ANNUAL MEETING OF STOCKHOLDERS
SEPTEMBER 30, 2004

PROXY STATEMENT

The enclosed proxy is solicited by the Board of Directors of Asta Funding, Inc. (the "Company") for use at the Annual Meeting of Stockholders to be held at the Radisson Hotel, 401 South Van Brunt Street, Englewood, New Jersey on September 30, 2004 at 11:00 a.m., and at any adjournments or postponements thereof (the "Meeting") for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. The presence at the Meeting of a stockholder who has given a proxy does not revoke such proxy unless such stockholder files the aforementioned notice of revocation or votes by written ballot.

Edgar Filing: ASTA FUNDING INC - Form DEF 14A

This Proxy Statement and the enclosed form of proxy are first being mailed to stockholders on or about September 1, 2004. All shares represented by valid proxies pursuant to this solicitation (and not revoked before they are exercised) will be voted as specified in the proxy. If a proxy is signed but no specification is given, the shares will be voted "FOR" Proposal 1 (to elect the Board of Directors' nominees to the Board of Directors).

The solicitation of proxies may be made by directors, officers and regular employees of the Company or any of its subsidiaries by mail, telephone, facsimile or telegraph or in person without additional compensation payable with respect thereto. Arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to forward proxy-soliciting material to the beneficial owners of stock held of record by such persons, and the Company will reimburse them for reasonable out-of-pocket expenses incurred by them in so doing. All costs relating to the solicitation of proxies will be borne by the Company.

1

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Only holders of shares of the Company's Common Stock, par value \$.01 per share ("Common Stock"), of record on the close of business on August 19, 2004 (the "Record Date"), are entitled to vote at the Meeting. On the Record Date, the Company had outstanding 13,428,594 shares of Common Stock. Each holder of Common Stock will have the right to one vote for each share standing in such holder's name on the books of the Company as of the close of business on the Record Date with respect to each of the matters considered at the Meeting. There are no cumulative voting rights with respect to the election of Directors. Holders of the Common Stock will not have any dissenters' rights of appraisal in connection with any of the matters to be voted on at the Meeting.

The presence in person or by proxy of the holders of shares entitled to cast a majority of the votes of all shares entitled to vote will constitute a quorum for purposes of conducting business at the Meeting. Assuming that a quorum is present, directors will be elected by a plurality of the votes cast. Stockholders vote at the Meeting by casting ballots (in person or by proxy), which are tabulated, by a person or persons appointed by the Board of Directors before the Meeting to serve as inspector or inspectors of election at the Meeting. For purposes of determining the votes cast with respect to the election of members of the Board of Directors, only those votes cast "for" are included. Pursuant to Delaware corporate law, abstentions and broker non-votes are counted only for the purpose of determining whether a quorum is present.

BOARD ORGANIZATION AND MEETINGS

Composition of the Board of Directors. Since the adoption of the Sarbanes-Oxley Act in July 2002, there has been a growing public and regulatory focus on the independence of directors. Recently, Nasdaq adopted amendments to its definition of independence. Additional requirements relating to independence are imposed by the Sarbanes-Oxley Act with respect to members of the Audit Committee and the Nominating Committee. As noted below, the Board of Directors has determined that the members of the Audit Committee and the Nominating Committee satisfy all such definitions of independence. The Board of Directors has also determined that the following members of the Board satisfy the Nasdaq definition of independence: Herman Badillo, Edward Celano, Harvey Leibowitz, David Slackman, Alan Rivera and Louis A. Piccolo.

During the fiscal year ended September 30, 2003, the Board of Directors held eight meetings and acted five times by unanimous consent, the Audit Committee held four meetings and the Compensation Committee held one meeting. During the 2003 fiscal year, each member of the Board of Directors that was a Board Member during the last fiscal year attended at least 75% of all meetings of the Board of Directors and committees of the Board of Directors of which such director was a member. There are two standing committees of the Board of Directors, each of which is described below. The Company discontinued the Executive Committee during the last fiscal year.

