GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

In this section of the proxy statement, we answer some common questions regarding the annual shareholders meeting and the voting of shares at the meeting.

Where and when will the annual meeting be held?

The date, time and place of the meeting are:

June 14, 2005
10:00 a.m. (New York City time)
The law offices of Paul, Hastings,
Janofsky & Walker LLP
75 East 55th Street,
New York, New York 10022

Why did you send me this proxy statement?

We sent you this proxy statement and the enclosed proxy card because our board of directors is asking for your proxy to vote your shares at the annual meeting. We have summarized information in this proxy statement that you should consider in deciding how to vote at the meeting. But you don't have to attend in order to vote your shares. Instead, you may simply complete, sign, and return the enclosed proxy card.

Who can vote?

Edgar Filing: CAPITAL TRUST INC - Form DEF 14A

You can vote your shares of class A common stock if our records show that you were the owner of the shares as of the close of business on April 27, 2005, the record date determining the shareholders who are entitled to vote at the annual meeting. As of April 27, 2005, there were a total of 15,117,188 shares of our class A common stock outstanding and entitled to vote at the annual meeting. You get one vote for each share of class A common stock that you own. The enclosed proxy card shows the number of shares you can vote.

How are votes counted?

We will hold the annual meeting if shareholders representing the required quorum of shares of class A common stock entitled to vote either sign and return their proxy cards or attend the meeting. A majority of the shares of class A common stock entitled to vote at the meeting present in person or by proxy will constitute a quorum. If you sign and return your proxy card, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote as indicated on the proxy card.

If you abstain or withhold votes, your abstention or withheld vote will not be counted as votes cast and will have no effect on the result of the vote on the election of directors and the ratification of the appointment of Ernst & Young LLP as our independent auditors.

What is the required vote for approval?

The election of each of our nominees for director requires a plurality of the votes cast at the annual meeting and the ratification of the appointment of Ernst & Young LLP as our independent auditors requires a majority of the votes cast at the annual meeting on such matter.

How do I vote by proxy?

Follow the instructions on the enclosed proxy card to vote on the matters to be considered at the annual meeting. Sign and date the proxy card and mail it back to us in the enclosed envelope. The individuals named and designated as proxies in the proxy card will vote your shares as you instruct. You have the following choices in completing your voting.

- o You may vote on each proposal, in which case your shares will be voted in accordance with your choices.
- o In voting on directors, you can either vote FOR all directors or withhold your vote on all or certain directors specified by you.
- o You may abstain on the proposal to ratify the appointment of Ernst & Young LLP as our independent auditors, in which case no vote will be recorded.
- o You may return a signed proxy card without indicating your vote on any matter, in which case the designated proxies will vote to elect all nine nominees as directors and ratify the appointment of Ernst & Young LLP as our independent auditors.

What if other matters come up at the annual meeting?

The only matters we now know of that will be voted

Edgar Filing: CAPITAL TRUST INC - Form DEF 14A

on at the annual meeting include the proposals we have described in this proxy statement: the election of nine directors and the proposal to ratify the appointment of Ernst & Young LLP as our independent auditors for 2005. If other matters are properly presented at the meeting, the designated proxies will vote your shares in their discretion.

Can I change my vote after I return my proxy card?

Yes. At any time before the vote on a proposal, you can change your vote either by giving us a written notice revoking your proxy card or by signing, dating, and returning to us a new proxy card or by attending the annual meeting and voting your shares in person. We will honor the proxy card with the latest date.

Proxy revocation notices or new proxy cards should be sent to Capital Trust, Inc. c/o American Stock Transfer & Trust Company, 6201 Fifteenth Avenue, Brooklyn, New York 11219, Attention: Paula Caroppoli.

Can I vote in person at the annual meeting rather than by completing the proxy card?

Although we encourage you to complete and return the proxy card to ensure that your vote is counted, you can attend the annual meeting and vote your shares in person even if you have submitted a proxy card.

Will my shares be voted if I do not provide my proxy?

