating committee of our board of trustees has nominated Stuart J. Boesky, Alan P. Hirmes, Scott M. Mannes, Stanley R. Perla and Richard M. Rosan for election as trustees at the annual meeting. Additional information about each of the nominees is included under the heading "Proposal #1: Election of Trustees."

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

Q: Why are we amending and restating the declaration of trust?

A: When our Company was originally formed, it was our intention to operate as a closed-end, finite-life company to acquire government insured mortgage loans, utilizing only the proceeds from our initial capital raised and no indebtedness. When our Company was restructured to an infinite-life real estate investment trust (a "REIT") in 1999, our shareholders voted to amend our declaration of trust in order to accommodate our new business plan. These amendments included, among other changes, expanding the types of investments we could make and utilizing a defined amount of indebtedness to acquire higher yielding mezzanine and bridge loans and other real estate related investments. However, at the time of the restructuring, there were certain restrictions with respect to our operating procedures that were left in our declaration of trust that we now believe, after five years of operations as a public company, may no longer be applicable to our Company and in any event should be left to the discretion of our board of trustees. For these reasons, we are asking you to approve an amendment and restatement of our declaration of trust which will give our trustees powers substantially similar to those granted to directors of most public companies and allow our board to amend, without the need to solicit shareholder consent, the provisions that will be moved into the bylaws as deemed necessary and appropriate to effectively manage our business.

Although we recommend that you adopt all of the proposed amendments to our declaration of trust, we have divided the various amendments into three separate proposals, as more fully discussed in the next question.

Q: What are the three (3) separate proposals to the declaration of trust that I am being asked to vote on?

A: You are being asked to approve amending and restating our declaration of trust by voting on the following three proposals:

a. The transfer of provisions with respect to our investment policy from our declaration of trust to our bylaws. The first declaration of trust proposal, "Proposal #2a - The transfer of provisions with respect to our investment policy from our declaration of trust to our bylaws," is asking you to approve amending the declaration of trust to move Article VII - Investment Policy of the declaration of trust to our bylaws. This amendment would permit our board of trustees to have discretion over any change to the Company's investment policy. We feel that transferring our investment policy to our bylaws will afford our Company needed flexibility in our continued operations and expanding business and also enable us to operate in a more efficient and economical manner by allowing our board of trustees to react quickly to changes in the competitive and regulatory conditions in which we operate.

b. The transfer of provisions with respect to our operating procedures from our declaration of trust to our bylaws. The second declaration of trust proposal, "Proposal #2b - The transfer of provisions with respect to our operating procedures from our declaration of trust to our bylaws," is asking you to approve amending the declaration of trust to transfer certain provisions related to our operating procedures from the declaration of trust to our bylaws. These include,

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

for example, provisions regarding meetings of shareholders, including quorum and voting mechanics; authority of our trustees, including resignation and removal procedures; appointments of our officers; the setting of record dates and voting procedures. It also includes references to the North American Securities Administrators Association ("NASAA") guidelines, which are no longer applicable to our Company. In light of our continuing growth and the manner in which our Company has changed since our declaration of trust was created, such an amendment would allow our board of trustees to exercise greater discretion and control over the operation of our Company and provide needed flexibility. Approving this proposal will give our board of trustees powers substantially similar to those granted to boards of most public companies and also allow our board to amend, without the need to solicit shareholders consent, these operating procedures as deemed necessary and appropriate to effectively manage our business.

c. Reduction in the vote required to approve a conversion transaction or a roll-up from eighty percent (80%) to a majority vote. The third declaration of trust proposal, "Proposal #2c - Reduction in the vote required to approve a conversion transaction or a roll-up from eighty (80%) to a majority vote," is asking you to approve amending the declaration of trust to change the shareholder voting requirements for approval of certain exchange offers, mergers, consolidations, conversions, roll-ups or other similar transactions (collectively, "Conversion or Roll-Up Transactions") from eighty percent (80%) to a majority of the outstanding shares of our Company held by our shareholders. We believe the eighty percent (80%) approval requirement has the potential to unduly limit our ability to obtain approval of a Conversion or Roll-Up Transaction which may be in the best interest of the majority of our shareholders. If approved, this amendment would continue to permit our shareholders to exercise discretion over such transactions. However, undertaking a Conversion or Roll-Up Transaction will be less costly and our Company will have the ability to obtain such approval in a timely manner.

Q: What is the effect of Proposals #2a and #2b which transfer provisions to the bylaws?

Two proposals, Proposal #2a and #2b, seek shareholder approval to transfer provisions which are currently set forth in our declaration of trust into our bylaws. The principal effect of this change will be to give our board of trustees the ability to amend, without the need to solicit shareholder consent, the transferred provisions as deemed necessary and appropriate to effectively manage our business. As a result, shareholders will no longer have a vote on whether or not certain investment policies and operating procedures can be changed, including various restrictions which currently limit the discretion of management and the board of trustees.

Q: Has management discussed revising or eliminating the provisions relating to Proposals #2a and #2b after they are moved to the bylaws?

While management has discussed with the board from time to time the elimination or revision of certain of these restrictions, neither management nor the board of trustees has a present intention to do so (other than the NASAA guidelines) , although, as noted above, the proposals would permit our board of trustees to take actions on its own that

would previously have required shareholder approval if the board felt such

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

changes were in the best interest of our shareholders and us.

Q: What vote is required to approve the proposals?

A. The affirmative vote of the holders of a majority of the issued and outstanding common shares entitled to vote at the annual meeting at which a quorum is present is required to approve each of the amendments to our declaration of trust, other than proposal #2c, which requires approval of 80% of our common shares outstanding.

The affirmative vote of a plurality of the votes actually cast by shareholders, in person or by proxy, and entitled to vote at the annual meeting at which a quorum is present is required for the election of each of the trustee nominees. The affirmative vote of the holders of a majority of the common shares voting either in person or by proxy at the annual meeting is required to approve, if necessary, the extension of the solicitation period and the adjournment of the annual meeting.

Abstentions and broker non-votes will have no effect on the vote for Proposals #1 and #3 because the vote required is a plurality and majority, respectively, of the votes actually cast (assuming the presence of a quorum). Abstentions and broker non-votes will be counted as votes against Proposals #2a, #2b and #2c.

Q: Who is entitled to vote?

A: Shareholders of record as of the close of business on April 1, 2005 are entitled to vote at the annual meeting.

Q: Does holding my stock in a brokerage account affect my entitlement to vote?

A: While your broker may vote your shares with respect to proposals #1 and #3 even if you do not instruct your broker how to vote, your broker may only vote your shares with respect to proposals #2a, #2b and #2c if you provide instructions to your broker on how to vote. You should contact your broker and ask what directions your broker will need from you. If your shares are held in the name of a broker, and you intend to attend the annual meeting and vote your shares in person, you must obtain a legal proxy, executed in your favor, from your broker to be able to vote at the annual meeting.

Q: What if there are not enough votes to establish a quorum?

A: If there are not enough votes to establish a quorum or to meet the voting requirement at the annual meeting, we may propose an adjournment or postponement of the annual meeting for the purpose of soliciting additional proxies. Therefore, please note that, by delivering a proxy to vote at the annual meeting, you are also granting a proxy that can be voted in favor of any adjournments or postponements of the annual meeting.

Q. What do I need to do now?

A: After reading this proxy statement, complete, sign and mail the enclosed proxy card in the enclosed return envelope as soon as possible. In the alternative, you may also submit a proxy on the Internet by following the instructions on the enclosed proxy card. To submit a proxy on the Internet, log on to the Internet and go to <http://www.eproxyvote.com/amc>, enter your authentication number which can be found in the grey shaded box on the proxy card and follow the directions outlined on the secure website. Even if you plan to attend the annual meeting in person, we urge you to return your proxy card to

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

assure the representation of your shares at the annual meeting.

Q: Can I change my vote after I have mailed my signed proxy card?

A: Yes. You can change your vote at any time before your proxy is voted at the annual meeting. You may do this in one of three ways. First, you can send us a written notice stating that you revoke your proxy. Second, you can complete and submit a new proxy card, dated a later date than the first proxy card. Third, you can attend the annual meeting and vote in person. Your attendance at the annual meeting will not, however, by itself revoke your proxy. If you hold your shares in "street name" and have instructed your broker to vote your shares, you must follow directions received from your broker to change those instructions.

Q: Do I have dissenters' rights?

A: No dissenters' rights apply to any matter to be acted upon at this annual meeting.

Q: How does the board of trustees recommend that I vote?

A: Our board of trustees unanimously recommends that you vote:

"FOR" The election of five (5) trustees for a term of one year to expire in 2006; and

"FOR" The approval of an amendment and restatement of our Company's Second Amended and Restated Declaration of Trust which reflects the following significant amendments:

- a. the transfer of provisions with respect to our investment policy from our declaration of trust to our bylaws;
- b. the transfer of provisions with respect to our operating procedures from our declaration of trust to our bylaws; and
- c. the reduction in the vote required to approve a conversion transaction or a roll-up from 80% to a majority vote.

"FOR" The adjournment or postponement of the annual meeting if necessary to permit further solicitation of proxies if there are not sufficient votes at the time of the annual meeting to approve the proposals.

PROPOSALS BEFORE THE MEETING

Proposal #1: Election of Trustees

At the annual meeting, five trustees are to be elected for one-year terms expiring in 2006. All of the nominees are currently trustees of our Company. Trustees are elected by a plurality of the votes cast (assuming the presence of a quorum consisting of a majority of holders of our common shares, whether present in person or by proxy).

Unless holders of our common shares otherwise specify, the common shares represented by duly executed proxies will be voted "FOR" the indicated nominees for election as trustees. Our board of trustees has no reason to believe that any of the nominees will be unable or unwilling to continue to serve as a trustee if elected. However, in the event that any nominee should be unable or unwilling to serve, the common shares represented by proxies received will be voted for another nominee selected by our board of trustees. Our board of trustees recommends a vote "FOR" each of the listed nominees.

Proposal #2: Amending and Restating our Declaration of Trust

Introduction

Our board of trustees has approved, and recommends that you authorize them to adopt and execute, an amended and restated declaration of trust of our Company pursuant to proposals #2a through #2c, below. The amended and restated declaration of trust, which will be in the form attached to this proxy statement as Appendix A, has been marked to show changes from our existing declaration of trust.

The changes reflected in the amendment and restatement will, among other matters:

- o transfer provisions with respect to our investment policy to our bylaws;
- o transfer provisions with respect to our operating procedures to our bylaws; and

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

- o lower the shareholder approval percentage (from 80% to a majority) for approval of certain exchange offers, mergers, consolidations, conversions, roll-ups or other similar transactions.

Overview of Reasons for Proposed Changes

When our Company was originally formed in 1993, it was our intention to operate as a closed-end, finite-life real estate investment trust ("REIT") that would acquire government insured mortgage loans, utilizing only the proceeds from our initial capital raise and no indebtedness. When we were restructured to an infinite-life company in 1999, our shareholders voted to amend our declaration of trust in order to accommodate our new business plan, which included,

among other changes, expanding the types of investments we could make and utilizing a defined amount of indebtedness to acquire higher yielding mezzanine and bridge loans and other real estate related investments. However, at the time of the restructuring, there were certain restrictions with respect to our operating procedures that were left in our declaration of trust that we now believe, after five years of operations as a public company, may no longer be applicable to our Company and in any event should be left to the discretion of our board of trustees.

Many of these restrictions do not reflect the nature of our current business plan and are based upon the guidelines of the North American Securities Administrators Association ("NASAA"), which were applicable when we were a non-listed entity. We are no longer required by law to be encumbered by those restrictions.