Compensation Committee. During the fiscal year ended September 30, 2003, the Compensation Committee consisted of Herman Badillo (the Chairman), David Slackman and Harvey Leibowitz. The Compensation Committee is empowered by the Board of Directors to review the executive compensation of the Company's officers and directors and to recommend any changes in compensation to the full Board of Directors.

Audit Committee. The Audit Committee consists of Harvey Leibowitz (the Chairman), David Slackman and Edward Celano. The Audit Committee is empowered by the Board of Directors to, among other things: serve as an independent and objective party to monitor the Company's financial reporting process, internal control system and disclosure control system; review and appraise the audit efforts of the Company's independent accountants; assume direct responsibility for the appointment, compensation, retention and oversight of the work of the outside auditors and for the resolution of disputes between the outside auditors and the Company's

management regarding financial reporting issues; and provide an open avenue of

Edgar Filing: ASTA FUNDING INC - Form DEF 14A

communication among the independent accountants, financial and senior management, and the Board of Directors.

The Audit Committee has selected Eisner LLP to serve as the Company's independent accountants during the current fiscal year. Eisner LLP served as the Company's independent accountants during the fiscal year ended September 30, 2003. A representative of Eisner LLP is expected to be present at the Annual Meeting to make such statements as Eisner LLP may desire and will be available to answer appropriate questions from shareholders.

Audit Committee Financial Expert. The Board of Directors has determined that Harvey Leibowitz is an "audit committee financial expert", as such term is defined by the SEC. As noted above, Mr. Leibowitz - as well as the other members of the Audit Committee - has been determined to be "independent" within the meaning of SEC and Nasdaq regulations.

Audit Committee Charter. The Audit Committee performed its duties during fiscal 2003 under a written charter approved by the Board of Directors. The Audit Committee has reviewed the relevant requirements of the Sarbanes-Oxley Act, the proposed rules of the SEC and the proposed new listing standards of the Nasdaq Stock Market regarding audit committee policies. Although some of these rules and standards have not been finalized, the Board of Directors has adopted an amended charter to voluntarily implement certain of the proposed rules and standards. A copy of the Audit Committee Charter is attached hereto as Exhibit A. The Board of Directors and the Audit Committee intend to further amend this charter, if necessary, as rules and standards are finalized by the SEC and the Nasdaq Stock Market to reflect changes in the proposals or additional requirements.

Independence of Audit Committee Members. The Company's Common Stock is listed on the Nasdaq National Market and Asta is governed by the listing standards applicable thereto. All members of the Audit Committee of the Board of Directors have been determined to be "independent directors" pursuant to the definition contained in Rule 4200(a)(15) of the National Association of Securities Dealers' Marketplace Rules and under the SEC's Rule 10A-3.

Audit Committee Report. In connection with the preparation and filing of the Company's Annual Report on Form 10-K, for the fiscal year ended September 30, 2003:

- (1) The Audit Committee reviewed and discussed the audited financial statements with the Company's management.
- (2) The Audit Committee discussed with the Company's independent auditors the matters required to be discussed by SAS 61, as may be modified or supplemented.
- (3) The Audit Committee received and reviewed the written disclosures and the letter from the Company's independent auditors required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as may be modified or supplemented, and discussed with the Company's independent auditors any relationships that may impact their objectivity and independence and satisfied itself as to the auditors' independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the 2003 Annual Report on Form 10-K.

Audit Committee Members:
Harvey Leibowitz (Chairman)
David Slackman

Edgar Filing: ASTA FUNDING INC - Form DEF 14A

Edward Celano

The foregoing report of the Audit Committee is not to be deemed "soliciting material" or deemed to be filed with the SEC or subject to Regulation 14A of the Securities Exchange Act of 1934, except to the extent specifically requested by the Company or incorporated by reference in documents otherwise filed.

Audit Fees. The Company was billed \$130,400 for the audit of the Company's annual financial statements for the year ended September 30, 2003 and for the review of the financial statements included in the Company's Quarterly Reports on Form 10-QSB filed during fiscal 2003.

7

Financial Information Systems Design Implementation Fees. The Company was not billed for and did not receive any professional services described in Paragraph (c)(4)(ii) of Rule 2-01 of the SEC's Regulation S-X (in general, information technology services) from the Company's principal accountant during the year ended September 30, 2003.

