Exhibit 1

Pelephone Selects the MIND CTI Billing and Customer Care Solution to Support Launch of MVNO Platform

Yoqneam, Israel, March 30, 2011 - MIND C.T.I. LTD. (Nasdaq GM:MNDO), a leading provider of convergent end-to-end billing and customer care product based solutions for service providers as well as telecom expense management (call accounting) solutions, today announced it has been chosen by Pelephone Communications Ltd., the first Israeli mobile operator with over 2.8 million subscribers, to provide MIND's billing solution for MVNOs.

MIND provides Pelephone with an integrated end-to-end convergent billing and customer care solution for full support of its MVNE (mobile virtual network enabler) operations. Pelephone Communications Ltd. is the first cellular provider in Israel to partner with MVNO carriers and since December 2010 Pelephone has been chosen by a number of new carriers.

MIND's billing and customer care platform will deliver a multi-provider easy configurable platform that enables Pelephone to expand in Israel's dynamic telecom market. Our convergent end-to-end billing and customer care solutions can run side-by-side with any existing billing system and offer the flexibility carriers need these days more than ever while reducing cost of operations.

Shimon Hertz, Pelephone's VP Information Technology commented: "Pelephone chose MIND after considering a number of options. We have chosen MIND as its complete platform provides the flexibility needed as we develop the MVNO operations and based on the impressive track record of MIND's on-time deliveries. We believe MIND will be a great partner for the long term."

Monica Iancu, Chairperson and CEO, commented: "We are excited to have been selected for the first time by a tier one operator in Israel. We are committed to Pelephone's success in their MVNO platform operation and hope to be able to expand our partnership."

About MIND

MIND CTI Ltd. is a leading provider of convergent end-to-end billing and customer care product based solutions for service providers as well as telecom expense management (call accounting) solutions. MIND provides a complete range of billing applications for any business model (license, managed service or complete outsourced billing service) for Wireless, Wireline, VoIP and Quad-play carriers in more than 40 countries around the world. A global company, with over twelve years of experience in providing solutions to carriers and enterprises, MIND operates from offices in the United States, UK, Romania and Israel.

About Pelephone Communications Ltd.

Pelephone Communications Ltd., a pioneer in the Israeli mobile marketplace, was established in 1986. The company serves more than 2.8 million customers, and has about 4,300 employees. The company operates 200 sales and service centers, including one employing 200 disabled employees. Early 2009, Pelephone launched its high-speed GSM network based on 3.75 generation HSPA technology. This most advanced network, allows customers to benefit from state-of-the-art devices, content and applications. Pelephone is also a leader in the local mobile content space, both in terms of the number of subscribers and volume of content services usage.