For these reasons, we are asking you to approve an amendment and restatement of our declaration of trust. By doing so, our trustees will be given powers substantially similar to those granted to directors of most public companies. It will also allow our board of trustees to amend, without the need to solicit shareholder consent, the provisions that will be moved into the bylaws as deemed necessary and appropriate to effectively manage our business. We feel this will enable us to operate in a more efficient and economical manner by allowing our board of trustees to react quickly to changes in the competitive and regulatory environment in which we operate. If the various proposals included in the amendment and restatement of our declaration of trust are not approved, we may be at a competitive disadvantage if business opportunities arise in the future which would otherwise require us to obtain shareholder approval prior to consummating such a transaction.

Recommendation

Our board of trustees recommends that you authorize them to adopt and execute an amended and restated declaration of trust of our company by voting "FOR" Proposals #2a, #2b, and #2c set forth below. Each of these proposals requires the approval of a majority of our common shares outstanding, other than proposal #2c which requires approval of 80% of our common shares outstanding.

Principal Effects and Risks of the Proposals

The following discusses the principal effects and risks of the proposals:

Loss of Shareholder Approval. Two of the proposals, Proposals #2a and #2b, seek shareholder approval to transfer provisions which are currently set forth in our declaration of trust into our bylaws. The principal effect of this change

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

will be to give our board of trustees the ability to amend, without the need to solicit shareholder consent, the transferred provisions as deemed necessary and appropriate to effectively manage our business. As a result, shareholders will no longer have a vote on whether or not certain investment policies and operating procedures can be changed, including various restrictions which currently limit the discretion of management and the board of trustees. While management has discussed with the board from time to time the elimination or revision of certain of these restrictions, neither management nor the board of trustees has a present intention to do so, although, as noted above, the proposals would permit our board of trustees to take actions on its own that would previously have required shareholder approval if the board felt such changes were in the best interest of our shareholders and us.

If the proposals are approved, some of the more significant restrictions which will be moved into our bylaws and, therefore, will no longer require shareholder approval to change include the following:

- o Debt Limitation. Our declaration of trust currently restricts our ability to incur indebtedness in excess of a set limitation. The present debt limitation is set at (i) 100% of our total market value with respect to total indebtedness and (ii) 50% of our total market value with respect to indebtedness other than working capital indebtedness, trade payables and subordinated advisor fees. We have no present intention to revise this limitation as it has provided us with significant flexibility to implement our business plan as currently formulated.
- o Specified Investments. Our declaration of trust currently provides that 40% of our new investments be of the type we originally invested in prior to our restructuring in 1999. We expect to continue to maintain approximately 40% of our investments in government insured or guaranteed investments, primarily through the acquisition of Government National Mortgage Association ("GNMA" or "Ginnie Mae") and Federal National Mortgage Association ("FNMA" or "Fannie Mae") mortgage-backed securities and pass-through certificates.
- o NASAA Guideline Limitations. Our declaration of trust currently provides that our Advisor's compensation is determined in accordance with the NASAA guidelines. Furthermore, unless approved by our independent trustees, our total operating expenses may not exceed the greater of (i) 2% of our average invested assets and (ii) 25% of our net income. We have never exceeded the foregoing limitations.

In addition to the provisions which contain various restrictions that would be moved to the bylaws, the proposals also contemplate that the more mundane provisions that are typically found in the bylaws of public companies would be moved

from the declaration of trust to the bylaws. These include, for example, provisions regarding meetings of shareholders, including quorum and voting mechanics; authority of our trustees, including resignation and removal procedures; appointments of our officers; the setting of record dates and voting procedures.

Increased Financing Risk. If our Investment Policy is moved into our bylaws and our board determines to increase our financing, the following risks of leverage already present will be increased:

- o we could lose our interests in assets given as collateral for secured

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

- borrowings or leverage if the required repayments are not made when due;
- o our cash flow from operations may not be sufficient to retire these obligations as they mature, making it necessary for us to either refinance these obligations prior to maturity or to raise additional debt and/or equity or dispose of some of our assets to retire the obligations which could have an adverse effect on the amount of cash available for distribution to our shareholders; and
 - o there can be no assurance as to the availability, or the terms and conditions, of any financing needed by us to refinance borrowings.

Less Control by Minority Shareholders. Proposal #2c seeks shareholder approval to lower the required percentage (from 80% to a majority) for approval of certain exchange offers, mergers, consolidations, conversions, roll-ups or other similar transactions ("Conversion or Roll-Up Transactions"). The principal effect of this change would be a reduction in the voting requirement for us to seek approval for a Conversion or Rollup Transaction which would have a direct impact on the ability of a minority shareholder to block such a transaction. As a result, even though our shareholders would exercise discretion over such transactions, it will no longer be as difficult for us to obtain the vote to pursue a Conversion or Roll-up Transaction.

Proposal #2a: Investment Policy

Our board of trustees has approved, and recommends that you authorize them to adopt and execute, an amended and restated declaration of trust of our Company, which would, among other things, move Article VII - Investment Policy of the declaration of trust to our bylaws. Presently, any amendment to our declaration of trust and, therefore, changes to our investment policy requires the approval of our shareholders. Obtaining shareholder approval for such amendments is often costly and time-consuming. We have also surveyed other public REITs and determined that most public companies and similarly situated REITs provide for director discretion with respect to investment policy. We feel that moving our investment policy into our bylaws would enable us to operate in a more efficient and economical manner by allowing our board of trustees to react quickly to changes in the competitive and regulatory environment in which we operate.

For example, in recent years, we have expanded our business plan and undertaken a growing variety of investments in real estate including diversifying outside of multifamily residential to include commercial opportunities. While such investments are currently permitted by our declaration of trust, we wish to move the provision to our bylaws so that if necessary, our board can alter the provision in order to take full advantage of investment opportunities that are within our core competency as soon as such opportunities are presented.

By transferring our investment policy to our bylaws, we would be giving our board the needed flexibility in our continued operations and expanding business. It would also enable us to operate in a more efficient and economical manner by allowing our board of trustees to react quickly to changes in the competitive and regulatory conditions in which we operate.

For these reasons, we are asking you to approve shifting the investment policy of our Company into our bylaws. A copy of our Amended and Restated Bylaws has been attached to this proxy as Appendix B.

Proposal #2b: Transfer Provisions with Respect to our Operating Procedures to our Bylaws

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

Our board of trustees has approved, and recommends that you authorize them to adopt and execute, an amended and restated declaration of trust of our Company, which would, among other things, transfer certain provisions related to our operating procedures from our declaration of trust to our bylaws. These include, for example, provisions regarding meetings of shareholders, including quorum and voting mechanics; authority of our trustees, including resignation and removal procedures; appointments of our officers; the setting of record dates and voting procedures. It also includes references to the NASAA guidelines, which were only applicable when we were a non-listed company.

In light of our continuing growth and the manner in which our Company has changed since our declaration of trust was created, such an amendment would allow our board of trustees to exercise greater discretion and control over the operation of our Company and provide needed flexibility. For example, our declaration of trust currently contains restrictions as set by the NASAA guidelines which limits the amount we may compensate our advisor. It also contains

restrictions, also set by the NASAA guidelines, which does not permit our total operating expense to exceed the greater of (i) 2% of our average invested assets and (ii) 25% of our net income. While we have never exceeded the foregoing limitations, we are no longer required by law to be encumbered with the NASAA restrictions and feel that moving these to our bylaws would put our board of trustees in a position to amend, should it in the future determine it is in our best interest and without the need to solicit shareholders consent, these operating procedures as deemed necessary and appropriate to effectively manage our business.

For these reasons, we are asking you to approve an amendment to our declaration of trust that would transfer certain provisions related to our operations to our bylaws. A copy of our Amended and Restated Bylaws has been attached to this proxy as Appendix B.

Proposal #2c: Amendment to the Shareholder Voting Requirements for Approval of Conversion Transactions or Roll-Ups

Our board of trustees has approved, and recommends that you authorize them to adopt and execute, an amended and restated declaration of trust of our Company, which would, among other things, amend the shareholder voting requirements for approval of certain Conversion or Roll-Up Transactions.

Presently, Conversion or Roll-Up Transactions require the approval of the holders of eighty percent (80%) of the outstanding shares of our Company. We propose to reduce this eighty percent (80%) approval requirement to a majority of the outstanding shares of our Company held by our shareholders in order to authorize a Conversion or Roll-Up Transaction.

The eighty percent (80%) approval requirement currently provided for in our declaration of trust has the potential to unduly limit our Company's ability to obtain approval of a Conversion or Roll-Up Transaction, as our Company has a broad and diverse shareholder base with many shareholders owning small amounts of our shares. In addition, the current declaration of trust provides for the approval of the holders of a majority of the shares outstanding for all other major decisions with respect to our Company. If approved, this amendment would continue to permit our shareholders to exercise discretion over such transactions; however, undertaking a Conversion or Roll-Up Transaction would be less costly and our Company would have the ability to obtain such approval in a timely manner.

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

For these reasons, we are asking you to approve the amendment of the voting requirements for approval of Conversion or Roll-Up Transactions as described above.

EXECUTIVE COMPENSATION

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

Trustees and Management

We currently have five executive officers (one of whom, Ms. Kiley, has announced her retirement) and five trustees (three of whom are independent trustees). We do not pay or accrue any fees, salaries or other forms of compensation to our officers other than options which may be received under our Share Option Plan. Independent trustees receive compensation for serving as independent trustees at the rate of \$20,000 per year payable one-half in cash and one-half in common shares (or all in common shares at the trustee's discretion) in addition to an expense reimbursement for attending meetings of our board of trustees. The chairman of the audit committee receives an additional \$5,000 in cash for serving on the audit committee.

Our Advisor, at its expense, provides all personnel necessary to conduct our regular business. Our Advisor receives various fees and reimbursements for advisory and other services performed under our Advisory Agreement, as further described in the "CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS -- Advisory Agreement" section of this Proxy Statement. An affiliate of our Advisor pays all salaries, bonuses and other compensation (other than options which may be received under our Share Option Plan) to the officers of our Advisor (including such officers who also serve as officers of our Company). Certain officers of our Advisor and certain officers of our Company receive compensation from our Advisor and its affiliates for services performed for various affiliated entities, which may include services performed for us. Such compensation may be based in part on our performance; however, our Advisor believes that any such compensation attributable to services performed for us is immaterial.

Share Option Plan

We have adopted a Share Option Plan, the purpose of which is (i) to attract and retain qualified persons as trustees and officers and (ii) to incentivize and more closely align the financial interests of our Advisor and its employees and officers with the interests of the holders of our common shares by providing our Advisor with a substantial financial interest in our success. The compensation committee, which is comprised of Messrs. Mannes and Rosan, administers our Share Option Plan. Pursuant to our Share Option Plan, if our distributions per common share in the immediately preceding calendar year exceed \$1.45 per common share, the compensation committee has the authority to issue options to purchase, in the aggregate, that number of common shares which is equal to 10% of the aggregate number of common shares outstanding as of December 31 of the immediately preceding calendar year (subject to any limitations imposed by the national securities exchange or national quotation system upon which the Company is listed). This is the "life maximum" for our Share Option Plan.

All options granted by the compensation committee will have an exercise price equal to or greater than the fair market value of the common shares on the date of the grant. The maximum option term is ten years from the date of grant. All common share options granted pursuant to our Share Option Plan may vest immediately upon issuance or in accordance with the determination of the compensation committee. No options were granted for the years ended December 31, 1999, December 31, 2000, and December 31, 2001. In 2002, we distributed \$1.51 per common share. Therefore, the compensation committee was authorized to issue options for the year ended December 31, 2002. On April 11, 2003, the compensation committee granted 190,000 options to 25 employees of RCC and to our Advisor. In 2003, we distributed \$1.60 per common share, however, there were not any options issued. For the year ended December 31, 2004, we distributed \$1.60 per common share and therefore, the compensation committee is authorized to issue options for the year ended December 31, 2004. On March 23, 2005, we granted 65,052 options for common shares to Mr. Garth pursuant to our Share Option Plan. The options have an effective date of January 3, 2005. All share

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

options will vest over a three year period, with one third vesting on the first anniversary of the effective date.