All Other Fees. The Company was billed \$96,977 for non-audit services from the Company's principal accountant during the year ended September 30, 2003. Such non-audit services were comprised of \$76,300 in connection with the Company's registration statement filed in June 2003, and \$20,677 in connection with due diligence services related to an acquisition not consummated.

Other Matters. The Audit Committee of the Board of Directors has considered whether the provision of non-audit services as described above is compatible with maintaining the independence of the Company's principal accountant.

Of the time expended by the Company's principal accountant to audit the Company's financial statements for the fiscal year ended September 30, 2003, less than 50% of such time involved work performed by persons other than the principal accountant's full-time, permanent employees.

Nominating Committee. The Board of Directors recently established a Nominating Committee consisting of David Slackman (the Chairman), Edward Celano, Harvey Leibowitz. The Nominating Committee is empowered by the Board of Directors to, among other things, recommend to the Board of Directors qualified individuals to serve on the Company's Board of Directors and to identify the manner in which the Nominating Committee evaluates nominees recommended for the Board.

Nominating Committee Charter. The Board of Directors has adopted a Nominating Committee charter to govern its Nominating Committee. A copy of the Nominating Committee's charter is attached hereto as Exhibit B.

Independence of Nominating Committee Members. All members of the Nominating Committee of the Board of Directors have been determined to be "independent directors" pursuant to the definition contained in Rule 4200(a)(15) of the National Association of Securities Dealers' Marketplace rules.

Procedures for Considering Nominations Made by Shareholders. The Nominating Committee's charter and guidelines developed by the Nominating Committee describe procedures for nominations to be submitted by shareholders and other third-parties, other than candidates who have previously served on the Board of Directors or who are recommended by the Board of Directors. The guidelines state that a nomination must be delivered to the Secretary of the Company at the principal executive offices of the Company not later than the close of

Edgar Filing: ASTA FUNDING INC - Form DEF 14A

business on the 90th day nor earlier than the close of business on the 120th day prior to the first anniversary of the preceding year's annual meeting; provided, however, that if the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, notice to be timely must be so delivered not earlier than the close of business on the 120th day prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the close of business on the 10th day following the day on which public announcement of the date of such meeting is first made by the Company. The public announcement of an adjournment or postponement of an annual meeting will not commence a new time period (or extend any time period) for the giving of a notice as described above. The guidelines require a nomination notice to set forth as to each person whom the proponent proposes to nominate for election as a director: (a) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected) and (b) information that will enable the Nominating Committee to determine whether the candidate or candidates satisfy the criteria established pursuant to the charter and the guidelines for director candidates.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

Pursuant to the rules adopted by the Securities and Exchange Commission, the following report regarding compensation policies as they affect the Company's executive officers is furnished to the stockholders of the Company. The Compensation Committee of the Board of Directors, consisting entirely of non-management directors, approves all policies under which compensation is paid or awarded to the Company's executive officers. During the fiscal year ended September 30, 2003, the Compensation Committee consisted of Herman Badillo (the Chairman), David Slackman and Harvey Leibowitz.

Compensation Philosophy

The Company's executive compensation program is designed to attract and retain superior executive talent, to provide incentives and rewards to executive officers who will contribute to the long-term success of the Company and to closely align the interests of executives with those of the Company's stockholders. The principal elements of the Company's executive compensation program consist of: (i) a current compensation program, (ii) a set of standard benefits and (iii) a long-term benefit program.

The Committee evaluates the level and adequacy of executive compensation through a process that includes an informal analysis of the compensation practices of similarly situated entities in the Company's peer group, as well as those of other receivables management and debt collection companies. The Committee does not rely on quantitative methods or mathematical formulas in setting compensation for a particular executive officer. Instead, the members of the Committee determine appropriate compensation levels after examining a number of factors, including the compensation practices in the competitive marketplace, the Company's historical performance and future prospects, the job responsibilities of each executive, the past and expected contributions of individual executives and other criteria deemed relevant by the Committee.

