PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

April 25, 2002

GENERAL INFORMATION

This Proxy Statement is furnished to holders of common stock, par value \$1.25 per share ("Common Stock"), of Guaranty Financial Corporation ("Guaranty") in connection with the solicitation of proxies by the Board of Directors of Guaranty to be used at the Annual Meeting of Shareholders to be held on April 25, 2002, at 10:00 a.m., at the Glenmore Country Club, 1750 Piper Way, Keswick, Virginia, and any adjournment thereof (the "Meeting"). At the Meeting, three directors will be elected for terms of three years each.

The principal executive offices of Guaranty are located at 1658 State Farm Boulevard, Charlottesville, Virginia 22911. The approximate date on which this Proxy Statement and the accompanying proxy card are being mailed to Guaranty's shareholders is March 25, 2002.

The Board of Directors has fixed the close of business on March 8, 2002, as the record date (the "Record Date") for the determination of the

Edgar Filing: GUARANTY FINANCIAL CORP /VA/ - Form DEF 14A

holders of shares of Common Stock entitled to receive notice of and to vote at the Meeting. At the close of business on the Record Date, there were 1,961,727 shares of Common Stock outstanding held by approximately 1,077 shareholders. Each share of Common Stock is entitled to one vote on all matters to be acted upon at the Meeting. In the election of directors, those receiving the greatest number of votes will be elected even if they do not receive a majority.

As of the Record Date, directors and executive officers of Guaranty and their affiliates, as a group, owned of record and beneficially a total of 454,224 shares of Common Stock, or approximately 22.53% of the shares of Common Stock outstanding on such date. Directors and executive officers of Guaranty have indicated an intention to vote their shares of Common Stock FOR the election of the nominees set forth on the enclosed proxy.

A shareholder may abstain or (only with respect to the election of directors) withhold his or her vote (collectively, "Abstentions") with respect to each item submitted for shareholder approval. Abstentions will be counted for purposes of determining the existence of a quorum. Abstentions will not be counted as voting in favor of the relevant item.

A broker who holds shares in "street name" has the authority to vote on certain items when it has not received instructions from the beneficial owner. Except for certain items for which brokers are prohibited from exercising their discretion, a broker is entitled to vote on matters put to shareholders without instructions from the beneficial owner. Where brokers do not have or do not exercise such discretion, the inability or failure to vote is referred to as a "broker nonvote." Under the circumstances where the broker is not permitted to, or does not, exercise its discretion, assuming proper disclosure to Guaranty of such inability to vote, broker nonvotes will not be counted for purposes of determining the existence of a quorum, and also will not be counted as voting in favor of or against the particular matter.

Shareholders of Guaranty are requested to complete, date and sign the accompanying form of proxy and return it promptly to Guaranty in the enclosed envelope. If a proxy is properly executed and returned in time for voting, it will be voted as indicated thereon. If no voting instructions are given, proxies received by Guaranty will be voted for approval of the directors nominated for election.

Any shareholder who executes a proxy has the power to revoke it at any time before it is voted by giving written notice of revocation to Guaranty, by executing and delivering a substitute proxy to Guaranty or by attending the Meeting and voting in person. If a shareholder desires to revoke a proxy by written notice, such notice should be mailed or delivered, so that it is received on or prior to the meeting date, to Esther S. Sheler, Secretary, Guaranty Financial Corporation, 1658 State Farm Boulevard, Charlottesville, Virginia 22911.

The cost of soliciting proxies for the Meeting will be borne by Guaranty.

Directors' Fees

Directors, excluding directors who are officers of Guaranty, receive fees of \$550 for each meeting of the Board of Directors attended and \$300 for each Executive, Loan and Audit Committee meeting attended. Mr. Caton, who is an ex officio member of all committees and devotes additional time to Guaranty's affairs as Chairman of the Board of Directors, received a fee of \$32,500 in the fiscal year ended December 31, 2001, in lieu of any fees for attending Board of Directors and committee meetings.

In 1997, Guaranty granted to each of its non-employee directors options to purchase 4,000 shares of Common Stock. Of this amount, options to purchase 800 shares of Common Stock vest each year and are exercisable for a period of three years. Such options, which Guaranty granted under its 1991 Incentive Plan, have an exercise price at or above the fair market value of the Common Stock as of the date of the grant.

Beginning in 2002, Guaranty will annually issue 150 shares of Common Stock to each of its non-employee directors. Such shares are not issued under any of Guaranty's plans, and they are in addition to the cash compensation that the directors receive.

Employment Agreements

Guaranty and William E. Doyle, Jr. are parties to an employment agreement dated as of May 10, 2001. The agreement provides for Mr. Doyle's service as President and Chief Executive Officer of both Guaranty and Guaranty Bank and provides for a base salary of \$195,300. In addition, the agreement provides for, at the beginning of his employment, the grant of options to purchase 5,000 shares of Common Stock and, in each of February 2002, 2003 and 2004, the grant of options to purchase 10,000 shares of Common Stock. Each option, which Guaranty granted or will grant under its 1991 Incentive Plan, is immediately exercisable, has an exercise price of the fair market value at the date of grant and has a 10-year term. The options are intended to be treated as incentive stock options.