Report of the Compensation Committee

The compensation committee of our board of trustees is comprised of two independent trustees (Messrs. Mannes and Rosan). The role of the compensation committee is to administer the policies governing our Share Option Plan. Because we do not pay salaries and bonuses to our officers or our Advisor, the compensation committee does not determine executives' salary levels. Subject to the restrictions contained in our Share Option Plan, option compensation is intended to be set at a level competitive with the amounts paid to the management of similarly sized companies in similar industries. The compensation committee also evaluates the performance of management when determining the number of options to be issued.

Our grants of share options are structured to link the compensation of our officers and the officers and employees of our Advisor with our performance. Through the establishment of our Share Option Plan, we have aligned the financial

interests of our executives (and the executives and employees of our Advisor) with the results of our performance, which is intended to enhance shareholder value. The compensation committee may only grant options if certain performance levels are met and is limited in the number of options which may be granted each year (See "Share Option Plan" above). The amount of options which may be granted will be set at levels that the compensation committee believes to be consistent with others in our industry, with such compensation contingent upon our level of annual and long-term performance.

Section 162(m) was added to the Internal Revenue Code (the "Code") as part of the Omnibus Budget Reconciliation Act of 1993. Section 162(m) limits the deduction for compensation paid to the chief executive officer and the other executive officers to the extent that compensation of a particular executive exceeds \$1,000,000 (less the amount of any "excess parachute payments" as defined in Section 280G of the Code) in any one year. However, under Section 162(m), the deduction limit does not apply to certain "performance-based" compensation established by an independent compensation committee which conforms to certain restrictive conditions stated under the Code and related regulations. It is our goal to have compensation paid to our executive officers qualify as performance-based compensation deductible for federal income tax purposes under Section 162(m). Given the fact that we are currently externally managed by our Advisor and the only compensation that currently may be paid to our executive officers are options pursuant to our Share Option Plan, it is unlikely that Section 162(m) will present any concerns.

During the fiscal year ended December 31, 2004, the compensation committee consisted of Messrs. Rosan and Mannes. No compensation committee member had any interlocking relationships requiring disclosure under applicable rules and regulations. No compensation committee member was employed by the Company as an officer or employee during 2004. No executive officer of the Company serves as a member of the board of directors or compensation committee of any other company that has one or more executive officers serving as a member of our board of trustees or the compensation committee.

Affiliated Transactions

In June 2004, we entered into a revolving credit facility (the "Revolving Facility") with CharterMac. The Revolving Facility, which is unsecured, will provide up to \$20.0 million in borrowings to be used to purchase new investments, and bears interest at 30-day LIBOR plus 300 basis points. The Revolving Facility is for a term of one year with a one-year optional extension and contains customary restrictions/covenants that are similar to our mortgage warehouse line of credit with Bank of America. In the opinion of our management, the terms of this facility are consistent with those of transactions with independent third parties. As of December 31, 2004, we had approximately \$4.6 million in borrowings outstanding on the Revolving Facility at an interest rate of 5.42%.

Based on the review and discussions referred to above, the audit committee recommended to our board of trustees that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2004.

Submitted by the audit committee of our board of trustees:

Stanley R. Perla - Chairman
Scott M. Mannes
Richard M. Rosan

Independent Auditors

Deloitte & Touche LLP have been and are presently our independent auditors. Representatives of Deloitte & Touche LLP are expected to be present at the annual meeting and to be available to respond to appropriate questions from holders of our common shares. In addition, such representatives will have the opportunity to make a statement if they desire to do so.

The following table presents fees for professional audit services rendered by Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates (collectively, "Deloitte & Touche") for the audit of our financial statements for the fiscal years ended December 31, 2004 and December 31, 2003, and fees for other services rendered by Deloitte & Touche during those periods.

	2004	2003
Audit Fees (a)	\$248,922	\$196,500
Audit-Related Fees (b)	--	--
Tax Fees (c)	49,500	42,000
All Other Fees (d)	--	--
Total	\$298,422	\$238,500

(a) Fees for audit services billed in 2004 and 2003 consisted of the audit of the Company's annual financial statements, reviews of the Company's quarterly financial statements, comfort letters, consents and other services related to SEC matters. 2004 includes an allocation from CharterMac for the review of internal controls pursuant to Section 404 of the Sarbanes-Oxley Act of 2002.

(b) No audit-related services were rendered by Deloitte & Touche in 2004 or 2003.

(c) Fees for tax services billed in 2004 and 2003 consisted of tax compliance services. Tax compliance services are services rendered based upon facts already in existence or transactions that have already occurred to document, compute, and obtain government approval for amounts to be included in tax filings and consisted of Federal, state and local income tax return assistance and REIT compliance testing.

(d) No other services were rendered by Deloitte & Touche during 2004 or 2003.

All audit-related services, tax services and other services were

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

pre-approved by the audit committee, which concluded that the provision of those services by Deloitte & Touche was compatible with the maintenance of Deloitte & Touche's independence in the conduct of its auditing functions.

Policy on Pre-Approval of Independent Auditor Services

The audit committee is responsible for appointing, setting compensation and overseeing the work of the independent auditors. The audit committee has established a policy regarding pre-approval of all audit and non-audit services provided by our Company's independent auditors.

On an on-going basis, management communicates specific projects and categories of service for which the advance approval of the audit committee is requested. The audit committee reviews these requests and advises management if the audit committee approves the engagement of the independent auditors. The audit committee may also delegate the ability to pre-approve audit and permitted non-audit services to one or more of its members, provided that any pre-approvals are reported to the audit committee at its next regularly scheduled meeting.

EXPENSES OF SOLICITATION

We will bear the costs of the solicitation of proxies in connection with the annual meeting, including the costs of preparing, assembling and mailing proxy materials and the handling and tabulation of proxies received. In addition to the solicitation of proxies by mail, proxies may be solicited by trustees of our Company, for no additional compensation, by telephone, telegram, personal interviews or otherwise. Arrangements have also been made with brokerage firms, custodians, nominees and fiduciaries to forward solicitation materials to beneficial owners of common shares held of record by these persons or firms with their nominees, and in connection therewith, these firms will be reimbursed for their reasonable out-of-pocket expenses in forwarding these materials.

Additionally, we have retained The Altman Group, a proxy solicitation firm, to assist in the solicitation of proxies. We anticipate that the cost of this proxy solicitation firm in the aggregate will not exceed \$55,000, plus expenses. The telephone number of The Altman Group is (201) 806-7300. Other than as set forth above, neither we nor any other person acting on our behalf has retained any other person to make solicitations or recommendations to shareholders with respect to the approval of the acquisition transaction or any other proposal submitted to the shareholders for consideration at the annual meeting.

VOTING PROCEDURES

General

EquiServe Trust Company, N.A. (the "Inspector") has been appointed the inspector of elections. The Inspector will count all votes cast, in person or by submission of a properly executed proxy, received at or prior to the annual meeting. Abstentions and "broker non-votes" (nominees holding common shares for beneficial owners who have not voted on a specific matter) will be treated as present for purposes of determining whether a quorum is present at the annual meeting. However, abstentions and broker non-votes will have no effect on the vote for Proposals #1 and #3 because the vote required is a plurality and majority, respectively, of the votes actually cast (assuming the presence of a quorum). Abstentions and broker non-votes will be counted as votes against Proposal #2.

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

Voting

You may vote by completing, signing and mailing the enclosed proxy card in the enclosed return envelope. In the alternative, you may also submit a proxy on the Internet by following the instructions on the enclosed proxy card. To submit a proxy on the Internet, log on to the Internet and go to <http://www.eproxyvote.com/amc>, enter your authentication number which can be found in the grey shaded box on the proxy card, and follow the directions outlined on the secure website. Even if you plan to attend the annual meeting in person, we urge you to return your proxy card to assure the representation of your shares at the annual meeting.

Record Date

Only holders of our common shares of record at the close of business on April 1, 2005 are entitled to receive notice of, and to vote at, the annual meeting, or any postponements or adjournments thereof. As of that date, there were approximately 8,335,639 common shares issued and outstanding. Each common share entitles the record holder thereof to one vote, exercisable in person or by properly executed proxy, on all matters which properly come before the annual meeting (or any postponement or adjournment thereof).

Quorum; Adjournments

For purposes of the annual meeting, the presence, in person or by proxy, of shareholders entitled to cast a majority of all votes entitled to be cast at the annual meeting will constitute a quorum. If a quorum is not obtained or, as to any one or more of the proposals, if fewer common shares are voted in favor of the proposal than the number of shares required for approval, the annual meeting may be adjourned for the purpose of obtaining additional proxies or votes or for any other purpose and, at any subsequent reconvening of the annual meeting, all proxies will be voted in the same manner as such proxies would have been voted at the original convening of the annual meeting, except for any proxies which have theretofore effectively been revoked or withdrawn, notwithstanding that they may have been effectively voted on the same day for any other matter at a previous meeting.

Vote Required

The affirmative vote of the holders of a majority of the issued and outstanding common shares entitled to vote at the annual meeting at which a quorum is present is required to approve each of the amendments to our declaration of trust, other than proposal #2c, which requires approval of 80% of our common shares outstanding. The affirmative vote of a plurality of the votes actually cast by the holders of our common shares either in person or by proxy at the annual meeting is required for the election of each of the Trustee nominees. The affirmative vote of the holders of a majority of the common shares voting either in person or by proxy at the annual meeting is required to approve, if necessary, the extension of the solicitation period and the adjournment of the annual meeting.

SHAREHOLDER PROPOSALS

Any shareholder proposal intended to be presented at the 2006 Annual Meeting of Shareholders must be received by us at our principal executive office not later than January 6, 2006, for inclusion in the proxy statement and form of proxy

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

relating to that meeting. Any such proposal must also comply with other requirements of the proxy solicitation rules of the SEC. No business other than that stated in the proxy statement and form of proxy shall be transacted at any meeting without the unanimous consent of all the shareholders entitled to vote thereat.

ANNUAL REPORT ON FORM 10-K

Upon written request by any shareholder entitled to vote at the meeting, we will furnish that person without charge a copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2004, which is filed with the SEC, including the financial statements and schedules thereto. Requests should be addressed to Brenda Abuaf at American Mortgage Acceptance Company, 625 Madison Avenue, New York, New York 10022.

OTHER BUSINESS

Our board of trustees does not know of any other matters to be brought before the annual meeting except those set forth in the notice thereof. If other business is properly presented for consideration at the annual meeting, it is intended that the proxies will be voted by the persons named therein in accordance with their judgment on such matters.

It is important that your common shares be represented at the annual meeting. If you are unable to be present in person, please complete, date, sign and return the enclosed stamped, self-addressed proxy card or submit a proxy on the Internet at <http://www.eproxyvote.com/amc>. Your failure to do so will increase the costs of operating our Company and decrease the return on your investment.

SECTION 3.1. ANNUAL MEETINGS. At each annual meeting, the Shareholders entitled to vote shall elect a Board of Trustees and may transact such other Trust business as shall be stated in the notice of the meeting.

-5-

SECTION 3.2. OTHER MEETINGS. Meetings of Shareholders for any purpose other than the election of Trustees may be held at such time and place as shall be determined by or in the manner prescribed in the Bylaws.

SECTION 3.3. VOTING. Each Shareholder entitled to vote in accordance with the terms and provisions of this Declaration of Trust shall be entitled to one vote for each Share held by such Shareholder in the manner provided for in the Bylaws. All elections for Trustees shall be decided by plurality vote (at a meeting or without a meeting, provided that at least a majority of the outstanding Shares shall cast a vote in such election). Unless otherwise provided by this Declaration of Trust, all other questions shall be decided by a majority of the votes cast at a meeting at which a quorum is present or a majority of outstanding Shares cast, without a meeting. Notwithstanding the foregoing, none of the Advisor, the Trustees nor their Affiliates may vote any Shares held by them, or consent, on matters submitted to the Shareholders regarding:

(b) any transaction between the Trust and the Advisor, the Trustees or their Affiliates.