Your shares may be voted if they are held in the name of a brokerage firm, even if you do not provide the brokerage firm with voting instructions. Brokerage firms have the authority under the NYSE rules to cast votes on certain "routine" matters if they do not receive instructions from their customers. The election of directors and the proposal to ratify the appointment of Ernst & Young LLP as our independent auditors are considered routine matters for which brokerage firms may vote unvoted shares.

What do I do if my shares are held in "street name"?

If your shares are held in the name of your broker, a bank, or other nominee, that party will give you instructions for voting your shares.

Who will count the votes?

Representatives of American Stock Transfer & Trust Company will count the votes and will serve as the independent inspector of election.

Who pays for this proxy solicitation?

We do. In addition to sending you these materials, some of our employees may contact you by telephone, by mail, or in person. None of these employees will receive any extra compensation for doing this. We do not expect to engage an outside firm to solicit votes, but if such a firm is engaged subsequent to the date of this proxy statement, the cost is estimated to be less than \$10,000, plus reasonable out-of-pocket expenses.

PROPOSAL 1 -- ELECTION OF DIRECTORS

The number of directors that comprise our entire board of directors has been fixed at nine. Nine nominees will be proposed for election as directors at the annual meeting to hold office until our next annual meeting of shareholders and until their successors are duly elected and qualify. All nine nominees currently serve on our board of directors.

Effective February 7, 2005, Jeffrey A. Altman resigned from our board of directors. Our board of directors appointed Edward S. Hyman as a director effective March 30, 2005.

All of the nominees are willing to serve as directors but, if any of them should decline or be unable to act as a director, the individuals designated in the proxy cards as proxies will exercise the discretionary authority provided to vote for the election of such substitute nominee selected by our board of directors, unless the board alternatively acts to reduce the size of the board or maintain a vacancy on the board in accordance with our bylaws. The board of directors has no reason to believe that any such nominees will be unable or unwilling to serve.

The Board considered transactions and relationships between each director or any member of his or her immediate family and the company and its subsidiaries and affiliates. Our board of directors has determined that Messrs. Dobrowski, Hyman, Nassau and Polan and Dr. Sagalyn are independent under the criteria for independence set forth in the listing standards of the New York Stock Exchange, and therefore, upon the election of all nine nominees, we will meet the New York Stock Exchange requirement for a majority of independent directors serving on the board of directors.

Our board of directors currently has four standing committees: an audit committee, a compensation committee, a corporate governance committee, and an investment committee.

Audit Committee: The audit committee is currently comprised of Messrs. Dobrowski and Nassau and Dr. Sagalyn with Dr. Sagalyn serving as the committee's chairperson. All audit committee members meet the independence criteria and have the qualifications set forth in the listing standards of the New York Stock Exchange and Rule 10A-3 under the Securities Exchange Act of 1934. Each of Messrs. The SEC has determined that the audit committee financial expert designation does not impose on the person with that designation any duties, obligations or liability that are greater than the duties, obligations or liability imposed on such person as a member of the audit committee of the board of directors in the absence of such designation. The audit committee appoints our independent auditors, oversees the quality and integrity of our financial reporting and the audits of our financial statements by our independent auditors and in fulfilling its oversight function, reviews with our management and independent auditors the scope and result of the annual audit, our auditors' independence and our accounting policies. Our board of directors has adopted a written charter under which the audit committee operates. This charter is posted on our corporate website at www.capitaltrust.com.

The audit committee has adopted complaint procedures for accounting, internal control and auditing matters in accordance with Rule 10A-3 under the Securities Exchange Act of 1934. The full text of these complaint procedures is available on our corporate website at www.capitaltrust.com.

Compensation Committee: The compensation committee is currently comprised of Mr. Polan and Dr. Sagalyn, with Mr. Polan serving as the committee's chairperson. All compensation committee members meet the independence criteria set forth in the listing standards of the New York Stock Exchange. Our board of directors has adopted a written charter under which the compensation committee operates. This charter is posted on our corporate website at www.capitaltrust.com.