Under the agreement, if Mr. Doyle's employment is terminated by Guaranty for reasons other than cause or by Mr. Doyle for "good reason" (as defined in the agreement), he will be entitled to receive severance pay equal to one-twelfth of his annual base salary in effect at the time for 36 months or for the remainder of the term of the agreement, whichever is less. If his employment terminates for reasons other than cause or for good reason within one year of a change in control of Guaranty, he will be entitled to severance payments approximately equal to 299% of his annualized cash compensation for a period that precedes the change in control as determined under the Internal Revenue

Edgar Filing: GUARANTY FINANCIAL CORP /VA/ - Form DEF 14A

Code of 1986, as amended. If termination of employment due to a change in control had occurred in the year ended December 31, 2001, Mr. Doyle would have been entitled to severance payments amounting to approximately \$583,947.

The agreement also contains a covenant not to compete that is in effect while Mr. Doyle is an officer and employee of Guaranty and for a 12-month period after the termination of his employment. The agreement is for a period ending May 31, 2006.

Transactions with Management

Some of the directors and officers of Guaranty are at present, as in the past, customers of Guaranty, and Guaranty has had, and expects to have in the future, banking transactions in the ordinary course of its business with directors, officers, principal shareholders and their associates, on substantially the same terms, including interest rates and collateral on loans, as those prevailing at the same time for comparable transactions with others. These transactions do not involve more than the normal risk of collectibility or present other unfavorable features.

8

There are no legal proceedings to which any director, officer or principal shareholder, or any affiliate thereof, is a party that would be material and adverse to Guaranty.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires Guaranty's directors and executive officers, and any persons who own more than 10% of the outstanding shares of Common Stock, to file with the Securities and Exchange Commission (the "SEC") reports of ownership and changes in ownership of Common Stock. Directors and executive officers are required by SEC regulation to furnish Guaranty with copies of all Section 16(a) forms that they file. Based solely on review of the copies of such reports furnished to Guaranty or written representation that no other reports were required, Guaranty believes that, during fiscal year 2001, all filing requirements applicable to its directors and executive officers were complied with, except that the President and Chief Executive Officer inadvertently filed late a report on Form 3 in March 2002.

INDEPENDENT AUDITORS

Guaranty expects to appoint BDO Seidman, LLP to perform the audit of Guaranty's financial statements for the year ending December 31, 2002. BDO Seidman, LLP has acted as Guaranty's auditors for the past seven years and has reported on financial statements during that period. A representative from BDO Seidman, LLP is expected to be present at the Meeting, will have the opportunity to make a statement if he desires to do so, and is expected to be available to respond to appropriate questions from shareholders.

AUDIT INFORMATION

The Board of Directors has adopted a written charter for the Audit Committee. The three members of the Audit Committee are independent as that term is defined in the listing standards of the National Association of Securities Dealers.

Edgar Filing: GUARANTY FINANCIAL CORP /VA/ - Form DEF 14A

Fees of Independent Public Accountants

Audit Fees

The aggregate amount of fees billed or expected to be billed to Guaranty by BDO Seidman, LLP for professional services rendered in connection with the audit of Guaranty's annual financial statements for the fiscal year ended December 31, 2001, and for the review of Guaranty's interim financial statements included in Guaranty's Quarterly Reports on Form 10-QSB for that fiscal year, was \$83,800.

Financial Information System Design and Implementation Fees

There were no professional services rendered to Guaranty by BDO Seidman, LLP for the design and implementation of financial information systems for the fiscal year ended December 31, 2001.

9

All Other Fees

The aggregate amount of fees billed to Guaranty by BDO Seidman, LLP for all other non-audit services rendered to Guaranty for the fiscal year ended December 31, 2001 was \$23,200, all of which represent fees for tax and audit-related services. Audit-related services generally include fees for pension and statutory audits, business acquisitions, accounting consultations, internal audits and SEC registration statements. The Audit Committee has considered whether the independent auditor's provision of non-audit services to Guaranty is compatible with maintaining the auditor's independence.

Audit Committee Report

Management is responsible for Guaranty's internal controls, financial reporting process and compliance with laws and regulations and ethical business standards. The independent auditor is responsible for performing an independent audit of Guaranty's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes on behalf of the Board of Directors.

In this context, the Audit Committee has reviewed and discussed the audited financial statements with management and the independent auditors. The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee has received from the independent auditors the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from Guaranty and its management. Moreover, the Audit Committee has considered whether the independent auditor's provision of non-audit services to Guaranty is compatible with maintaining the auditor's independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Guaranty's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2001, for filing with the Securities and Exchange Commission. By recommending to the Board of Directors that the audited financial statements be so included, the Audit Committee is not opining on the accuracy, completeness or presentation of the information contained in the audited