Current Compensation Program

The current compensation element focuses upon the executive officer's base salary and is designed to provide competitive reimbursement for services rendered. The Company has entered into employment agreements with each executive officer that specify minimum annual base salaries. See "Employment Agreements." Under these employment agreements, base salaries for the executive officers of the Company for 2004 will range from \$300,000 to \$450,000. The Committee believes these base salaries are market for

Edgar Filing: ASTA FUNDING INC - Form DEF 14A

comparable positions at peer companies. The executive officer's annual base salary may be increased as determined by the Board of Directors in its sole discretion.

Standard Benefits

The Company's standard benefit package consists primarily of the matching portion of the Company's 401(k) plan, health insurance benefits and eligibility for annual bonuses.

401(k) Plan

The Company maintains a 401(k) Retirement Plan covering all of its eligible employees. Matching contributions to the plan are made at the discretion of the Board of Directors each plan year.

Annual Bonuses

Pursuant to and during the term of their employment agreements, each of the executive officers shall be eligible to receive bonuses as determined by the Board of Directors of the Company in its sole discretion.

Long-Term Benefit Program

The Company's long-term benefit element is reflected in the grants and awards made pursuant to the Company's stock option plans. Stock options are designed to align the interests of the Company's executives more closely with those of the stockholders. The Company typically grants stock options at an exercise price equal to the fair market value of the Common Stock on the date of grant. These options generally vest in three equal annual installments (on the first, second and third anniversaries of the date of grant, provided that the optionee continues to be employed by the Company on such anniversary date) and are typically exercisable within ten years from the date of grant. The Committee believes that the granting of stock options provides powerful incentives for the creation of long-term value for the Company's stockholders as the full benefit of the stock options cannot be realized unless stock price appreciation occurs over a number of years. The Company's stock option plans are administered by the Compensation Committee, which has authority to determine eligibility, the types and sizes of options, the price and timing of options, and any vesting (including acceleration of vesting) of options.

1995 Stock Option Plan

The 1995 Stock Option Plan authorizes the granting of incentive stock options (as defined in Section 422 of the Internal Revenue Code of 1986, as amended) and non-qualified stock options to eligible employees of the Company, including officers and directors of the Company (whether or not employees) and consultants of the Company. The Company has 1,840,000 shares of Common Stock authorized for issuance under the 1995 Stock Option Plan and 56,000 shares remain available as of August 10, 2004. As of August 10, 2004, approximately 101 of the Company's employees were eligible to participate in the 1995 Stock Option Plan. Future grants under the 1995 Stock Option Plan have not yet been determined. No option will vest more than ten years from the date of grant and no option may be granted after September 14, 2005.

2002 Stock Option Plan

The 2002 Stock Option Plan (the "2002 Plan") authorizes the granting of incentive stock options and non-qualified stock options to eligible employees of the Company, including officers and directors of the Company (whether or not employees) and consultants of the Company. The Company has 1,000,000

Edgar Filing: ASTA FUNDING INC - Form DEF 14A

shares of Common Stock authorized for issuance under the 2002 Plan and 854,167 were available as of August 10, 2004. As of August 10, 2004, approximately 101 of the Company's employees were eligible to participate in the 2002 Plan. Future grants under the 2002 Plan have not yet been determined. No option will vest more than ten years from the date of grant.

15

Compensation of the Chief Executive Officer

As disclosed in the Company's annual report of Form 10-K for the year ended September 30, 2001, the Company entered into a five-year employment agreement with Gary Stern, the Company's Chief Executive Officer. See "Employment Agreements." Pursuant to that agreement, Mr. Stern received a base salary of \$375,000 in 2003. Effective October 1, 2003, Mr. Stern's annual salary was increased to \$450,000. Mr. Stern also received a cash bonus of \$250,000 in 2003 under his employment agreement, which was slightly higher than the bonus paid to Mr. Stern in 2002. The higher bonus paid in 2003 reflected the Company's financial performance during the year as compared to 2002.