Corporate Governance Committee: The corporate governance committee is currently comprised of Messrs. Dobrowski, Nassau and Polan, with Mr. Nassau serving as the committee's chairperson. All corporate governance committee members meet the independence criteria set forth in the listing standards of the New York Stock Exchange. The corporate governance committee identifies qualified individuals to become board members, recommends to the board individuals to be designated as nominees for election as directors at the annual meetings of shareholders, and develops and recommends to the board our corporate governance guidelines. Our board of directors has adopted a written charter under which the corporate governance committee operates. This charter is posted on our corporate website at www.capitaltrust.com.

Investment Committee: The investment committee is comprised of Messrs. Zell, Hatkoff and Nassau all of whom will remain on this committee following the annual meeting. The investment committee exercises the authority of the board to

Edgar Filing: CAPITAL TRUST INC - Form DEF 14A

approve additions to or modifications of our portfolio of loans and investments beyond the limits of the authority delegated to management in our loan policy.

During fiscal year 2004, our board of directors held four meetings. The audit committee held four meetings in 2004. The compensation committee and the performance compensation committee (which was eliminated immediately following the 2004 annual meeting of shareholders) did not hold any formal committee

7

meetings in 2004, but rather discussed matters informally and acted by unanimous written consent four times in performing their functions. The investment committee did not hold any formal committee meetings in 2004, but rather discussed matters informally and acted by unanimous written consent once in performing its functions. During 2004, each director attended at least 75% of all meetings of the board of directors (while he or she was a member), and at least 75% of all meetings of committees on which he or she served.

Corporate Governance

Corporate Governance Guidelines: We have also adopted corporate governance guidelines to advance the functioning of our board of directors and its committees and to set forth our board of directors' expectations as to how it should perform its functions. Our corporate governance guidelines are posted on our corporate website at www.capitaltrust.com.

The sender should indicate in the address whether it is intended for the entire board of directors, the non-management directors as a group or an individual director. Director Attendance at Annual Meeting of Shareholders. We do not have a formal policy regarding attendance by directors at our annual meeting of shareholders but invite and encourage all directors to attend. We make every effort to schedule our annual meeting of shareholders at a time and date to permit attendance by directors, taking into account the directors' schedules and the timing requirements of applicable law. At our last annual meeting, which was held on June 17, 2004, two directors attended.

8

Compensation of Directors

Generally, our non-employee directors are not paid any cash fees for their services as such, but rather are compensated with an annual award of stock units under our second amended and restated 1997 long-term incentive stock plan with a value equal to \$30,000. However, two of our non-employee directors have elected and will continue to be paid an annual cash retainer of \$30,000. The number of stock units awarded to each director, which are convertible into an equal number of shares of class A common stock according to individual deferral elections set by each director, is determined quarterly in arrears by dividing one-quarter of the annual retainer amount (\$7,500) by the average closing price of the class A common stock for the quarter. The stock units vest when issued. There is currently no separate compensation for service on committees of the board of directors. All directors are also reimbursed for travel expenses incurred in attending board and committee meetings.

Compensation Committee Interlocks and Insider Participation

During 2004, the compensation committee of the board of directors was comprised of Messrs. Altman and Polan and Dr. Sagalyn. None of the committee's members was employed by us as an officer or employee during 2004. No committee member had any interlocking relationships requiring disclosure under applicable rules and regulations.

For a description of certain relationships and transactions with members of the board of directors or their affiliates, see "--Certain Relationships and Related Transactions" beginning on page 22.

Report of the Audit Committee of the Board of Directors*

Our board of directors' audit committee carries out oversight functions with respect to the preparation, review and audit of our financial statements, our system of internal controls and the qualifications, independence and performance of our internal auditor consultants and independent auditors and operates under a written charter adopted by the board of directors. The audit committee has the sole authority and responsibility to select, evaluate and, as appropriate, replace our independent auditors. The audit committee members are independent within the meaning of the applicable New York Stock Exchange listing standards and Rule 10A-3 under the Exchange Act.

Our management is responsible for the development, maintenance and evaluation of internal controls and procedures and the financial reporting system, the maintenance of appropriate accounting and financial reporting principles or policies and the preparation of financial statements in accordance with generally accepted accounting principles. Our independent auditors perform an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards and issue a report thereon. The audit committee's responsibility is to monitor and oversee the foregoing functions.