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

SECTION 4.1. NUMBER, TERM AND QUALIFICATIONS. The number of Trustees shall be not less than three (3) nor more than nine (9), as fixed from time to time by the Board of Trustees or as provided for in the Bylaws, a majority of whom shall at all times be Independent Trustees (except that in the event of death, resignation or removal of an Independent Trustee, the requirement for such majority shall not be applicable for a period of sixty (60) days). The Trustees shall be elected at the annual meeting of Shareholders. Each Trustee shall serve a term of one year subject to his successor being elected and qualified.

SECTION 4.2. AUTHORITY OF TRUSTEES. Consistent with the duties and obligations of, and limitations on, the Trustees as set forth herein, and under the laws of the Commonwealth of Massachusetts, the Trustees are accountable to the Shareholders as fiduciaries and are required to perform their duties in good faith and in a manner each Trustee believes to be in the best interest of the Trust and its Shareholders, with such care, including reasonable inquiry, as a prudent person in a like position would use under similar circumstances. In addition, the Trustees shall have a fiduciary duty to the Shareholders to review the relationship of the Trust with the Advisor.

-6-

The Trustees shall have full, absolute and exclusive power, control, management and authority over the Trust's assets and over the business and affairs of the Trust to the same extent as if the Trustees were the sole owners thereof in their own right. The enumeration of any specific power or authority herein shall not be construed as limiting the aforesaid power or authority or any specific power or authority. The Trustees shall have the power to enter into commitments to make any investment, purchase or acquisition, or to exercise any power authorized by this Declaration of Trust or the Bylaws.

The Trustees may establish written policies on investments and borrowings and shall monitor the administrative procedures, investment operations and performance of the Trust and the Advisor to assure that such policies are carried out.

SECTION 4.3. REMOVAL OF TRUSTEES. Any one or more of the Trustees may be removed as provided for in the Bylaws or, with or without cause, by the affirmative vote of the holders of a majority of the outstanding Shares entitled to vote, subject to the provisions of Article III, Section 3.3 hereof.

SECTION 4.4. NEWLY CREATED TRUSTEESHIPS AND VACANCIES. Newly created trusteeships resulting from an increase in the number of Trustees or vacancies occurring in the Board of Trustees for any reason except the removal of Trustees by Shareholders shall be filled in the manner provided for in the Bylaws. ARTICLE V

OFFICERS

SECTION 5.1. OFFICERS. The Board of Trustees may appoint Officers of the Trust in accordance with the terms of the Bylaws.

ARTICLE VI

ADVISOR

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

SECTION 6.1. EMPLOYMENT OF ADVISOR. The Board of Trustees is responsible for the general policies of the Trust and for such general supervision and management of the business of the Trust as may be necessary to insure that such business conforms to the provisions of this Declaration of Trust and the Bylaws. However, the Board of Trustees and officers shall not be required personally to conduct all the business of the Trust and consistent with their ultimate responsibility as stated above and the Bylaws, the Board of Trustees shall have the power to appoint, employ or contract with any Person (including one or more of the directors or officers or any corporation, partnership, or trust in which one or more of the Trustees or officers may be directors, officers, stockholders, partners or trustees) as the Board of Trustees may deem necessary or proper for the transaction of the business of the Trust. The Board of Trustees, upon approval by a majority of the Trustees (including a majority of the Independent Trustees), shall initially employ Related AMI (herein referred to as the "Advisor") to advise the Trust, in respect of the acquisition and disposition of investments by the Trust, and to supervise other aspects of the business of the Trust, and the Trust may grant or delegate such

-7-

authority to the Advisor as the Board of Trustees may in its sole discretion deem necessary or desirable without regard to whether such authority is normally granted or delegated by the Board of Trustees, including, without limitation, the power to delegate to the Advisor the authority (i) to cause the Trust to enter into, or dispose of, investments (not involving Affiliates of the Advisor, a Trustee, the Sponsor or Affiliates thereof unless expressly permitted by the Board of Trustees) and (ii) to defer any fees due to it under the Advisory Agreement, without the approval of the Board of Trustees. The Board of Trustees may, upon approval by a majority of the Trustees (including a majority of the Independent Trustees), employ, or contract with any other Person to serve as the Advisor, with the same rights, powers and limitations described herein in substitution of Related AMI.

The Board of Trustees (subject to the provisions of the Bylaws) shall have the power to determine the terms of any agreement with, and compensation of, the Advisor or any other Person whom they may employ or with whom they may contract; provided, however, that any decision to employ or contract with any Trustee or any Person of which a Trustee is an Affiliate, shall be valid only if made, approved, or ratified by a majority of the Trustees (including a majority of Independent Trustees) not otherwise interested in such transaction as being fair and reasonable to the Trust and on terms and conditions not less favorable to the Trust than those available from unaffiliated third parties. The Board of Trustees may exercise broad discretion in allowing the Advisor to administer and regulate the operations of the Trust, to act as agent for the Trust, to execute documents on behalf of the Board of Trustees, and to make executive decisions which conform to the general policies and general principles previously established by the Board of Trustees.

SECTION 6.2. OTHER ACTIVITIES OF ADVISOR. The Advisor shall not be required to administer the investment activities of the Trust as its sole and exclusive function. The Advisor may have other business interests and may engage in other activities similar or in addition to those relating to the Trust, including the rendering of services and advice to other Persons (including REITS) and the management of other investments (including investments of the Advisor and its Affiliates). The Board of Trustees may request the Advisor to engage in other activities which complement the Trust's investments and to provide services requested by the borrowers or prospective borrowers from the Trust, and the Advisor may receive compensation or commissions therefor from

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

the Trust or other Persons.

The Advisor shall seek out and present to the Trust whether through its own efforts, or those of third parties retained by it, investment opportunities consistent with the investment policies and objectives of the Trust and such investment policies as the Trustees may adopt from time to time. The Advisor shall be obligated to present an investment opportunity to the Trust if (i) such opportunity is of a character which could be taken by the Trust, (ii) such opportunity is compatible with the Trust's investment objectives and policies and (iii) the Trust has the financial resources to take advantage of such opportunity before the Advisor may take advantage of such opportunity for its own account or present or recommend it to others. Subject to the limitations contained in this Paragraph, the Advisor shall be protected in taking for its own account or recommending to others any such particular investment opportunity.

SECTION 6.3. INITIAL INVESTMENT BY AFFILIATES OF THE ADVISOR. Prior to the initial public offering of Shares pursuant to the Prospectus, the Advisor

-8-

made an Initial Investment of \$200,000 in the Trust by acquiring 10,000 Common Shares. The Advisor may only sell Common Shares represented by this Initial Investment through the market on which the Common Shares are normally traded.

ARTICLE VII

THE SHARES AND SHAREHOLDERS

SECTION 7.1. SHARES.

(a) Authorization of Shares. The Trust is authorized to sell and issue as many Shares (including fractional shares) as the Trustees shall determine in their sole discretion. A majority of the Trustees, including a majority of the Independent Trustees, are authorized to determine from time to time the number of such authorized Shares that will be sold and issued to the public or others.

The Shares may be issued for such consideration as the Trustees shall determine, including upon the conversion of convertible debt, or by way of share dividend or share split in the discretion of the Trustees. Except as otherwise provided herein, all Shares shall have equal voting, dividend, distribution, liquidation, redemption and other rights. Shares reacquired by the Trust may be canceled by action of the Trustees. All Shares shall be fully paid and non-assessable by or on behalf of the Trust upon receipt of full consideration for which they have been issued or without additional consideration if issued by way of share dividend, share split, or upon the conversion of convertible debt. Unless otherwise permitted by the Trustees, the Shares shall not entitle the holder to preference, preemptive, appraisal, conversion, or exchange rights of any kind.

(b) Common Shares. Each Common Share shall entitle the holder thereof to one vote. The Trustees may reclassify any unissued Common Shares from time to time in one or more classes or series of beneficial interests.

(c) Preferred Shares. Preferred Shares shall not entitle the holder thereof to vote unless the Trustees, in their sole discretion, determine to grant voting rights to holders of Preferred Shares. The Trustees may classify

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

any unissued Preferred Shares and reclassify any previously classified but unissued Preferred Shares of any series from time to time, in one or more series of beneficial interests in the Trust.

(d) Classified or Reclassified Shares. Prior to issuance of classified or reclassified Shares of any class or series, the Trustees by resolution shall: (a) designate that class or series to distinguish it from all other classes and series of Shares of the Trust; (b) specify the number of Shares to be included in the class or series; and (c) set or change, subject to the express terms of any class or series of Shares of the Trust outstanding at the time, the preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends or other distributions, qualifications and terms and conditions of redemption for each class or series.

(e) Trust Agreement and Bylaws. All Persons who shall acquire Shares in the Trust shall acquire the same subject to the provisions of this Declaration of Trust and the Bylaws and shall be bound by the terms and provisions of this Declaration of Trust and the Bylaws.

-9-

SECTION 7.2. SHAREHOLDERS' DISCLOSURES; REDEMPTION OF SHARES. The Shareholders shall upon demand disclose to the Trust in writing such information with respect to direct and indirect ownership of the Shares as the Board of Trustees deems necessary to comply with the provisions of the Code and the regulations thereunder or to comply with the requirements of any other taxing authority, including the provisions relating to qualification of the Trust as a REIT. If the Board of Trustees shall at any time be of the opinion that direct or indirect ownership of Shares of the Trust has or may become concentrated to an extent which would prevent the Trust from qualifying as a REIT under the Real Estate Investment Trust Provisions of the Code, and whether or not any Shares are or may become Excess Shares under Article X, the Board of Trustees shall have the power by lot or other means deemed equitable by them to prevent the transfer of Shares of the Trust and/or call for redemption a number of such Shares sufficient in the opinion of the Board of Trustees to maintain or bring the direct or indirect ownership of Shares of the Trust into conformity with the requirements for REITs. The redemption price shall be (i) the last reported sale price of the Shares on the last business day prior to the redemption date on the principal national securities exchange on which the Shares are listed or admitted to trading, or (ii) if the Shares are not so listed or admitted to trading, the average of the highest bid and lowest asked prices on such last business day as reported by the National Quotation Bureau Incorporated, the NASDAQ National Quotation System or a similar organization selected by the Trust for such purpose, or (iii) if not determinable as aforesaid, as determined in good faith by the Board of Trustees. From and after the date fixed for redemption by the Board of Trustees, the holder of any Shares so called for redemption shall cease to be entitled to dividends, distributions, voting rights and other benefits with respect to such Shares, except for the right to payment of the redemption price fixed as aforesaid. For the purpose of this Section 7.2, the term "ownership" of Shares shall be determined as provided in Section 544 of the Code or any successor provision.

SECTION 7.3. RIGHT TO REFUSE TO TRANSFER SHARES. Whenever it is deemed by them to be reasonably necessary to protect the tax status of the Trust, the Board of Trustees may require a statement or affidavit from each Shareholder or proposed transferee of Shares setting forth the number of Shares already owned by him and any related person specified in the form prescribed by the Board of Trustees for that purpose. If, in the opinion of the Board of Trustees, which shall be conclusive, any proposed transfer would jeopardize the

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

status of the Trust as a REIT under the Real Estate Investment Trust Provisions of the Internal Revenue Code, whether or not any Shares are or may become Excess Shares under Article X, the Trustees may refuse to permit such transfer. Any attempted transfer for which the Trustees have refused their permission shall be void and of no effect to transfer any legal or beneficial interest in the Shares. All contracts for the sale or other transfer of Shares shall be subject to this provision.

