(e)

Previously, the Board of Directors of The Laclede Group, Inc. adopted resolutions allowing Mr. Kenneth J. Neises, Executive Vice President of Laclede Gas Company (“Company”), to continue to work beyond his mandatory retirement date of November 1, 2005 under the Laclede Gas Company Employees’ Retirement Plan (“Plan”), with the original extension granted up to November 1, 2007 and the second extension granted up to December 1, 2009. On March 7, 2008, the Company entered into a supplemental pension agreement (“Agreement”) with Mr. Neises fixing the value of his aggregate benefit under the Plan and the Laclede Gas Company Supplemental Retirement Benefit Plan (“SERP”) earned from his initial employment date to November 1, 2005, his mandatory retirement date; fixing the formula for determining the value of his aggregate incremental benefit earned under the Plan and SERP from November 1, 2005 to November 1, 2007; and providing for determination of the value of his aggregate incremental benefit from November 1, 2007 to the date of retirement, death or disability as of the date of such event. The aggregate benefit value calculated under the Agreement will be offset by the amounts payable under the Plan and SERP.

The Agreement is not an employment agreement and does not preclude termination of his employment at any time. If the benefit payable under the Agreement is triggered by the death or disability of Mr. Neises, it will be payable in a lump sum 30 days after the date of his death or disability. If it is payable due to his retirement, it will be payable on the date that is six months after the date of his retirement.