The audit committee has met and held discussions with management and the independent auditors with respect to our consolidated financial statements for fiscal year 2004 and related matters. Management advised the committee that our consolidated financial statements were prepared in accordance with generally accepted accounting principles and the committee has reviewed and discussed the consolidated financial statements with management and our independent auditors, Ernst & Young LLP. Our independent auditors presented to and reviewed with the audit committee the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). Our independent auditors also provided to the committee the written disclosures and the letter from the auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and in connection therewith the committee discussed with the independent auditors their views as to their independence. The audit committee also reviewed, among other things, the audit and non-audit services performed by, and the amount of fees paid for such services to, Ernst & Young LLP. The audit committee meetings include, whenever appropriate, executive sessions with our independent auditors without the presence of our management.

In undertaking its oversight function, the audit committee relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States and on the representations of the independent auditors included in their report on our financial statements. The audit committee is not, however, professionally engaged in the practice of accounting or auditing and does not provide any expert or other special assurance or professional opinion as to the sufficiency of the external or internal audits, whether the company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles, or on the effectiveness of the system of internal control.

Based on the audit committee's considerations, discussions with management and the independent auditors as described above, the audit committee recommended to the board of directors that

Employment Agreement

John R. Klopp serves as our chief executive officer and president pursuant to an employment agreement entered into as of February 24, 2004. The employment agreement provides for Mr. Klopp's employment through December 31, 2008 (subject to earlier termination under certain circumstances as described below).

Under the employment agreement, Mr. Klopp will receive a base salary of \$600,000 per year, subject to possible increase by our board of directors. The agreement provides for annual performance compensation awards, pursuant to our amended and restated 2004 long-term incentive plan, referred to as the 2004 Plan, tied to the achievement of threshold, target or maximum performance criteria set by the compensation committee of the board each year after consultation with Mr. Klopp. Under these awards, Mr. Klopp can earn an annual cash bonus ranging from 100% of base salary at threshold performance to 200% of base salary at maximum performance, with a target of 150% of base salary at target performance. The agreement also provides for an annual performance compensation award of restricted shares ranging from \$250,000 at threshold performance to \$750,000 at maximum performance, with a target of \$500,000 at target performance. The restricted share awards will be subject to further vesting: 50% of each award will vest in equal installments over the three year period from the date of issuance and 50% of each award will vest on the fourth anniversary from the date of issuance provided the total shareholder return during the vesting period is at least 13% per annum.

Pursuant to the agreement, Mr. Klopp was granted, as of the effective date and pursuant to the 2004 Plan, an initial award of 218,818 restricted shares, 50% of which will be subject to time vesting in eight equal quarterly increments commencing on March 31, 2007 and 50% of which will be issued as a performance compensation award and will vest on December 31, 2008 if the total shareholder return, measured from January 1, 2004 through December 31, 2008, is at least 13% per annum. Mr. Klopp was also awarded, as of the effective date and pursuant to the 2004 Plan, a performance compensation award that provides for cash payments equal to 8% of the amount of cash we receive, if any, as incentive management fees from CT Mezzanine Partners III, Inc., known as Fund III, that vests 65% as of the end of Fund III's investment period and 35% on our receipt of incentive management fees from Fund III. The agreement provided for an additional performance compensation award on or before February 24, 2005 as determined by the compensation committee in its discretion with respect to up to an additional 10% of incentive management fees received from Fund III. On February 4, 2005, the compensation committee awarded Mr. Klopp a performance compensation award that provides for cash payments equal to 4% of the Fund III incentive management fees. The award vests 65% on the expiration of the Fund III investment period and 35% upon our receipt of the incentive management fees.