SECTION 7.4. LEGAL OWNERSHIP OF ASSETS OF THE TRUST. The legal ownership of the assets of the Trust and the right to conduct the business of the Trust are vested exclusively in the Trustees, and the Shareholders shall have no interest therein other than beneficial interest in the Trust conferred by their Shares issued hereunder and they shall have no right to compel any partition, division, dividend or distribution of the Trust or any of the assets of the Trust.

SECTION 7.5. SHARES DEEMED PERSONAL PROPERTY. The Shares shall be personal property and shall confer upon the holders thereof only the interest and rights

-10-

specifically set forth in this Declaration of Trust. The death, insolvency or incapacity of a Shareholder shall not dissolve or terminate the Trust or affect its continuity nor give his legal representative any rights whatsoever, whether against or in respect of other Shareholders, the Trustees or the assets of the Trust or otherwise.

SECTION 7.6. SHAREHOLDERS RECORD DATE. In order that the Trust may determine the Shareholders entitled to notice of or to vote at any meeting of Shareholders or any adjournment thereof, or to express consent to Trust action in writing without a meeting, or entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of stock or for the purpose of any other lawful action, the Board of Trustees may fix, in advance, a record date, which shall not be more than sixty nor less than ten days before the date of such meeting or other action. A determination of Shareholders of record entitled to notice of or to vote at a meeting of Shareholders shall apply to any adjournment of the meeting; provided, however, that the Board of Trustees may fix a new record date for the adjourned meeting.

SECTION 7.7. DIVIDENDS. Subject to the provisions of this Declaration of Trust, the Board of Trustees may, out of funds legally available therefor, declare dividends, including deficiency dividends, if necessary, upon the Shares of the Trust as and when it deems expedient. Before declaring any dividends there may be set apart out of any funds of the Trust available for dividends, such sum or sums as the Board of Trustees, from time to time in its discretion, deems proper for working capital or as a reserve fund to meet contingencies or for equalizing dividends or for such other purposes as the Trustees shall deem conducive to the interests of the Trust. The Board of Trustees may declare a consent dividend as long as the form of the actual and consent dividends for the taxable year do not constitute a preferential distribution.

ARTICLE VIII

DURATION, AMENDMENT AND TERMINATION PROCEDURE

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

SECTION 8.1. DURATION OF TRUST. Until the Trust terminates or is terminated as provided in Section 8.3 below, the Trust shall continue in such manner that the Trustees shall have all the powers and discretion, express and implied, conferred upon them by law or by this Declaration of Trust.

SECTION 8.2. AMENDMENT PROCEDURE. This Declaration of Trust may be amended by a majority of the Trustees, including a majority of the Independent Trustees, with the approval of the holders of a majority of the outstanding Shares entitled to vote. Notwithstanding the foregoing, a majority of the Trustees, including a majority of the Independent Trustees, are authorized to alter or repeal any provision of this Declaration of Trust, without the consent of the Shareholders, (i) to the minimum extent necessary, based on an opinion of counsel, to comply with the requirements of the provisions of the Internal Revenue Code applicable to REITS, the regulations issued thereunder, and any ruling on or interpretation of the Internal Revenue Code or the regulations thereunder, (ii) to delete or add any provision of this Declaration of Trust required to be so deleted or added by the staff of the Securities and

-11-

Exchange Commission or a state "blue sky" commissioner or such similar official, which addition or deletion is deemed by such commissioner or official to be for the benefit or protection of Shareholders, or (iii) to clarify any ambiguities or correct any inconsistencies.

SECTION 8.3. TERMINATION OF TRUST. (a) The Trust shall continue perpetually, unless earlier terminated at any time by the affirmative vote of holders of a majority of the outstanding Shares entitled to vote thereon and the affirmative vote of a majority of the Trustees. Upon the termination of the Trust:

(i) The Trust shall carry on no business except for the purpose of winding up its affairs.

(ii) The Trustees shall proceed to wind up the affairs of the Trust and all of the powers of the Trustees under this Declaration of Trust shall continue until the affairs of the Trust shall have been wound up, including the power to fulfill or discharge the contracts of the Trust, collect its assets, sell, convey, assign, exchange, transfer or otherwise dispose of all or any part of the remaining assets of the Trust to one or more Persons at public or private sale for consideration which may consist in whole or in part of cash, Securities or other property of any kind, discharge or pay its liabilities, and do all other acts appropriate to liquidate its business.

(iii) After paying or adequately providing for the payment of all liabilities, and upon receipt of such releases, indemnities, and refunding agreements as they deem necessary for their protection, the Trustees shall convert, to the extent possible, the remaining assets of the Trust to cash, and shall distribute such cash among the Shareholders according to their respective rights.

(b) After termination of the Trust and distribution to the Shareholders as herein provided, the Trustees shall execute and lodge among the records of the Trust an instrument in writing setting forth the facts of such termination, and the Trustees shall thereupon be discharged from all further liabilities and duties hereunder, and the rights and interests of all

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

Shareholders shall thereupon cease.

ARTICLE IX

EXCULPATION AND INDEMNIFICATION AND OTHER MATTERS

SECTION 9.1. LIMITATION OF LIABILITY OF SHAREHOLDERS, TRUSTEES AND OFFICERS WHO ARE PERFORMING SERVICES ON BEHALF OF THE TRUST. The Trustees and officers, in incurring any debts, liabilities or obligations, or in taking or omitting any other actions for or in connection with the Trust are, and shall be deemed to be, acting as Trustees or officers of the Trust and not in their own individual capacities. No Trustee or officer shall, nor shall any Shareholders, be liable for any debt, claim, demand, judgment, decree, liability or obligation of any kind of, against or with respect to the Trust, arising out of any action taken or omitted for or on behalf of the Trust and the Trust shall be solely liable therefor and resort shall be had solely to the assets of the Trust for the payment or performance thereof. The Shareholders shall not be personally liable on account of any contractual obligation

-12-

undertaken by the Trust. Each Shareholder shall be entitled to pro rata indemnity from the Trust estate if, contrary to the provision hereof, such Shareholder shall be held to any such personal liability. All contracts to which the Trust is a party shall include a provision that the Shareholders shall not be personally liable on such contract.

SECTION 9.2. INDEMNIFICATION. (a) Subject to any limitations contained herein, the Trust shall indemnify and hold harmless the Trustees, the Advisor, and their Affiliates who are performing services on behalf of the Trust (all of the foregoing being referred to as "Indemnified Parties" and each being referred to as an "Indemnified Party") against any and all losses, claims, demands, costs, damages, liabilities, joint and several, expenses of any nature (including attorneys' fees and disbursements), and other amounts paid and reasonably incurred by them in connection with or by reason of any act performed or omitted to be performed by them in connection with the operation or business of the Trust, provided, that, (i) the Trustee or Advisor has determined, in good faith, that the course of conduct which caused the loss or liability was in the best interests of the Trust, (ii) such liability or loss was not the result of negligence or misconduct on the part of the Indemnified Party and (iii) such indemnification or agreement to be held harmless is recoverable only out of the assets of the Trust and not from the Shareholders.

The Trust shall not indemnify the Indemnified Parties for any liability imposed by judgment, and costs associated therewith, including attorneys' fees, arising from or out of a violation of state or federal securities laws. Notwithstanding anything to the contrary in the preceding paragraph, the Trust may indemnify the Indemnified Parties for settlements and related expenses of lawsuits alleging securities law violations, and for expenses incurred in successfully defending such lawsuits, only if: (a) a court either (i) approves the settlement and finds that indemnification of the settlement and related costs should be made, or (ii) approves indemnification of litigation costs if there has been a successful defense, or (b) there has been a dismissal with prejudice on the merits (without a settlement). Any person seeking indemnification shall apprise the court of the published position of the Securities and Exchange Commission, the Missouri Securities Division and the Tennessee Securities Division with respect to indemnification for securities law violations, before seeking court approval for indemnification.

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

(b) The indemnification provided by the provisions of this Article IX shall continue for the period of time of service or for any matter arising out of the term of service as to an Indemnified Party and shall inure to the benefit of the heirs, executors and administrators of such a person.

(c) The Trust shall have the power to purchase and maintain insurance on behalf of any person who is or was an Indemnified Party who performs services on behalf of the Trust or is or was serving at the request of the Trust as a director, trustee, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise in which the Trust has an interest against any liability asserted against him or it and incurred by him or it in any such capacity, or arising out of his or its status as such; provided, however, that the Trust shall not incur the cost of any liability insurance which insures an Indemnified Party who performs services on behalf of the Trust or is or was serving at the request of the Trust as a director, trustee, officer, employee or agent of another corporation, partnership, joint venture,

-13-

trust or other enterprise in which the Trust has an interest against liability for which he or it could not be indemnified under this Article IX.

(d) In the event a particular state holds a Shareholder personally liable for claims against the Trust (such as tort claims, contract claims where the underlying agreement does not specifically exclude Shareholder liability, claims for taxes and certain statutory liability), the Shareholder will, upon payment of any such liability, and in the absence of willful misconduct on his part, be entitled to reimbursement from the general assets of the Trust, to the extent such assets are sufficient to satisfy the claim.

(e) The provision of advances from the Trust to the Indemnified Parties for legal expenses and other costs incurred as a result of a legal action is permissible only if the following three conditions are satisfied:

(i) the legal action relates to the performance of duties or services by the Indemnified Party on behalf of the Trust;

(ii) the legal action is initiated by a third party who is not a Shareholder; and

(iii) the Indemnified Party undertakes to repay the advanced funds to the Trust in cases in which such Indemnified Party would not be entitled to indemnification hereunder.

SECTION 9.3. RIGHT OF TRUSTEES AND OFFICERS TO OWN SHARES OR OTHER PROPERTY AND TO ENGAGE IN OTHER BUSINESS. Except as provided for in this Declaration Trust and the Bylaws, any Trustee or officer may acquire, own, hold and dispose of Shares in the Trust, for his individual account, and may exercise all rights of a Shareholder to the same extent and in the same manner as if he were not a Trustee or officer. Subject to the provisions of the Bylaws, any Trustee or officer may have personal business interests and may engage in personal business activities, which interests and activities may include the acquisition, syndication, holding, management, operation or disposition, for his own account or for the account of others, of interests in real property or Persons engaged in the real estate business, even if the same directly compete with the actual business being conducted by the Trust; provided such interests

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

or activities do not have a material adverse effect on the business of the Trust. Subject to the provisions of the Bylaws, any Trustee or officer may be interested as trustee, officer, director, stockholder, partner, member, advisor or employee, or otherwise have a direct or indirect interest in any Person who may be engaged to render advice or services to the Trust, and may receive compensation from such Person as well as compensation as Trustee, officer or otherwise hereunder and no such activities shall be deemed to conflict with his duties and powers as Trustee or officer. Notwithstanding anything to the contrary contained in this Section 9.3, Independent Trustees shall at all times limit their activities so that they at all times satisfy the definition of Independent Trustees as set forth in Article II, Section 2.1 hereof.