The Committee considered the overall level of Mr. Stern's cash compensation appropriate in view of Mr. Stern's leadership of the Company through its evolution into a leading consumer receivables asset management company, the Company's balance sheet strength and Mr. Stern's contributions to the building of the Company's infrastructure and the increased capabilities and expertise of the senior management team put into place by Mr. Stern. The specific bases for the Committee's determinations regarding Mr. Stern's compensation in 2003 included his aggressive leadership, which resulted in the significant strengthening of the Company's balance sheet and the Company's competitive position, his role in completing the Company's July 2003 private offering, his commitment to the development and implementation of the Company's strategic plan, his contribution to the building of the Company's infrastructure and his contributions to the achievement of the Company's performance goals.

This report is submitted on behalf of the Compensation Committee:

Herman Badillo (Chairman)
David Slackman
Harvey Leibowitz

The foregoing report of the Compensation Committee is not to be deemed "soliciting material" or deemed to be filed with the SEC or subject to Regulation 14A of the Securities Exchange Act of 1934, except to the extent specifically requested by the Company or incorporated by reference in documents otherwise filed.

COMPLIANCE WITH SECTION 16 OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors, executive officers and persons holding more than 10% of a registered class of the equity securities of the Company to file with the SEC and to provide the Company with initial reports of ownership, reports of changes in ownership and annual reports of ownership of Common Stock and other equity securities of the Company. Based solely upon a review of such reports furnished to the Company, the Company believes that all such Section 16(a) reporting requirements were timely fulfilled during the fiscal year ended September 30, 2003, except Herman Badillo exercised options on February 14, 2003 but filed a form 4 on March 4, 2003, and GMS Family Investors, LLC and

Edgar Filing: ASTA FUNDING INC - Form DEF 14A

Judith Feder crossed the 10% threshold on May 30, 2003 but filed a form 3 on July 1, 2003. These late filings were inadvertent, and the required filings were made promptly after noting the failures to file.

CERTAIN RELATED PARTY TRANSACTIONS

From time to time Group makes advances to the Company. During the year ended September 30, 2003, Group did not make any advances the Company and its subsidiaries.

The Company has employment agreements with certain of its executive officers. See "Executive Compensation -- Employment Agreements".

In the future, transactions with officers, directors and affiliates of the Company are anticipated to be minimal and will be approved by a majority of the Board of Directors, including a majority of the disinterested members of the Board of Directors, and will be made on terms no less favorable to the Company than could be obtained from unaffiliated third parties.

IV. RESPONSIBILITIES AND DUTIES OF THE AUDIT COMMITTEE

The Audit Committee shall oversee and monitor the Company's accounting and financial reporting process, internal control system and disclosure control system, review the audits of the Company's financial statements and review and evaluate the performance of the Company's outside auditors. In fulfilling these duties and responsibilities, the Audit Committee shall take the following actions, in addition to performing such functions as may be assigned by law, the Company's certificate of incorporation, the Company's bylaws or

the Board.

1. The Audit Committee shall assume direct responsibility for the appointment, retention and oversight of the work of the outside auditors and, when appropriate, the replacement of the outside auditors. As part of the audit process, the Audit Committee shall meet with the outside auditors to discuss and decide the audit's scope. The Audit Committee shall determine that the outside audit team engaged to perform the external audit consists of competent, experienced, auditing professionals. The Audit Committee shall also review and approve the compensation to be paid to the outside auditors and shall be authorized to compensate the outside auditors.

2. The Audit Committee shall take, or recommend that the full Board take, appropriate action to ensure the independence of the outside auditors. The Audit Committee shall require the outside auditors to advise the Company of any fact or circumstances that might adversely affect the outside auditors' independence or judgment with respect to the Company under applicable auditing standards. The Audit Committee shall require the outside auditors to submit, on an annual basis, a formal written statement setting forth all relationships between the outside auditors and the Company that may affect the objectivity and independence of the outside auditors. Such statement shall confirm that the outside auditors are not aware of any conflict of interest prohibited by Section 10A(l) of the Securities Exchange Act of 1934 (the "Exchange Act"). The Audit Committee shall actively engage in a dialogue with the outside auditors with respect to any disclosed relationships or services that may impact the objectivity and independence of the outside auditors.