We may terminate Mr. Klopp's employment upon his death, upon disability that has incapacitated him for 180 consecutive days, or for conduct defined as

Edgar Filing: CAPITAL TRUST INC - Form DEF 14A

"cause" in the agreement. Mr. Klopp has the right to terminate the agreement for "good reason" as defined in the agreement, which includes the assignment of materially inconsistent duties, responsibilities and title and change in control. In the event of our termination of Mr. Klopp's employment without "cause" or by Mr. Klopp for "good reason," Mr. Klopp is entitled to certain post termination benefits, including: a lump sum cash payment equal to the greater of (i) the sum of base salary and target performance bonuses for the balance of the term of the agreement assuming satisfaction of the performance criteria or (ii) twice current base salary and the highest annual cash bonus earned during the term of the agreement; the accelerated vesting in full of all annual restricted share grants made prior thereto and the initial restricted share grant; the accelerated granting and vesting in full of all incentive management fee performance compensation awards; vested options may be exercised for the later of one year following termination or the expiration of the options; and we shall pay medical insurance coverage premiums for the earlier of 18 months following termination or the date Mr. Klopp receives comparable coverage from another employer. If Mr. Klopp is terminated upon expiration of the agreement, he receives the same post termination benefits as though he were terminated for "cause" or resigned for "good reason," except he will be paid a lump

14

sum cash payment equal to his base salary and earned unpaid bonus at target performance, and all awards previously granted will continue to vest for an additional year following termination. The agreement also provides specified benefits upon death or disability.

Mr. Klopp's employment agreement contains provisions relating to non-competition during the term of employment, protection of our confidential information and intellectual property, and non-solicitation of our employees, which provisions extend for 24 months following termination in certain circumstances.

(1) Represents rights to receive cash payments pursuant to incentive bonus agreements based on the distributions, if any, received by us from our incentive interest in CT Mezzanine Partners III, Inc., which we refer to as Fund III. During 2004, Messrs. Klopp, Plavin and Oswald were each granted a

Edgar Filing: CAPITAL TRUST INC - Form DEF 14A

right to receive cash payments equal to the specified percentages of incentive distributions to be received by us from Fund III. These rights vest 65% upon the expiration of the investment period and 35% upon our receipt of incentive distributions from Fund III. Including these grants, incentive bonus agreements representing rights to receive cash payments equal to 17.8% of our total incentive distributions, if any, from Fund III have been granted to various employees. We intend to grant rights of up to 40% of our total incentive distributions to employees.

- (2) The incentive bonus agreements do not provide for any specified time frame during which cash payments are to be made. Cash payments pursuant to incentive bonus agreements will be made when we receive incentive distributions, if any, from Fund III. We currently expect to receive incentive distributions from Fund III in 2008 and 2009.
- (3) The incentive bonus agreements do not provide for minimum or maximum cash payments to the recipients. Cash payments will depend on the amount of incentive distributions, if any, we receive from Fund III. Our incentive distributions will depend on whether the investors in Fund III receive a return of 100% of their invested capital and a minimum return of 10% per annum on invested capital. The "Target" amounts shown in the table are based on numerous assumptions, including that all of Fund III's investments continue to perform and pay off in full by June 30, 2009. There can be no assurance that Fund III will perform in accordance with the foregoing assumptions and produce returns that will be sufficient to generate incentive distributions.
- (4) Represents performance stock awarded to Mr. Klopp on January 26, 2004 which is subject to performance vesting if the specified total shareholder return is obtained for the entire four-year period ended December 31, 2007.
- (5) Mr. Klopp was awarded a performance award on February 24, 2004 which, upon the attainment of 2004 annual performance measures, provided for, among other things, the initial vesting on February 4, 2005 of 21,448 shares of class A common stock, 50% of which is subject to further time vesting in one-third increments over a three-year period ended January 1, 2008 and 50% of which is subject to further performance vesting if the specified total shareholder return is obtained for the entire four-year period ended December 31, 2008. The 10,724 number in the table represents the number of shares of class A common stock subject to further performance vesting.
- (6) Represents performance stock awarded to Mr. Plavin on January 26, 2004 which is subject to performance vesting if the specified total shareholder return is obtained for the entire four-year period ended December 31, 2007.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act requires our officers and directors, and persons who own, or are part of a group that owns, more than ten percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC and the NYSE. Officers, directors and greater than ten percent shareholders are required by regulation of the SEC to furnish us with copies of all Section 16(a) forms they file.