-14-

ARTICLE X

EXCESS SHARES

SECTION 10.1. EXCESS SHARES. (a) If, at any time, a Person (as defined in (c) below only for purposes of this Article X) shall be or become an Owner (as defined in (c) below) of Shares of the Trust in excess of 9.8% of the outstanding Shares entitled to vote (the "Limit"), those Shares of the Trust most recently acquired by such Person which are in excess of the Limit, including for this purpose Shares deemed owned through attribution, shall constitute "Excess Shares." Excess Shares shall have the following characteristics:

(i) holders of Excess Shares shall not be entitled to exercise any voting rights with respect to such Excess Shares;

(ii) Excess Shares shall not be deemed to be outstanding for the purpose of determining a quorum at the annual meeting or any special meeting of Shareholders or for determining the number of outstanding Shares for purposes of determining a "majority of the outstanding Shares" in connection with a Shareholders' vote without a meeting;

(iii) any dividends or other distributions with respect to Excess Shares which would have been payable in respect of Shares had they not constituted "Excess Shares" shall be accumulated by the Trust and deposited in a savings account in a New York bank (which may be the Trust's dividend disbursing agent) for the benefit of, and be payable to, the holder or holders of such Shares at such time as such Excess Shares shall cease to be Excess Shares; and

(iv) Excess Shares shall be deemed to have been offered for sale to the Trust or its designee at their fair market value for a period of one hundred twenty (120) days from the date of (A) the transfer of Shares which made the Shares Excess Shares if the Trust has actual knowledge that such transfer creates Excess Shares or (B) if such transfer is not actually known to the Trust, the determination by the Trustees in good faith by resolution duly adopted that a transfer creating Excess Shares has taken place (the "Offer Period"). Fair market value shall be determined as of the date of (A) or (B) above, and shall be the price as determined in good faith by the Trustees, provided, however, (1) if the Shares are listed on a national stock exchange, the fair market value shall be the closing price on that national stock exchange, or (2) if the Shares are not listed on a national stock exchange but publicly

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

quoted on the National Quotation Bureau Incorporated's "pink sheets" or the NASDAQ National Quotation System, then the fair market value shall be the closing bid price on the applicable system.

The Trust may accept the deemed offer for Excess Shares by mailing by registered mail (return receipt requested) a written notice to the record holder of Excess Shares at the address appearing on the Trust's stock transfer records stating the Trust's acceptance of the offer within the Offer Period. Payment for Excess Shares shall be made by the Trust by check, subject to collection, within 30 days after acknowledgment of receipt of the above-described

-15-

notice. After notice has been sent, Excess Shares shall have no further rights beyond the right to receive payment pursuant to this Paragraph.

(b) Each Person who becomes the Owner of Excess Shares is obliged immediately to give or cause to be given written notice thereof to the Trust and to give to the Trust such other information as the Trust may reasonably require of such Person (i) with respect to identifying all Owners and amount of Ownership of its outstanding Shares held directly or by attribution by such Person, and (ii) such other information as may be necessary to determine the Trust's status under the Code.

(c) For the purpose of determination to be made under this Article,

SECTION 3.3. RESIGNATIONS. Any Trustee or other officer may resign at any time. Such resignation shall be made in writing, and shall take effect at the time specified therein, and if no time is specified, at the time of its receipt by the Chairman of the Board or Secretary. The acceptance of a resignation shall not be necessary to make it effective.

SECTION 3.4. REMOVAL OF TRUSTEES. Any one or more of the Trustees may be removed, but only for cause, by action of a majority of the Board of Trustees or as set forth in the Declaration of Trust. SECTION 3.10. TELEPHONIC MEETING. All or any one or more Trustees may participate in a meeting of the Trustees or any committee thereof by means of conference telephone or similar communications equipment by means of which all participants can hear each other and participation in a meeting pursuant to such communication shall constitute presence in person at such meeting.

The Trustees may appoint an executive committee from among their number consisting of three or more members, a majority of whom shall be Independent Trustees, which shall have such powers, duties and obligations as the Trustees may deem necessary and appropriate, including, without limitation, the power to conduct the business and affairs of the Trust during periods between meetings of the Trustees. ARTICLE V

INVESTMENT POLICY

SECTION 5.1. GENERAL STATEMENT OF POLICY. The Trust intends to invest in Mortgage Investments including: (i) Original Mortgage Investments and (ii) Additional Mortgage Investments. Additional Mortgage Investments (other than uninsured Mortgage Loans originated with the intent of later securitizing such Mortgage Loans) may not comprise, in the aggregate, more than 60% of the Mortgage Investments made by the Trust after the date the Proposals are adopted. The Trust will seek to obtain Originated Mortgages with Participating Interest Payments and, to a lesser extent, Acquired Mortgages with Participating Interest Payments. The Trust shall have the right to acquire or originate Mortgages without first obtaining a real property appraisal, unless a majority of the Independent Trustees determine that such an appraisal is necessary; if obtained, any real property appraisals will be maintained in the Trust's books and records for at least five years. The foregoing investments are intended to be structured to comply with the Real Estate Investment Trust Provisions of the Code. In addition to the investments referred to above, the Trust may, in the discretion of the Board of Trustees or the Advisor, make the investments described in Section 5.2 below or such other investments that the Board of Trustees or the Advisor deem in good faith to be consistent with the investment objectives and policies of the Trust as set forth in the Consent Statement.

The Trust may make commitments to make investments consistent with the foregoing policies. The Trust may also participate in joint ventures in Mortgages with Affiliated Programs (subject to the terms of this Section 5.1) and in investments with other unaffiliated investors, including unaffiliated investors having investment policies similar to those of the Trust, on the same or different terms. The Advisor may act as advisor to other investors, including investors who have the same investment policies as the Trust.

The Independent Trustees shall review the investment policies of the Trust with sufficient frequency and at least annually to determine that the policies being followed by the Trust are in the best interests of its Shareholders. Such determination by the Independent Trustees and the basis

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

therefor shall be recorded in the minutes of the meeting of Trustees.

The Trust may not enter into transactions with a Sponsor, the Advisor, a Trustee or an Affiliate thereof, except as (i) specified below or (ii) otherwise permitted by Sections 5.7 and 5.8 of this Article V.

The Trust may invest in a joint venture with an Affiliated Program provided (i) the Affiliated Program has similar investment objectives to those of the Trust, (ii) such joint venture is approved by a majority of the Trustees, including a majority of the Independent Trustees, not otherwise interested in such transaction, as

21

being fair and reasonable to the Trust and (iii) the Trust's participation in such joint venture is on substantially the same terms and conditions as those received by the other joint venturers. In the case of participation with Affiliated Programs, the cost of generating such investments will be shared ratably by the participating Affiliated Program and the Trust.

The Advisor or an Affiliate may purchase Mortgages or interests therein in its own name or in the name of a nominee, a trust or a corporate "nominee" or otherwise and hold title thereto for the purpose of facilitating the acquisition of such Mortgages by the Trust or any other purpose related to the business of the Trust; provided that in the event of the acquisition of such a Mortgage by the Trust from the Advisor or its Affiliates, (i) the purchase price paid by the Trust may not exceed the purchase price paid by the Advisor or its Affiliates, including expenses of acquisition, appropriately reduced (a) to reflect the results of any interest rate hedges placed by the Advisor or its Affiliates on such Mortgages up to the date of acquisition by the Trust, (b) by any mortgage payments received or accrued to the date of acquisition by the Trust to the extent not paid over to the Trust and (c) by all closing costs and Acquisition Fees paid by the Trust and (ii) no compensation or other benefit may accrue to the Advisor or its Affiliates except as otherwise permitted herein and except that they may be reimbursed for the costs incurred to carry the Mortgage (which could include the transactional costs associated with interest rate hedges on such Mortgages including, but not limited to, commodity brokerage commissions, exchange fees, etc.). If the Advisor or an Affiliate has borrowed the funds to make or acquire such Mortgage, the carrying costs payable by the Trust shall include the lesser of interest at the rate charged or the rate which would have been charged for a comparable loan by an unrelated lending institution; if the Advisor or such Affiliate has used its own funds to finance the Mortgage, the carrying costs payable by the Trust shall include interest at a rate not in excess of that which would have been charged by an unrelated lending institution to the Advisor or such Affiliate for short-term borrowings. The Advisor or an Affiliate may purchase other Mortgage Investments upon similar terms and conditions.

The general purpose of the Trust is to acquire assets and to seek income which qualifies under the Real Estate Investment Trust ("REIT") Provisions of the Code. The Board of Trustees shall endeavor to make Mortgage Investments (including investments yielding "qualified temporary investment income" within the meaning of Section 856(c)(6)(D) of the Code) in such a manner as to comply with the requirements of the REIT Provisions of the Code with respect to the composition of the Trust's investments and the derivation of its income; provided, however, that for a period of time during which the portfolio of investments is being developed, the Trust's assets may be invested in investments with income which does not qualify under the REIT Provisions of the Code; and provided further, however, that up to seven percent of the Trust's

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

assets may be invested in Additional Loans, which are unsecured loans and which therefore do not qualify as real estate assets under the REIT provisions of the Code.

22

The investment objectives of the Trust are to: (i) preserve and protect the Trust's invested capital, by investing principally in Mortgage Investments (ii) provide quarterly distributions which may be increased over time as a result of Participating Interest Payments, when obtainable, on Originated Mortgages, based on the cash flow or revenues of the underlying Development; and (iii) provide appreciation by investing in Acquired Mortgages which present the possibility of early disposition or prepayment and investing in Originated Mortgages and, to a lesser extent, Acquired Mortgages which may generate Participating Interest Payments, when obtainable, based on the increased value of the underlying Development upon its refinancing, sale or other disposition.

SECTION 5.2. SPECIFIC INVESTMENTS. In addition to Mortgage Investments, the Trust may invest (through a cash management account maintained at a trust company or otherwise) its assets in investments such as: (a) Securities issued, insured or guaranteed by the United States government or government agencies, (b) savings accounts, (c) certificates of deposit, (d) bank money market accounts, (e) bankers' acceptances or commercial paper rated A-1 or better by Moody's Investors Service, Inc., (f) money market funds (including money market funds sponsored by the Sponsor or its Affiliates) having assets in excess of \$50 million, (g) other short-term highly liquid investments with banks having a net worth of at least \$50 million, (h) investments which yield "qualified temporary investment income" within the meaning of Section 856(c)(6)(D) of the Code, and (i) any combination of the foregoing investments.

SECTION 5.3. REAL PROPERTY. To the extent the Trust invests in real property, a majority of the Trustees shall determine the consideration paid for such real property, based on the fair market value of the property. If a majority of the Independent Trustees determine, or if the real property is acquired from the Advisor, a Trustee, the Sponsors, or Affiliates thereof, such fair market value shall be determined by a qualified independent real estate appraiser selected by the Independent Trustees.

SECTION 5.4. RESERVES. The Trust may retain, as a permanent reserve, any amounts which the Board of Trustees deems reasonable, in cash and in the types of investments described above in Section 5.2 of this Article.

SECTION 5.5. CHANGES IN INVESTMENT POLICIES AND OBJECTIVES. Subject to the investment restrictions in Section 5.6 and 5.7 of this Article, a majority of the Independent Trustees may alter any or all the above-described investment policies if they determine such change to be in the best interests of the Trust. Subject to the preceding terms, the Board of Trustees shall endeavor to invest the Trust's assets in accordance with the investment policies set forth in this Article.

SECTION 5.6. UNINVESTED ASSETS. To the extent that the Trust has assets not otherwise invested in accordance with Section 5.1 of this Article, the Board of Trustees may invest such assets in the types of investments in which the Trust is permitted to invest pursuant to Section 5.2 of this Article.