3. The Audit Committee shall require the outside auditors to advise the Audit Committee in advance in the event that the outside auditors intend to provide any professional services to the Company other than services provided in connection with an audit or a review of the Company's financial statements ("non-audit services"); provided that such non-audit services are not listed in Section 10A(g) of the Exchange Act ("prohibited services"). The Audit Committee shall approve, in advance, any non-audit services to be provided to the Company by the Company's outside auditing firm.

4. The Audit Committee shall obtain confirmations from time to time from the Company's outside auditing firm that such firm is not providing to the Company (i) any prohibited services, or (ii) any other non-audit service or any auditing service that has not been approved in advance by the Audit Committee. The Audit Committee shall have the authority to approve the provision of non-audit services that have not been pre-approved by the Audit Committee, but only to the extent that such non-audit services qualify under the de minimus exception set forth in Section 10A(i)(1)(B) of the Exchange Act. The Audit Committee shall record in its minutes and report to the Board all approvals of non-audit services granted by the Audit Committee.

5. The Audit Committee shall meet with the outside auditors, with no management in attendance, to openly discuss the quality of the Company's accounting principles as applied in its financial reporting, including issues such as (a) the appropriateness, not just the acceptability, of the accounting principles and financial disclosure practices used or proposed to be used by the Company, (b) the clarity of the Company's financial disclosures and (c) the degree of aggressiveness or conservatism that exists in the Company's accounting principles and underlying estimates and other significant decisions made by the Company's management in preparing the Company's financial disclosures. The Audit Committee shall then meet, without operating management or the outside auditors being present, to discuss the information presented to it.

6. The Audit Committee shall meet with the outside auditors and

management to review the Company's quarterly reports on Form 10-Q and annual report on Form 10-K and discuss any significant adjustments, management judgments and accounting estimates and any significant new accounting policies before such forms are filed with the SEC. The Audit Committee shall require the outside auditors to report to

the Audit Committee all critical accounting policies and practices to be used, all alternative treatments of financial information within generally accepted accounting principles that have been discussed with the Company's management, ramifications of the use of such alternative disclosures and treatments, the treatments preferred by the outside auditors and other material written communications between the outside auditors and the Company's management, including management's letters and schedules of unadjusted differences.

7. Upon the completion of the annual audit, the Audit Committee shall review the audit findings reported to it by the outside auditors, including any comments or recommendations of the outside auditors, with the entire Board.

8. The Audit Committee shall review all reports received from the federal and state regulatory authorities and assure that the Board is aware of the findings and results. In addition, it will meet with the appropriate members of senior management designated by the Audit Committee to review the responses to the respective regulatory reports.

9. The Audit Committee shall consider and review with management: (a) significant findings during the year and management's responses thereto, including the status of previous audit recommendations and (b) any difficulties encountered in the course of their audits, including any restrictions on the scope of activities or access to required information.

10. The Audit Committee shall consider and approve, if appropriate, changes to the Company's auditing and accounting principles and practices, as suggested by the outside auditors or management, and the Audit Committee shall review with the outside auditors and management the extent to which such changes have been implemented (to be done at an appropriate amount of time prior to the implementation of such changes as decided by the Audit Committee).

11. The Audit Committee shall prepare a letter for inclusion in the Company's proxy statement describing the discharge of the Audit Committee's responsibilities.

12. The Audit Committee will review and update this Charter periodically, at least annually, and as conditions may dictate. The Audit Committee Charter shall be presented to the full Board for its approval of any changes.

13. Commencing on such date as Section 102(a) of the Sarbanes-Oxley Act of 2002 (the "Act") becomes effective, the Audit Committee shall obtain confirmation from the outside auditors at the commencement of each audit that such firm is a "registered public accounting firm" as such term is defined under the Act.

14. The Audit Committee shall have the authority to engage independent counsel and other advisers as it determines necessary to perform its duties.

15. The Audit Committee shall establish procedures for (i) the receipt,

retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and (ii) the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.

16. The Audit Committee shall investigate or consider such other matters within the scope of its responsibilities and duties as the Audit Committee may, in its discretion, determine to be advisable.