Based solely on our review of Forms 3, 4 and 5 and amendments thereto available to us and other information obtained from our directors and officers and certain 10% shareholders or otherwise available to us, except as described below, we believe that no director, officer or beneficial owner of more than 10% of our class A common stock failed to file on a timely basis reports required pursuant to Section 16(a) of the Securities Exchange Act with respect to 2004. Form 4s required to be filed in January 2004 by John R. Klopp, Stephen D. Plavin and Brian H. Oswald as a result of grants of restricted stock were filed later in March 2004. A Form 3 required to be filed in May 2004 by W. R. Berkley Corporation as a result of the acquisition of class A common stock was filed late in June 2004. A Form 4 required to be filed in September 2004 by Vornado Realty, L.P. due to the acquisition of class A common stock as a result of the conversion of convertible trust preferred securities was filed late in October 2004.

Report on Executive Compensation*

Introduction

Our compensation committee administers our compensation programs. Immediately following our 2004 annual meeting of shareholders, the compensation committee was reconstituted to operate under a new charter and the performance compensation committee was eliminated since its functions were assumed by the reconstituted and newly chartered compensation committee.

Compensation for 2004

Our 2004 executive compensation program consisted of three elements: an annual base salary, annual bonus compensation and long-term incentive compensation.

Mr. Klopp received a \$600,000 annual salary as set forth in his employment agreement which was previously approved by the board of directors and the other executive officers also received their previously established or negotiated salaries. The compensation committee's goal was to provide competitive executive compensation packages as a means of retaining its executive officers. To that end and consistent with its prior practices, the committee strived to compensate executive officers with salaries commensurate with prevailing compensation practices in the financial services industry. Salaries vary according to the levels of responsibility undertaken by the executive officers.

The compensation committee's goals with annual bonus and long-term incentive compensation was to focus executive behavior on the fulfillment of long-term and annual business objectives, and to create a sense of ownership in the company that causes executive decisions to be aligned with the best interests of our shareholders.

For 2004, the board of directors articulated goals for our company. The board emphasized the amount of quarterly dividends declared, net growth in balance sheet assets and ongoing deployment of Fund III's equity through origination of new portfolio assets. The goals were included as the performance measures in Mr. Klopp's performance compensation award governing his annual bonus opportunity and performance stock opportunity. The committee compared the company's actual performance to the designated performance measures and determined that Mr. Klopp was entitled to a cash bonus of \$1,000,000 and 21,448 shares of performance stock pursuant to the formula set forth in his performance award agreement, which stock is subject to further time and performance vesting. The committee awarded Mr. Klopp a discretionary bonus of \$73,450 for overall leadership in achieving company goals.

The compensation committee considered other executive officers' performance in achieving these goals in determining their annual bonuses which, consistent with the prevailing practices in the financial services industry, represents a substantial portion of their compensation.

Section 162(m) of the Internal Revenue Code of 1986 limits the deductibility in our tax return of compensation over \$1 million to any of our executive officers unless, in general, the compensation is paid

18

pursuant to a plan which is performance-related, and non-discretionary and has been approved by our shareholders. The performance compensation committee's policy with respect to Section 162(m) was to make every reasonable effort to ensure that compensation is deductible to the extent permitted while simultaneously providing our executives with appropriate rewards for their performance. During 2004, we paid one of our executive officers approximately \$193,975 aggregate cash compensation that was non-deductible pursuant to Section 162(m). In awarding the cash bonus that produced this non-deductible compensation expense, the compensation committee determined that the advantages to us of awarding the bonus compensation as a reward for the performance and contribution of the executive officer outweighed the loss of the tax deduction. The compensation committee will continue to consider on a case-by-case basis whether particular compensation awards and programs that do not satisfy the conditions of Section 162(m) outweigh the costs to us of the loss of the related tax deduction.