23

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

 - (h) issue options or warrants to purchase its Shares to any Person unless (i) the exercise price equals or exceeds the fair market value of the Shares on the date of grant and (ii) the consideration received (which may include services), in the judgment of the Independent Trustees, has a market value equal or exceeding the value of such options or warrants on the date of grant;
 - (i) issue options or warrants to purchase its Shares to the Advisor, a Trustee, a Sponsor or an Affiliate thereof, unless such options or warrants (i) are issued on the same terms as such options or warrants are sold to the general public, (ii) do not exceed an amount equal to 10% of the outstanding Shares of the Trust on the date of grant or (iii) issued pursuant to a plan approved by the Shareholders;
 - (j) commingle the Trust funds with those of any other person or entity, except that the use of a zero balance or clearing account shall not constitute a commingling of Trust funds and that funds of the Trust and funds of other entities sponsored by a Sponsor or its Affiliates may be held in an account or accounts established and maintained for the purpose of making computerized disbursements and/or short-term investments provided the Trust funds are protected from claims of such other entities and creditors of such other entities;
- 24
- (k) except for investments permitted by the Consent Statement, invest in the equity Securities of any non-governmental issuer, including other REITs or limited partnerships for a period in excess of 18 months; and provided, further, that all joint ventures with affiliates of the Advisor, a Trustee, a Sponsor or Affiliate thereof must comply with the provisions of Section 5.1 of this Article V;
 - (l) make or invest in any mortgage loans that are subordinate to any

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

mortgage or equity interest of the Advisor, Sponsor, a Trustee or Affiliates thereof; provided, however, that the foregoing shall not prohibit loans to subsidiaries of the Trust; or

(m) sell property to the Sponsor, the Advisor, a Trustee or Affiliate thereof, except in connection with a joint venture with an Affiliated Program permitted under Article V, Section 5.1 if the Trust is required to grant the Affiliated Program a right of first refusal.

SECTION 5.8. TRANSACTIONS BETWEEN THE TRUST AND AFFILIATED PERSONS. Except for joint ventures with Affiliated Programs as provided for in Article V, Section 5.1, or advisory arrangements with the Advisor as provided for in Article VI of the Declaration of Trust, any transaction between the Trust and a Sponsor, the Advisor, a Trustee or Affiliates thereof shall require approval by a majority of the Trustees, including a majority of the Independent Trustees, not otherwise interested in such transaction, as being fair and reasonable to the Trust and on terms and conditions not less favorable to the Trust than those available from unaffiliated third parties.

In the absence of fraud, no contract, act or other transaction between the Trust and any other Person, or in which the Trust is interested, that is described in the preceding paragraph, shall be invalid, void or voidable even though (a) one or more of the Trustees or officers are directly or indirectly interested in, or connected with, or are trustees, partners, directors, officers or retired officers of such other Person, or (b) one or more of the Trustees or officers of the Trust, individually or jointly with others, is a party or are parties to or directly or indirectly interested in, or connected with, such contract, act or transaction.

SECTION 5.9. TRUST'S RIGHT TO BORROW FUNDS. The Trust is authorized to incur indebtedness up to the Debt Limitation.

The Trust shall not borrow funds from the Sponsor, the Advisor, a Trustee or Affiliate thereof unless a majority of the Trustees, including a majority of the Independent Trustees, not otherwise interested in such transaction approve the transaction as being fair and reasonable and no less favorable to the Trust than loans between unaffiliated lenders and borrowers under the same circumstances.

ARTICLE VI

ADVISOR

SECTION 6.1. EMPLOYMENT. The Board of Trustees may retain an Advisor in accordance with the provisions of the Declaration of Trust and these Bylaws.

SECTION 6.2. TERM. The Board of Trustees shall not enter into any Advisory Agreement with the Advisor unless such contract has a term of no more than one year. It shall be the duty of the Board of Trustees to evaluate the performance of the Advisor before entering into or renewing any Advisory Agreement with the Advisor. The criteria used by the Board of Trustees in its evaluation of the Advisor shall be reflected in the minutes of the meeting of Trustees. The Advisory Agreement with the Advisor shall be terminable (i) without cause by the Advisor or (ii) with or without cause by a majority of the Independent Trustees, each without penalty, and each upon 60 days' prior written notice to the non-terminating party. In the event of the termination of the Advisory Agreement with the Advisor, the Advisor will cooperate with the Trust

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

and take all reasonable steps requested to assist the Board of Trustees in making an orderly transition of the advisory function. The Trustees shall determine that any successor Advisor possesses sufficient qualifications (a) to perform the advisory function for the Trust and (b) to justify the compensation provided for in its Advisory Agreement.

SECTION 6.3. COMPENSATION. The Independent Trustees shall determine from time to time but at least annually that the compensation which the Trust contracts to pay to the Advisor is reasonable in relation to the nature and quality of the services performed and that such compensation is within the limits prescribed by the NASAA Statement of Policy regarding Real Estate Investment Trusts in effect on the effective date of the Prospectus. Each determination made by the Independent Trustees concerning the reasonableness of the compensation paid to the Advisor shall be recorded in the minutes of the meeting of Trustees and shall be based on the factors set forth below and such other factors as the Independent Trustees deem relevant:

(a) the size of the advisory fee in relation to the size, composition and profitability of the portfolio of the Trust;

(b) the success of the Advisor in generating opportunities that meet the investment objectives of the Trust;

(c) the rates charged to other REITs and to investors other than REITs by advisors performing similar services;

(d) additional revenues realized by the Advisor and its Affiliates through their relationship with the Trust, including loan administration, underwriting or broker commissions, servicing, engineering, inspection and other fees, whether paid by the Trust or by others with whom the Trust does business;

26

(e) the quality and extent of service and advice furnished by the Advisor;

(f) the performance of the investment portfolio of the Trust, including income, conservation or appreciation of capital, frequency of problem investments and competence in dealing with distress situations; and

(g) the quality of the portfolio of the Trust in relationship to the investments generated by the Advisor for its own account.

The Independent Trustees shall review the performance of the Advisor and the compensation paid to it by the Trust to determine that the provisions of the contract with the Advisor are being carried out. The compensation that any Advisor employed by the Trust shall be entitled to receive for serving as investment advisor shall consist of the Asset Management Fee, payable as set forth in the Advisory Agreement. The Advisor shall also be entitled to receive reimbursement for all operating expenses described in Section 6.5 of this Article. The Advisor shall also receive from the Trust, for services rendered to the Trust, the additional compensation set forth in the Advisory Agreement, which compensation shall include, but shall not be limited to, acquisition fees, property management fees, mortgage servicing fees, incentive fees and Shares.

In the case of multiple Advisors, incentive fees paid to such Advisors and Affiliates thereof shall be distributed by a proportional method reasonably designed to reflect the value added to the Trust's assets by each respective Advisor or Affiliate.

The Independent Trustees shall determine from time to time but at least annually that the total fees and expenses of the Trust are reasonable in light of the investment experience of the Trust, its Net Asset Value, its Net Income, and the fees and expenses of other comparable advisors in real estate. Each such determination shall be recorded in the minutes of the meeting of Trustees.

SECTION 6.4. OTHER ACTIVITIES OF ADVISOR. The Advisor shall not be required to administer the investment activities of the Trust as its sole and exclusive function. The Advisor may have other business interests and may engage in other activities similar or in addition to those relating to the Trust, including the rendering of services and advice to other Persons (including REITS) and the management of other investments (including investments of the Advisor and its Affiliates). The Board of Trustees may request the Advisor to engage in other activities which complement the Trust's investments and to provide services requested by the borrowers or prospective borrowers from the Trust, and the Advisor may receive compensation or commissions therefor from the Trust or other Persons.

The Advisor shall seek out and present to the Trust whether through its own efforts, or those of third parties retained by it, investment opportunities consistent with the investment policies and objectives of the Trust and such investment policies as

27

the Trustees may adopt from time to time. Except for the allocation of investment opportunities between the Trust and the Affiliated Programs as set forth in the Prospectus, the Advisor shall be obligated to present an investment opportunity to the Trust if (i) such opportunity is of a character which could be taken by the Trust, (ii) such opportunity is compatible with the Trust's investment objectives and policies and (iii) the Trust has the financial resources to take advantage of such opportunity before the Advisor may take advantage of such opportunity for its own account or present or recommend it to others. Subject to the limitations contained in this Paragraph, the Advisor shall be protected in taking for its own account or recommending to others any such particular investment opportunity.

SECTION 6.5. LIMITATION ON TOTAL OPERATING EXPENSES. The annual Total Operating Expenses of the Trust may not exceed the greater of: (i) 2% of the Average Invested Assets of the Trust or (ii) 25% of the Trust's Net Income. The Independent Trustees have the fiduciary responsibility of limiting the Trust's annual Total Operating Expenses to amounts that do not exceed the limitations described above. The Independent Trustees may, however, determine that a higher level of Total Operating Expenses is justified for such period because of unusual or non-recurring expenses. Any such finding by the Independent Trustees and the reasons in support thereof shall be recorded in the minutes of the meeting of Trustees. Within 60 days after the end of any fiscal quarter of the Trust for which Total Operating Expenses (for the 12 months then ended) exceed 2% of the Average Invested Assets of the Trust or 25% of the Trust's Net Income, whichever is greater, the Trust will send to Shareholders a written disclosure of such fact. If the Independent Trustees determine that such higher Total Operating Expenses are justified, such disclosure will also contain an explanation of the Independent Trustees' conclusion. In the event the Independent Trustees do not determine that such excess expenses are justified, the Advisor will reimburse the Trust for the excess amount within 60 days after the end of such period.

SECTION 6.6. LIMITATION ON REAL ESTATE COMMISSIONS. If the Trust

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

forecloses on a property servicing a Mortgage and sells such property, the Trust may pay real estate brokerage fees which are reasonable, customary and competitive, taking into consideration the size, type and location of the property ("Competitive Commission"), which shall not in the aggregate exceed the lesser of the Competitive Commission or an amount equal to 6% of the gross sales price of the property. The amount of such fees payable to the Advisor, a Trustee, a Sponsor or an Affiliate thereof shall not exceed the lesser of (i) one-half of the Competitive Commission or (ii) three percent of the gross sales price of a property and shall be paid only if such person provides a substantial amount of services in the sales effort.

SECTION 6.7. INITIAL INVESTMENT BY AFFILIATES OF THE ADVISOR. Prior to the initial public offering of Shares pursuant to the Prospectus, the Advisor made an Initial Investment of \$200,000 in the Trust by acquiring 10,000

28

Common Shares. The Advisor may only sell Common Shares represented by this Initial Investment through the market on which the Common Shares are normally traded.

ARTICLE VII

SHARES AND SHAREHOLDERS

SECTION 7.1. CERTIFICATES; SHARE LEDGER. The ownership of Shares shall be recorded on the books of the Trust or of a transfer or similar agent for the Trust. Certificates evidencing the Shares shall be issued to Shareholders within a reasonable time after a written request for such certificate is received by the Trust. The Trustees may make such rules as they consider appropriate for the issuance of Share certificates, including requiring the Shareholder requesting such issuance to pay the reasonable expenses incurred in connection therewith, the use of facsimile signatures, the transfer of Shares and similar matters. The record books of the Trust as kept by the Trust or any transfer or similar agent shall be conclusive as to who are the Shareholders and as to the number of Shares of the Trust held from time to time by each such Shareholder.

No certificates for Shares shall be issued in place of any certificate alleged to have been lost, destroyed or wrongfully taken, except, if and to the extent required by the Board of Trustees, upon:

- (i) production of evidence of loss, destruction or wrongful taking;
- (ii) delivery of a bond indemnifying the Trust and its agents against any claim that may be made against it or them on account of the alleged loss, destruction or wrongful taking of the replaced certificate or the issuance of the new certificate;
- (iii) payment of the expenses of the Trust and its agents incurred in connection with the issuance of the new certificate; and
- (iv) compliance with such other reasonable requirements as may be imposed.

SECTION 7.2. TRANSFERS OF SHARES. Except as otherwise provided in the Declaration of Trust, Shares shall be transferable on the records of the Trust upon presentment to the Trust or a transfer agent of such evidence of the payment of transfer taxes and compliance with other provisions of law as the

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

Trust or its transfer agent may require.

29

SECTION 7.3. DISTRIBUTION REINVESTMENT PLAN. The Trustees may adopt a distribution reinvestment plan on such terms and conditions they shall approve, which plan may be amended from time to time by the Trustees, provided, however, that such plan shall, at a minimum, provide for the following:

(a) All material information regarding the distribution to the Shareholder and the effect of reinvesting such distribution, including the tax consequences thereof, shall be provided to the Shareholder at least annually; and

(b) Each Shareholder participating in the Reinvestment Plan shall have a reasonable opportunity to withdraw from the Reinvestment Plan at least annually after receipt of the information required in subparagraph (a) above.

SECTION 7.4. REPORTS. The Trust will mail or deliver, within 120 days after the end of each fiscal year, to Shareholders as of a record date after the end of the Trust's fiscal year and each other Person who becomes a Shareholder between such record date and the date of mailing or delivery, an annual report of the affairs of the Trust, including annual financial statements of the Trust (balance sheet, statement of income or loss, statement of Shareholders' equity, and statement of cash flows) accompanied by a report containing an opinion of independent certified public accountants. Such information will be prepared on an accrual basis in accordance with generally accepted accounting principles. The Trust shall also include in its annual report (i) the ratio of the costs of raising capital during the period to the capital raised, (ii) full disclosure of all material terms, factors and circumstances describing any and all transactions with the Advisor, a Trustee, a Sponsor or Affiliates thereof and of fees, commissions, compensation and other benefits paid or accrued to the Advisor, a Trustee, a Sponsor or Affiliates thereof for the fiscal year completed, showing the aggregate amount paid or accrued to each recipient and the services performed for such year (including fees or charges paid or accrued to the Advisor, a Trustee, the Sponsor or Affiliates thereof by third parties doing business with the Trust) and (iii) a statement on distributions to the Shareholders and their sources. The Independent Trustees shall have the duty to examine and comment in the annual report on the fairness of any such transactions with the Advisor, a Trustee, the Sponsor or Affiliates thereof. The Trustees, including the Independent Trustees, shall take reasonable steps to insure that the requirements of this Section 5.9 are satisfied on a timely basis.

ARTICLE VIII

AMENDMENT OF BYLAWS

The Board of Trustees shall have the exclusive power to adopt, alter or repeal any provision of these Bylaws and to make new Bylaws.

30

ARTICLE IX

MISCELLANEOUS

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

SECTION 9.1. SEAL. The trust seal shall be circular in form and shall contain the name of the Trust, the year of its creation and the words "TRUST SEAL MASSACHUSETTS." Said seal may be used by causing it or a facsimile thereof to be impressed or affixed or otherwise reproduced.

SECTION 9.2. FISCAL YEAR. The fiscal year of the Trust shall be determined by resolution of the Board of Trustees.

SECTION 9.3. CHECKS. All checks, drafts or other orders for the payment of money, notes or other evidences of indebtedness issued in the name of the Trust shall be signed by such officer or officers, or agent or agents of the Trust, and in such manner, as shall be determined from time to time by resolution of the Board of Trustees.

SECTION 9.4. NOTICE AND WAIVER OF NOTICE. Whenever any notice is required by the Declaration of Trust or these Bylaws to be given, except as otherwise set forth herein or the Declaration of Trust, personal notice is not meant unless expressly stated, and any notice so required shall be deemed to be sufficient if given by depositing the same in the United States mail, postage prepaid, addressed to the person entitled thereto at his address as it appears on the records of the Trust, and such notice shall be deemed to have been given on the day of such mailing. Shareholders not entitled to vote shall not be entitled to receive notice of any meetings or solicitation of Shareholder consent without a meeting except as otherwise provided by statute.

Whenever any notice is required to be given under the provisions of any law, or under the provisions of the Declaration of Trust or these Bylaws, a waiver thereon in writing signed by the person or persons entitled to said notice, whether before or after the time stated therein, shall be deemed proper notice.

SECTION 9.5. SUCCESSORS IN INTEREST. These Bylaws shall be binding upon and inure to the benefit of the undersigned Trustees and their successors, assigns, heirs, distributees and legal representatives, and every Shareholder and his successors, assigns, heirs, distributees and legal representatives.

SECTION 9.6. SEVERABILITY. If any provision of these Bylaws shall be held invalid or unenforceable in any jurisdiction, such invalidity or unenforceability shall attach only to such jurisdiction and shall not in any manner affect or render invalid or unenforceable such provision in any other jurisdiction or any other provision of these Bylaws in any jurisdiction.

APPENDIX C

AMERICAN MORTGAGE ACCEPTANCE COMPANY

Charter of the Audit Committee of the Board of Trustees

I. PURPOSE

The Audit Committee is established by and amongst the Board of Trustees for the primary purpose of assisting the board in:

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

- o overseeing the integrity of the Company's financial statements,
- o overseeing the Company's compliance with legal and regulatory requirements,
- o overseeing the independent auditor's qualifications and independence,
- o overseeing the performance of the company's independent auditor, and
- o overseeing the Company's system of disclosure controls and system of internal controls regarding finance, accounting, legal compliance, and ethics that management and the Board have established.

Consistent with this function, the Audit Committee should encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures and practices at all levels. The Audit Committee should also provide an open avenue of communication among the independent auditors, financial and senior management, and the Board of Trustees.

The Audit Committee has the authority to obtain advice and assistance from outside legal, accounting, or other advisors as deemed appropriate to perform its duties and responsibilities.

The Company shall provide appropriate funding, as determined by the Audit Committee, for compensation to the independent auditor and to any advisers that the audit committee chooses to engage.

The Audit Committee will primarily fulfill its responsibilities by carrying out the activities enumerated in Section III of this Charter. The Audit Committee will report regularly to the Board of Trustees regarding the execution of its duties and responsibilities.

II. COMPOSITION AND MEETINGS

The Audit Committee shall be comprised of three or more trustees as determined by the Board, each of whom shall be independent trustees (as defined by all applicable rules and regulations), and free from any relationship (including disallowed compensatory arrangements) that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee. Each trustee shall be free of any relationship that, in the opinion of the Board, would interfere with his or her individual exercise of independent judgment, and shall meet the director independence requirements for serving on the Committee as set forth in the corporate governance standards of the American Stock Exchange. All members of the Committee shall have a working familiarity with basic finance and accounting practices. The board shall determine whether at least one member of the Committee qualifies as an "audit committee financial expert" in compliance with the criteria established by the SEC and other relevant regulations. The Company will disclose, in periodic filings as required by the SEC, (i) the name of the "audit committee financial expert" and whether or not he or she is independent, or (ii) the reason for the absence of a current "audit committee financial expert". Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Company or an outside consultant. The Board has determined that simultaneous service on more than one Audit Committee would not impair the ability of any trustee to effectively serve on the Company's audit committee.

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

The members of the Committee shall be elected by the Board at the annual organizational meeting of the Board or until their successors shall be duly elected and qualified. Unless a Chair is elected by the full Board, the members of the Committee may designate a Chair by majority vote of the full Committee membership.

The Committee shall meet at least four times annually, or more frequently as circumstances dictate. Each regularly scheduled meeting shall conclude with an executive session of the Committee absent members of management and on such terms and conditions as the Committee may elect. As part of its job to foster open communication, the Committee should meet periodically with management and the independent auditors in separate executive sessions to discuss any matters that the Committee or each of these groups believe should be discussed privately. In addition, the Committee should meet quarterly with the independent auditors and management to discuss the annual audited financial statements and quarterly financial statements, including the Company's disclosure under "Management's Discussion and Analysis of Financial Condition and Results of Operations".

III. RESPONSIBILITIES AND DUTIES

To fulfill its responsibilities and duties the Audit Committee shall:

Documents/Reports/Accounting Information Review

1. Review this Charter periodically, at least annually, and recommend to the Board of Trustees any necessary amendments as conditions dictate.
2. Review and discuss with management the Company's annual financial statements, quarterly financial statements, and all internal controls reports (or summaries thereof). Review other relevant reports or financial information submitted by the Company to any governmental body, or the public, including management certifications as required by the Sarbanes-Oxley Act of 2002 (Sections 302, 404 and 906) and relevant reports rendered by the independent auditors (or summaries thereof).
3. Recommend to the Board whether the financial statements should be included in the Annual Report on Form 10-K. Review with financial management and the independent auditors the 10-Q prior to its filing (or prior to the release of earnings).
4. Review earnings press releases with management, including review of "pro-forma" or "adjusted" non-GAAP information.
5. Discuss with management financial information and earnings guidance provided to analysts and rating agencies. Such discussions may be on general terms (i.e., discussion of the types of information to be disclosed and the type of presentation to be made).
6. Oversee compliance with the Company's Code of Conduct and oversee and review such code and recommend changes as necessary.

Independent Auditors

7. Appoint (subject to shareholder ratification, if applicable), compensate, and oversee the work performed by the independent auditor for the purpose of preparing or issuing an audit report or related work. Review the performance of the independent auditors and remove the independent auditors if circumstances warrant. The independent auditors shall report directly to the audit committee

Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form PRE 14A

and the audit committee shall oversee the resolution of disagreements between management and the independent auditors in the event that they arise. The committee will review the experience and qualifications of senior members of the independent

2

audit team annually and ensure that all partner rotation requirements, as promulgated by applicable rules and regulations, are executed. The committee will also consider whether the auditor's performance of permissible nonaudit services is compatible with the auditor's independence.

8. Review with the independent auditor any problems or difficulties and management's response; review the independent auditor's attestation and report on management's internal control report; and hold timely discussions with the independent auditors regarding the following:

- o all critical accounting policies and practices;
- o all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor;
- o other material written communications between the independent auditor and management including, but not limited to, the management letter and schedule of unadjusted differences; and
- o an analysis of the auditor's judgment as to the quality of the Company's accounting principles, setting forth significant reporting issues and judgments made in connection with the preparation of the financial statements.

9. At least annually, obtain and review a report by the independent auditor describing:

- o the firm's internal quality control procedures;
- o any material issues raised by the most recent internal quality-control review, peer review, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues; and
- o (to assess the auditor's independence) all relationships between the independent auditor and the Company.

10. Review and preapprove both audit and nonaudit services to be provided by the independent auditor (other than with respect to de minimis exceptions permitted by the Sarbanes-Oxley Act of 2002). This duty may be delegated to one or more designated members of the audit committee with any such preapproval reported to the audit committee at its next regularly scheduled meeting. Approval of nonaudit services shall be disclosed to investors in periodic reports required by Section 13(a) of the Securities Exchange Act of 1934.

11. Set clear hiring policies, compliant with governing laws or regulations, for employees or former employees of the independent auditor.

Financial Reporting Processes and Accounting Policies

12. In consultation with the independent auditors, review the integrity of the organization's financial reporting processes (both internal and external), and

the internal control structure (including disclosure controls).

13. Review with management major issues regarding accounting principles and financial statement presentations, including any significant changes in the Company's selection or application of accounting principles, and major issues as to the adequacy of the Company's internal controls and any special audit steps adopted in light of material control deficiencies.

14. Review analyses prepared by management (and the independent auditor as noted in item 7 above) setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements.

3

15. Review with management the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the financial statements of the Company.

16. Establish and maintain procedures for the receipt, retention, and treatment of complaints regarding accounting, internal accounting, or auditing matters.

17. Establish and maintain procedures for the confidential, anonymous submission by Company employees regarding questionable accounting or auditing matters.

Legal Compliance and Risk Management

18. Review, with the organization's counsel, any legal matter that could have a significant impact on the organization's financial statements.

19. Discuss policies with respect to risk assessment and risk management. Such discussions should include the Company's major financial and accounting risk exposures and the steps management has undertaken to control them.

Other Responsibilities

20. Review with the independent auditors and management the extent to which changes or improvements in financial or accounting practices, as approved by the Audit Committee, have been implemented. (This review should be conducted at an appropriate time subsequent to implementation of changes or improvements, as decided by the Committee.)

21. Prepare the report that the SEC requires be included in the Company's annual proxy statement.

22. Annually, perform a self-assessment relative to the Audit Committee's purpose, duties and responsibilities outlined herein.

23. Perform any other activities consistent with this Charter, the Company's by-laws and governing law, as the Committee or the Board deems necessary or appropriate.