Performance Graph*

Set forth below is a line graph comparing the yearly percentage change in the cumulative total shareholder return on shares of our class A common stock against (i) the cumulative total return of companies listed on the New York Stock Exchange, (ii) the cumulative total return of a peer group selected in the previous year by us (iStar Financial Inc., RAIT Investment Trust, Anthracite Capital Inc., Allied Capital Corp. and LNR Property Corp.), which we refer to as the Old Peer Group and (iii) the cumulative total return of a peer group newly selected by us (iStar Financial Inc., RAIT Investment Trust, Anthracite Capital Inc., Arbor Realty Trust, Gramercy Capital Corp., Newcastle Investment Corp. and NorthStar Realty Finance Corp.), which we refer to as the New Peer Group. We have selected the New Peer Group as a basis for comparison because we believe that, as a result of changes in our operations and the competitive environment, a comparison of shareholder returns to the returns of our newly selected peer group companies provides a more appropriate basis of comparison. The five-year

Edgar Filing: CAPITAL TRUST INC - Form DEF 14A

period compared commences December 31, 1999 and ends December 31, 2004. This graph assumes that \$100 was invested on January 1, 2000 in us and each of the market index and the peer group index, at the December 31, 1999 closing price, and that all cash distributions were reinvested. Our class A common stock price performance shown on the graph is not indicative of future price performance.

PROPOSAL 2 -- RATIFICATION OF INDEPENDENT AUDITORS

Description of Proposal

Our board of directors has appointed Ernst & Young LLP as our independent auditors for the fiscal year ending December 31, 2005, and has further directed that the appointment of such accountants be submitted for ratification by the shareholders at the annual meeting. We have been advised by Ernst & Young LLP that neither that firm nor any of its associates has any relationship with us or our subsidiaries other than the usual relationship that exists between independent certified public accountants and clients. Ernst & Young LLP will have a representative at the annual meeting who will have an opportunity to make a statement, if he or she so desires, and who will be available to respond to appropriate questions.

Shareholder ratification of the appointment of Ernst & Young LLP as our independent auditors is not required by our charter or otherwise. However, our board of directors is submitting the appointment of Ernst & Young LLP to the shareholders for ratification as a matter of what it considers to be good corporate practice. Even if the appointment is ratified, our board of directors in its discretion may direct the appointment of a different independent accounting firm at any time during the year if the board determines that such a change would be in our and our shareholders' best interests.

(c) Tax fees include amounts billed to us primarily for tax planning and consulting, tax compliance and preparation and review of federal, state and local tax returns and tax fees related to REIT tax matters. The audit committee of the board of directors was advised of the services provided by Ernst & Young LLP that are unrelated to the audit of the annual fiscal year end financial statements and the review of interim financial statements and has considered whether the provision of such services is compatible with maintaining Ernst & Young LLP's independence as our independent auditor.

Audit Committee Pre-Approval Policy

In accordance with our audit committee pre-approval policy, all audit and non-audit services performed for us by our independent accountants were pre-approved by the audit committee of our board of directors, which concluded that the provision of such services by Ernst & Young LLP was compatible with the maintenance of that firm's independence in the conduct of its auditing functions.

The pre-approval policy provides for categorical pre-approval of specified audit and permissible non-audit services and requires the specific pre-approval by the audit committee, prior to engagement, of such services, other than audit services covered by the annual engagement letter, that are individually estimated to result in an amount of fees that exceed \$50,000. In addition, services to be provided by the independent accountants that are not within the category of pre-approved services must be approved by the audit committee prior to engagement, regardless of the service being requested or the dollar amount involved.

Requests or applications for services that require specific separate approval by the audit committee are required to be submitted to the audit

Edgar Filing: CAPITAL TRUST INC - Form DEF 14A

committee by both management and the independent accountants, and must include a detailed description of the services to be provided and a joint statement confirming that the provision of the proposed services does not impair the independence of the independent accountants.

The audit committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the audit committee at its next scheduled meeting. The audit committee does not delegate to management its responsibilities to pre-approve services to be performed by the independent accountants.

Vote Required; Recommendation

The affirmative vote of a majority of the votes cast at the annual meeting is required to ratify the appointment of Ernst & Young LLP as our independent auditors. Our board of directors unanimously recommends that you vote for the ratification of Ernst & Young LLP as our independent auditors.
